CITY OF KIRKLAND CITY COUNCIL

Penny Sweet, Mayor • Jay Arnold, Deputy Mayor • Neal Black • Kelli Curtis Amy Falcone •Toby Nixon • Jon Pascal • Kurt Triplett, City Manager

Vision Statement

Kirkland is one of the most livable cities in America. We are a vibrant, attractive, green and welcoming place to live, work and play. Civic engagement, innovation and diversity are highly valued. We are respectful, fair and inclusive. We honor our rich heritage while embracing the future. Kirkland strives to be a model, sustainable city that values preserving and enhancing our natural environment for our enjoyment and future generations.

AGENDA KIRKLAND CITY COUNCIL MEETING City Council Chamber Tuesday, June 15, 2021 5:30 p.m. – Study Session 7:30 p.m. – Regular Meeting

COUNCIL AGENDA materials are available on the City of Kirkland website www.kirklandwa.gov. Information regarding specific agenda topics may also be obtained from the City Clerk's Office on the Friday preceding the Council meeting. You are encouraged to call the City Clerk's Office (425-587-3190) or the City Manager's Office (425-587-3001) if you have any questions concerning City Council meetings, City services, or other municipal matters. The City of Kirkland strives to accommodate people with disabilities. Please contact the City Clerk's Office at 425-587-3190. If you should experience difficulty hearing the proceedings, please bring this to the attention of the Council by raising your hand.

PLEASE CALL 48 HOURS IN ADVANCE (425-587-3190) if you require this content in an alternate format or if you need a sign language interpreter in attendance at this meeting.

ITEMS FROM THE AUDIENCE

provides an opportunity for members of the public to address the Council on any subject which is not of a quasi-judicial nature or scheduled for a public hearing. (Items which may not be addressed under Items from the Audience are indicated by an asterisk*.) The Council will receive comments on other issues, whether the matter is otherwise on the agenda for the same meeting or not. Speaker's remarks will be limited to three minutes apiece. No more than three speakers may address the Council on any one subject. However, if both proponents and opponents wish to speak, then up to three proponents and up to three opponents of the matter may address the Council.

PUBLIC HEARINGS are held to receive public comment on important matters before the Council. You are welcome to offer your comments after being recognized by the Mayor. After all persons have spoken, the hearing is closed to public comment and the Council proceeds with its deliberation and decision making.

*QUASI-JUDICIAL MATTERS Public comments are not taken on quasijudicial matters, where the Council acts in the role of judges. The Council is legally required to decide the issue based solely upon information contained in the public record and obtained at special public hearings before the Council. The public record for quasi-judicial matters is developed from testimony at earlier public hearings held before a Hearing Examiner, the Houghton Community Council, or a city board or commission, as well as from written correspondence submitted within certain legal time frames. There are special guidelines for these public hearings and written submittals.

9. BUSINESS

ORDINANCES are legislative acts or local laws. They are the most permanent and binding form of Council action, and may be changed or repealed only by a subsequent ordinance. Ordinances normally become effective five days after the ordinance is published in the Citv's

official newspaper.

- a. 2021-2022 Budget Adjustment: Mid-Year Adjustment and CIP Project Closure
 - (1) Ordinance O-4760 and its Publication Summary, Amending the Biennial Budget for 2021-2022

 - (3) Calendar Update
- 11. ITEMS FROM THE AUDIENCE
- 12. EXECUTIVE SESSION
- 13. ADJOURNMENT

RESOLUTIONS are adopted to express the policy of the Council, or to direct certain types of administrative action. A resolution may be changed by adoption of a subsequent resolution.

ITEMS FROM THE AUDIENCE Unless it is 10:00 p.m. or later, speakers may continue to address the Council during an additional Items from the Audience period; provided, that the total amount of time allotted for the additional Items from the Audience period shall not exceed 15 minutes. A speaker who addressed the Council during the earlier Items from the Audience period may speak again, and on the same subject, however, speakers who have not yet addressed the Council will be given priority. All other limitations as to time, number of speakers, quasi-judicial matters, and public hearings discussed above shall apply.

EXECUTIVE SESSIONS may be held by the City Council only for the purposes specified in RCW 42.30.110. These include buying and selling real property, certain personnel issues, and litigation. The Council is permitted by law to have a closed meeting to discuss labor negotiations, including strategy discussions.

Council Meeting: 06/15/2021 Agenda: Study Session Item #: 3. a.

E-Page 4

CITY OF KIRKLAND

Planning and Building Department 123 5th Avenue, Kirkland, WA 98033 425-587-3600

MEMORANDUM

To: Kurt, Triplett, City Manager

From: Adam Weinstein, Planning & Building Director

Jeremy McMahan, Planning & Building Deputy Director

Allison Zike, Senior Planner

Date: June 3, 2021

Subject: NE 85TH ST STATION AREA PLAN, FILE NO. CAM20-00153

RECOMMENDATION:

Review and confirm the staff-recommended June Alternatives (i.e., a lower-growth alternative and a higher-growth alternative that fall within the range of alternatives already identified in the Draft Supplemental Environmental Impact Statement (DSEIS)) that will be analyzed in the Fiscal Impacts and Community Benefits Analysis.

BACKGROUND

Council last discussed the Station Area Plan at their April 6, 2021 study session, where they provided direction to staff on the draft scope of work for a Fiscal Impacts and Community Benefits Analysis that was not included in the original scope for the project. Council also directed staff to return with a lower revised high-growth alternative "bookend" (now termed "June Alternative B") that responded to community feedback for less density and more precisely reflected likely redevelopment to occur within the Station Area. With that direction, staff has now finalized the scope for that analysis with the project team and executed an amendment to the City's contract with Mithun (the lead consultant on the Station Area Plan) for the work. The final scope, and revised project schedule, are included as Attachment 1 and summarized in the section below.

FISCAL IMPACT AND BENEFIT ANALYSIS & SUPPORTIVE MODELING - FINAL SCOPE

Based on community input, Planning Commission feedback, and Council direction, the project team has determined additional analysis is required to advance project decisions towards designating a preferred alternative and final Station Area Plan. This additional analysis falls into the interrelated categories described in the following subsections. Each component informs the Fiscal Impacts and Community Benefits Analysis, which, in turn, informs the overall Station Area Plan. The summary below of the supplemental scope was finalized based on Council feedback at their April 6, 2021 study session; see Attachment 1 for the detailed scope and schedule.

Task 1: Station Area Plan Integration

Task 1 includes tasks necessary to develop inputs for the Fiscal Impacts and Benefits Analysis. Includes work to establish narrowed and revised low and high project alternative "bookends," identified hereinafter as "June Alternatives," and evaluation measures for the fiscal analysis, conduct additional transportation analysis as requested by Council, and conduct additional project management and community engagement tasks necessitated by the expanded scope and project schedule. Additionally, this task will supplement previous transportation modeling with a more refined approach to help understand impacts on specific intersections and how existing travel patterns may change with additional growth around the Station Area. *Note: the project team has recently completed work to arrive at a staff recommendation for the June Alternatives as part of this task.*

Task 2: Community Benefits and Tradeoffs

Task 2 was recommended by the project team, in response to City Council direction, to allow the fiscal impact and benefits analysis to evaluate the outcomes of various policy decisions such as bonus or incentive zoning, commercial linkage fees (to offset affordable housing impacts) or other fees, on-site community amenities or fee in-lieu programs, and special district designations (e.g., Transportation Benefit District). This task includes additional transportation analysis for non-vehicular modes of travel with supplemental transit capacity, bikeshed, and walkshed analyses.

The final scope in Attachment 2 includes transportation network-related additions to the core scope of work, which were presented as optional in the draft scope. The additions to the final scope include an interchange analysis for I-405/NE 85th St (responsive to DSEIS comments from WSDOT), study of transit improvements that may be necessary in the future to accommodate growth ,and analysis of additional intersections not currently included in the project model if deemed necessary as work progresses.

Task 3: Fiscal Impacts and Benefits Analysis

Task 3 was requested by City Council to assess the City's revenues and cost of service, including operations and capital investments required to serve the anticipated level of growth. Key questions to be answered in this analysis include:

- What revenues can the City expect associated with the proposed redevelopment of the area?
- What will it cost the City and its partners to most efficiently serve this area with infrastructure and municipal services?
- How would changes in the magnitude, location, and mix of residential and commercial uses affect net fiscal impacts and non-fiscal policy goals?
- What is the relationship between levels of growth among the alternatives and the types and amounts of public benefits provided?

The tasks listed above add a number of complex elements to the previously-established scope for the Station Area Plan and extend the planning process timeline. The tasks have been incorporated at this point in recognition of the large scale of the project, in

order to respond to community and Council feedback related to forthcoming decisions for the final plan, and to provide the best information possible to make decisions that promote the project values of livability, sustainability, and equity. A revised project schedule is included in Attachment 1.

The new supplemental contract with Mithun for the Fiscal Impacts and Community Benefits Analysis totals \$479,067 and will come from the Unreserved General Fund Balance along with an additional \$55,000 to replace lost funding from HB1923 Grant awards towards the Station Area Plan. In addition, the new level of analysis will require supplemental contracts with Robin Kirschbaum, Inc. and RH2 Engineering for utility modeling, using \$44,628 of Surface Water Fund reserves and \$30,788 of Water/Sewer Fund reserves. These additional expenses will be reflected in the June Budget Adjustments presented to Council on June 15.

COMMUNITY INPUT FOR COUNCIL CONSIDERATION

At the April 6 study session, the project team also reported a summary of the <u>Draft Supplemental Environmental Impact Statement (DSEIS) public comments</u> to inform Council direction on the June Alternatives for study. In addition to community input provided during the Draft SEIS public comment period, a special meeting of the City Council was held on May 26, 2021. The special meeting was a virtual Council Listening Session on the Station Area Plan to provide an opportunity for community members to share their thoughts about the Station Area Plan directly with City Councilmembers. The session was recorded and is available for viewing at the <u>City Council video archive webpage</u>.

JUNE ALTERNATIVES RECOMMENDATION FOR FISCAL IMPACTS AND COMMUNITY BENEFITS ANALYSIS

The project team has utilized several resources to provide a recommendation for the June Alternatives to be utilized in the Fiscal Impacts and Community Benefits Analysis (referred to in previous packets and presentations as "narrowed bookends"). These resources include:

- Community and Council input as detailed above;
- Analysis previously completed and published in the Station Area Plan <u>Opportunities</u> and <u>Challenges Report</u>, <u>Market Analysis Report</u>, and <u>DSEIS</u>; and
- City Staff Charette held on May 24, 2021, which included staff representatives from the Planning & Building, Public Works, Finance and Administration, and Parks and Community Services Departments.

Evaluation Criteria and Goals for June Alternatives Development

To guide staff's work towards a recommendation for June Alternatives A and B (a range of options narrowed from the DSEIS alternatives), the project team utilized the below evaluation criteria and goals. These criteria and goals were informed by the abovementioned sources of information.

 Maximize the regional Sound Transit investment in BRT and the 85th Station Area Plan by prioritizing changes that create a transit-connected district that provides real value to the community.

- Optimize affordable housing and economic development potential to support community benefits.
- Growth assumptions should take into account phasing considerations for land use types, infrastructure needs, and schools.
- Maximum allowable zoning heights should include height transitions to existing residential areas.
- The June Alternatives should preserve the functionality of NE 85th St, while enhancing and expanding its new role as an urban, multimodal street.
- Transportation improvements should preserve community character, including minimizing significant changes such as road widening in areas outside of where proposed growth is occurring.
- Transit should be able to operate effectively along NE 85th and other streets in the study area.
- Establish a low-stress priority bike and pedestrian network that serves the full study area.
- Growth assumptions should remove critical areas from the total developable area.

Recommended June Alternatives for Study in the Fiscal Impacts and Community Benefits Analysis

Details of the recommended June Alternatives for study, prepared by Mithun, are provided in Attachment 2. Two June Alternatives have been recommended for utilization in the Fiscal Impacts and Community Benefits Analysis: June Alternative A (Current Trends) and June Alternative B (Transit Connected Growth). The June Alternatives are revised alternatives that present a narrower range of bookends than the alternatives analyzed in the DSEIS. These June Alternatives narrow the range of alternatives for study in the following ways:

- Remove the level of growth shown in DSEIS Alternative 3 from further consideration
- Use a revised version of DSEIS Alternative 1 as the lower limit of growth to be studied (June Alternative A: Current Trends)
- Use a reduced version of DSEIS Alternative 2 as the upper limit of growth to be studied (June Alternative B: Transit Connected Growth)

The Mithun memorandum includes an explanation of the contributing factors to the June Alternative recommendations, including a summary of additional transportation analysis completed as part of Task 1 of the Station Area Plan supplemental scope, growth projections for the June Alternatives by study area quadrant, and exhibits showing revised recommended development typologies and maximum building heights. Table A, below, compares the projected household and employment growth under the studied DSEIS alternatives and the June Alternatives under consideration.

Table A: Comparison of DSEIS and Recommended June Alternatives 2044 Growth Projections

Alternative	Projected Household Growth	Projected Employment Growth
DSEIS No-Action Alternative	2,782	10,859
June Alternative A: Current Trends	3,669	11,821
June Alternative B: Transit Connected Growth	8,003	20,151
DSEIS Alternative 2	8,509	28,688
DSEIS Alternative 3	10,909	34,988

June Alternative A (Current Trends) was based on the DSEIS No-Action Alternative, but reflects an upward adjustment of growth targets more in line with current growth trends in Kirkland (e.g. pipeline projects under construction or in permit review) that have already outpaced the growth assumptions made for the area in the 2015 Comprehensive Plan. In general, June Alternative B (Transit Connected Growth) represents a reduced-growth version of DSEIS Alternative 2, to respond to community feedback requesting a more balanced approach to growth while still leveraging the significant Bus Rapid Transit investment and promoting the City's sustainability goals. Table B, below, describes some of the key adjustments made to DSEIS Alternative 2 to arrive at recommended June Alternative B. The memo in Attachment 2 provides additional details for each recommended Alternative for study.

Table B: Summary Comparison of DSEIS Alternative 2 and Recommended June Alternative B

Description	DSEIS Alt 2 Maximum Allowed Height*	June Alt B Maximum Allowed Height*
1. Lower allowable height in SW Quadrant Please note there was an error made in staff's representation of this recommendation. The correct recommendation in this sub-area is to retain the proposed maximum building height from DSEIS Alt. 2 of 65', which is comparable to existing zoning for the site.	65'	45' 65'
2. Lower allowable height in SW Quadrant	65'	30'
3. Reduce development capacity in NE Quadrant	85'-150', see note**	85'-150', see note**
4. Increase allowable height SE Quadrant	150'	250'**

5. Reduce development capacity along NE 85 th St between 122 nd Ave NE and 128 th Ave NE	85', see note**	85', see note**
*All heights shown are maximum heights, and do non height through transitions to existing residential		
**Note: reduced development capacity reflects changes to development assumptions that affect overall development potential, including additional transitions to existing residential areas, reduced allowed lot coverage, and increased on-site parking requirements.		

The June Alternatives described in Attachment 2 will be analyzed to provide Council with more information on the fiscal impacts and community benefits of potential rezoning and planning changes within the Station Area.

REQUESTED COUNCIL DIRECTION

- 1. Is the range of potential growth and mix of land uses in the recommended June Alternatives for study reasonable and sufficient to answer Council questions? Does Council have any comments on the evaluation criteria used to develop the recommended June Alternatives?
- 2. The recommended June Alternative B maximum allowable zoning heights exhibit represents staff recommendations to set a revised high growth alternative for analysis. We are requesting Council guidance on proposed zoning heights to be analyzed, specifically in the following areas:
 - a. Sub-area A. Block bounded by I-405, NE 90th St, 120th Ave NE, and NE 85th St: Is there value in analyzing heights up to 150', or is 85' the maximum height which the Council would like to consider for the analysis?
 - b. Sub-Area B. Commercial lots fronting onto NE 85th St between 122nd Ave NE and 126th Ave NE: Is there value in analyzing heights up to 150', or is 85' the maximum height which the Council would like to consider for the analysis?

Note: allowed heights up to 150' be achieved with new Construction Type IVB and emerging technologies including Mass Timber (a new wood product technology that allows for tall wood-framed buildings); and 85' is compatible with construction types common in today's market.

- 3. June Alternative B (Transit Connected Growth) proposes increased height up to 45' in the areas shown as Urban Flex Industrial within the Norkirk LIT area (see third attachment enclosed in Mithun memo, Attachment 2). This is consistent with the goal for enabling new uses in this are that fit with a more walkable, urban character along 7th Ave while maintaining the predominantly light industrial uses that exist today. Examples of this new mix of uses could include maker spaces, co-working, and light industry with a storefront presence. Does Council support continued study of the potential for this option within June Alternative B?
- 4. City staff recommends the excess WSDOT ROW be shown as potential parks or open space and therefore be excluded from the housing unit and jobs growth

analysis at this stage. These parcels are unlikely to develop at the heights shown in DSEIS alternatives 2 and 3 within the next 20 years and there are significant regulatory hurdles to acquire these parcels. Staff is recommending that the long-term goal to incorporate these parcels into the Station Area Plan remain, and that they be considered for parks or open space use. Is this approach in line with Council's goals for the Station Area?

PLANNING COMMISSION RECOMMENDATION

The project team will be attending the June 10, 2021 Planning Commission meeting to request their direction on the questions above and receive their general recommendation to City Council on the June Alternatives for study in the Fiscal Impacts and Community Benefits Analysis. Due to project timeline constraints, and the deadline for the Council meeting packet publication, Planning Commission recommendations will be presented to Councilmembers at the June 15 Council meeting.

NEXT STEPS

The project team will utilize Council's decision on the June Alternatives to move forward with supplemental scope tasks as summarized above and described in Attachment 1. Staff will return to a Fall 2021 Council meeting to report out on the results of the Fiscal Impacts and Community Benefits Analysis and request Council direction for the next phases of the project. The revised project schedule anticipates Council deciding on a Preferred Plan Direction, and issuance of a Final Supplemental Environmental Impact Statement (FEIS) by the end of 2021. Work on the final Station Area Plan will begin in 2022.

Project #: City of Kirkland Job Number 45-19-PB

Project: NE 85th ST BRT Station Area Plan

Re: Supplemental Fiscal Impacts and Benefits Analysis Scope and Schedule

Executive Summary

The Northeast 85th St Station Area Plan (SAP) is developing a vision and plan to guide development and investment in the study area surrounding a future BRT Station at NE 85th St and I-405. The project objective is to leverage the WSDOT/Sound Transit I-405 and NE 85th St Interchange and Inline Stride BRT station regional transit investment to maximize transit-oriented development and create the most opportunity for an inclusive, diverse, and welcoming community; value for the City of Kirkland; community benefits including affordable housing; and quality of life for people who live, work, and visit Kirkland.

The SAP project has completed Vision & Concepts as well as Alternatives up to the Draft Supplemental Environmental Impact Statement (DSEIS) stage. Prior to confirming a Preferred Direction in late 2020, the City Council and Planning Commission requested supplemental information to understand the community benefits, tradeoffs, and fiscal impacts of different alternatives. In response, this Scope document describes a proposed approach and workplan for a Supplemental Fiscal Impacts and Benefits Analysis. This supplemental scope is intended to inform the Preferred Direction decision. After that point, the remaining SAP scope, including the Draft and Final Plan, would resume. See the Planning Process Summary below for reference.

This scope of work is designed as a supplement to the Station Area Plan For I-405/NE 85th Street BRT Station Area (City of Kirkland Job Number# 45-19-PB). Additional detail on ongoing SAP tasks, including the development of a Final EIS, can be found in the original contract #32000058. This supplemental scope of work supports and modifies the original contract, including modifying the schedule to develop the Final EIS and preferred plan direction by the end of 2021 and extending the contract completion date to June 1, 2022 at the latest.

NE 85th Station Area Plan – Supplemental Fiscal Impacts and Benefits Analysis Scope
City of Kirkland Job Number 45-19-PB

Page 3 of 18 May 11th, 2021

Supplemental Fiscal Impacts and Benefits Analysis Scope Summary

This supplemental scope of work is designed to support ongoing SAP tasks, including the development of a **Final SEIS** and **preferred plan direction** by the end of 2021. Key activities are summarized for each major phase of work below.

May-June 2021: Create Upper and Lower Bookend Alternatives for Analysis

During this initial phase of work, the consultant team will conduct additional travel modeling for DSEIS Alternative 2. This step will expand the scope of analysis to include regional travel decisions (eg: drivers finding new routes that go outside the current study area). Based on this more precise understanding of future transportation conditions and summary of public comment to date including potential mitigation strategies, the consultant team and City staff will create two alternatives that reflect upper and lower growth "bookends". These bookend alternatives will build on the DSEIS alternatives, and will be used in the fiscal impacts and community benefits analysis. The project team will present recommended bookend alternatives to City Council and Planning Commission prior to studying them as part of the fiscal impacts and community benefits.

June-October 2021: Fiscal Impacts & Community Benefits Analysis

This phase of work will analyze the upper and lower bookend alternatives in two parallel tracks. The Community Benefits & Tradeoffs analysis will respond to City Council's request to better understand how development can contribute to the goals of the Plan. It will also be a critical point to confirm mitigation strategies for the final EIS and identify opportunities for reduced fiscal impacts. Each bookend alternative will be tested to explore the potential value capture associated with development and relevant policy options. In parallel, the fiscal impacts analysis will assess the City's revenues and cost of service, including operations and capital investments required to serve the anticipated level of growth. The two efforts will be coordinated so that opportunities for community benefits that reduce fiscal impacts are identified. For instance, policies for development to provide open space or more efficient water management may reduce the need for park acquisitions costs or infrastructure upgrades. These studies will culminate with a presentation to City Council and Planning Commission summarizing the findings.

October-December 2021: Final EIS & Preferred Plan Direction

Based on the findings of the Community Benefits & Tradeoffs analysis and Fiscal Impacts analysis, the consultant team will begin developing the final SEIS (FSEIS). This FSEIS will incorporate public comment as well as the findings of recent analysis. Based on FSEIS results and external engagement, the project team will present a staff recommendation for a preferred plan direction to City Council and Planning Commission for review. The preferred plan direction will further refine the bookend alternatives and establish a narrowed range of heights, land use mix, major infrastructure investments, and other urban design concepts that have been studied to date. This will provide the foundation for the development of a final plan, code, and implementation strategies.

NE 85th Station Area Plan – Supplemental Fiscal Impacts and Benefits Analysis Scope
City of Kirkland Job Number 45-19-PB

Page 4 of 18 May 11th, 2021

Supplemental Fiscal Impacts and Benefits Analysis Scope and Workplan Proposal

Proposed Approach & Summary of Need

The Station Area Plan For I-405/NE 85th Street BRT Station Area (SAP) is developing a vision and plan to guide development and investment in the study area surrounding a future BRT Station at NE 85th St and I-405. As part of that process, DSEIS alternatives were presented to City Council in late 2020. City Council as well as Planning Commission requested additional information to understand the community benefits, tradeoffs, and fiscal impacts of alternatives. This scope of work is a response to that request, and is organized into the following elements:

- Station Area Plan Integration activities which support overall progress of this supplemental scope of work and integration with other SAP tasks such as the EIS, including development of two "bookend alternatives" for further study (see Task 1.3 below).
- Community Benefits & Tradeoffs Analysis that can assess the feasibility and
 potential community benefits associated with mitigation strategies and policy
 scenarios including regulatory concepts for the FSEIS, SAP and Form Based Code
 (FBC).
- **Fiscal Impacts Analysis** that can assess the City's revenues and cost of service, including operations and capital investments required to serve the anticipated level of growth.

This scope of work is designed as a supplement to the Station Area Plan For I-405/NE 85th Street BRT Station Area (City of Kirkland Job Number# 45-19-PB). Additional detail on ongoing SAP tasks, including the development of a Final EIS, can be found in the original contract #32000058. This supplemental scope of work supports and modifies the original contract, including modifying the schedule to develop the Final EIS and preferred plan direction by the end of 2021 and extending the contract completion date to June 1, 2022 at the latest.

Task 1: Station Area Plan Integration

This task will integrate this supplemental scope of work with ongoing work on the SAP, including the development of upper and lower growth "bookend alternatives" that can inform the Fiscal Impacts Analysis as well as the Community Benefits & Tradeoffs Analysis. Task 1.2 will conduct additional transportation modeling to develop a more precise project list for fiscal impact analysis, and Task 1.3 will establish updated upper and lower bookend alternatives using the results of Task 1.2 as well as feedback from the DSEIS public comment period.

