

2024 COMMERCIAL GARBAGE RATES

Garbage service is mandatory in Kirkland. Rates listed are valid from Jan 1 2024 - Dec 31, 2024; prices do not include 10.5% Utility Tax or monthly hazardous waste fee.

Recycling is included with your garbage service at no additional cost. Food scrap collection service is also available upon request at no additional cost to qualifying businesses.

Businesses must have at least as much recycling capacity as their garbage service. At a minimum, businesses must recycle newspapers, mixed papers, and recyclable bottles, cans and plastic containers.