Task 1.1 Project Management & SAP Coordination

Mithun will lead project management and coordination between the supplemental scope the overall SAP. It is anticipated that this will include regular meetings as described in the "Proposed Revised Schedule/Workplan" on page 18:

Attachment A - Services

NE $85^{\rm th}$ Station Area Plan – Supplemental Fiscal Impacts and Benefits Analysis Scope City of Kirkland Job Number 45-19-PB

Page 5 of 18 May 11th, 2021

- **Core Team** one 30 minute, biweekly meeting, focused on overall plan integration. Attendees: Representatives from Mithun, BERK, the Kirkland Planning Department, and Finance Department.
- Working Groups one meeting ahead of key deadlines to discuss the SAP, Fiscal Impacts, and Community Benefits & Tradeoffs. Attendees: Representatives from BERK, Mithun, Kirkland Planning Department. Kirkland Finance Department, and City Manager's Office. Representatives from Public Works, Transportation, and subconsultant will join as necessary (anticipated to be no more than 3-4 meetings, substituted for a regularly occurring Core Team meeting).

Task 1.2 Additional Transportation Modeling

Fehr & Peers will participate in a meeting with City Staff to kick-off this task. Afterwards, Fehr & Peers will first modify the 2035 BKR travel demand model to evaluate DSEIS Alternative 2. This re-model will enable the project team and City staff to refine our understanding of the alternative's transportation impacts and how much traffic is expected on NE 85th Street in the larger regional transportation context. The previous DSEIS analysis, by primarily studying the local effects within the study area, provided a conservative estimate that didn't account for potential rerouting or other regional travel behavior that might occur in response to changing land use and travel demand. The application of the model will also allow the project team to document changes in traffic volumes beyond the intersections evaluated in the DSEIS and to understand how existing travel patterns change with the additional growth around the station area.

Fehr & Peers will coordinate with the City and the project team on the most efficient methodology to implement these changes. As part of the land use update, the Transportation Analysis Zones (TAZ) boundaries and centroid connectors around the station area may be adjusted to better reflect how trips would load onto the roadway network and where the growth is occurring.

After rerunning the model, Fehr & Peers will develop updated intersection forecasts at up to five study intersections along NE 85th to re-evaluate Level of Service in Synchro. Fehr & Peers preliminarily recommends the following intersections, which had impacts in the DSEIS analysis and are well-represented in the BKR model:

- NE 85th St & 6th St
- NE 85th St & Kirkland Way/114th Ave NE
- NE 85th St & 120th Ave NE
- NE 85th St & 124th Ave NE
- NE 90th St & 124th Ave NE

The intersection-specific mitigations identified in the DSEIS will be applied to these locations as necessary in order to determine if the strategies fully mitigate the impacts, using the criteria established in the DSEIS. The model results could also be used to evaluate changes in roadway volumes and travel speeds outside of the study area, if requested by the City. The results from the BKR model and Fehr & Peers' MainStreet trip

Attachment A - Services

NE 85th Station Area Plan – Supplemental Fiscal Impacts and Benefits Analysis Scope City of Kirkland Job Number 45-19-PB Page 6 of 18 May 11th, 2021

generation tool, will also be used to estimate the growth in person trips and any changes in mode of access for project trips. Note that neither tool directly forecasts person trips, but each can be used to estimate changes in mode splits within the project area.

The Project Team would then participate in the Staff Charrette as part of Task 1.3 with City staff to discuss the analysis results and develop an approach to define additional alternatives to evaluate. The Project Team will also discuss with City staff which transportation demand management (TDM) policies and strategies that should be incorporated into the final plan to reduce the number of trips generated. A potential menu of strategies and their effectiveness was previously identified in the DSEIS, and Fehr & Peers would come to the meeting with a recommended package of TDM strategies and what is needed to implement those strategies.

Following the meeting, Fehr & Peers will coordinate with the consultant team to update the City's model and run the bookend alternatives in the model when ready. The intersection forecasts and Level of Service (LOS) calculations will be updated for the five intersections identified above, and any necessary mitigations will be suggested to meet the performance thresholds. The analysis will be summarized in a short technical memo.

Task 1.3 Prepare Bookend Alternatives and Establish Evaluation Measures

With DSEIS public comment summary and Task 1.2 results as inputs, Mithun will organize and facilitate a City staff charrette to explore adjustments to the DSEIS alternatives to establish upper and lower bookend alternatives to study in Task 2 and Task 3. The goal of this charrette will be to define broad direction for a reduced range of growth that will be studied in the fiscal impacts analysis and community benefits & tradeoffs analysis. Following the charrette, Mithun will further refine the upper and lower bookend alternatives to account for neighborhood transitions, allowable construction types, transportation, and other factors. This refinement will limit itself to the level of detail necessary for Tasks 2 and 3 to begin. These bookend alternatives will set the assumptions for land use mix and development locations that will be held constant for the fiscal impacts study. Mithun will create materials necessary to convey this refinement and the growth intent of the bookend alternatives.

The consultant team will work with City staff to determine the growth assumptions to be modeled in two bookend alternatives:

- Lower Bookend Alternative, with continued development of the planning area under current zoning, which will its own requirements for capital and operating investments.
- Upper Bookend Alternative, which assumes:
 - o EIS Alternative 2 as a starting point for development, mobility strategies, and environmental concepts.
 - A jobs/housing mix optimized to work within the estimated future capacity of the transportation network.
 - o Growth that can support the City's regional growth target and absorb known development applications and market interest.

Attachment A - Services

NE 85th Station Area Plan – Supplemental Fiscal Impacts and Benefits Analysis Scope City of Kirkland Job Number 45-19-PB

Page 7 of 18 May 11th, 2021

The consultant team will also work with the City staff to establish fiscal and non-fiscal measures by which the bookend alternatives will be evaluated, including net fiscal impact, housing affordability, greenhouse gas emissions, and other considerations. This subtask will conclude with a brief memo summarizing the proposed bookend alternatives recommended for study in Task 2 and Task 3. A presentation based on this memo will be developed for Planning Commission and City Council review.

Task 1.4 Additional Engagement

As part of Task 2 and Task 3, the consultant team will organize a series of additional engagement activities. In addition to these activities, City staff will complete additional engagement. Current activities anticipated as part of this task will include:

Planning Commission & City Council Presentations
 This task includes preparation and participation in 3 meetings with City Council & Planning commission as part of the review and approval of materials.

Note: One public open house is possible as an addition for approximately \$11,500. This is described at the bottom of Attachment B: Compensation, but not included in the current budget total.

Task 1.5 Phased Planned Action Ordinance

Under this task, BERK will develop an alternative version of the Planned Action Ordinance developed for the study area as a whole that addresses phasing of growth and mitigation should the City decide to phase zoning changes and growth levels. The task assumes that the cumulative analysis and land use mix developed for the Final EIS and Preferred Alternative will be the basis for the mitigation measures, and new modeling is not needed. It is also assumed that Fehr & Peers will provide trips applicable to the study area overall and the subset of trip levels that reflect different tiers of mitigation measures or subsets of growth at a scale that fits the scope for supplemental fiscal analysis.

Task 1.6 Decision Support

This task will provide for additional resources to support integration of the results of Tasks 2 and 3 with the creation of the final Station Area Plan, Form-based Code, and Planned Action Ordinance. This task will include additional team coordination and engagement activities. This task refers to activities completed after the final ElS is approved (anticipated to be completed by the end of 2021), and does not cover engagement, coordination, or other activities happening as part of Task 2 or Task 3. Specific engagement activities associated with Task 1.6 include:

Public Open House

BERK will reach out to existing project contacts to invite the public to attend a public open house, including designing outreach materials. Mithun will design and lead facilitation of the public open house event. This open house will focus on the draft plan. BERK will consolidate public meeting input into a concise meeting summary.

Supplement to Public Open House

BERK will collaborate with City staff to design supplementary engagements around the public open houses. This will be geared toward gathering deeper,

Attachment A - Services

NE 85th Station Area Plan – Supplemental Fiscal Impacts and Benefits Analysis Scope City of Kirkland Job Number 45-19-PB Page 8 of 18 May 11th, 2021

more focused input on the preferred plan direction and expanding the diversity of stakeholders engaging with the project. Depending on how project timing progresses, there may be an opportunity to collaborate once again with students from Ms. Bethany Shoda's economics classes at Lake Washington High School. BERK will invite and recruit participants, facilitate the engagements, and consolidate input into a concise summary.

Planning Commission & City Council Presentations
 This task includes preparation and participation in 3 meetings with City Council & Planning commission as part of the review and approval of materials.

Task 1 Deliverables: Transportation Analysis Technical Memo, Proposed Bookend Alternatives memo and associated graphics, one set of Presentation materials for preferred plan direction discussion with Planning Commission and City Council, Phased Planned Action Ordinance

Task 2. Community Benefits & Tradeoffs Study

This task responds to the City Council's request for additional information identifying the potential and methods to realize community benefits in each alternative through policies and codes, and the tradeoffs involved in securing these community benefits. This effort will inform preferred mitigation strategies in Task 3 and the development of conceptual code/plan framework. Key activities in this task will involve the development of 2-3 Policy Scenarios that test different packages of community benefits and the physical characteristics of these Policy Scenarios. Each of these policy scenarios will be tested for the bookend alternatives to understand which set of policies performs best for each bookend alternative.

Task 2.1 Task Management

Mithun and ECONorthwest will define two initial Policy Scenarios that can test the interlinked tradeoffs and feasibility of community benefit strategies relative to current policy. These Policy Scenarios will consist of a "package" of bundled policy options, including incentives, regulatory tools, and partnership/delivery models such as:

- Bonus/Incentive zoning
- Commercial linkages or other fees
- On-site provision of community amenities
- Special districts like Transportation Benefits Districts or District Parking

Given the wide range of topics, the focus of this analysis will be to identify which strategies have the most benefit and any "thresholds" that may impact overall feasibility of development under different Policy Scenarios. As part of this task, 1 workshop will be conducted with key stakeholders to shape Policy Scenarios to be studied, including City staff and potentially developers and large landowners.

Following the analysis in Task 2.2, Mithun and ECONorthwest will work with staff to define an additional, refined policy package for testing.

Task 2.2 Community Benefits & Tradeoffs Analysis

Attachment A - Services

NE 85th Station Area Plan – Supplemental Fiscal Impacts and Benefits Analysis Scope City of Kirkland Job Number 45-19-PB Page 9 of 18 May 11th, 2021

The consultant team will work with City staff to refine the scope of community benefits to study as part of this task. These will draw from project objectives and potential mitigation strategies identified in the DSEIS. Topics anticipated to be included are:

- Schools and Civic Amenities
- Housing Choices and Affordability
- Parks, Trails, and Public Realm [incl. tree canopy, habitat]
- Sustainability [incl. building and site performance], Visual Character, and Transitions

Once the topics are refined, Mithun and ECONorthwest will evaluate each bookend alternative to understand the potential for value capture based on a residual land value (RLV) analysis of the development described in each bookend alternative. Based on the results of this analysis, Mithun and EcoNorthwest will develop materials that summarize policies, programs, or other strategies that could support SAP goals and maximize value capture potential for community benefits. This summary will focus on describing the range of strategies and how they can be applied; it will not provide quantify the potential community benefits associated with each policy or strategy.

Examples of questions that will be addressed through this analysis will include:

- What are different funding and delivery models for accommodating the demand for additional school facilities?
- How could affordable housing be supported through modifications to incentives and/or inclusionary requirements while maintaining development feasibility?
- To what extent could commercial linkage fees support community benefits while maintaining development feasibility?
- How could sustainability policies such as green building incentives or requirements reduce resource usage that impacts municipal fiscal impacts (water consumption, wastewater handling)?
- What are the opportunities for new delivery models that provide community needs such as public realm improvements, community gathering space, recreation, or parks/open space?

Task 2.2b Share Initial Findings, Revise & Re-evaluate Results

A review of initial findings will include a summary (in slide deck form) of implications and viability of each Policy Scenario. This will be shared with City staff as well as Planning Commission and City Council and coordinated with the fiscal impacts schedule. As part of this task, 2 workshops will be conducted with key stakeholders to evaluate feasibility, including developers, large landowners, and City staff. These workshops will help inform refinement the policies associated with the upper bookend alternative that will be reevaluated for physical and financial feasibility, and will also be modeled as part of the revision and refinement of Fiscal Impacts analysis (Task 3.4). Final results will be packaged into a Community Benefits & Tradeoffs Study memo which will also incorporate highlighted results from Walkshed and Bikeshed Analysis (Task 2.4).

Task 2.3 Transit Analysis

Fehr & Peers will lead a meeting with City Staff which will:

Attachment A - Services

NE 85th Station Area Plan – Supplemental Fiscal Impacts and Benefits Analysis Scope City of Kirkland Job Number 45-19-PB

Page 10 of 18 May 11th, 2021

- Recap the bicycle, pedestrian, and transit projects recommended for the study area as part of this project.
- Identify multimodal performance measures/measures of effectiveness for each mode. Fehr & Peers will come with some options for how the City could approach this to serve as a starting point for discussion (e.g. Bike and Pedestrian Level of Traffic Stress 3 or 4 is not acceptable).
- Determine if any additional bicycle, pedestrian, or transit projects are needed to meet the City's desired targets and achieve its multimodal vision.

In preparation for the workshop, Fehr & Peers will review guidance in Kirkland's TMP, ATP, Transit Implementation Plan, and other best practice guides (such as NACTO) for what types of accommodations would be needed to realize the City's multimodal vision for this subarea. Fehr & Peers will also recommend how this workshop interfaces with **Task 1.2**.

After running the modified version of the 2035 BKR model, Fehr & Peers will develop a short memo that summarizes current transit run times and average operating speeds in the study area, how those change under one alternative (either Alternative 2 or a modified Alternative), and what impacts that would have on speed and reliability for transit. The memo will build upon the text already included in the DSEIS to better tell the story about how transit is impacted by increased transportation trips in the study area as a result of the proposed development.

The consultant team will participate in a meeting with City staff and key transit agencies, such as King County Metro and Sound Transit, to discuss concerns, brainstorm additional mitigations, and identify next steps.

Task 2.4 Walkshed and Bikeshed Analysis

Fehr & Peers will conduct additional analysis and craft additional narrative that builds on the DSEIS in order to better tell the story of how the proposed development benefits people walking and biking in Kirkland.

Fehr & Peers will develop one low-stress bicycle map and one low-stress pedestrian map to show cyclist and pedestrian comfort on every street in the study area under existing conditions. The low-stress bicycle map will be based on OpenStreetMap data, and the low-stress pedestrian map will be based on available City data to be determined in collaboration with City Staff but could include presence of sidewalks and buffers, the number of travel lanes and posted speed limit of the adjacent street, and the presence of commercial driveways. Fehr & Peers will develop one low-stress bicycle map and one low-stress pedestrian map under the upper bookend alternative to show how gaps in connectivity are filled by this project.

Fehr & Peers will incorporate this narrative and the Level of Travel Stress (LTS) maps in a short memo. We would qualitatively analyze the LTS network and call out destinations that would now be able to be reached as a result of this project.

Attachment A - Services

NE 85th Station Area Plan – Supplemental Fiscal Impacts and Benefits Analysis Scope
City of Kirkland Job Number 45-19-PB

Page 11 of 18 May 11th, 2021

Task 2.5 Interchange Analysis

This task will perform additional analysis to understand the potential benefits and tradeoffs of the transportation network under different land use and growth conditions. Specific activities for this task will include:

• Interchange Analysis

As part of this task, Fehr & Peers would evaluate traffic operations at the interchange with I-405 for the upper bookend alternative. This analysis would use the microsimulation model that WSDOT has already developed at this location, and the project team would update the demand inputs to reflect the growth associated with the upper bookend alternative. The model would be used to calculate changes in delay and queuing along 85th Street as well as on the ramps to and from I-405.

Note: Analysis of up to 5 additional intersections under existing conditions, future no action conditions, and the upper bookend alternative is possible as an addition for \$12,390. This is described at the bottom of Attachment B: Compensation. The analysis would consider delay and LOS, queuing, safety, and non-motorized performance. The additional analysis could include entirely new intersections or evaluating AM peak hour operations at some intersections that we already studied during the PM peak hour. Studying a new intersection during the AM and PM peak hours would be considered two additional intersections.

Task 2 Deliverables: Graphics and materials for multimodal meeting with City staff, one memo and set of presentation graphics for both Planning Commission and City Council on interim Community Benefits results (to be presented alongside Fiscal Analysis presentation materials and collated in the Report produced by BERK)*, Existing/ Upper Bookend Alternative LTS analysis graphics and memo, Additional Interchange and Intersections memo*, one packaged Community Benefits Study memo and presentation graphics for Planning Commission and City Council*, Project lists for likely improvements associated with Task 2.3-2.5

Task 3: Fiscal Impacts Study

This task will focus on assessing the City's revenues and cost of service, including operations and capital investments required to serve the anticipated level of growth. Key questions to be answered in this analysis include:

- What revenues can the City expect associated with the proposed redevelopment of the area?
- What will it cost the City to most efficiently serve this area with infrastructure and municipal services?

The following assumptions guide our proposed approach:

- Modeling must be Kirkland- and planning area-specific.
 - Revenues in the first round of fiscal analysis will be based on Kirkland's tax and fee structure, using the best available information for comparable

Attachment A - Services

NE 85th Station Area Plan – Supplemental Fiscal Impacts and Benefits Analysis Scope City of Kirkland Job Number 45-19-PB

Page 12 of 18 May 11th, 2021

development. As noted below, the model will be based on existing fee and rate schedules and existing tax rates but will allow for manual modifications to the current rates.

- Costs should not be based only on simple FTE or per capita formulas but reflect Kirkland's actual anticipated costs to serve the area as well as be relevant to adopted levels of service (LOS). This should be derived from the City's costs to serve comparable geographies and by engaging staff to identify opportunities to serve the area as efficiently as possible by leveraging existing and planned capacity.
- Land use assumptions (type, scale, and total amount of new development) will
 not be easily modified, and the model will not predict when capital or operations
 investments will be needed to respond to growth. The model will allow manual
 shifts in key revenue and cost drivers over time, producing an updated phased
 estimate of anticipated revenues and costs for different development scenarios.
- The model will allow modification of key assumptions including pace of development/rate of growth, tax and fee policies, and consideration of the impact of timing of 1-3 significant individual developments and development by study area quadrant.
- As noted above, the fiscal analysis will be informed by growth assumptions
 established in Task 1.3, above, including a Lower Bookend Alternative, with
 continuation of current growth trends, and an Upper Bookend Alternative, which
 will be a modified version of Alternative 2.
- The model should be designed for use by City staff and will be transmitted to City ownership at the conclusion of this effort.
- The analysis will be a multi-team effort requiring coordination among consultants and the City.

Stepwise Approach

Task 3.2 will lead with revenue analysis, followed by cost analysis. Costing and strategies for providing City services in **Task 3.3** will be informed by anticipated revenue levels. Costs for infrastructure investments in **Task 3.4**. will be informed by modeling of growth impacts on transportation, water/wastewater, and stormwater/surface water systems. Results of these the first round of modelling will be shared at the third meeting of the Working Group at the end of August in **Task 3.5**. Based on review of projected revenues, costs, and the net fiscal impact of growth, additional analysis will consider adjustments to the key levers noted above (pace/timing of development and/or adjustments to tax and fee policy), as well as city-driven strategies to respond to growth through the more efficient use of resources. This second round of analysis will be completed in September, with **Task 3.6** report development and presentation of draft fiscal findings to Council in October. As noted above, the model will be designed to be transmitted to City staff at the conclusion of the consulting engagement.

Task 3.1 Task Management

Task Management includes time for technical coordination between City staff and consultant teams to support deliverable production.

Attachment A - Services

NE 85^{th} Station Area Plan – Supplemental Fiscal Impacts and Benefits Analysis Scope City of Kirkland Job Number 45-19-PB

Page 13 of 18 May 11th, 2021

Task 3.2 Revenue Analysis

The consultant team will create a parameterized, dynamic model to estimate City tax and fee revenues affected by development in the area. The model will estimate revenue generated by the different types of new development that are included in the bookend alternatives. The model will account for existing revenues from existing land uses in the study area that will/could get redeveloped in the planning horizon (not everything in the study area). Estimated revenues from existing land uses will be based on the same typical assumptions applied to comparable new development unless staff can provide detailed revenue data for the existing land uses. The model will not automatically link new development and redevelopment / removal of existing businesses or structures but will allow for manual adjustments to the timing of loss of existing revenues due to redevelopment. The model will be based on existing fee and rate schedules and existing tax rates, but will allow for manual modifications to the current rates.

ECONorthwest will analyze the list of revenues below, which focuses on the primary revenue sources anticipated in the station area that are likely to be affected by the bookend alternatives. Should the City request analysis of other revenues (e.g., lodging tax, EMS levy, gas tax, emergency transport fee, franchise fees), these will be considered on a case-by-case basis for whether they can be accommodated within the existing budget. The final list of revenues to evaluate and proposed approach will be confirmed with the project Working Group and coordinated with the Policy Scenarios developed as part of the Community Benefits & Tradeoffs Study.

- Sales Tax on New Construction
- Property Tax (Current Expense Levy)
- Sales Tax
- Revenue Generating Regulatory License Fee ("Head Tax")
- Utility Tax—gross operating revenues generated in the station area for electric, natural gas, water, sewer, surface water, solid waste, telephone, and cable TV utilities using Kirkland-specific tax rates
- Real Estate Excise Tax
- Transportation Impact Fee
- Parks Impact Fee
- Lake Washington School District Impact Fee
- Cascade Water Alliance Regional Capital Facilities Charge
- Water, sewer, and surface water connection charge revenues
- Water, sewer, and surface water utility rate revenues
- Building Permit & Review Fee Revenues

ECONorthwest will conduct the revenue analysis and create the dynamic revenue model. ECONorthwest will provide revenue inputs to BERK to integrate into the overall fiscal impacts analysis and will provide the dynamic revenue model to staff at the conclusion of this effort.

Task 3.3 Cost Analysis: City and Partner Services

BERK will coordinate with City departments to determine the most cost-effective ways to provide services under the bookend alternatives. This will include consideration of

Attachment A - Services

NE 85th Station Area Plan – Supplemental Fiscal Impacts and Benefits Analysis Scope City of Kirkland Job Number 45-19-PB Page 14 of 18 May 11th, 2021

ongoing operating costs and upfront capital investments. Consideration of each functional area is shown on the following pages.

In general, the consulting team will meet three times with staff of departments responsible for each service:

Meeting 1

- Review growth assumptions and anticipated revenues (based on projected revenue generation for dedicated funds and historical share of City General Fund)
- Discuss how to serve and approach to cost modeling.

Meetings 2 & 3

 Review cost model results and solicit feedback for refinement, including how revenues and costs could be shifted through time in the model to consider different development scenarios and city-driven, cost-efficient strategies for responding to growth in population and demand for City services.

Attachment A - Services

NE 85^{th} Station Area Plan – Supplemental Fiscal Impacts and Benefits Analysis Scope City of Kirkland Job Number 45-19-PB

Page 15 of 18 May 11th, 2021

General Gove	ernment
Key Questions	How will redevelopment affect staffing and costs for the City's general government functions, including staff at City Hall, Public Works staff responsible for operations and maintenance of the area, and others?
Inputs and Analysis	 Consultants will facilitate discussions with leadership from affected departments, as well as budget staff who focus on these areas. These discussions will consider: The actual cost to serve portions of the Kirkland community with comparable land uses. Whether City Hall and other existing City facilities can absorb the additional increment of staffing required to serve the area. The actual cost to establish programmatic mitigation measures, e.g. expanded transportation demand management program using comparable examples. BERK will model anticipated operations and capital costs and share the analysis with the above team for review.
Outputs	 Phased estimates of anticipated operating and capital costs required to serve the area.
City Staff Obligations	 Consultation and review of draft analysis by department leadership and appropriate budget staff.
Police & Fire	
Key Questions	 What level of additional public safety staffing will be required to serve the area, e.g. to address increased calls for service? Will new or expanded facilities or equipment be required e.g. to meet response time objectives?
Inputs and Analysis	 Consultants will facilitate discussions with police and fire leadership and support planning staff, as well as budget staff who focus on public safety issues. These discussions will consider: The actual cost to serve portions of the Kirkland community with comparable land uses. Opportunities to serve the area as efficiently as possible, including shifting capacity from elsewhere in the community. Facility and equipment needs. BERK will model anticipated operations and capital costs and share the analysis with the above team for review.
Outputs	 Phased estimates of anticipated operating and capital costs required to serve the area. Identification of opportunities to manage costs by adjusting the timeline planned for.

Attachment A - Services

NE 85th Station Area Plan – Supplemental Fiscal Impacts and Benefits Analysis Scope City of Kirkland Job Number 45-19-PB

Page 16 of 18 May 11th, 2021

City Staff Obligations	 Consultation and review of draft analysis by public safety leadership, planning staff, and budget staff.
Parks	
Key Questions	 What acquisition of additional parks space and facilities will be required to maintain adopted LOS in the Parks, Recreation, and Open Space (PROS) Plan and pending LOS of the PROS Update? How can this space be created efficiently given current and planned redevelopment in the area? How would capital costs compare to anticipated parks impact
	fees and other potential revenue sources, including potential developer investment through incentive programs as identified in scenarios developed in the Community Benefits study?
	How will this increase affect parks department maintenance and operations staffing and costs?
Inputs and Analysis	 Consultants will facilitate discussions with Parks and Community Services staff, as well as appropriate budget staff. These discussions will consider the above key questions. BERK will model anticipated operations and capital costs and share the analysis with the above team for review.
	 Coordination with Mithun and Community Benefits & Tradeoffs Study to identify strategies that will lead to multi-benefits solutions.
Outputs	 Phased estimates of anticipated capital and ongoing operating and maintenance costs required to serve the area.
	 Potential mix of revenue with impact fee and potential fee in lieu foregoing a portion of onsite open space.
	 Identification of opportunities to manage costs by adjusting the timeline planned for.
City Staff Obligations	 Consultation and review of draft analysis by Parks and Community Services staff, as well as appropriate budget staff.

Task 3.4 Cost Analysis: Infrastructure Topics

BERK will coordinate with City departments and infrastructure consultants to determine the most cost-effective ways to provide infrastructure and related services under the bookend alternatives. This will include consideration of ongoing operating costs and upfront capital investments, engaging the City's infrastructure consultants as necessary to model infrastructure requirements needed to meet the City's established levels of service. Consideration of each functional area is shown on the following pages. As with City services, we anticipate three meetings with staff for each infrastructure topic.

Transportation and transit infrastructure are addressed under **Task 1**, above.

mithun.com ——

Page 17 of 18 May 11th, 2021

Water & Waste	water
Key Questions	 What infrastructure investment will be required to serve the anticipated level of growth? How does it differ from adopted capital plans? How would necessary investments affect growth phasing? What is the best way to capture the added costs from new development?
Inputs and Analysis	 Consultants selected by the City will model the anticipated impacts of planned redevelopment to identify necessary investment in water and wastewater infrastructure. Mithun to provide sustainability Policy Scenarios from Community Benefits Study for modeling potential reduced impacts The results of preliminary analysis will be workshopped with City staff to identify potential strategies to optimize investments and maintain LOS.
Outputs	 Investment requirements for water and wastewater infrastructure to achieve desired level of service.
City Staff Obligations	Consultation and review of draft analysis.
Stormwater & S	Surface Water
Key Questions	 What is the cost/benefit of the proposed blue and green streets in the bookend alternatives? Would new areawide surface water infrastructure investment be required to serve the anticipated level of growth beyond what is anticipated in applicable basin plans onsite implementation of surface water management per adopted manuals?
Inputs and Analysis	 Consultants selected by the City will model the anticipated impacts of planned redevelopment to identify necessary investment in stormwater and surface water infrastructure. Coordination with Mithun to identify cross-cutting strategies that will lead to benefits across topics, included developing blue street design. Mithun to provide sustainability Policy Scenarios from Community Benefits Study for modeling potential reduced impacts The results of preliminary analysis will be workshopped with City staff to identify potential strategies to optimize investments and maintain LOS.
Outputs	 Investment requirements for stormwater and surface water infrastructure to achieve desired level of service.
City Staff	 Consultation and review of draft analysis.

Note: Deliverable dates refer to the start of the week of delivery. Specific due dates will be finalized as part of the workplan refinement with City staff E-Page 29

CAM20-00153 ATTACHMENT 2

JUNE ALTERNATIVES RECOMMENDATION MEMORANDUM

Pier 56, 1201 Alaskan Way #200 Seattle, WA 98101

San Francisco 660 Market Street #300 San Francisco, CA 94104 Los Angeles Mithun | Hodgetts + Fung 5837 Adams Boulevard Culver City, CA 90232

Memorandum

To: Date: Allison Zike, Senior Planner, City of Thursday, June 3rd, 2021 Kirkland Project #: 193000 From: Project: Erin Christensen Ishizaki, Mithun NE 85th Street BRT Station Area Plan Att: Attachment 1: Existing Zoning; Attachment 2: June Alternative B development typologies; Attachment 3: June Alternative A development typologies; Attachment 4: June Alternative B maximum allowable zoning heights Attachment 5: June Alternative A maximum allowable zoning heights; Attachment 6: Changes from EIS Alt 2 to June Alternative B Re: Community Benefits and Fiscal Impacts Study

As part of the NE 85th St Station Area Plan engagement process, over six hundred stakeholders of all ages who live and work here shared their comments, questions and concerns during the DSEIS Comment Period about the Draft EIS for the NE 85th St Station Area Plan. The Community Benefits and Fiscal Impacts Study will help us set priorities together – and take a practical approach to maximizing community benefits and the regional transit investment in the Bus Rapid Transit station for years to come.

The Study is designed to help Council understand the real-world implications of the options that are being considered - both the fiscal impacts to the City, and the likely community benefits that could result from new development. Based on community feedback, the team proposes using "June Alternatives" instead of the DSEIS Alternatives for the basis of the study. These June Alternatives narrow the range of alternatives studied in the following ways;

- Remove the level of growth shown in DSEIS Alternative 3 from further consideration
- Use a revised version of DSEIS Alternative 1 as the lower limit of growth to be studied (June Alternative A: Current Trends)
- Use a reduced version of DSEIS Alternative 2 as the upper limit of growth to be studied (June Alternative B: Transit Connected Growth)

This memo gives a description of these June Alternatives for the Study, how they were developed, and how they will be used.

The attached exhibits provide information on the recommended narrowed range of "June Alternatives" to be analyzed in the Community Benefits and Fiscal Impacts Study. These scenarios represent a range of possibilities to be studied for the Station Area, defined by the total potential growth in employment and residential housing units that the City of Kirkland could plan for over the next two decades. The results of these studies are scheduled to be presented to Council in October 2021, to help inform Council's decision on a preferred plan direction.

The recommended Study June Alternatives presented here are based on the Draft Supplemental Environmental Impact Statement (DSEIS) Alternatives presented to Council in January 2021. The project team recommends these refined June Alternatives based on community and City Council feedback, additional traffic modeling and a City Staff Charette held on May 24th representing Planning & Building, Parks & Community Services, Finance & Administration, Public Works Departments, and the City Manager's Office. These recommended June Alternatives adjust the proposed development typologies (Att. 2 and 3) and maximum allowable building heights (Att. 4 and 5) based on the following considerations:

NE 85th St BRT Station Area Plan – Memorandum Project No. 193000

Page 2 of 13 June 3rd, 2021

- Maximize the regional Sound Transit investment in BRT and the 85th Station Area Plan by prioritizing changes that create a transit-connected district that provides real value to the community
- Maximize affordable housing and economic development potential to support community benefits.
- Growth assumptions should take into account phasing considerations for land use types, infrastructure needs, and community amenities including parks.
- Maximum allowable zoning heights should include height transitions to existing residential areas.
- The June Alternatives should preserve the existing functionality of NE 85th St while enhancing and expanding its role as an urban, multimodal street.
- Transportation improvements should preserve community character, including minimizing significant changes such as road widening in areas outside of where proposed growth is occurring.
- Transit should be able to operate effectively along NE 85th and other streets in the study area
- Establish a low-stress priority bike & pedestrian network that serves the full study area.
- Growth assumptions should remove critical areas from the total developable area.

The resulting staff recommendation is summarized below, and in Attachments 2-5. Multiple options for allowable height are under consideration for areas indicated with a dashed white outline in Attachment 4.

Comparison of DSEIS and Recommended June Alternatives A/B 2044 Growth Projections

Alternative	Total Future Households	Total Future Employment
DSEIS No-Action Alternative	2,782	10,859
June Alternative A: Current Trends	3,669	11,821
June Alternative B: Transit Connected Growth	8,003	20,151
DSEIS Alternative 2	8,509	28,688
DSEIS Alternative 3	10,909	34,988

June Alternative A: Current Trends

The June Alternative A: Current Trends (Illustrated in Att. 3 and 5) is based on the starting point of DSEIS Alternative 1: No Action. A 'No Action' Alternative showing growth in line with Kirkland's Comprehensive Plan is a requirement of the DSEIS process. For A: Current Trends, City Staff recommend adjusting these growth targets upward for a more realistic study of fiscal impacts and community benefits, as growth in the past six years has outpaced the assumptions in the 2015 Comprehensive Plan.

More About Current Trends

As noted in DSEIS Pages 3-31 and 3-32, under current plans and zoning, and associated regional traffic modeling, about 873 new housing units were anticipated by 2035 in the Station Area, a fraction of the City's target and capacity. As of 2020, there are 1,145 units anticipated in two proposed mixed use developments ("pipeline development") on properties in the Study Area, exceeding the planned housing by 2035.

NE 85th St BRT Station Area Plan – Memorandum Project No. 193000

Page 3 of 13 June 3rd, 2021

With the two currently proposed mixed use development projects (or "pipeline development"), there would be another nearly estimated 190 jobs, although that is still a fraction of the anticipated 5,900 new jobs planned by the year 2035 in the Study Area. See DSEIS Exhibit 317.

DSEIS Exhibit 317. 2035 Growth Targets and Capacity: City and Station Area

	Housing	Jobs
Citywide Growth Target: 2012-2035	8,361	22,435
Citywide Growth Capacity: 2016*	13,664 to 23,817	22,984 to 57,155
Totem Lake Urban Center Capacity Share of Citywide Capacity	25%-55%	30%-70%
Station Area Planned Growth 2019-2035	873	5,871
Station Area Pipeline Development: 2020	1,145	193 (est)

Sources: King County, 2014; City of Kirkland, 2016; OFM, 2019.

June Alternative A: Current Trends maintains existing zoning heights throughout the district and slightly adjusts the assumed 2044 growth projections to reflect these current trends, showing more jobs, and only slightly more housing than DSEIS Alternative 1. These additional jobs are captured by focusing new development primarily in portions of the study area currently zoned for development up to 67' in height in zones RH-1A, RH-2A, and RH-2B.

Page 4 of 13 June 3rd, 2021

June Alternative B: Transit Connected Growth

June Alternative B: Transit Connected Growth (Illustrated in Att. 2 and 4) incorporates elements shown in the commercial zones of DSEIS Alternative 3 into a reduced land use pattern from DSEIS Alternative 2. The intent of this strategy is to:

- Optimize for workforce and affordable housing, in particular the number of units provided through linkage fees and/or inclusionary zoning.
- Attract new jobs to foster economic activity and meet Citywide targets.
- Balance the distribution of commercial-focused development across the study area.
- Foster an environmentally-sound land use pattern that helps achieve the City's sustainability goals.

June Alternative B: Transit Connected Growth responds to the public comment heard during the DSEIS comment period and the May 26, 2021 Council Listening Session. Although a wide range of comments were shared, many participants reiterated a desire to maintain existing Low Density residential character, and concerns regarding the maximum allowable zoning heights proposed in DSEIS Alternative 3.

City staff recommends that the Station Area Plan only increase allowable heights in areas that provide clear benefits to the community and take advantage of regional transit connections. To that end, several areas where height increases had been proposed as part of DSEIS Alternative 2 and 3 have been removed from consideration in B: Transit Connected Growth (Attachment 4). These include areas that are unlikely to redevelop due to market forces, are limited by common construction methods, or are constrained by other considerations B: Transit Connected Growth results in similar household growth numbers as DSEIS Alternative 2, but lower employment numbers, showing more of a jobs-housing balance. The Southwest Quadrant has lower growth numbers, closer to what was proposed for DSEIS Alternative 1. See Attachment 6 for a summary of key changes that led to June Alternative B: Transit Connected Growth.

NE 85th St BRT Station Area Plan – Memorandum Project No. 193000

Page 5 of 13 June 3rd, 2021

Initial BKR Model Results from Additional Transportation Analysis

A key input into the Study June Alternatives was additional transportation analysis of DSEIS Alternative 2 run by project subconsultant, Fehr and Peers. Fehr and Peers considered additional variables not required for the DSEIS analysis, most notably the impact of automobiles choosing a different route due to proposed changes in the transportation network.

The initial results from the additional transportation analysis suggest that the Southeast Quadrant of the study area has the capacity to handle more growth than shown in DSEIS Alternative 2 without causing significantly more traffic congestion. Therefore, staff recommended that the maximum allowable zoning height on specific parcels closest to the interchange be increased to allow heights up to 250'.

The Initial BKR Model Results also suggest that the growth proposed on the Northeast Quadrant in DSEIS Alternative 2 will generate a substantial amount of delay at the NE 85th ST & 120th Ave NE and NE 90th St & 124th Ave NE intersections. Staff and Consultants reviewed options to address this issue including:

- Reduce overall growth in this quadrant.
- A greater mix of land uses in this quadrant that would enable residents and employees to meet needs on site, meaning fewer car trips and more walking and biking trips.
- Implement aggressive Transportation Demand Management (TDM) strategies.

After a discussion of these options, City Staff instructed the consultant team to reduce the growth proposed on portions of the Northeast Quadrant (see Att. 4) and investigate all potential TDM (transportation demand management) strategies, focusing on reducing the 'drive alone' mode share and considering possible options for investment in multimodal transportation. The Fiscal Impact Study will provide additional information on the efficacy of these TDM strategies by comparing avoided costs (due to reducing the amount of auto infrastructure required) to incurred costs (including improvements to bike, pedestrian, transit infrastructure, and TDM Policies including managing parking).

- 1. Lower allowable height from 65' to 45'
- 2. Lower allowable height from 65' to 30'
- 3. Reduce development capacity within max height of 150'*
- 4. Increase allowable height from 150' to 250'
- 5. Reduce development capacity within max height of 85'*

Summary of Changes from DSEIS Alternative 2 to June Alternative B

Description (see Att. 6 for a map of relevant areas)	DSEIS Alt 2 Maximum Allowed Height*	June Alt B Maximum Allowed Height*
Lower allowable height in SW Quadrant	65'	45'
2. Lower allowable height in SW Quadrant	65'	30'
3. Reduce development capacity in NE Quadrant	85'-150', see note**	85'-150', see note**
4. Increase allowable height SE Quadrant	150'	250'**

NE 85th St BRT Station Area Plan – Memorandum Project No. 193000 Page 6 of 13 June 3rd, 2021

5. Reduce development capacity along NE 85 th St between 122 th Ave NE and 128 th Ave NE	85', see note**	85', see note**

*All heights shown are maximum heights, and do not include additional potential restrictions on height through transitions to existing residential areas, setback requirements, etc.

**Note: reduced development capacity reflects changes to development assumptions that affect overall development potential, including additional transitions to existing residential areas, reduced allowed lot coverage, and increased on-site parking requirements.

NE 85th St BRT Station Area Plan – Memorandum Project No. 193000

Page 7 of 13 June 3rd, 2021

Questions for Council

The revised June Alternatives will be analyzed to provide Council with more information on the fiscal impacts and community benefits of potential rezoning and planning changes with the Station Area. Below are key questions at this stage for Council consideration:

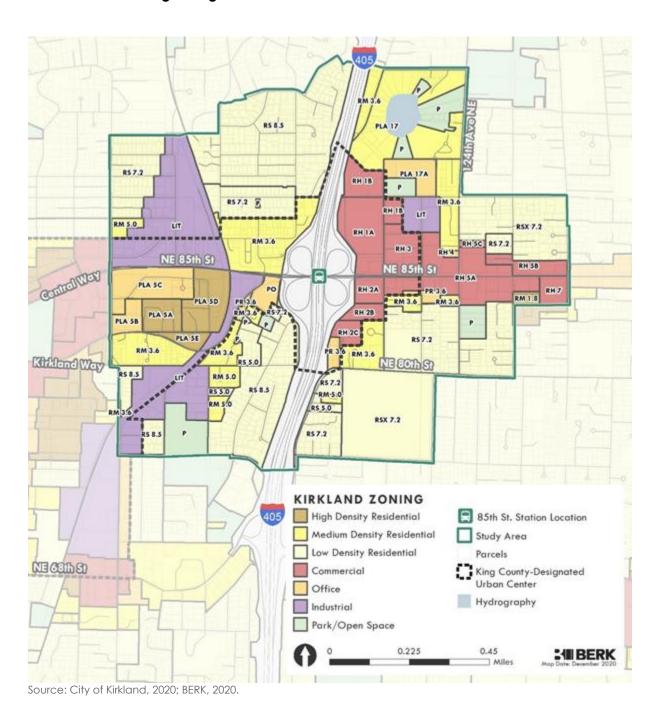

- Is the range of potential growth and mix of land uses to be analyzed sufficient to answer Council's questions? Does the Council have any comments on the evaluation criteria used to develop the recommended revised June Alternatives?
- Attachment 4: June Alternative B maximum allowable zoning heights represents staff
 recommendations. The project team would appreciate Council guidance on the high
 bookend of proposed zoning heights to be analyzed in the following areas, which have
 a bold black outline in the attached plan:
 - Sub-area A: Block bounded by I-405, NE 90th St, 120th Ave NE, and NE 85th St: Currently, this subarea includes development heights up to 150' in portions of this area support more development near the station and maximize the development potential of parcels best suited for commercial office uses. Is there value in analyzing heights up to 150', or is 85' the maximum height which the Council would like to consider for the analysis?
 - Sub-area B: Commercial lots fronting onto NE 85th St between 122nd Ave NE and 126th Ave NE: Currently, this subarea includes development heights up to 150' in portions of this area to support more development near the station. Is there value in analyzing heights up to 150', or is 85' the maximum height which the Council would like to consider for the analysis?

Note: allowed heights up to 150' are compatible with new Construction Type IVB and emerging technologies including Mass Timber ((a new wood product technology that allows for tall wood-framed buildings, also known as Cross Laminated Timber or CLT); and 85' is compatible with construction types common in today's market. Mass Timber offers significant potential environmental benefits, including a much lower carbon footprint compared to concrete.

- June Alternative B: Transit Connected Growth proposes increased height to 45' in the areas shown as Urban Flex Industrial within the Norkirk LIT in Attachment 3. This is consistent with the goal of enabling new uses in this area that fits with a more walkable, urban character along 7th Ave while maintaining the predominantly light industrial uses. Examples of this new mix of uses could include maker spaces, co-working, and light industry with a storefront presence. Does Council support continued study of the potential for this option within June Alternative B?
- DSEIS Alternatives 2 & 3 showed development in the WSDOT right-of-way (ROW) as directed by the City during the plan Initial Concepts phase. City staff recommends the excess WSDOT ROW be shown as potential parks or open space and therefore be excluded from the housing unit and jobs growth analysis at this stage, as Staff noted they are unlikely to redevelop soon due to regulatory hurdles. These parcels will remain in the final plan as potential development sites or open space. Is this approach in line with Council's goals for the Station Area?

E-Page 42

MEMORANDUM

To: Kurt Triplett, City Manager

From: Joy Johnston, Interim Communications Program Manager

Date: June 4, 2021

Subject: Juneteenth Proclamation

RECOMMENDATION:

That the Mayor proclaim June 19, 2021 as Juneteenth in Kirkland, Washington.

BACKGROUND DISCUSSION:

Juneteenth is the oldest nationally celebrated commemoration of the ending of slavery in the United States. Juneteenth recognizes the day of June 19, 1865, when enslaved African Americans in Texas were informed by Major General Gordon Granger that they were "free," ending 246 years of chattel slavery. This was two and a half years after President Lincoln's Emancipation Proclamation which had become official January 1, 1863.

Today, Juneteenth commemorates African American freedom and emphasizes education and achievement. It is a day, a week, and in some areas, a month marked with celebrations, special events, picnics, and family gatherings. It is a time for reflection and rejoicing. It is a time for assessment and self-improvement and for planning the future. In cities across the country, people of all races, nationalities and religions are encouraged to join together to truthfully acknowledge a period in U.S. history that shaped and continues to influence our society today.

Despite the over 155 years have passed since chattel slavery was officially ended in the United States, people of African descent continue to have to fight to dismantle anti-Black systems and policies of oppression in our country. The tragic killing of George Floyd by a police officer on May 25, 2020 in Minneapolis, MN sparked national dialog about structural racism. Numerous marches and rallies in Kirkland called for an end to structural racism and for the City of Kirkland to demonstrate that Black lives matter.

On August 4, 2020 the City passed legislation (R-5434) related to examining and dismantling institutional and structural racism in Kirkland. The City has committed significant funding to support many actions outlined in the legislation. Some of actions started immediately as part of the Early Action Initiative and will continue as part of the 2021 Community Safety Initiative. For more information, visit www.kirklandwa.gov/5434.

Additionally, May 31, 2021 marked 100 years since a violent mob raided, firebombed, and destroyed approximately 35 square blocks of the thriving Black neighborhood of Greenwood in Tulsa, Oklahoma. Homes, businesses, and churches were burned. In all, as many as 300 Black Americans were killed, and nearly 10,000 were left destitute and homeless. This tragedy, which

came to be known as the 1921 Tulsa Race Massacre, was a horrific example of the inequity and racial terror that has continued to exist in the United States. News about the massacre was wiped from many official sources for decades. Juneteenth provides an opportunity to reflect on and face the many people and events that have shaped history in the United States, not just in terms of tragedy, but also to celebrate the resilience and courage of those who have survived tragedy, have rebuilt, and continue to fight for justice.

By proclaiming June 19, 2021 as Juneteenth in Kirkland, the City reaffirms its strong commitment to doing the hard and necessary work to fight injustice and transform this country into one that is more equitable for all.

In honor of Juneteenth, the City of Kirkland is sponsoring an event, Eastside Honoring Juneteenth, along with the City of Redmond, Eastside Embrace, Eastside for All, and the Eastside Race and Leadership Coalition. The event takes place on Saturday, June 19, 2021 from 12:00 p.m. to 3:00 pm. at the Redmond Downtown Park.

Attending the City Council meeting to accept the proclamation will be Nikayla Rice, founder of Eastside Embrace, who may be accompanied by other community leaders.

E-Page 44 Attachment 1

Proclaiming June 19, 2021 as "Juneteenth" in Kirkland, Washington

WHEREAS, Juneteenth recognizes and commemorates the day of June 19, 1865, when enslaved African Americans in Texas were informed by Major General Gordon Granger that they were "free," ending 246 years of chattel slavery; and

WHEREAS, though President Abraham Lincoln enacted the Emancipation Proclamation on January 1, 1863, resistance to the Executive Order, as well as continued fighting in the state of Texas regarding the abolishment of slavery, significantly delayed the freedom of slaves; and

WHEREAS, on June 19, 1866, one year after Major Granger's announcement, the freed African American men and women in the state of Texas held the first "Juneteenth," or African American Independence Day celebration, and Juneteenth celebrations would later spread to all corners of the country; and

WHEREAS, for people of African descent in this country, Juneteenth is the closest occasion of a true "freedom day" to celebrate and the day is marked with special events, picnics, and family gatherings; and

WHEREAS, on May 13, 2021, Governor Jay Inslee signed House Bill 1016 declaring Juneteenth a state holiday in Washington and making June 19 a paid day off for state workers starting in 2022; and

WHEREAS, despite that over 155 years have passed since chattel slavery was officially ended in the United States, the nation continues to struggle with dismantling the lingering effects of discriminatory systems and structural racism in our country; and

WHEREAS, the murder of George Floyd by Minnesota police officers in 2020 sparked a national dialog and protests across the United States, including here in Kirkland, bringing continued inequities and injustices to the forefront of our collective conscience; and

WHEREAS, the City of Kirkland strives to create a Kirkland where Black people feel safe and respected and interpersonal, institutional and structural racism no longer exists and on August 4, 2020 the City passed Resolution R-5434 to examine and dismantle institutional and structural racism in Kirkland;

NOW, THEREFORE, I, Penny Sweet, Mayor of Kirkland, on behalf of the City Council, do hereby proclaim June 19, 2021 as Juneteenth in Kirkland, Washington, recognizing its historical importance and calling on our community to join us in listening, reflecting and acting so that we can continue to make progress on the arduous journey toward achieve racial justice for all.

Signed this 15 th day of June 2021
Penny Sweet, Mayor

Council Meeting: 06/15/2021
Agenda: Public Hearing

Item #: 6. a.

CITY OF KIRKLAND

Department of Public Works 123 Fifth Avenue, Kirkland, WA 98033 425.587.3800 www.kirklandwa.gov

MEMORANDUM

To: Kurt Triplett, City Manager

From: George Minassian, P.E., Capital Projects Supervisor

Rod Steitzer, P.E., Capital Projects Manager John Starbard, Deputy Director of Public Works Julie Underwood, Director of Public Works

Date: June 1, 2021

Subject: 2021-2026 TRANSPORTATION IMPROVEMENT PROGRAM—

PUBLIC HEARING AND ADOPTION

RECOMMENDATION:

It is recommended that the City Council conduct a public hearing for the proposed 2021-2026 Transportation Improvement Program and, following the hearing, approve a resolution adopting it, with any changes resulting from the hearing and Council discussion being incorporated into the final documents.

BACKGROUND DISCUSSION:

The Transportation Improvement Program (TIP) is a State-mandated planning document, updated annually, listing all planned major transportation projects anticipated to be built or to compete for grant funding within the next six years. The projects identified in the 2021-2026 TIP directly mirror both the funded and unfunded portions of the transportation element of 2021-2026 Capital Improvement Program (CIP), which was adopted by City Council on December 8, 2020. This proposed TIP was reviewed by the Transportation Commission on May 26, 2021. The Commission's comments and discussion did not change the content of the TIP. The TIP also is consistent with the Transportation Element of the *Kirkland Comprehensive Plan*, as well as the *Transportation Master Plan* (TMP) and the City's *Capital Facilities Plan*.

In accordance with RCW 35.77.010, the purpose of a public hearing on the TIP is to provide an opportunity for the public to comment and provide input on transportation projects being planned by the City. Any resulting changes from the public hearing will be incorporated into the City's final TIP prior to it being transmitted to the Puget Sound Regional Council, the Washington State Department of Transportation, Kirkland's neighboring cities, and public utility companies.

Resolution Exhibit A to Resolution Exhibit B to Resolution

RESOLUTION R-5480

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF KIRKLAND ADOPTING THE CITY OF KIRKLAND 2021-2026 TRANSPORTATION IMPROVEMENT PROGRAM.

WHEREAS, under RCW 35.77.010 the City is required annually to review and adopt a six-year Transportation Improvement Program; and

WHEREAS, on June 15, 2021, the City Council conducted a public hearing and took public comment on the proposed 2021-2026 Transportation Improvement Program; and

WHEREAS, the City Council finds the proposed 2021-2026 Transportation Improvement Program reflects the funded and unfunded portions of the transportation element of 2021-2026 Capital Improvement Program (CIP) adopted by City Council on December 8, 2020, and is consistent with the Transportation Element of the City of Kirkland Comprehensive Plan; and

WHEREAS, with respect to the provisions of RCW 35.77.010(2), which requires that the Transportation Improvement Program contain information on planned uses for nonmotorized purposes, the City Council finds that the proposed 2021-2026 Transportation Improvement Program identifies non-motorized projects for sidewalk and school walk route enhancements, and lighting improvements to the Cross Kirkland Corridor.

NOW, THEREFORE, be it resolved by the City Council of the City of Kirkland as follows:

<u>Section 1</u>. The City of Kirkland 2021-2026 Transportation Improvement Program is adopted as set forth in Exhibits A and Exhibit B which are incorporated by reference.

<u>Section 2</u>. Copies of this Resolution and the 2021-2026 Transportation Improvement Program, as set forth in Exhibits A and Exhibit B, shall be filed with the Secretary of the Washington State Department of Transportation as required by RCW 35.77.010.

meetin	Passed by majority vote of the Kirkland City Council in opening this day of, 2021.
2021.	Signed in authentication thereof this day of,
Attest:	Penny Sweet, Mayor
Kathi <i>A</i>	Anderson, City Clerk

		Projects Include	led in the Adopted 2021-2026 Capital Investment Program (CIP) Plan - Full or Partial Fu	inding Secure	d				
100	ST 0006	Annual Street Preservation Program	Preservation of roadway system with various techniques including overlay, slurry seal, crack seal and others. The Public Works Department is responsible for approximately 245 niles of asphalt streets throughout the City. The annual program ensures maintenance of this infrastructure and reduces costly repairs resulting from total road failure. Project includies repair and resultancing of streets and repair and replacement of adjoining damaged concrete curb, gutters and sidewalks as well as installing accessible curb ramps to meet the requirements of the Americans with Disabilities Act (ADA). Project complements levy-funded project ST 0006 003.		9,450			9,450	9,450
101	ST 0006 003	Street Levy Street Preservation4	A voter-approved levy funded annual project to enhance preservation of roadway system as part of an overall preservation program. Project includes repair and resurfacing of streets and repair and replacement of adjoining damaged concrete curb, gutters and sidewalks as well as installing accessible curb ramps to meet the requirements of the Americans with Disabilities Act (ADA). Project complements \$T 0006 000.		14,179			14,179	14,179
102	ST 0006 004	Central Way Street Preservation	The design for a grind, patch, modification of wheelchair ramps and overlay of Central Way. Funds became available through a federal Street Preservation design-only grant. City grant match funds are available through the Annual Street Preservation Program for 2018. Overlay of the project will our though a future the Street Preservation Program timed in coordination with adjacent major redevelopment activity.		2,025			2,025	2,025
103	ST 0006 008	Local Road Maintenece	Provide funding for City crews to do prep work on streets prior to the overlay completed through the annual preservation CIP projects. The City will ensure that provisions of RCW 35.22.620 regarding thresholds for public work done by City employees will be followed as part of this project.		300			300	300
104	ST 00609	Totem Lake Blvd & 120th Ave NE Preservation	The Northshore Utility District (NUD) has a project in the vicinity that will excavate the road where their utilities reside and will remove curb and pavement. The restoration requirement is for a half-street overlay, As such, the City has an opportunity to partner with NUD to provide full street overlay and install additional amenities such as sidewalks. The full restoration scope including sidewalks has an estimated project cost to the City of \$55.00.01 (Founcil should choose to exclude the sidewalk portion of the project, the City's cost would be reduced by \$200,000 for an estimated total project cost of \$355,000. The CIP as presented with his memo includes the project at the full scope and cost of \$555,000 but can be reduced for the final CIP should Council choose the lower scope option.		555			555	555
105	ST 0059 12	124th Ave NE Roadway Improvements (North Section) ROW	The purchase of land for the widening of the existing roadway between intersections at NE 116th Street and NE 124th Street from 3 lanes to 5 lanes, include 2-way center turn lane and improve pedestrian crossing(s). This project will reconstruct existing sidewalk, transit stops and bicycle lanes which will be impacted by roadway widening.				802	802	802
106	ST 0059 13	124th Ave NE Roadway Improvements (North Section) Construction	Widen existing roadway between intersections at NE 116th Street and NE 124th Street from 3 lanes to 5 lanes, include 2-way center turn lane and improve pedestrian crossing(s). This project will reconstruct existing sidewalk, transit stops and bicycle lanes, which will be impacted by roadway widening.		5,508		3,892	9,400	9,400
107	ST 0080	Annual Striping Program	Annual program to maintain markings that identify travel lanes, crosswalks, and other guidance markings for auto, pedestrian, bicycle, transit and other forms of transportation. The program will result in the restriping of more than 40 miles of collector and arterial streets throughout the City.		3,000			3,000	3,000
108	ST 08313	100th Avenue NE Roadway Improvements (North Section)	Roadway improvements along 100th Ave NE to address the current 5-lane to 2-lane transition to be based on the 2015 Puget Sound Regional Council (PSRC) grant funded design. This project represents one of four segments for implementing a portion of the 2018 completed design. This and other elements of the utilitante project will, at a minimum, provide for bicycle lanes, a center turn lane where appropriate, sidewalks, curb and gutter, illumination improvements and storm drainage system upgrades.		1,731			1,731	1,731
109	ST 08314	100th Avenue NE Roadway Improvements (Mid-North Section)	Roadway improvements along 100th Ave NE to address the current 5-lane to 2-lane transition to be based on the 2015 Puget Sound Regional Council (PSRC) grant funded design. This project represents one of four segments for implementing a portion of the 2018 completed design. This and other elements of the utilizate project will, at a minimum, provide for bicycle lanes, a center turn lane where appropriate, sidewalks, curb and gutter, illumination improvements and storm drainage system upgrades.		2,584			2,584	2,584
110	ST 0089	Juanita Drive Intersection and Safety Improvements	This project will complete the auto related elements identified in the Juanita Drive Corridor Study that are not currently funded, including ITS improvements. Improve safety for motor vehicles through elements including: turn lanes, channelization and improvements to increase sight distance.		4,795			4,795	4,795

111	ST 107	NE 85th Street Ped/Bike Connection 114th Ave NE to 6th St	Construct 12' ped/bike connection along the south side of NE 85th St. Related to Sound Transit projects in the area and funded by Sound Transit.				6,900	6,900	6,9
112	ST 108	NE 85th St and 6th St Westbound Transit Queue Jump	Maintenance center surface water upgrades to remain in compliance with the City's National Pollutant Discharge Elimination System (NPDES) permit including: covered storage area for decant materials, covered storage for street patching materials, covered storage for other material to prevent entry into the surface water drainage system.				1,300	1,300	1,3
113	ST 109	NE 85th Street Eastbound Third Lake 120th Ave NE to 122nd Ave	Match BRT lane rechannelization by WSDOT west of 120th Ave NE by restriping within current street width and signal modifications. Related to Sound Transit projects in the area, funded by Sound Transit.				2,700	2,700	2,
114	ST 9999	Regional Inter-Agency Coordination	Staffing requirements for the City's coordination and participation in regional projects constructed by others such as Washington State Department of Transportation (WSDOT), Sound Transit, King County Metro, etc.		410			410) 4
200	TR 098	NE 132nd St/116th Way NE Intersection Improvement	Coordination of City right-of-way and intersection improvements in association with the Washington State Department of Transportation (WSDOT) Half-Diamond Interchange at NE 132nd Street and I-405, between 116th Way NE and Totem Lake Blvd, as recommended in the NE 132nd Street Master Plan.				202	202	2
201	TR 0116	Annual Signal Maintenance Program	Signal maintenance to replace equipment at end of useful life to maintain full capabilities. Includes range of improvements from full intersections to cabinets and service connections to components in cabinets. Also includes RRFBs (pedestrian flashing beacons), school flashers, and radar speed signs.		600			600)
202	TR 0117	Citywide Traffic Management Safety Improvements	This project is an opportunity fund for improvements that increase motor vehicle safety. It includes design and construction of new traffic signals that meet one or more warrants, modification of existing signals to incorporate flashing yellow arrows or other changes, modifications to driveways and other improvements that specifically address safety needs.		200			200)
203	TR 0117 002	Vision Zero Safety Improvement	This project is an opportunity fund for improvements that come from Vision Zero work, an international road traffic safety project, which aims to achieve a transportation system with no fatalities or serious injuries in street traffic. The scope will be further defined as the City begins developing a Vision Zero program.		250			250)
204	TR 0117 003	Neighborhood Traffic Control	This project is an opportunity fund for neighborhood traffic control elements such as traffic circles, speed humps, curb bulbs, lighting, radar speed signs and a variety of other improvements as identified in cooperation with the residents affected by the projects.		150			150)
205	TR 0120	Kirkland Intelligent Transportation System Phase 3	A next phase of intelligent transportation (ITS) improvements. It will be defined further after completion of phases I and II and after completion of a revised ITS study.	1,706	704			2,410	2,
206	TR 12400	116th Avenue NE/NE 124th Street Intersection Imps	Project improves vehicular level of service at the signalized intersection. Construct southbound right turn lane approximately 200 feet long on 116th Avenue NE at NE 124th Street. Includes sidewalk, planter strip and associated signal reconstruction. Requires approximately 1000 sq. ft. of property acquisition. Project is funded through two external funding sources.		273		292	565	5
207	TR 13500	100th Avenue NE/Simonds Road Intersection Imps	Install traffic signal and intersection improvements to minimize traffic conflict, improve safety and traffic operation. Project total based on a 2018 estimate as part of the 100th Avenue NE Roadway Design and, at a minimum, will provide all new signal poles, mast arms and heads, signal cabinet, cameras and full electronics.		582			582	2
208	TR 13600	100th Avenue NE/NE 124th Street Intersection Imps	Install traffic signal and intersection improvements to minimize traffic conflict, improve safety and traffic operation. Project total based on a 2018 estimate as part of the 100th Avenue NE Roadway Design and, at a minimum, will provide all new signal poles, mast arms and heads, signal cabinet, cameras and full electronics.		574			574	ı
209	TR 13800	NE 100th St/ 132nd Ave NE Intersection Improvements	An all new full traffic signal system with signal poles, mast arms and heads, signal cabinet, cameras and full electronics for APS, video detection and ITS capability. Surface features include new curb ramps, crosswalks, and left turn lanes for all approaches.	1,279	1,279			2,558	3 2
210	TR 139	NE 85th St/132nd Ave NE Dual Left Turn Lanes	Significant southbound traffic queues develop at the intersection of NE 85th St and 132nd Ave NE delaying vehicles and transit, particularly in the AM peak. This also affects the overall operation of the intersection. The project would widen the street to the west to add a second southbound left turn lane. This would be done primarily utilizing right of way and an easement provided by development, but some additional right of way would also relocate the existing 5 bike lane, rebuild sidewalk and landscape strip and reconstruct the traffic signal to accommodate the second left urrur lane. Project improves vehicular level of serve at the signalized intersection. Construct a second southbound left turn lane approximately 250 feet long on 132nd Avenue NE at NE 85th Street. Includes sidewalk, planter strip and associated signal reconstruction. Requires approximately 3000 sq. ft. of properly acquisition.		350			350)
400	NM 0006 200	Street Levy-Pedestrian Safety	An opportunity fund of Levy revenue used for pedestrian safety amenities City-wide. This project provides for the construction and re-construction of crosswalks, crosswalk lighting, flashing beacons and other features to enhance the pedestrian experience consistent with the goals and objectives of the Transportation Master Plan.		900			900)
401	NM 0057	Annual Sidewalk Maintenance Program	Preservation of sidewalk system. The Public Works Department is responsible for the maintenance of numerous miles of sidewalk. The annual program ensures maintenance of this infrastructure and reduces costly repairs resulting from total failure.		600			600)

Resolution ___ March 20, 2018

Project Name alk Route Enhancements h Ave NE Nonmotorized Improvements ity Improvements	Project Description Project will create or improve sidewalks and associated pedestrian safety features on one side of all identified school walk route segments along both arterial and collector streets. Project is expected to be completed as grant funding becomes available on a project by project basis. Staff is currently working with the Lake Washington School District to develop an updated list of walk routes. The existing concrete curb is degrading and no longer functions as intended. The broken curb also presents a hazard for pedestrians, bikes, and cars along the corridor. This project is for the design and construction of nonmolorized improvements including replacing the extruded curb along the road shoulder with new curb, reinstalling quartal posts in areas where the support posts have eroded, assessing speeds along the corridor, modifying pavement markings as needed, and the installation of street lights at intersections. This corridor is a key route that leads to school and Metro bus stops and also connects the Finn Hill neighborhood to the 100th Avenue NE business district, Juanita Village, parks, and schools. The goal of this project is to improve safety for people walking, biking, and driving. An Opportunity Fund for implementation of a wide range accessibility improvements, as developed by the Accessibility Transition Plain. This project provides for the design and construction of a greenway network. Construction elements that make up a greenway vary according to location, but may include items such as marking, signing of various types, lighting, crossing treatments (which may include signing, Islands, beacons, improvements	Unsecured 2021-2026 Funding	Local* Funding 3,249 439		Federal Funding	Total Funding 3,249	439

Project will study the feasibility of an at-grade and a grade separated trail crossing at this location. 1 Forewents (Downtown & NE 124th St) Pedestrian safety improvements along Central Way in the downtown area and along NE 124th Street in the Juanita neighborhood. 1 The widening of 108th Avenue NE to create a transit lane to bypass queues. This Phase I Project provides a northbound queue jump lane for transit in the vicinity of the NE 68th Street 108th Avenue NE for a provides a northbound queue between NE 56th Street and NE 60th Street. A new traffic signal is included at NE 60th Street as is the acquisition of new right-of-way. 1 Read of the Capital Facilities will be reconstructed. Project included in the 2021-2026 Transportation Element of the Capital Facilities will be reconstructed. Project will include so a 1-lane cross section between north of the Totem Lake Mail at approximately NE 128th Street. A new traffic signal	approved network map and prioritization of projects should be accomplished using the framework established in the Transportation Master Plan. Install lighting along CKC; pending external funding per Lorrie coordination with Rod, saved for future update Incorporation of Lake Washightion High School. Will improve approximately 1000 LF of sidewalk. Incorporation of Lake Washightion High School. Will improve approximately 1000 LF of sidewalk north of Lake Washightion High School. Will improve approximately 1000 LF of sidewalk. NE 93rd Avenue South to NE 143rd Street - complete remaining elements in Juanita Drive Corridor Study, separately dedestrian walkway and buffered bicycle lane, installation of pedestrian flashing beacons (RRPS) at key locations; improved lighting, signing and markings Voter approved King County levy funded project to study the Cross Kirkland Corridor/Eastrall Crossing of 132nd Ave NE. Project will study the feasibility of an at-grade and a grade separated trail crossing at this location. Foreweash (Downtown & NE 124th St) Pedestrian safety improvements along Central Way in the downtown area and along NE 124th Street in the Juanita neighborhood. The widening of 108th Avenue NE to create a transit lane to bypass queues. This Phase I Project provides a northbound queue jump lane for transit in the vicinity of the NE 68th Street/108th Avenue NE interaction. The audicide. The widening of 108th Avenue NE to create extensive segments of transit lanes to bypass queues. This Phase 2 Project provides a northbound queue between NE 55th Street and NE 60th Street. A new traffic signal is included at NE 60th Street as is the acquisition of new right-of-way. Unfunded Projects included in the 2021-2028 Transportation Element of the Capital Facilities Plan Widen 120th Avenue to 3 -lane cross section between north of the Totem Lake Mall at approximately NE 128th Street Project includes one travel lane in each direction and a two-way left turn along with landscaped median islands, curb, gutter, sidew	approved network map and prioritization of projects should be accomplished using the framework established in the Transportation Master Plan. Install lighting along CKC; pending external funding per Lorrie coordination with Rod, saved for future indicated in the Complete in the State of 120th Ave NE between NE 4th Ln and NE 80th St north of Lake Washighton High School. Will improve approximately 1000 LF of sidewalk in 120th Avenue State of 120th Ave NE between NE 4th Ln and NE 80th St north of Lake Washighton High School. Will improve approximately 1000 LF of sidewalk in 120th Avenue State of 120th Ave NE Avenue South to NE 143rd Street - complete remaining elements in Juanita Drive Corridor Study, separated pedestrian walkway and buffered bicycle lane; installation of pedestrian flashing beacons (RRFB's) at key locations; improved lighting, signing and markings Study at 132nd Ave NE	approved network map and prioritization of projects should be accomplished using the framework established in the Transportation Master Plant (1948). Install lighting along CKC; pending external funding per Lorrie coordination with Rod, saved for future update update pudate in the Carpital Residue of 120th Ave NE between NE 84th Ln and NE 80th St north of Lake Washignton High School. Will improve approximately 1000 LF of sidewalk. Improvements 19th Way NE to NE 120th St. NE 93rd Avenue South to NE 143rd Street - complete remaining elements in Juanita Drive Corridor Study, separated pedestrian walkway and buffered bicycle lane; installation of pedestrian flashing beacons (RRFB s) at key locations; improved lighting, signing and markings beacons (RRFB s) at key locations; improved lighting, signing and markings beacons (RRFB s) at key locations; improved lighting, signing and markings of the Juanita Residue of the Study of the Carpital Study the Cross Kirkland Corridor/Eastral Crossing of 1000 Location. Pedestrian safety improvements along Central Way in the downtown area and along NE 124th Street in the Juanita neighborhood. The widening of 108th Avenue NE to create a transit lane to bypass queues. This Phase I Project provides a northbound queue jump lane for transit in the vicinity of the NE 68th Street/108th Avenue NE intersection. The acquisition of new right-forway is included. The widening of 108th Avenue NE to create extensive segments of transit lanes to bypass queues. This phase I Project provides an northbound queue jump lane for transit in the vicinity of the NE 68th Street / A,875 intersection. The acquisition of new right-of-way. The widening of 108th Avenue NE to create extensive segments of transit lanes to bypass queues. This phase I Project will be provided and the follow of the NE 120th Street. A new traftic signal is included at NE 60th Street as is the acquisition of new right-of-way. Unfunded Projects included in the 2021-2026 Transportation Element of the Capital Facilities Plan Wid	approved network map and prioritization of projects should be accomplished using the framework established in the Transportation Master Plan. we NE Is NE 124th SI	approved network map and prioritization of projects should be accomplished using the framework established in the Transportation Master Plan. Install lighting along CKC, pending external funding per Lorrie coordination with Rod, saved for future update update Increased improvements to the sidewalks on east side of 120th Ave NE between NE 84th Ln and NE 80th St north of Lade Washington High School. Will improve approximately (100L For disdewalk. 130 130 130 130 130 130 130 13

No.	CIP#	Project Name	Project Description						+
123	ST 0078	NE 132nd St Rdwy Imprv-Phase II (Mid Section)	The addition of landscaped median islands, the repair of concrete sidewalks, and the overlay and restriping of NE 132nd Street, between I-405 and 124th Avenue NE to provide 5-foot bicycle lanes and improved pedestrian access along a portion of the NE 132nd Street Corridor, as outlined within the NE 132nd Street Roadway Masterplan Study completed in 2008.	408					408
124	ST 0079	NE 132nd St Rdwy Imprv-Phase III (East Section)	The addition of landscaped median islands, the repair of concrete sidewalks, and the overlay and restriping of NE 132nd Street, between 124th Avenue NE and 132nd Avenue NE to provide 5-foot bicycle lanes and improved pedestrian access along a portion of the NE 132nd Street Corridor, as outlined within the NE 132nd Street Roadway Masterplan Study completed in 2008.	1,444					1,444
125	ST 0081	Totem Lake Area Development Opportunity Program	Establishing a new project in anticipation of development opportunities funded through grants that may require a City matching portion.	500					500
126	ST 08315	100th Avenue NE Roadway Improvements (Mid-South Section)	Roadway improvements along 100th Ave NE to address the current 5-lane to 2-lane transition to be based on the 2015 Puget Sound Regional Council (PSRC) grant funded design. This project represents one of four segments for implementing a portion of the 2018 completed design. This and other elements of the ultimate project will, at a minimum, provide for bicycle lanes, a center turn lane where appropriate, sidewalks, curb and gutter, illumination improvements and storm drainage system upgrades.	5,530					5,530
127	ST 08316	100th Avenue NE Roadway Improvements (South Section)	Roadway improvements along 100th Ave NE to address the current 5-lane to 2-lane transition to be based on the 2015 Puget Sound Regional Council (PSRC) grant funded design. This project represents one of four segments for implementing a portion of the 2018 completed design. This and other elements of the ultimate project will, at a minimum, provide for bicycle lanes, a center turn lane where appropriate, sidewalks, curb and gutter, illumination improvements and storm drainage system upgrades.	3,619					3,619
129	ST 09400	Holmes Point Dr NE Road Embankment Stabilization Location 1	Partial or full reconstruction of roadway embankment to increase slope stability. Large rodent removal or control is needed to eliminate animal burrows in the hillside.	246					246
130	ST 09500	Holmes Point Dr NE Road Embankment Stabilization Location 2	Partial to full reconstruction of roadway embankment to increase slope stability. Large rodent removal or control needed to eliminate animal burrows in the hillside.	412					412
131	ST 09600	Holmes Point Dr NE Road Embankment Stabilization Location 3	Partial to full reconstruction of roadway embankment to increase slope stability. Large rodent removal or control is needed to eliminate animal burrows in the hillside.	503					503
132	ST 09700	Holmes Point Dr NE Road Embankment Stabilization Location 4	Partial to full reconstruction of roadway embankment to increase slope stability. Large rodent removal or control is needed to eliminate animal burrows in the hillside. The fight-lining of an existing corrugated stormwater pipe is needed such that it discharges at the bottom of the slope, as opposed to the middle of the slope.	551					551
133	ST 09800	Holmes Point Dr NE Road Embankment Stabilization Location 5	Partial to full reconstruction of roadway embankment to increase slope stability. Large rodent removal is needed to control to eliminate animal burrows in the hillside.	232					232
134	ST 09900	Champagne Pt Road NE Embankment Stabilization	Partial to full reconstruction of roadway embankment to increase slope stability. Large rodent removal is or control is needed to eliminate animal burrows in the hillside. Revegetation of the slope is included.	563					563
135	ST 10000	62nd Ave NE Road Embankment Stabilizaition	Construction of soldier pile and lagging wall and embankment regrading to protect and preserve roadway integrity.	823					823
136	ST 10100	114th Ave NE Road Reconstruction	Excavation of existing unsuitable embankments fill and replacement with imported material. Replacing utilities along the project alignment (1,000ft). Construction of approximately 150ft of french drain to the least side of road.	1,900					1,900
137	ST 10200	90th Ave NE Road Surface Water Drainage Repair	Repair and restore shoulder support eroded areas. Remove existing stormwater controlling extruded curbs on both sides of the roadway and replace with new extruded curbs. Reinstall guardrail posts in areas where post support has eroded.	420					420
212	TR 0095	NE 132nd St/Fire Stn Access Dr Intersect'n Imp	Modify existing signal to include pedestrian actuated option, as recommended in the NE 132nd Street Master Plan, to aid in helping the corridor with capacity issues in anticipation of the Washington State Department of Transportation (WSDOT) Half-Diamond interchange at I-405 and NE 132nd Street and Totem Lake redevelopment.	480					480
213	TR 0096	NE 132nd St/124th Ave NE Intersect'n Imp	Extend existing eastbound left turn lane to 500 feet and add a second 500 foot eastbound left turn lane. Widen and restripe on the leg for 1,000 feet to provide 2 northbound through lanes with 1 southbound left turn lane and 1 southbound throughright turn lane. Restripe south leg to match north leg; these improvements will allow this intersection to maintain a vehicular level of service. Project is subject to anticipated funding through development activities and related revenues.	7,400					7,400
214	TR 0097	NE 132nd St/132nd Ave NE Intersect'n Imp	Extend the eastbound left turn and right turn lanes to 500 feet; these improvements will allow this intersection to maintain a vehicular level of service.	1,150					1,150
218	TR 0125	Kirkland ITS Implementation Phase 4	This project is a placeholder for ITS projects that are not currently funded. It will be defined further after completion of a Phase 3 Project and through the completion of a new ITS Study. It will likely include advanced control methods such as adaptive control.	2,620					2,620
219	TR 0128	6th Street S / 5th Place / CKC Transit Signal Priority	Transit signal priority at the CKC trail intersection on 6th Street including a new 3-leg signal and the removal of on-street parking with a signal controlled crossing to give transit priority in both north and southbound directions. The realignment of the 5th Place leg of the intersection will be consistent with future plans for the CKC and adjusted to closer to a 90-degree intersection with small curb radii to make it more pedestrian and neighborhood friendly.	2,600					2,600

No.	CIP#	Project Name	Project Description						-
220	TR 0129	NE 53rd Street Intersection Improvements	A new traffic signal on 108th Avenue NE at NE 53rd Street with the d Design and development with engineering consideration of the complicated offset alignment of NE 53rd and NE 52nd Streets, including an adjacent protected crosswalk and nearby transit stops serving Northwest University, Emerson High School, and the neighborhood.	4,345					4,34
221	TR 13000	NE 145th Street/Juanita-Woodinville Way Intersection Imps	Install traffic signal and intersection improvements to minimize traffic conflict, improve safety and traffic operation. Project total based on a 2018 estimate and, at a minimum, will replace the spanwire signal with new signal poles, mast arms and heads, signal cabinet, cameras and full electronics.	2,100					2,10
222	TR 13100	NE 80th Street/120th Avenue NE Intersection Improvements	Install traffic signal and intersection improvements to minimize traffic conflict, improve safety and traffic operation. Project total based on a 2018 estimate as part of the 100th Avenue NE Roadsway Design and, at a minimum, will provide all new signal poles, mast arms and heads, signal cabinet, cameras and full electronics.	1,700					1,70
223	TR 13200	100th Avenue NE/132nd Street Intersection Improvements	Install traffic signal and intersection improvements to minimize traffic conflict, improve safety and traffic operation. Project total based on a 2018 estimate as part of the 100th Avenue NE Roadsway Design and, at a minimum, will provide all new signal poles, mast arms and heads, signal cabinet, cameras and full electronics.	1,647					1,64
224	TR 13300	100th Avenue NE/Juanita-Woodinville Way Intersection Imps	Install traffic signal and intersection improvements to minimize traffic conflict, improve safety and traffic operation. Project total based on a 2018 estimate as part of the 100th Avenue NE Roadway Design and, at a minimum, will provide all new signal poles, mast arms and heads, signal cabinet, cameras and full electronics.	2,161					2,16
225	TR 13400	100th Avenue NE/137th Street Intersection Improvements	Install traffic signal and intersection improvements to minimize traffic conflict, improve safety and traffic operation. Project total based on a 2018 estimate as part of the 100th Avenue NE Roadway Design and, at a minimum, will provide all new signal poles, mast arms and heads, signal cabinet, cameras and full electronics.	1,475					1,475
209	TR 13800	NE 100th Street/132nd Ave NE Intersection Improvements	An all new full traffic signal system with signal poles, mast arms and heads, signal cabinet, cameras and full electronics for APS, video detection and ITS capability. Surface features include new curb ramps, crosswalks, and left turn lanes for all approaches.	1,743					1,743
302	PT 0002	Public Transit Speed and Reliability Improvements	Projects include elements that help reduce delay to bus traffic and that bus travel times to be more reliable. Such improvements can range from priority at signalized intersections to intersection widening to separate lanes for buses. These improvements should be located and designed in cooperation with transit providers. The locations and types of improvements will be identified in the City Transit Study (project number CPT 0001 1001).	500					500
303	PT 0003	Public Transit Passenger Environment Improvements	This project designs and constructs improvements to transit stops. Improvements include items such as shelters, improved lighting and equipment that indicates when buses are scheduled to arrive. The locations and types of improvements will be identified in the City Transit Study (project number PT 0001).	500					50
412	NM 0012 999	Crosswalk Upgrade program	Crosswalk improvements such as pedestrian flashing beacons (RRFB's), improved lighting, or traffic islands at uncontrolled crosswalks. Also improvements to increase pedestrian safety at signalized intersections.	4,100					4,10
413	NM 0024 201	Cross Kirkland Corridor Opportunity Fund	Fund for development and/or acquisition related costs for implementation of Cross Kirkland Corridor Master Plan	500					50
442	NM 0086-003	CKC Roadway Crossings	Crossings of CKC at various roadways that are not funded elsewhere (i.e., NM 0086 100).	3,370					3,37
447	NM 0090-100	Juanita Drive Bicycle and Pedestrian Improvements	The completion of remaining pedestrian and bicycle elements identified in the Juanita Drive Corridor Study for improved safely for bicycles and pedestrians through elements including: separated pedestrian walkway and buffered bicycle lane; installation of pedestrian flashing beacons (RFRFs) at key locations; improved lighting, signing and markings. Intersection channelization improvements are also included.	10,650					10,65
455	NM 0111	108th Avenue NE Bicycle Lanes Upgrade	The improvement and completion of the bicycle facilities on 108th Avenue NE. This may include a full spectrum of bike facilities from painted bike lanes to separated facilities and associatetraffic signal work. On street bike facilities should be constructed on the most current approved network map and prioritization of projects should be accomplished using the framework established in the Transportation Master Plan.	845					84
456	NM 0113 999	Citywide Greenway Network	This project provides for the design and construction of a greenway network. Construction elements that make up a greenway vary according to location, but may include items such as marking, signing of various types, lighting, crossing treatments (which may include signing, islands, beacons, improvements to or new traffic signals), traffic calming, drainage improvements, sidewalks or other walkway improvements and minor properly acquisition. Greenways should be constructed on the most current approved network may and prioritization of projects should be accomplished using the framework established in the Transportation Master Plan.	4,450					4,45
457	NM 0117	On-Street Bicycle Network Phase I	Improving existing on-street bicycle facilities, to include restriping existing pavement to add width and/or buffers to bicycle facilities, as well as the reconstruction of curbs and provision of protected bicycle lanes. The individual projects will be given more specificity in revised Active Transportation Plan. Project finding is contingent on external funding to be sought.	1,120					1,12

MEMORANDUM

To: Kurt Triplett, City Manager

From: Lynn Zwaagstra, Director

Leslie R. Miller, Human Services Supervisor

Date: June 3, 2021

Subject: HUMAN SERVICES DASHBOARD

RECOMMENDATION

That City Council receives an update and provides direction on the Human Services Dashboard.

BACKGROUND DISCUSSION

City staff presented proposed content for the Human Services Dashboard at the February 16, 2021 Council Session. The link to the memo is <u>here</u>.

The first phase of the dashboard includes data that is currently available. The focus is on how the City invests in human services overall, the types of programs the City supports through its human services grants program, and who is served by those programs. These are the items proposed for the dashboard that will go live later this year. A second phase would involve measurements of success and require regional collaboration and data collection changes to begin providing the information in the future.

Phase I

The dashboard components answer the following questions:

- How much does the City invest in human services?
 - Council asked that the table presented during the budget process that offers an expanded definition of human services be included. The table is in **Attachment A**.
- What kinds of human services does the City support? How many POC organizations (founded by and led by people of color) are supported?

Attachment B shows the number of POC organizations and the investment totals made in the five categories.

- Housing Stability & Food Security
- Supportive Relationships within Families, Neighborhoods and Communities

- A Safe Haven from All Forms of Violence and Abuse
- Health Care to Be as Physically and Mentally Fit as Possible
- Education and Job Skills to Help Individuals Reach Their Full Potential
- Which programs does the City fund through human services grants? Who do these programs serve?

In 2020, the City funded 89 programs. A summary of each program and selected client demographic data including race/ethnicity, gender identity, income and age. This information for all programs is provided in **Attachment C**.

The dashboard will also include a list of all of the programs funded in 2021. Program summaries are provided in **Attachment D**.

All of the information provided in the attachments is also available temporarily on the website for Council review here.

Because demographic information is collected once a year from agencies, the dashboard will be updated annually in the spring.

Phase II

Possible future questions to be answered by the Human Services Dashboard:

 How well do funded programs serve Kirkland residents? Are there racial disproportionalities in their outcomes?

Although the agencies report on both demographics and outcomes, the outcome results are not disaggregated by race. Additional data collection would be required of agencies in order to determine how well they serve specific populations in the community. For example, requiring disaggregated outcomes by race would be a way to determine if programs the City is funding are as successful serving the Black community as other populations.

Due to the potential cost and burden of additional reporting requirements to human services agencies, staff recommend engaging in conversation with nonprofit human services providers. Staff view this as important in this context because small community-based organizations that often serve their own communities the best tend to be the most burdened by reporting requirements. In addition, because the City shares a grant application and reporting tools with fifteen other suburban King County cities, staff recommend engaging with Kirkland's human services city partners to explore the costs and benefits to additional reporting requirements, such as collecting outcome information disaggregated by community populations. If collecting outcomes disaggregated by populations, such as race, is identified as a needed tool, the City could consider contributing to the costs this additional work would entail.

- How much are the programs funded by taxpayers through King County serving Kirkland residents? The Initiatives that fund the relevant programs include:
 - The Mental Illness and Drug Dependency (MIDD) Behavioral Health Sales Tax
 Fund

- o The Veterans, Seniors & Human Services Levy
- The Best Starts for Kids Levy
- o The King County Parks, Recreation, Trails and Open Space Levy

King County is beginning to respond to requests to be able to understand how residents of each jurisdiction in the County are supported by these funding sources. There is some sub-regional information available, but no zip code information is available at this time. The legislation that King County Council is considering regarding the renewal of the Best Starts for Kids includes tracking service provision by zip code.

Next Steps

- Hear input from City Council this evening.
- Complete dashboard with the intent to go live in September.
- Begin working on the next phase of the dashboard that may include more information on outcomes and equitability.

Agency	Catholic Community Services of King County	Program	New Bethlehem Day Center	BIPOC Org	No	Amount Funded	\$100,000
Program	Summary						

New Bethlehem Day Center's (NBDC) invites families experiencing homelessness to come inside and access stability-oriented services. Shelter referrals, showers, laundry facilities, and meals help meet families' basic needs. Computers help in the search for employment and housing. Case managers connect guests to a network of community resources that assist with regaining housing stability.

E-Page 67 **PROGRAM OVERVIEW** Youth and Young Adult **BIPOC Org** Friends of Youth **Amount Funded** \$25,000 Agency Program Shelter **Program Summary** Friends of Youth operates two year-round shelters for youth and young adults experiencing homelessness. Youth Haven provides a safe, temporary shelter for youth under age 18 with case management, education support and family engagement services. The Landing serves young adults ages 18-24 and provides overnight shelter, including counseling, housing navigation and referrals to in-house and community services including education, employment, case management and housing. **Racial Identity** % Age **Income** AI/AN 1 4% 0-5 0 0% Very Low 23 96% 0 0% 6-12 0 0% 4% Asian Low 1 Client Demographics 7 13-17 8 0 0% Black 29% 33% Moderate 0 16 0% 18-24 67% 0 0% Latinx Above NHPI 0 0% 25-34 0 0% Unknown 0 0% White 10 42% 35-54 0 0% TOTAL 24 0 Other 1 4% 55-74 0% **Gender Identity** # % Multi 4 17% 75-84 0 0% Female 7 78% 1 0 0 Unknown 4% 85+ 0% Male 0% **TOTAL** 24 Unknown 0 0% Transgender 2 22% TOTAL 24 0 0% Unknown TOTAL 9 PROGRAM OVERVIEW **BIPOC Org Amount Funded** Agency Imagine Housing Program Supportive Services No \$30,000 **Program Summary** Imagine Housing's Supportive Services Program provides over 3,000 hours yearly of programming including resource referrals, trainings, basic needs supplies, case management, and community events across properties in Bellevue, Issaquah, Kirkland, Redmond and Sammamish. This program helps residents with low incomes overcome barriers to stability, helps residents access resources to meet basic needs, and improves the overall quality of our residents' lives. 			PROGRAM OVERVIEW	I			
Agency	The Sophia Way	Program	Day Center	BIPOC Org	No	Amount Funded	\$25,000
Drogram	Summan/					•	

The Sophia Way Day Center (DC) offers a safe and stable environment for women to recoup, recover, and heal. Since 2015 we have we have increased our hours of operations by 85% to meet the increasing needs and number of women attending the DC. We are open 7 days a week and provide hot meals, bathroom and laundry facilities, computers, phones and internet access. Clients may receive case management as well as referrals to financial coaching, employment opps and mental and physical health services.

Agency The Sophia Way Program Outreach

Program Summary

The Outreach program reaches people who are experiencing homelessness to build trust and a relationship on site, in their location, in order to give them referrals to services and resources for shelter, housing, and other supports they need. The focus is providing life-saving services for people who may be resistant to accepting services, such as substance abuse addiction treatment or mental health counseling with the ultimate goal of getting them into safe, affordable housing.

E-Page 73 **GOAL AREA 2: SUPPORTIVE RELATIONSHIPS PROGRAM OVERVIEW** Assistance League of the Operation School Bell **BIPOC Org Amount Funded** \$9,000 Agency Program No Eastside **Program Summary** Assistance League of the Eastside supports the belief that new school clothing helps increase self esteem and confidence, contributing to a strong foundation for a child's successful school experience. With the help of many volunteers, Operation School Bell provides local shopping events at area Fred Meyer stores for children in need, selected by school personnel, from the Lake Washington, Bellevue, and Northshore school districts. # **Racial Identity** % Age # % Income # AI/AN 0% 0-5 0% Very Low 378 46% Asian 116 14% 6-12 391 48% Low 198 24% Client Demographics Moderate Black 30 4% 13-17 425 52% 40 5% 37% 2% Latinx 302 18-24 0 0% Above 16 NHPI 4 0% 25-34 0 0% Unknown 184 23% White 138 17% 35-54 0 0% TOTAL 816 55-74 0 0% **Gender Identity** Other 0 0% # % Multi 76 9% 75-84 0 0% Female 356 44% 85+ 0 0% Male Unknown 148 18% 378 46% TOTAL 816 0 0% Transgender 0% Unknown TOTAL 816 10% Unknown 82 TOTAL 816 PROGRAM OVERVIEW Athletes for Kids Program AFK Youth Mentoring **BIPOC Org** No **Amount Funded** \$5,000 Agency **Program Summary** Founded on the idea that friendship has the power to restore a child's faith in life, Athletes for Kids mission is to enhance the lives of children with special needs and the high school athletes who mentor them. The agency believes modeling acceptance, inclusion and respect for all individuals transforms and strengthens communities. The program serves children in 1st to 12th grade with monthly one-onone mentoring and activities, mentor training and leadership opportunities in East King cities. Racial Identity # %

PROGRAM OVERVIEW Housing Readiness **BIPOC Org Amount Funded** Agency Community Homes, Inc. **Program** No \$5,000 Workshop Series Program Summary Community Homes, Inc's Housing Readiness Workshop Series for Adults supports intellectual and developmental disabilities through workshops offered in King County to educate families and/or guardians on housing options, resources, and solutions. The format focuses on 3 detailed areas: Level 1: Services – understanding what services are needed for housing and what the adult currently has or qualifies for; Level 2: Knowledge - learning the different housing models; Level 3 - empowerment on how to access existing housing or create new housing. **Racial Identity** Income # % # % # % Age AI/AN 0 0% 0-5 0 0% Very Low 0 0% 0 0% 6-12 0 0% Low 0 0% Asian Client Demographics 0 Moderate 0 0% Black 0% 13-17 0 0% Latinx 0 0% 18-24 0 0% Above 0 0% NHPI 0 0% 25-34 0 0% Unknown 8 100% 0 0% 35-54 0 0% TOTAL 8 White 55-74 **Gender Identity** 0 0 0% # % Other 0% Multi 0 0% 75-84 0 0% Female 0% 0 Male Unknown 8 100% 85+ 0% 0 0% TOTAL 8 Unknown 8 100% Transgender 0 0% TOTAL 8 Unknown 8 100% TOTAL 8 **PROGRAM OVERVIEW** Eastside Legal Assistance **BIPOC Org** Legal Services **Amount Funded Program** No \$15,000 Agency Program **Program Summary** Eastside Legal Assistance Program (ELAP) provides civil legal aid to low income residents in East King County. ELAP offers 27 clinics monthly to offer support with civil legal issues. In addition, the agency offers workshops and lectures on current community issues. Staff attorneys work with survivors of domestic violence, creating stable, safe and healthy lives for participants and their families. **Racial Identity** # Income # % Age AI/AN 2 2% 0-5 0 0% Very Low 52 73% 6 7% 6-12 0 0% Low 15 21% Asian Client Demographics 4 Black 5% 13-17 0 0% Moderate 1% 12 14% 18-24 0 0% 0% atinx Above 25-34 15 21% Unknown 4% NHPI 1% 1 White 37 45% 35-54 33 46% TOTAL 71 **Gender Identity** Other 13 16% 55-74 20 28% # % 5 75-84 3 4% Female Multi 6% 62 87% 0 0% Male Unknown 3 4% 85+ 13% TOTAL 0 0% Transgender 0 83 Unknown 0%

	PROGRAM OVERVIEW						
Agency	King County Sexual Assault Resource Center	Program	Comprehensive Sexual Assault Services	BIPOC Org	No	Amount Funded	\$19,760
Program	Summary						

The Comprehensive Sexual Assault program is offered to victims and their families who have experienced sexual assault. The program focuses on unique trauma focused advocacy for children, teens, adults, and their families. Specialized counselors provide 24 hour crisis intervention combined with case management to connect victims to services. Additional services focus on intensive parent & caregiver psycho-education for families. Advocacy efforts include experienced navigation through the criminal justice and legal system.

PROGRAM OVERVIEW

Agency	LifeWire	Program	Community Advocacy	BIPOC Org	No	Amount Funded	\$98,200

Program Summary

LifeWire's Survivor Advocacy Services (previously known as Community Advocacy Program) provides survivor-driven and trauma-informed direct supportive services to domestic violence (DV) survivors and their children. Advocates assist survivors via the 24-hour Helpline; provide 1:1 advocacy (i.e., case management) throughout the community; coordinate access to community supports (economic, food, medical, basic needs); and are a resource for safety planning, support and DV education.

GOAL AREA 4: HEALTH CARE TO BE AS PHYSICALLY & MENTALLY FIT AS POSSIBLE PROGRAM OVERVIEW Alpha Supported Living **BIPOC** Ora Program Health Services No **Amount Funded** \$2,000 Agency Servi<u>ces</u> **Program Summary** The Health Services Program supports clients with developmental disabilities who are part of Alpha's Supported Living community residential program. The program currently serves 152 adults in Supported Living in both King and Snohomish Counties. The RN's and members of the health care team set individualized health supports for each client, including a nutrition plan and for those with skilled nursing needs, a nursing care plan. Clients attend over 1,600 appointments annually for medical, dental and mental health needs. 	PROGRAM OVERVIEW						
Agency	Old Friends Club	Program	Daytime Memory Care & Respite	BIPOC Org	No	Amount Funded	\$6,000
Program	Program Summary						

Old Friends Club's mission is to cultivate joy in the lives of adults living with cognitive impairment and to nourish the well-being of family caregivers. The Daytime Memory Care & Respite program offers services for adults living with Alzheimer's, stroke, traumatic brain injury or other cognitive impairment. The program is available 5 hours/day, 3 days/week for fun and friendship around a variety of activities, providing respite for family caregivers during those hours. The program also offers caregiver support, education, resources and referrals.

PROGRAM OVERVIEW							
Agency	Sound Generations	Program	Volunteer Transportation	BIPOC Org	No	Amount Funded	\$6,120
Program	Program Summary						

Sound Generations' Volunteer Transportation Program (VTS) serves seniors, 60 and older in meeting their transportation needs related to the most fundamental medical and health needs. Over 357 active volunteers make up their time, and use their own vehicles to provide safe, personalized transportation services, taking people to and from appointments and waiting with them until they are ready to return home. The goal is to have seniors benefit from moral support, feel a sense of care, and gain independence.

Agency	Washington Poison Center	Program	Emergency Services	BIPOC Org	No	Amount Funded	\$5,000
Program	Summary						

The Washington Poison Center's (WAPC) mission is to prevent harm from poisoning through expertise, collaboration, and education. WAPC provides immediate, free, confidential, and medical treatment assistance 24/7 on the telephone to people exposed to a potential poisonous, hazardous, or toxic substance. WAPC has over 200 language interpreters immediately available on request.

	PROGRAM OVERVIEW						
Agency	Youth Eastside Services	Drogram	Behavioral Health Care for Children & Youth	BIPOC Org	No	Amount Funded	\$38,805
Program	Program Summary						

YES' Behavioral Health Care for Children and Youth is a comprehensive program for ages 6-22 and their families. Through intervention, stabilization, support, and empowerment children/youth/families receive the necessary skills to improve their social-emotional wellbeing and self-regulation. Services include evidence-based mental health counseling, substance use treatment, co-occurring disorders treatment (for those with mental health/substance abuse conjointly), psychiatric services and case management.

Program Summary

Client Demographics

YES' Early Childhood Behavioral Health (ECBH) program, a partner in the Healthy Start Collaborative, provides early childhood intervention aimed at restructuring the parent-child relationship to empower the parent to support the infant's/child's healthy social, emotional and cognitive development. The program provides two evidence-based interventions, Promoting First Relationships (PFR) and Parent-Child

Interaction Therapy (PCIT).

The program offers a safe place for families to land, and a centralized location for access to the supportive programming needed to help families transcend their situation and to move into a more permanent housing. **PROGRAM OVERVIEW** Congregations for the **BIPOC Org Program** 24/7 Enhanced Shelter No **Amount Funded** \$25,000 Agency Homeless Program Summary The 24/7 Enhanced Men's Shelter provides a safe and welcoming environment 24 hours a day every day of the year for 100+ men experiencing homelessness on the Eastside with the on-site resources needed for indivduals to rebuild their lives and obtain stable income and housing. Services include shelter, meals, showers laundry, case management support, addiction and mental helath, employment support and more. **PROGRAM OVERVIEW** Meeting Basic Needs for **BIPOC Org Program** Amount Funded Agency Eastside Baby Corner No \$13,388 Children **Program Summary** EBC's program provides critical basic needs which infants and children (0-12), near/in poverty or crisis, need for healthy development and safety. EBC is the only children's basic needs resource broker in our service area. We fill a gap by collecting essential goods through community donations and by purchasing critical safety-regulated items, like car seats, and consumable goods, like diapers. We distribute these basics, valued at \$5.5M annually, to families through our partner network. **PROGRAM OVERVIEW** Eastside Legal Assistance Housing Stability **BIPOC Org** Amount Funded **Program** \$100,000 Agency No Program Program Program Summary

	· J · ······ · · · · · · · · · · · · · · ·
This	s program provides an onsite staff attorney to assist low income Kirkland residents with legal issues that impact their housing stability.

	PROGRAM OVERVIEW							
Agency	Friends of Youth	Program	Outreach & Drop-in Services for Homeless Youth & Young Adults	BIPOC Org	No	Amount Funded	\$41,000	
Drogram	Summany					•		

Friends of Youth's Outreach & Drop-In program connects young people experiencing homelessness (ages 16-24) with the information, services and resources they need to build safe, stable futures. Through street outreach, mobile drop-in sites and our drop-in center (colocated with shelter and other services), we meet young people where they are and help them improve their safety, wellbeing, selfsufficiency and permanent connections with family, school and other positive social networks.

	PROGRAM OVERVIEW						
Agency	Friends of Youth	Program	Transitional Housing for Homeless Young Adults & Young Families		No	Amount Funded	\$20,917

Program Summary

Friends of Youth's "New Ground" Transtional living programs (TLPs) provide safe, Transgenderitional housing and supportive services to young adults and young families experiencing homelessness. Our TLPs provide 57 units that serve young people from across King County and are located in Bothell, Kirkland and Redmond. Case management and other services help our residents improve their safety, wellbeing and self-sufficiency so that they can achieve permanent housing and fulfill their potential.

	PROGRAM OVERVIEW								
Agency	Friends of Youth	Program	Youth and Young Adult Shelter	BIPOC Org	No	Amount Funded	\$75,000		
Drogram	Program Cummany								

Program Summary

Friends of Youth operates two year-round shelters for youth and young adults experiencing homelessness. Youth Haven provides a safe, temporary shelter for youth under age 18 with case management, education support and family engagement services. The Landing serves young adults ages 18-24 and provides overnight shelter, including counseling, housing navigation and referrals to in-house and community services including education, employment, case management and housing.

	PROGRAM OVERVIEW									
Agency	Hopelink	Program	Emergency Food	BIPOC Org	No	Amount Funded	\$81,960			
Program	Program Summary									

Hopelink's food program provides food to supplement a household's income. Hopelink food banks offer options from each food group (fruits, vegetables, grains, proteins and dairy), as well as baby items and personal care products. Home delivery is available for home bound individuals in need of supplemental food assistance. Emergency bags provide an immediate solution to a hunger crisis.

PROGRAM OVERVIEW									
Agency	Hopelink	Drogram	Financial Assistance Resiliency Program	BIPOC Org	No	Amount Funded	\$35,000		

Program Summary

Hopelink's Financial Resiliency Program helps individuals living in poverty who are experiencing an unexpected financial shock (need for car repair, medical issue, loss of hours at work, etc.) that threatens their overall stability (housing, employment, income). Through flexible financial aid, in conjunction with short-term system navigation help, our program reduces barriers to income supports and improves participants' financial stability.

Agency Hopelink Program Housing BIPOC Org No Amount Funded \$20,400 Program Summary

Hopelink has 19 units of Emergency Shelter, 51 units of Transgenderitional Housing, and 35 units of Permanent Housing. Case managers, paired with the above-described units, use a strengths-based, client-centered case management model. Case managers work with the family to identify realistic goals to help the family overcome barriers and identify steps and strategies to achieve permanent housing. The end goal is to have the family achieve the highest level of self-sufficiency by making lasting change.

			PROGRAM OVERVIE	W					
Agency	Imagine Housing	Program	Supportive Services	BIPOC Org	No	Amount Funded	\$30,000		
Drogram	rogram Summary								

Imagine Housing's Supportive Services Program provides over 3,000 hours yearly of programming including resource referrals, trainings, basic needs supplies, case management, and community events across properties in Bellevue, Issaquah, Kirkland, Redmond and Sammamish. This program helps residents with low incomes overcome barriers to stability, helps residents access resources to meet basic needs, and improves the overall quality of our residents' lives.

	PROGRAM OVERVIEW									
Agency	Indian American Community Services	Program	Mortgage, Rental and Utility Assistance	BIPOC Org	Yes	Amount Funded	\$204,168			
Program Summary										

Indian American Community Services is providing mortgage, rental and utility assistance for Kirkland residents in partnership with 4 Tomorrow.

Program	Program Summary									
D . D				6 1 15:1:	· (LV4(CD)	2010				

Pantry Packs has provided weekly food packs for children in the Lake Washington School District (LWSD) since 2010.

	PROGRAM OVERVIEW									
Agency	LifeWire	Program	Emergency Shelter	BIPOC Org	No	Amount Funded	\$23,608			
Program	Program Summary									

LifeWire's Emergency Shelter (aka My Sister's Home or MSH) is a confidential shelter for survivors of domestic violence who are fleeing a violent relationship. Emergency shelter is provided in 10 apartment units located in East King County. Survivors (and their children) in shelter are provided basic needs such as food, clothing, and Transgenderportation; are offered the full array of LifeWire's supportive services; and are provided support in finding a better housing option.

	PROGRAM OVERVIEW									
Agency	LifeWire	Program	Housing Stability Program	BIPOC Org	No	Amount Funded	\$15,000			
Drogram (Program Summany									

Program Summary

LifeWire's Housing Stability Program is a homelessness prevention and diversion program pairing flexible financial assistance with advocacy services to help domestic violence survivors avoid homelessness or move out of homelessness quickly. This program eliminates the fear of homelessness and related economic factors as a reason to stay in, or return to, an abusive relationship. It stabilizes survivors and their children, so they can rebuild their lives and heal from trauma.

	PROGRAM OVERVIEW									
Agency	MAPS Muslim Community Resource Center	Program	Food & Gas Card Distribution Program	BIPOC Org	Yes	Amount Funded	\$10,000			
Program Summary										

This program provides emergency assistance in the form of gift cards that can be used to purchase food or gas only. This ensures that no one in acute need of sustenance or transportion is left in the lurch.

	PROGRAM OVERVIEW								
Agonov	MAPS Muslim Community	Program	Housing for Single	BIPOC Ora	Yes	Amount Funded	\$7,500		
Agency	Resource Center	Program	Women	DIFUC OIG	165	Amount i unded	\$7,300		
_		•	•		-				

Program Summary

MAPS-MCRC provides socially and culturally appropriate transitional housing for single women. This vulnerable population has an increased need for personal safety and privacy, and the demand for transitional housing is great. This program provides housing units na d case management.

	PROGRAM OVERVIEW									
Agency	Sound Generations	Program	Meals on Wheels	BIPOC Org	No	Amount Funded	\$10,000			
Program :	Program Summary									

Sound Generations' Meals on Wheels (MOW) program is trusted by thousands of King County's most vulnerable aging and disabled adults each year for their home delivered food needs. We deliver nutritious, satisfying meals directly to the homes of King County residents of all ages, who are unable to leave their homes unassisted, unable to prepare meals, and lack a social support system. For more than 40 years, MOW has been one of the most effective community-based tools for fighting senior hunger.

	PROGRAM OVERVIEW										
Agency	Agency The Sophia Way Program Helen's Place BIPOC Org No Amount Funded \$150,000										
Program S	Program Summary										

Helen's Place is a 24/7/365 emergency shelter and day center located in Kirkland. Women experiencing homelessness will have access to showers, laundry, hot meals, sleeping and napping areas, as well as connection to a case manager and a mental health professional.

			PROGRAM OVERVIE	W			
Agency	The Sophia Way	Program	Sophia's Place Shelter	BIPOC Org	No	Amount Funded	\$12,240
D	L 8		Program				

Sophia's Place provides supportive services, overnight 6 month shelter, case management services to help women experiencing homelessness achieve personal goals that lead to independent living; housing in subsidized apartments and community transitional housing.

GOAL AREA 2: SUPPORTIVE RELATIONSHIPS PROGRAM OVERVIEW **Program** Cultural Naviation **BIPOC Org Amount Funded** 4 Tomorrow \$7,500 Agency Yes **Program Summary** 4 Tomorrow is providing assistance, including language support in Spanish to Kirkland residents needing assistance to apply for mortgage, rental and utility assistance. Boys and Girls Clubs of King Boys and Girls Club of Program **BIPOC Org Amount Funded** Agency No \$10,000 County Kirkland Program Summary The Boys & Girls Club of Kirkland serves nearly 2,500 youth ages 5 to 18 annually, including a higher percentage of low-income families than the City of Kirkland average. It supports young people through a variety of programs that develop kids' academic success, good character and citizenship, and healthy lifestyles. As a nonprofit organization, the program relies on contributed income to maintain much utilized scholarships and subsidized program fees. PROGRAM OVERVIEW Catholic Community Services **BIPOC Org** Volunteer Services **Amount Funded Program** No \$6,250 Agency of King County **Program Summary** Since 1981, Catholic Community Services has connected community volunteers with low-income older adults (60 and up) and adults living with disabilities through the Volunteer Services program. VS fosters supportive relationships so that participants, who don't qualify for other services and can't afford to pay for assistance, are able to get their basic needs met. Volunteers help with household chores and transportation so participants can remain independent for as long as safely possible. **PROGRAM OVERVIEW** Chinese Information and Family Resource **BIPOC Org** Agency **Program** Yes **Amount Funded** \$7,500 Service Center Support Program Program Summary The Family Resource Support Program provides Chinese and Russian families on the Eastside--th emajority of whom are low income and limited English proficienty--a single-entry point to access information and referral around health, education, training, legal, naturalization, benefits, and basic needs for all members of the family. This free service promotes intercultural interaction through outreach and assistance helping Chinese and Russian families connect to community resources. **PROGRAM OVERVIEW** Communities in Schools **BIPOC Org** Communities in Schools **Amount Funded** Agency **Program** No \$60,000 Renton-Tukwila **Program Summary** Communities in Schools Renton-Tukwila in partnership with the Cities of Kirkland and Redmond and Lake Washington School District have expanded its national model into schools in both Kirkland and Redmond in 2021. In Kirkland, a site coordinator is serving Kamiakan Middle School. The staff is embedded in the school and dedicated to supporting the holistic needs of youth. **PROGRAM OVERVIEW Program** King County 2-1-1 **BIPOC Org** Agency Crisis Connections No **Amount Funded** \$12,500 **Program Summary** King County 2-1-1 is a connector. By simply dialing 2-1-1 or accessing resources online, people get connected to help, including housing assistance, veteran services, support for seniors, or food assistance. PROGRAM OVERVIEW Program | Teen Link **BIPOC Org** Crisis Connections No **Amount Funded** \$10,000 Agency Program Summary Teen Link provides a confidential teen peer-to-peer help line and chat/text service that focuses on providing emotional support and resources as well as a line designed to support teens and parents around substance use issues. Teen Link also conducts suicde prevvention training to youth in schools and the community. The mission of Teen Link is to empower teens to make healthy, self respecting decisions about their lives.

			PROGRAM OVERVIE	W			
Agency	Eastside Legal Assistance Program	Program	Legal Services	BIPOC Org	No	Amount Funded	\$15,000
Program	Summary	·	_		·		

Eastside Legal Assistance Program (ELAP) provides civil legal aid to low income residents in East King County. ELAP offers 27 clinics monthly to offer support with civil legal issues. In addition, the agency offers workshops and lectures on current community issues. Staff attorneys work with survivors of domestic violence, creating stable, safe and healthy lives for participants and their families.

			PROGRAM OVERVIE	W			
Agency	Hopelink	Program	Family Development Program	BIPOC Org	No	Amount Funded	\$23,200
Program	Summary						

Hopelink's Family Development Program is a voluntary case-management program that serves low-income families in North and East King County who are experiencing homelessness or at risk of homelessness. The Family Development program helps families achieve housing stability and long-term economic self-sufficiency through strength-based case management and client-centered goal development. Using target goal setting to remove barriers, families achieve their highest level of self-sufficiency and make lasting change.

			PROGRAM OVERVIE	W			
Agency	Indian American Community Services	Program	Cultural Navigator Program	BIPOC Org	Yes	Amount Funded	\$5,000
Program	Summary						

The Cultural Navigator Program offers community members access to staff, workshops, training and information to connect them to basic resources, address their concerns with support services continuing to follow up and ensure that needs are met comprehensively. IACS offers a safe and familiar space for its community to reach out during challenging times to access emergency and crises care services such as food, housing, legal and healthcare. Services are open to all regardless of religion, gender, language, socio-economic status.

		PROGRAM OVERVIE	W			
Agency	King County Bar Association	Pro Bono Svcs Dept- Housing Justice Project & Neighborhood Legal Cllinics	BIPOC Org	No	Amount Funded	\$4,500

Program Summary

Pro Bono Services (PBS) utilizes the volunteer services of volunteer attorneys, legal assistants and community members to provide free legal advice and advocacy to low income individuals and families in King County. The two primary programs are the 41 Neighborhood Legal Clinics and courthouse based Housing Justice Project. Each has a significant presence and impact throughout the county, ensuring critical access to justice and our legal system.

			PROGRAM OVERVIE				
Agency	MAPSMuslim Community Resource Center (MCRC)	Program	Information, Referrals & Resources	BIPOC Org	Yes	Amount Funded	\$15,000
Program	Summary						

The IRR program provides walk-in and call-in assistance to anyone in need, 24 hours a day, 7 days a week. MCRC is able to provide assistance to those with cultural and language barriers that often make finding and receiving help prohibilitely difficult.

			PROGRAM OVERVIE	W			
Agency	Youth Eastside Services	Program	Community-Based Outreach Services	BIPOC Org	No	Amount Funded	\$30,179
Program	Summary						

Youth Eastside Services' Community-Based Outreach Services provides outreach, drop-in counseling services, and group services for atrisk children and youth in the community.

			PROGRAM OVERVIE	W			
Agency	Youth Eastside Services	Program	Latinx Programs	BIPOC Org	No	Amount Funded	\$35,894
Program	Summary						

Youth Eastside Services' Latinx programs provide culturally-relevant youth development activities facilitated by bilingual (Spanish-English)/bicultural staff, including program activities to promote leadership skills, and youth-led community service projects and cultural events. The after-school programs in Bellevue, Kirkland and Redmond engage Hispanic youth who are at-risk of dropping out of school and re-connect them to school, community and culture.

GOAL AREA 3: A SAFE HAVEN FROM ALL FORMS OF VIOLENCE PROGRAM OVERVIEW Agency | Consejo Counseling & Referral | Service | Program | Domestic Violence & Advocate Service | BIPOC Org | Yes | Amount Funded | \$15,000 | Program Summary

Consejo's Domestic Violence Advocacy Program provides outreach & engagement, information & referral services, advocacy-based counseling, safety planning, legal advocacy and support groups for Latina survivors of domestic violence. Services are designed to understand the complex needs of survivors, many of whom are Spanish-speaking/monolingual immigrants/refugees. Consejo's services build on clients' cultural beliefs, values, and traditions to help them transition from crisis to self-sufficiency.

Agency	Harborview Medical Center		Center for Sexual Assault and Trauma Stress	BIPOC Org	No	Amount Funded	\$9,300
--------	---------------------------	--	---	-----------	----	---------------	---------

Program Summary

Harborview Center for Sexual Assault and Traumatic Stress provides services for children, youth and adults who have experienced sexual assault or other traumatic events. Services are also available for non-offending family members and children who display sexual behavior problems. Services include brief intervention, evidence based therapy for the effects of traumatic stress, medical and legal advocacy services, crisis intervention, information and referral and outreach/community awareness.

Agency | King County Sexual Assault | Resource Center | Program | Assault Services | BIPOC Org | No | Amount Funded | \$19,760

Program Summary

The Comprehensive Sexual Assault program is offered to victims and their families who have experienced sexual assault. The program focuses on unique trauma focused advocacy for children, teens, adults, and their families. Specialized counselors provide 24 hour crisis intervention combined with case management to connect victims to services. Additional services focus on intensive parent & caregiver psycho-education for families. Advocacy efforts include experienced navigation through the criminal justice and legal system.

			PROGRAM OVERVIEW	V			
Agency	LifeWire	Program	Community Advocacy	BIPOC Org	No	Amount Funded	\$98,200
Drogram 9	Summary						

LifeWire's Survivor Advocacy Services (previously known as Community Advocacy Program) provides survivor-driven and trauma-informed direct supportive services to domestic violence (DV) survivors and their children. Advocates assist survivors via the 24-hour Helpline; provide 1:1 advocacy (i.e., case management) throughout the community; coordinate access to community supports (economic, food, medical, basic needs); and are a resource for safety planning, support and DV education.

	PROGRAM OVERVIEW									
Agency	Indian American Community	Program	Mental Health Support	BIPOC Org	Yes	Amount Funded	\$5,000			
Agency	Services	Program	Program	biroc org	165	Alliount Fundeu	\$3,000			
Drogran	Dragram Summany									

This program prvides culturally nuanced services for mental health support of Asian Indian families, seniors and youth addressing body, mind and soul. This program uses a community input driven approach to identify, address mental health struggles comprehensively by hosting weekly conversation driven moderated support groups, wellness programs (created with input from youth and seniors), yoga, meditation, art, music, monthly webinars, as needed personalized counseling and connection to resrouce groups.

Agency Kindering Program Families in Transition BIPOC Org No Amount Funded \$4,591

Program Summary

Kindering's Families In Transiton (FIT) services provide children experiencing homelessness with the once-in-a-lifetime opportunity to make developmental gains at a critical time for brain development through individualized, highly-tailored therapies and interventions. Using a research-based, proven curriculum, FIT services help parents experiencing homelessness develop the foundational skills and confidence to build a lasting, impacting connection with their child.

PROGRAM OVERVIEW										
Agency	NAMI Eastside	Program	Education & Support	BIPOC Org	No	Amount Funded	\$3,500			
Program	Program Summary									

NAMI Eastside's Education and Support program provides services to those affected by mental illness in East King County. Services include peer & family support groups, evidence-based psychoeducational courses, expert-led forums on a variety of mental health topics, walk-in, call-in, and email services for those seeking mental health information & resources, and our annual Youth Mental Health Conference.

	PROGRAM OVERVIEW								
Agency	Northshore Senior Center	Program	Northshore Adult Day Health & Wellness	BIPOC Org	No	Amount Funded	\$10,200		
Drogram	Drogram Cummany								

Program Summary

The Northshore Adult Day Health & Wellness program offers participants with physical, mental or social challenges to receive case management and skilled services from an RN, Licensed Practical Nurse, Occupational Therapist and other therapeutic staff in a safe environment, while also offering their families/caregivers support and respite. In addition, programming offers recreation, socialization, advocacy & support for individuals of all ages with developmental disabilities, including their families and caregivers.

	PROGRAM OVERVIEW									
Agonov	Northwest Parkinson's	Drogram	Isolation Outreach	BIPOC Ora	No	Amount Funded	\$5,000			
Agency	Foundation	Program	Initiative	birde dig	INO	Alliount Fundeu	φ3,000			
Program Summary										

This program expands and diversifies NW Parkinson's programs and services to meet the changing needs of the Parkinson's Community in a COVID-19 and post COVID-19 world. The program furthers the organization's mission through programs and services that support specialty care, produce and distribute free educational and support resources, raise awareness of Parkinson's and develop self-care tools that help improve qualify of lie and reduce isolation for people with Parkinson's and their families.

	PROGRAM OVERVIEW									
Agency	Sound Generations	Program	Volunteer Transportation	BIPOC Org	No	Amount Funded	\$6,120			
Program	Program Summary									

Sound Generations' Volunteer Transportation Program (VTS) serves seniors, 60 and older in meeting their transportation needs related to the most fundamental medical and health needs. Over 357 active volunteers make up their time, and use their own vehicles to provide safe, personalized transportation services, taking people to and from appointments and waiting with them until they are ready to return home. The goal is to have seniors benefit from moral support, feel a sense of care, and gain independence.

	PROGRAM OVERVIEW									
Agency	Therapeutic Health Services	Program	Drug & Alcohol Treatment	BIPOC Org	No	Amount Funded	\$14,872			
Program Summary										

Therapeutic Health Services provides intensive outpatient and outpatient substance use treatment, medication assisted treatment (methadone, buprenorphine), counseling and case management. This includes individual, group and family counseling sessions, and relapse prevention treatment. Evidence-based practices are used by licensed chemical dependency and mental health professionals, case managers, vocational rehabilitation specialists, nurses, ARNPs, physicians and psychiatrists.

PROGRAM OVERVIEW									
Agency	Youth Eastside Services	Program	Behavioral Health Care for Children and Youth	BIPOC Org	No	Amount Funded	\$60,000		
Program	Program Summary								

YES' Behavioral Health Care for Children and Youth is a comprehensive program for ages 6-22 and their families. Through intervention, stabilization, support, and empowerment children/youth/families receive the necessary skills to improve their social-emotional wellbeing and self-regulation. Services include evidence-based mental health counseling, substance use treatment, co-occurring disorders treatment (for those with mental health/substance abuse conjointly), psychiatric services and case management.

	PROGRAM OVERVIEW								
Agency	Youth Eastside Services	Program	Early Childhood Behavioral Health	BIPOC Org	No	Amount Funded	\$40,000		
Droakam	Drogram Cummany								

Program Summary

YES' Early Childhood Behavioral Health (ECBH) program, a partner in the Healthy Start Collaborative, provides early childhood intervention aimed at restructuring the parent-child relationship to empower the parent to support the infant's/child's healthy social, emotional and cognitive development. The program provides two evidence-based interventions, Promoting First Relationships (PFR) and Parent-Child Interaction Therapy (PCIT).

Program Summary

EDUCATION AND JOB SKILLS TO LEAD AN INDEPENDENT LIFE PROGRAM OVERVIEW Center for Career **BIPOC Org Amount Funded** \$5,062 Bellevue College **Program** No Agency Connections **Program Summary** Bellevue College's Center for Career Connections (CCC) is open to the public and seeks to ensure all people are able to find fulfilling work that provides a living wage. The CCC directly addresses the needs fo the entrie community including immigrants and refugees, dislocated workers and homemakers, individuals with disabilities, public assistance recipients and other low-income populations, transitioning veterans, underemployed indivudals, youth of color, and other groups. Information & Child Care Resources **BIPOC Org Amount Funded** No \$5,000 Agency **Program** Referral/Technical **Program Summary** Through the Information and Referral program, Child Care Resources assists families in their child care search by referring them to child care providers, community resources, and education about quality child care. CCR also provides customized, culturally-relevant and inclusive Technical Assistance and Training to child care providers to strengthen their delivery of child care. **PROGRAM OVERVIEW** Agency HERO House NW Program Supported Employment **BIPOC Org** No **Amount Funded** \$11,000 Program Summary HERO House NW is a place where people with serious mental illness, who are known as "members," participate in their own recovery process by working and socializing together in a safe, welcoming environment. The Employment Program is just one of many programs offered at HERO House and follows a strict fidelity scale to provide evidence-based employment supports to quide members through their employment journey from pre-vocational skill building, employment placement and retention. **PROGRAM OVERVIEW** Adult Education **BIPOC Org Amount Funded** Agency Hopelink **Program** No \$14,229 **Program Summary** Hopelink Adult Education provides basic skills training to residents of north and east King County— those 16 years and older in the GED/High School 21+ classes and 18 years and older in English for Work, the work-focused English language classes. Classes focus on improving students' reading, writing, math, communication, technology, and soft skills, so that students can successfully transition to post secondary education and/or living wage employment. **PROGRAM OVERVIEW BIPOC Org** Agency Hopelink **Program** Employment Program No **Amount Funded** \$10,200 Program Summary Hopelink's Employment Program (HEP) serves job seekers in north and east King County at or below 200% of the Federal Poverty Level including homeless and very low-income clients who have a multitude of issues that hinder their ability to seek, secure, and maintain living wage employment for themselves and their families. Support services include career assessment, job search, resume and cover letter writing, job applications, interview preparation, job skills workshops, and job retention. **PROGRAM OVERVIEW** Integrated Employment **BIPOC Org IKRON of Great Seattle Program** No **Amount Funded** \$19,575 Agency Services

IIKRON's Integrated Employment Program combines employment readiness activities (career assessments, interview preparation, resume and cover letter writing), job placement and job maintenance activities, with other supports and behavioral health services. Integrating all services under one roof with a wraparound concept to care, facilitates increased quality of care and improved outcomes. The ultimate goal of its services is successful integration in the community through employment.

Refugee and Immigrant Services (RIS) works with approximately 1,000 refugees and immigrants annually, and provides a powerful and comprehensive array of essential services to the refugee and immigrant communities, including refugee resettlement, information and referrals, social services, language support, pre-employment services and training, job placement and retention, career advancement, English classes, immigration services and naturalization preparation.

	PROGRAM OVERVIEW									
Agency	Kindering Center	Program	Early Care and Education Consultation	BIPOC Org	No	Amount Funded	\$20,000			
Program	Program Summary									

Kindering's Early Care and Education Consultation (ECEC) program focuses on early identification of developmental disabilities/delays and behavioral challenges by providing consultation and training to child care programs throughout King County. Our program directly benefits the hundreds of young children in King County who are in the regular care of these providers during crucial years of early development.

	PROGRAM OVERVIEW									
Agency	PROVAIL	Program	School-to-Work Program	BIPOC Org	No	Amount Funded	\$15,000			
Drogram	Program Summany									

Program Summary

PROVAIL is requesting funding to provide job coaching for youth with disabilities. Funds from each city will directly fund Employment Service hours to individuals with disabilities who live, and often go on to work, in that specific city. Our Transition Program ensures that youth with disabilities are connected to right-fit jobs that enable them to be more economically self-sufficient while meeting the needs of local employers in the community and contributing to inclusive work environments.

	PROGRAM OVERVIEW									
Agency	YWCA of Seattle-King- Snohomish	Program	Eastside Employment Services	BIPOC Org	No	Amount Funded	\$13,260			
Program Summary										

The YWCA's Eastside Employment Services (EES) matches Bellevue & Kirkland funds with DSHS Basic Food, Employment & Training (BFET) funds to provide culturally-specific programs focusing on economic independence and advancement. While inclusive of all, EES centers on Black/Afican-American communities and those who are structurally positioned furthest from opportunity, offering: career navigation, soft skills, vocational training, financial capability, and job placement/job retention services.

Council Meeting: 06/15/2021 Agenda: Approval of Minutes Item #: 8. a. (1)

CALL TO ORDER

Mayor Penny Sweet called the special meeting to order at 5:00 p.m.

2. ROLL CALL

Members Present: Deputy Mayor Jay Arnold, Councilmember Neal Black,

Councilmember Kelli Curtis, Councilmember Amy Falcone, Councilmember Toby Nixon, Councilmember Jon Pascal (late

arrival), and Mayor Penny Sweet.

Members Absent: None

3. TOURISM DEVELOPMENT COMMITTEE INTERVIEW

a. Skye Branson

4. SALARY COMMISSION INTERVIEWS

- a. Paul Baer
- b. Karen Champagne

DESIGN REVIEW BOARD INTERVIEWS

- a. Carlos Castaneda
- b. Lisa Cranston
- c. Prashant Karbhari
- d. Amy Tarce

6. PLANNING COMMISSION INTERVIEWS

- a. Katya Allen
- b. John Tymczyszyn
- c. Curt Chambers
- d. Julia Nolan
- e. Brad Weed

7. PARK BOARD INTERVIEWS

- a. Alison Cunningham
- b. Mike Holland
- c. Alethea Bielik
- d. Tessa Hansen
- e. Crystal Thimsen

8. TRANSPORTATION COMMISSION INTERVIEWS

- a. Logan Cacan
- b. Jonathan Harris
- c. Rafael de Jesus Fernandez Moctezuma
- d. AJ Antrim
- e. Michelle Quinton
- 9. SELECTION AND APPOINTMENT OF TOURISM DEVELOPMENT COMMITTEE, SALARY COMMISSION, DESIGN REVIEW BOARD, PLANNING COMMISSION, PARK BOARD, AND TRANSPORTATION COMMISSION MEMBERS

Councilmember Nixon moved to appoint Skye Branson to a one-year term ending March 31, 2022 on the Tourism Development Committee, Councilmember Curtis seconded the motion, which passed unanimously, with Councilmember Pascal abstaining as he had not been present for the interviews.

Councilmember Curtis moved to appoint Karen Champagne to a three-year term ending March 31, 2024 on the Salary Commission, and to select Paul Baer as an alternate appointee should an additional vacancy arise on the Commission prior to the commencement of the 2022 annual recruitment. Councilmember Falcone seconded the motion, which passed unanimously, with Councilmember Pascal abstaining as he had not been present for the interviews.

Councilmember Falcone moved to reappoint Carlos Castaneda and appoint Amy Tarce to four-year terms ending March 31, 2025 on the Design Review Board, and to select Prashant Karbhari as an alternate appointee should an additional vacancy arise on the Board prior to the commencement of the 2022 annual recruitment. Councilmember Curtis seconded the motion, which passed unanimously, with Councilmember Pascal abstaining as he had not been present for the interviews.

Councilmember Nixon moved to reappoint Katya Allen and John Tymczyszyn to fouryear terms ending March 31, 2025 on the Planning Commission, and to select Julia Nolan as an alternate appointee should an additional vacancy arise on the Commission prior to the commencement of the 2022 annual recruitment. Councilmember Black seconded the motion, which passed unanimously.

Councilmember Curtis moved to reappoint Mike Holland and appoint Crystal Thimsen to four-year terms ending March 31, 2025, to appoint Tessa Hansen to the remainder of an unexpired term ending March 31, 2024, and to appoint Alison Cunningham to a two-year term ending March 31, 2023 as the youth member on the Park Board, and to select Alethea Bielik as an alternate appointee should an additional vacancy arise on the Board prior to the commencement of the 2022 annual recruitment. Councilmember Falcone seconded the motion, which passed unanimously.

Councilmember Pascal moved to appoint Rafael de Jesus Fernandez Moctezuma and AJ Antrim (Jinae Powell) to four-year terms ending March 31, 2025 on the Transportation Commission, and to select (Mary) Michelle Quinton as an alternate appointee should an additional vacancy arise on the Commission prior to the commencement of the 2022 annual recruitment. Councilmember Falcone seconded the motion, which passed unanimously.

10.	ADJOURNMENT	
	The Kirkland City Council special meeting	of May 24, 2021 was adjourned at 9:52 p.m.
Kathi <i>i</i>	Anderson, City Clerk	Penny Sweet, Mayor

Council Meeting: 06/15/2021 Agenda: Approval of Minutes Item #: 8. a. (2)

CALL TO ORDER

Mayor Penny Sweet called the special meeting to order at 7:00 p.m.

2. ROLL CALL

Members Present: Deputy Mayor Jay Arnold, Councilmember Neal Black,

Councilmember Kelli Curtis, Councilmember Amy Falcone,

Councilmember Toby Nixon, Councilmember Jon Pascal, and Mayor

Penny Sweet.

Members Absent: None.

3. NE 85TH STREET STATION AREA PLAN PROJECT OVERVIEW

Following an introduction and remarks from Mayor Sweet, Deputy Mayor Arnold addressed the audience. Mayor Sweet then provided an overview of the meeting format and structure and introduced Senior Planner Allison Zike, who shared question prompts for possible topics for community comment. Following an online topic poll, the subject areas of Community Character and Neighborhoods, and Growth, Land Use and Zoning were selected and comments on those topics were solicited. As time allowed, additional topic commentary was also provided.

4. ITEMS FROM THE AUDIENCE

Comments were provided by Ken MacKenzie, Sharon Cox, Bill Blanchard Brian Granowitz, Michael Van Bemmel, Anna Aubry, Liz Hunt, Dana Nunnelly, Liz Van Bemmel, AJ Antrim, Curtis Brown, Kristin Dixon, Colleen Clement, Sarah Richards, Mark Vossler, Don Winters, Ron Snell, Peter Lemme, Bea Nahon, Robert Iracheta, and Roshan Parikh.

5. ADJOURNMENT

The Kirkland Cit	y Council	special r	neeting/	retreat of	May 2	26, 2021	was adjourned	l at 8:28
p.m.								

Kathi Anderson, City Clerk	Penny Sweet, Mayor

Council Meeting: 06/15/2021 Agenda: Approval of Minutes Item #: 8. a. (3)

CALL TO ORDER

Mayor Penny Sweet called the special meeting to order at 5:00 p.m.

2. ROLL CALL

Members Present: Deputy Mayor Jay Arnold, Councilmember Neal Black,

Councilmember Kelli Curtis, Councilmember Amy Falcone,

Councilmember Toby Nixon, Councilmember Jon Pascal, and Mayor

Penny Sweet.

Members Absent: None.

3. LIBRARY BOARD INTERVIEWS

a. Morgan Lee

- b. Myrna Bravo
- c. Hannah Goodmansen
- d. Julia Nolan
- e. Anne Rudden
- f. Cindy Wilson

4. HUMAN SERVICES COMMISSION INTERVIEWS

- a. Laney Brackett
- b. Jory Hamilton
- c. Jonathan Stutz
- d. Juan Antonio Avila
- e. Pallavi Bhandarkar
- f. Alayna Brand
- g. Gabriela Lopez Vasquez
- h. Emma Mercer
- i. Margit Moore
- j. Sanaz Saadat

5. CULTURAL ARTS COMMISSION INTERVIEWS

- a. Meredith Triplett

- f. Michele Kelly
- g. Chris Lye
- h. Michael Potter

- i. Donielle Stevens
- j. Prashant Walia

6. SELECTION AND APPOINTMENT OF LIBRARY BOARD, HUMAN SERVICES COMMISSION, AND CULTURAL ARTS COMMISSION MEMBERS

Councilmember Nixon moved to clarify the length of time all alternates selected during the interviews on May 24 and May 27, 2021 would be eligible for appointment should a vacancy arise on the designated board or commission would be until the commencement of the 2022 annual board and commission recruitment. Councilmember Falcone seconded the motion, which passed unanimously.

Councilmember Black moved to appoint Julia Nolan to a four-year term ending March 31, 2025 and to appoint Hannah Goodmansen to the remainder of an unexpired term ending March 31 2023 on the Library Board, and to select Cindy Wilson as an alternate appointee should an additional vacancy arise on the Board prior to the commencement of the 2022 annual recruitment. Councilmember Curtis seconded the motion, which passed unanimously.

Councilmember Nixon moved to waive the interview requirement for the youth applicant on the Human Services Commission, Councilmember Pascal seconded the motion, which passed unanimously.

Councilmember Nixon moved to reappoint Jory Hamilton and Jonathan Stutz, and appoint Gabriela Lopez Vazquez and (Juan) Antonio Avila to four-year terms ending March 31, 2025, and to appoint Laney Brackett to a two-year term ending March 31, 2023 as the youth member on the Human Services Commission, and to select Sanaz Saadat as an alternate appointee should an additional vacancy arise on the Commission prior to the commencement of the 2022 annual recruitment. Councilmember Falcone seconded the motion, which passed unanimously.

Councilmember Pascal moved to appoint Rafael de Jesus Fernandez Moctezuma and AJ Antrim (Jinae Powell) to four-year terms ending March 31, 2025 on the Transportation Commission, and to select (Mary) Michelle Quinton as an alternate appointee should an additional vacancy arise on the Commission prior to the commencement of the 2022 annual recruitment. Councilmember Falcone seconded the motion, which passed unanimously.

		IRI		

The Kirkland City Council special	meeting of May 27, 2021 was adjourned at 9:35 p.m.
Kathi Anderson, City Clerk	Penny Sweet, Mayor

Council Meeting: 06/15/2021 Agenda: Approval of Minutes Item #: 8. a. (4)

CALL TO ORDER

Mayor Penny Sweet called the special meeting to order at 12:00 p.m.

2. ROLL CALL

Members Present: Deputy Mayor Jay Arnold, Councilmember Neal Black,

Councilmember Kelli Curtis, Councilmember Amy Falcone,

Councilmember Toby Nixon, Councilmember Jon Pascal, and Mayor

Penny Sweet.

Members Absent: None.

AGENDA OVERVIEW

City Manager Kurt Triplett reviewed the planned topics, schedule and introduced Financial Planning Manager George Dugdale as the first presenter.

4. FINANCIAL UPDATE

Director of Finance and Administration Michael Olson, Financial Planning Manager George Dugdale, Financial Planning Supervisor Robby Perkins-High and Deputy City Manager Tracey Dunlap provided an update on year-end 2020 financial results, year-to-date 2021 financial performance, the 2021-2026 financial forecast, an update to the federal American Recovery Plan Act (ARPA), and suggested strategies. These staff, together with City Manager Kurt Triplett, also responded to Council questions, and received guidance on the budget action items to be brought to the June 15, 2021 regular meeting for Council consideration and action.

NEIGHBORHOOD AND PARK SIGNAGE

Senior Neighborhood Services Coordinator David Wolbrecht and Parks and Community Services Director Lynn Zwaagstra reviewed options and received Council feedback to return to a future meeting with citywide plans for implementing neighborhood and parks signage.

6. GOOD OF THE ORDER

Councilmembers discussed issues related to the retreat topics.

7.	ADJOURNMENT					
	The Kirkland City Council special me 3:08 p.m.	eting/retreat of May 28, 2021 was adjourned at				
Kathi .	Anderson, City Clerk					

Council Meeting: 06/15/2021 Agenda: Approval of Minutes Item #: 8. a. (5)

CALL TO ORDER

Deputy Mayor Arnold called the study session to order at 5:30 p.m.; Mayor Sweet joined the meeting a few minutes late due to technical difficulties. Mayor Sweet called the regular meeting to order at 7:30 p.m.

2. ROLL CALL

ROLL CALL:

Members Present: Mayor Penny Sweet, Deputy Mayor Jay Arnold, Councilmember Neal

Black, Councilmember Kelli Curtis, Councilmember Amy Falcone,

Councilmember Jon Pascal, and Councilmember Toby Nixon.

Members Absent: None.

STUDY SESSION

a. Public Development Authorities and New Tools to Create Workforce Housing in Kirkland

Planning and Building Director Adam Weinstein, Microsoft Philanthropies Senior Director Jane Broom, Microsoft Treasury Director Joel Combs, Microsoft Senior Community Affairs Manager Jim Stanton. Heartland Principal and Investment Director Deva Hasson, Heartland Project Manager Evan Schneider, Community Roots Housing CEO Chris Persons, Community Roots Housing Vice President of Real Estate Development Jeremy Wilkening and Pacifica Law Group Partner Faith Pettis briefed the Council on Public Development Authorities (PDA), including the function and intended projects of the Community Roots Housing PDA and received guidance on potentially inviting the Community Roots Housing PDA into Kirkland to create workforce housing.

b. Park Board and Human Services Commission Work Plans

Deputy Director John Lloyd and Human Services Supervisor Leslie Miller presented an overview of the Park Board and Human Services Commission work plans and received Council feedback.

4. HONORS AND PROCLAMATIONS

a. Pride Month Proclamation

Mayor Sweet asked Councilmember Curtis to read the proclamation which was accepted by Eastside Pride PNW Virtual Events Lead Diana Zhang.

b. National Gun Violence Awareness Day Proclamation

Mayor Sweet asked Councilmember Black to read the proclamation and Police Chief Cherie Harris shared some remarks.

COMMUNICATIONS

- a. Announcements
- b. Items from the Audience

Curtis Brown MJ Carlson Johanna Palmer Tram Tran-Larson Dan Wachtler

- c. Petitions
- 6. PUBLIC HEARINGS

None.

7. SPECIAL PRESENTATIONS

a. 2021 Eileen Trentman Memorial Scholarship Recipients

Program Coordinator Regi Schubiger and Special Projects Coordinator Patrick Tefft awarded the 2021 scholarships to Nelly Mex Canul and Asher Devine and shared remarks from Kirkland Firefighter Megan Keyes representing the Kirkland Firefighters Benevolent Association.

b. 2021-22 Kirkland Youth Council Annual Review Presentation

The Council received a presentation from representatives of the Kirkland Youth Council highlighting their accomplishments during the 2020-21 school year.

- c. COVID-19 Update
- d. Resolution R-5434 Update
 - (1) Use of Force Policy Discussion

Police Chief Cherie Harris provided an update on the Police Department's preliminary review of use of force incidents that occurred in the first quarter of 2021 and the development of a public facing use of force dashboard.

8. CONSENT CALENDAR

- a. Approval of Minutes
 - (1) May 18, 2021
- b. Audit of Accounts

- g. Approval of Agreements
- h. Other Items of Business
 - (1) Review and Reappointment of Tourism Development Committee Members

The current membership of the Tourism Development Committee, Jac Cooper, Lori Goldfarb, Jeff Lockhart, and Phil Megenhardt, was reappointed via approval of the consent calendar.

(2) April 2021 Sales Tax Report

The report was acknowledged via approval of the consent calendar.

(3) Procurement Report

The report was acknowledged via approval of the consent calendar.

Motion to Approve the consent calendar.

Moved by Councilmember Neal Black, seconded by Councilmember Kelli Curtis Vote: Motion carried 7-0

Yes: Mayor Penny Sweet, Deputy Mayor Jay Arnold, Councilmember Neal Black, Councilmember Kelli Curtis, Councilmember Amy Falcone, Councilmember Jon Pascal, and Councilmember Toby Nixon.

BUSINESS

a. Art Donation for Juanita Beach Park

Deputy Director John Lloyd provided an overview of the artwork donation and resolution.

(1) Resolution R-5479, Accepting the Donation of the Artwork Entitled "The Glassinator" From Kirkland Resident Karen Lightfeldt to be Placed at Juanita Beach Park.

Motion to Approve Resolution R-5479, entitled "A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF KIRKLAND ACCEPTING THE DONATION OF ARTWORK ENTITLED "THE GLASSINATOR" FROM KIRKLAND RESIDENT KAREN LIGHTFELDT TO BE PLACED AT JUANITA BEACH PARK."

Moved by Councilmember Kelli Curtis, seconded by Councilmember Jon Pascal

Vote: Motion carried 7-0

Yes: Mayor Penny Sweet, Deputy Mayor Jay Arnold, Councilmember Neal Black, Councilmember Kelli Curtis, Councilmember Amy Falcone, Councilmember Jon Pascal, and Councilmember Toby Nixon.

b. Park Impact Fee Policy Discussion

Deputy City Manager of Operations Tracey Dunlap provided an overview of the Park Impact Fee study and received Council direction.

Council recessed for a short break

c. Potential Relocation of Snyder-Moody House

Planning and Building Director Adam Weinstein and Facilities Services Manager Chris Dodd provided an overview of the potential relocation of the Snyder-Moody house to a City-owned property and received Council direction. d. 132nd Square Park Development Project – Award Contract

Senior Capital Projects Coordinator Brian Baker and Park Planning and Development Manager Mary Gardocki provided an update on the 132nd Square Park Development project.

Motion to Approve the award of a construction contract for the 132nd Square Park Development Project to Allied Construction Associates of Everett in the amount of \$8,219,069.85, including the base and two scope additions and to include two new picnic shelters, four dugout covers, a concrete plaza and concrete paths.

Moved by Councilmember Toby Nixon, seconded by Councilmember Amy Falcone Vote: Motion carried 7-0

Yes: Mayor Penny Sweet, Deputy Mayor Jay Arnold, Councilmember Neal Black, Councilmember Kelli Curtis, Councilmember Amy Falcone, Councilmember Jon Pascal, and Councilmember Toby Nixon.

e. Totem Lake Boulevard/120th Avenue NE Preservation – Budget Adjustment

Capital Projects Manager Rod Steitzer provided an update about the Totem Lake Boulevard/120th Avenue NE Preservation Project.

Motion to Approve a budget increase of \$525,0005 for a new total contract amount of \$1,080,005 for the Totem Lake Boulevard/120th Avenue NE Preservation Project, with such additional funds to come from the Street Preservation Program, STC-006.

Moved by Councilmember Jon Pascal, seconded by Councilmember Toby Nixon Vote: Motion carried 7-0

Yes: Mayor Penny Sweet, Deputy Mayor Jay Arnold, Councilmember Neal Black, Councilmember Kelli Curtis, Councilmember Amy Falcone, Councilmember Jon Pascal, and Councilmember Toby Nixon.

10. REPORTS

a. City Council Regional and Committee Reports

Councilmembers shared information regarding the upcoming King County-Cities Climate Collaboration Elected Officials Workshop; the upcoming Eastside Human Services Forum Executive Director recruitment; and a meeting with the Lake Washington School District School Board.

- b. City Manager Reports
 - (1) Legislative Request Memoranda
 - (a) All-Terrain Vehicles on City Streets

(b) School Resource Officer Outreach Process

Motion to Move forward with Option 2 - Original Civic Engagement Process to inform Council before school convenes in Fall 2022 while looking for ways to accelerate the process, including a joint meeting with the Lake Washington School Board and City Councils within the Lake Washington School District's jurisdiction.

Moved by Deputy Mayor Jay Arnold, seconded by Councilmember Jon Pascal

Vote: Motion carried 5-2

Yes: Mayor Penny Sweet, Deputy Mayor Jay Arnold, Councilmember Neal Black, Councilmember Jon Pascal, and Councilmember Toby Nixon.

No: Councilmember Kelli Curtis, and Councilmember Amy Falcone.

Motion to Amend the previous motion to conclude the engagement process so the Council can make a decision by January 2022.

Moved by Councilmember Amy Falcone, seconded by Councilmember Kelli Curtis

Vote: Motion failed 3 - 4

Yes: Councilmember Neal Black, Councilmember Kelli Curtis, and

Councilmember Amy Falcone.

No: Mayor Penny Sweet, Deputy Mayor Jay Arnold,

Councilmember Jon Pascal, and Councilmember Toby Nixon.

(c) Eviction Zero Campaign Concept

Motion to Move forward with Option B for short-term legislation with an option for Option C for longer-term legislation.

Moved by Councilmember Amy Falcone, seconded by Councilmember Neal Black

Vote: Motion carried 6-1

Yes: Mayor Penny Sweet, Deputy Mayor Jay Arnold, Councilmember Neal Black, Councilmember Kelli Curtis,

Councilmember Amy Falcone, and Councilmember Jon Pascal.

No: Councilmember Toby Nixon.

MEMORANDUM

To: Kurt Triplett, City Manager

From: Brian Baker, Public Works Senior Capital Project Coordinator

Rod Steitzer, P.E., Capital Projects Manager Julie Underwood, Public Works Director

Lynn Zwaagstra, Director Department of Parks & Community Services

Date: June 3, 2021

Subject: DAVID E. BRINK PARK SHORLEINE RENOVATION—AWARD CONTRACT

RECOMMENDATION:

It is recommended that the City Council awards a construction contract to Wyser Construction Company of Snohomish, Washington, in the amount of \$1,151,831.34.

By taking action on this item under the Consent Calendar, the City Council is awarding a construction contract for the subject project.

BACKGROUND DISCUSSION:

David E. Brink Park is a 6.05-acre community park located in the Moss Bay neighborhood (see Attachment A, Vicinity and Area Map). The park is used for passive recreation, access to Lake Washington, and picnics.

In 2013, staff retained Associated Earth Science to complete the "Kirkland Parks Shoreline Structures Assessment Report" for the City's docks and shorelines. That study evaluated existing park infrastructure, provided a structure assessment, and estimated remaining service life for the major waterfront park elements. The assessment found that many of the concrete bulkheads at David E. Brink Park have degraded and are failing. Additionally, as the shoreline and dock elements continue to degrade, the cost of renovation in the future becomes more expensive.

This project is the third highest priority of eight projects in the Dock and Shoreline Program in the Capital Improvement Plan (CIP). The highest priority projects, at Marina Park and Houghton Beach Park, were completed in 2018.

In 2019, the City began design work for this project. Specific project elements include removal of degraded pier piles, repair of pier substructure, and bracing. Surface elements include sidewalk replacement, water access stair removal and replacement, and replacing the north and south concrete bulkheads with soft shorelines. Because the project is within the shoreline area, staff coordinated compliance and mitigation planning processes early and received permits in March 2021.

With an engineer's estimate for construction of \$1,051,730.44, the project was first advertised for construction bids on April 14, 2021. Bids were opened on May 5, and the following six bids were received.

Table 1: Project Bid Results

Bidder	Amount				
Engineer's Estimate	<i>\$ 1,051,730.44</i>				
Wyser Construction Company	\$ 1,151,831.34				
Combined Construction Inc.	\$ 1,634,057.72				
Road Construction NW	\$ 1,655,220.53				
Stellar J Corp.	\$ 1,678,076.01				
C.A. Carey Corp.	\$ 2,187,418.21				
Green Tech Excavation	\$ 2,661,395.02				

Staff evaluated the bidder's qualifications and proposal after the bid opening and found that Wyser Construction Company was the lowest responsible bidder.

Budget

Using the aforementioned "Shoreline Structures Assessment Report," staff created a funding plan for each of the projects identified, which was adopted in the 2019-2024 CIP. At that time, the David E. Brink Park project was projected to be funded with City resources at \$1,575,000. Fortunately, the 2021 State legislature awarded the project an "Aquatic Lands Enhancement Account" grant of \$500,000 from the Washington State Recreation and Conservation Office (RCO). The ROC grant enables the City to bridge the gap between the estimated cost and the currently projected cost.

Total funding and anticipated expenses for the project are summarized in Table 2, below. The design phase of the project included significant geotechnical and risk reviews. Based on those reviews, staff have established an 11% contingency which fits within the current project funding level. However, projects in or near sensitive areas or within the shoreline area often need additional funding levels to mitigate unknown site conditions. Unexpected funding requirements could end in the 15-20% range. If there are substantial costs beyond the 11% contingency, staff would return to Council to request additional funding. Staff will be monitoring this project budget very closely.

Table 2: Project Funding and Expenses (PKC1331017)

Funding				
City Funds—David E. Brink Shoreline Renovation (CIP)	\$1,575,000			
RCO Grant	\$500,000			
Total Project Funding	\$2,075,000			
Expenses				
Design/Permitting/Staff	(\$585,615)			
Inspection/Design Construction Support	(\$213,858)			
Construction	(\$1,151,832)			
Total Anticipated Expenses	(\$1,951,305)			
Contingency (11%)	(\$123,695)			
Balance If All Contingency Required	-0-			

The costs for design/permitting/staff relates to the substantial permitting involved with this project, including developing necessary mitigation plans for construction, reporting, and coordination with external agencies (e.g., Tribes, CORPS, Ecology, etc.) as part of the shoreline processes. For example, the permitting process took approximately two years and there was a significant effort to examine soil conditions and slope stability. Additionally, the project includes robust inspection resources to ensure mitigation requirements are met.

Staff recommends awarding the construction contract to Wyser Construction Company. If awarded, staff anticipates construction to start in July 2021. Because Lake Washington Boulevard is an arterial roadway, as well as a popular route for non-motorized users, staff has added contract provisions to maintain street and sidewalk facility uses during construction. The contractor will install construction fencing on along the west (lake) side of the existing sidewalk; the contractor's equipment and material storage will be west of the fencing. The contractor will be keeping sidewalks and the roadway open to the public and will utilize flaggers to temporarily stop pedestrians, bicycles, and cars when accessing the job site. The project may be substantially complete by spring 2022.

Staff will continue to provide community outreach by notifying adjacent property owners with an informational mailer describing the upcoming project and timeline. This information, together with a regularly updated construction schedule, also will be posted on the City's website.

MEMORANDUM

To: Kurt Triplett, City Manager

From: George Minassian, P.E., Capital Projects Supervisor

Rod Steitzer, P.E., Capital Projects Manager Julie Underwood, Director of Public Works

Date: June 3, 2021

Subject: ANNUAL STREET PRESERVATION PROGRAM—2021 OVERLAY—AWARD

CONTRACT

RECOMMENDATION:

It is recommended that the City Council awards a construction contract for the Annual Street Preservation Program (SPP), 2021 Phase I Street Overlay Project, to Watson Asphalt of Redmond, Washington, in the amount of \$1,164,697.70.

By taking action on this item under the Consent Calendar, the City Council is awarding a construction contract for the subject project.

BACKGROUND DISCUSSION:

The City uses a Pavement Management System (PMS) to manage and prioritize preservation treatments throughout the City's street network and parking lots. The PMS considers all City streets in terms of existing pavement conditions (Pavement Condition Index, or PCI), prior maintenance history, the City's annual budget for street preservation, and other factors to determine the most cost-effective treatment. Once selected for treatment, candidate streets then are reviewed for potential conflicts with other construction projects (e.g., other CIP projects, private development, Washington State Department of Transportation projects, and private utility work). High priority street segments that do not have construction conflicts are added to the current year's program list. For the 2021 Street Overlay Project, the highest-ranking streets will receive subgrade preparation and repair, pavement milling, and the application of a new wearing surface layer of asphalt.

This year, the Annual Street Preservation Program consists of two phases: the 2021 Street Overlay Project (this item) is Phase I. The Phase II component is the 2021 Slurry Seal Project (a separate agenda item). The awards for both Phase I and Phase II are recommended for approval at the June 15 Council meeting.

For the past few years, there has been a third phase for constructing concrete curbing, ADA ramps, and sidewalk repairs in the planned overlay work zones. But this year the concrete work needed for 2021 was included in the scope for Phase I.

This year's Phase I project includes three streets: 124th Avenue NE from NE 108th Place to NE 115th Street (an arterial street), 112th Avenue NE from NE 87th Street to NE 97th Street (a collector), and 125th Avenue NE from NE 132nd Street to the cul-de-sac at the end of the street to the north (a residential street). 125th Avenue NE is the first residential roadway section to be resurfaced as part of the street preservation program to implement the Council's direction to start a pilot paving program for residential streets. Staff will review the results of the 125th Avenue NE project to inform future residential street initiatives. In preparation for resurfacing this street section, the CIP design team coordinated with City crews to install a new curb bulb to preserve a significant tree along 125th Avenue NE. This year's Phase I was bid with four schedules: three for the road segments identified above for a total of 3.2 lane miles; and a fourth schedule for items common to the other three schedules such as traffic control, erosion control, and other shared items (see Attachment A, Vicinity and Area Map).

With an engineer's estimate of \$1,434,523.50 for construction of all schedules, the Project was first advertised on May 7, 2021. Five bids were received on May 21, 2021, with Watson Asphalt Paving Co., Inc., being the lowest responsible bidder. The bid results were as follows:

Table 1: 2021 Street Overlay Bid Results

I UDIC II LULL DUICCE OTC	ridy Dia Results
Contractor	Total Bid
Watson Asphalt	\$1,164,697.70
Cadman Materials, Inc.	\$1,180,588.12
Lakeside Industries	\$1,334,635.45
JB Asphalt	\$1,379,960.30
Central Asphalt	\$1,435,729.58
Engineer's Estimate	\$1,437,523.50

Staff checked references for Watson Asphalt and they came out very satisfactory. Based on recent bids received by the City and neighboring agencies, market prices for public works projects have been high. Because the SPP 2021 Street Overlay Project is mostly paving work, staff developed the contract documents with an asphalt cost pricing adjustment bid item. The adjustment factor lowered bidder pricing risk, which removed uncertainty in future asphalt pricing, and resulted in all bidders submitting a price lower than the engineer's estimate.

Funding

The 2021 Street Preservation Project has a base budget of \$950,000 plus a Street Levy contribution of \$1,683,000, for a total CIP Budget of \$2,633,000. The 2021 SPP budget and anticipated expenses are shown in Table 2 below:

Table 2: 2021 Street Preservation (Overlay) Funding and Expenses

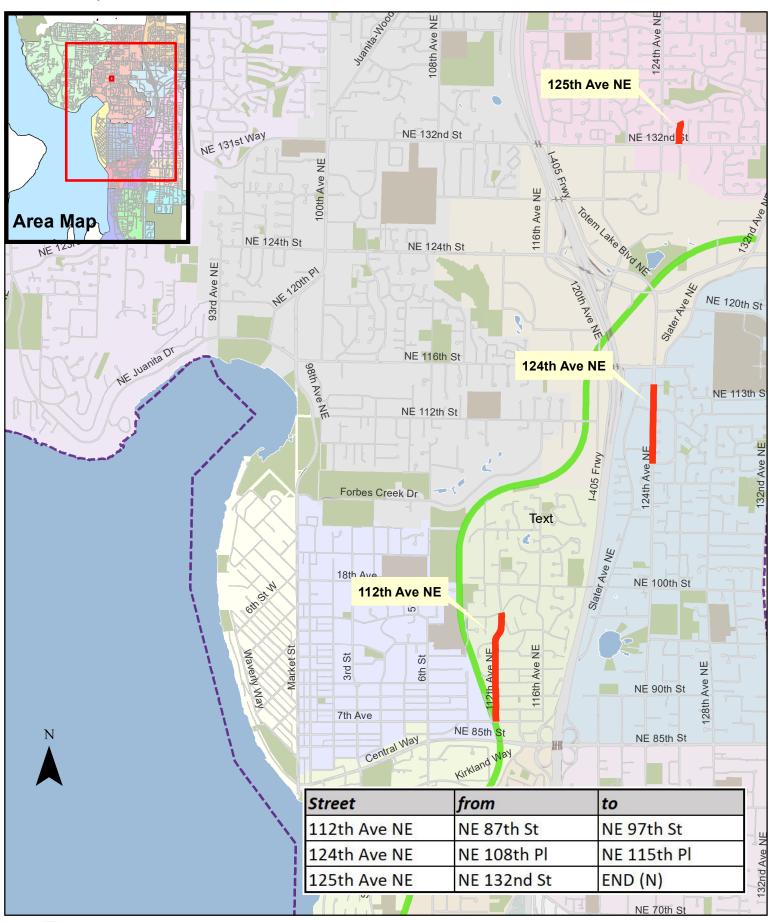

Table 2: 2021 Street Feservation (Overlay) Funding and Expenses					
Items	Funding				
2021 Adopted CIP (2021-2026)	\$950,000				
2021 Street Preservation Prop 1 Levy	\$1,683,000				
Total Project Funding	\$2,633,000				
	Estimated Expenses				
Design/CM/In-House/Testing	(\$675,000)				
2021 Street Overlay Project (this agenda item)	(\$1,169,000)				
2021 Slurry Seal Project (separate agenda item)	(\$335,335)				
Total Anticipated Expenses	(\$2,179,335)				
Contingency for both overlay and slurry seal (17%)	(\$453,665)				
Balance If All Contingency Required	-0-				

Based on the bids received and the budget available, staff recommends awarding the project to Watson Asphalt.

Were the Council to approve the of award of this construction contract at its June 15 meeting, staff will begin the pre-construction public outreach process by notifying adjacent property owners with an informational mailer describing the Annual Street Preservation Program. This information, along with a regularly updated construction schedule, will also be posted on the City's website. Construction notice signs will be installed on higher volume streets in advance of the overlay. Door hangers describing the work will also be distributed to all adjacent homes and businesses at least 24 hours prior to construction. The overlay is scheduled to begin in mid-July.

Attachment A: Vicinity and Area Map

E-Page 136 Attachment A

MEMORANDUM

To: Kurt Triplett, City Manager

From: George Minassian, P.E., Capital Projects Supervisor

Rod Steitzer, P.E., Capital Projects Manager Julie Underwood, Director of Public Works

Date: June 3, 2021

Subject: ANNUAL STREET PRESERVATION PROGRAM—2021 SLURRY SEAL—AWARD

CONTRACT

RECOMMENDATION:

It is recommended that the City Council awards a construction contract for the Annual Street Preservation Program (SPP)—2021 Slurry Seal project, to Intermountain Slurry Seal, Inc., of Reno, Nevada, in the amount of \$335,335.00.

By taking action on this staff report during approval of the consent calendar, the City Council is authorizing the award of a construction contract for the 2021 Slurry Seal Project.

BACKGROUND DISCUSSION:

The City uses a Pavement Management System to manage and prioritize pavement preservation treatments throughout the City's street network and parking lots. The Pavement Management System considers all City streets in terms of existing pavement conditions index (PCI), prior maintenance histories, the City's annual budget for street preservation, and other factors to determine the most cost-effective preservation treatment and maintain a high-quality pavement surfaces. Once selected for treatment, candidate streets then are reviewed for potential conflicts with other construction projects (i.e., other CIP projects, private development, WSDOT, and PSE, etc.) and typically are clustered into manageable areas before making it onto the current year's program list (see Attachment A, Vicinity and Area Map).

This year, the SPP consists of two phases. Phase I is the 2021 Street Overlay Project (a separate agenda item) and Phase II is the 2021 Slurry Seal Project (this agenda item). As an effective preventative maintenance tool for the City's overall Street Preservation Program, slurry seal is a thin layer of liquid asphalt that has been mixed with a fine aggregate (i.e., sand) to create a slurry that is applied to certain Kirkland streets. Typically, this slurry seal treatment is placed on low-volume residential streets where light to moderate surface wear is occurring. Slurry seal is a versatile and cost-effective way to extend the life of a residential street where there is no significant structural damage to the pavement section. It protects the asphalt surface from the effects of aging while improving the existing PCI.

For 2021, the highest-ranking streets were bid for a total of 12.4 lane miles, in North and South Rose Hill, Everest, Moss Bay and Central Houghton. On May 21, with an engineer's estimate of \$431,993.00 for this Phase of work, the following two bids were received:

Table 1: 2021 Slurry Seal Bid Results

Contractor	Total of All Schedules	
Intermountain Slurry Seal	\$335,335.00	
VSS International	\$357,325.00	
Engineer's Estimate	\$431,993.00	

The low bid is \$2.30 per square yard (SY) while the average cost of all bids received is \$2.40/SY. By comparison, the average unit prices for all bids received in 2019 resulted in a cost of \$3.22/SY. Based on recent bids received by Kirkland and neighboring agencies, market prices for public works projects have been high. However, the out-of-state low bid contractor has adjusted its pricing based on its volume of work in the Puget Sound region. This potential project cost savings is due to Kirkland's project schedule aligning favorably with an opening between the contractor's other awarded work in the Puget Sound area (i.e., the City is able to capitalize on the contractor's desire to ensure his team had work lined up without gaps or downtime). As a result of the competitive bid price received, there is sufficient budget to award the contract and establish a better than average contingency.

Phase I overlay construction is scheduled to begin in mid-July. As is common for the Phase II slurry seal work, construction is performed in the warmer and drier months of late July and August.

Funding

The 2021 Street Preservation Project has a base budget of \$950,000 plus a Street Levy contribution of \$1,683,000, for a total CIP budget of \$2,633,000. The 2021 SPP budget and anticipated expenses are shown in Table 2 below:

Table 2: 2021 Street Preservation (Slurry Seal) Funding and Expenses

Items	Funding	
2021 Adopted CIP (2021-2026)	\$950,000	
2021 Street Preservation Prop 1 Levy	\$1,683,000	
Total Project Funding	\$2,633,000	
	Estimated Expenses	
Design/CM/In-House/Testing	(\$675,000)	
2021 Street Overlay Project (separate agenda item)	(\$1,169,000)	
2021 Slurry Seal Project (this agenda item)	(\$335,335)	
Total Anticipated Expenses	(\$2,179,335)	
Contingency for both slurry seal and overlay (17%)	(\$453,665)	
Balance If All Contingency Required	-0-	

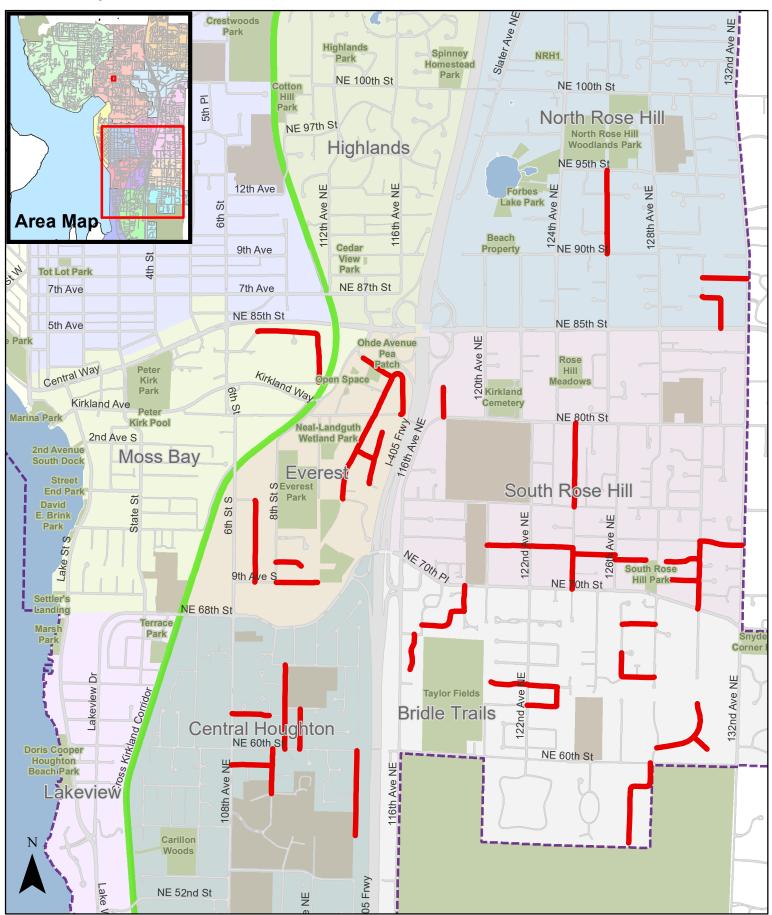

Staff will continue efforts on public outreach activities related to both phases of the 2021 SPP. For slurry seal work, public outreach was enhanced significantly as a result of the slurry seal focus group activities conducted in November 2013. As begun in 2014 and continuing into this year, Public Works staff is providing a series of Project Updates—as well as the eight-page slurry seal primer—to property owners living along the planned slurry seal routes (see Attachment B, draft "Project Update," August 2021). These documents describe the City's Street Preservation Program together with important facts on the slurry seal treatment. The information in these documents, as well as regular schedule updates will also be incorporated into the CIP Project information on the City's website. In addition, door hanger notices will be distributed to all adjacent homes and businesses at least 24 hours prior to application.

As mentioned above, slurry seal is extremely weather and temperature dependent. Were the Council to award this contract at its June 15 meeting, the work will start near the beginning of August and be substantially complete by mid-September. In advance of the contractor's work, City street crews will be sealing cracks and repairing damaged sections of pavement to prepare the streets for the slurry seal application.

CARING FOR YOUR INFRASTRUCTURE TO KEEP KIRKLAND HEALTHY, SAFE AND VIBRANT

City to add life to local streets with slurry seal

Process requires full closures of selected neighborhood streets

WHAT: A City of Kirkland contractor plans in XXXXXX to slurry seal more than two dozen residential street sections in the Bridle Trails and Rose Hill neighborhoods.

Crews will close each residential street for eight hours between 7 a.m. and 6 p.m. while they apply the thin layer of emulsified asphalt, water and fine gravel to the street and while it cures.

Slurry seal prolongs the optimum life of a street by five to eight years.

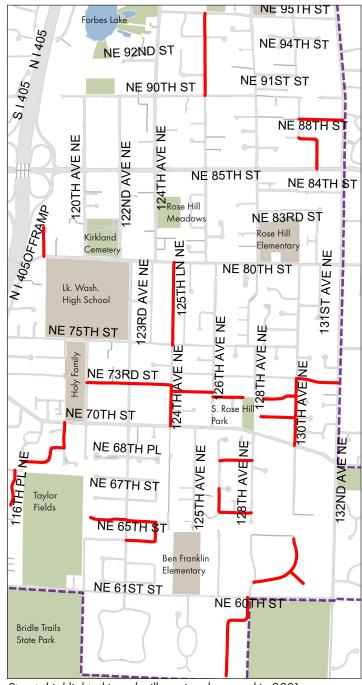

WHEN: The contractor's crews will work from 7 a.m. to 6 p.m., Monday through Friday, starting as early as xxxxxxxxxx.

WHAT TO EXPECT: Residents will receive a daily slurry seal schedule one to two weeks in advance.

- Residents may need to trim landscaping that is within the City of Kirkland's right-of-way.
- The contractor will tow—at the owner's expense—any cars that prevent its crews from applying slurry seal to the street.
- Residents must stay off slurry sealed streets—no parking, driving, walking or watering the lawn—until the road is open again.
- Streets will initially be very rough, but will smooth out over time

VISIT: www.kirklandwa.gov/slurryseal

CONTACT: Senior Project Engineer George Minassian, (425) 587-3829, gminassian@kirklandwa.gov; or Outreach Coordinator Christian Knight, cknight@kirklandwa.gov, (425) 587-3831.

Streets highlighted in red will receive slurry seal in 2021.

People with disabilities may request materials in

alternate formats. Kirkland's policy is to fully comply with Title VI of the Civil Rights Act by prohibiting discrimination against any person on the basis of race, color,

national origin or sex in the provision of benefits and services resulting from its programs and activities. Any person who believes his/her Title VI protection has been violated, may file a complaint with the City. To request an alternate format, file a complaint or for questions about Kirkland's Title VI Program, contact the Title VI Coordinator at 425.587.3831 (TTY Relay: 711) or titlevicoordinator@kirklandwa.gov.

What focus groups said about slurry seal

City staff asked residents in 2013 for their thoughts on slurry seal. Here's what they said:

I thought it would be a pain ... because of parking ... It was just inconvenient. After I saw it, though, it was worth it.

> -Diane, Bridle Trails Received slurry seal in 2012

It took several months to clean up that aggregate. Now it's smoothed out. It's been nine months. It's still rough.

> -Grant, Kingsgate Received slurry seal in 2012

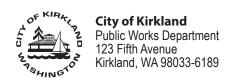

My kids bike up and down the road. It's not as comfortable now.

> -Mary Ann, Bridle Trails Received slurry seal in 2012

There was some stuff on the road and loose areas. But I thought it was fine.

—Lynda, Finn Hill

MEMORANDUM

To: Kurt Triplett, City Manager

From: Archie Ferguson, Fleet Manager

Ray Steiger, PE, Superintendent

Julie Underwood, Director of Public Works

Date: June 3, 2021

Subject: DECLARATION OF SURPLUS VEHICLES AND EQUIPMENT

RECOMMENDATION:

It is recommended that the City Council approves the declaration of surplus vehicles and equipment identified in this staff report, which will lead to their removal from the City's Equipment Rental Fund replacement schedule and to their disposal.

Approval of this item on the Consent Calendar will authorize the disposal of surplus vehicles and equipment.

BACKGROUND DISCUSSION:

The surplus of vehicles and equipment that have been replaced with new vehicles or equipment, or which no longer meet the needs of the City, is consistent with the City's Equipment Rental Fund replacement schedule policy. Under that policy, if a declaration of surplus is approved by City Council then vehicles and/or equipment are sold or disposed of in accordance with the *Kirkland Municipal Code*, Chapter 3.86, "Sale and Disposal of Surplus Personal Property." The only exception is concerning surplus Interceptors used by the Police Department. The Police Department has been given permission to retain surplus patrol units as needed to be used as Neighborhood Resource Officer vehicles.

Once a vehicle or piece of equipment is scheduled for replacement through the budget process, Fleet Management staff utilizes specific criteria to evaluate the vehicle or equipment prior to making a final recommendation for disposing of it. Among the replacement criteria considered are:

- Wear and tear on the engine, drive train, and transmission;
- Condition of the structural body and major component parts;
- The vehicle's frequency and nature of past repairs;
- Changes in the vehicle's mission as identified by the Department that it serves;
- Changes in technology;
- Vehicle right-sizing;
- The impact of future alternative fuels usage; and/or
- Specific vehicle replacement funding accrued.

The decision to recommend replacement of a vehicle requires the consensus of the Fleet Management staff and the department that it serves. Vehicles should be replaced close to the point where major repairs and expenses are anticipated to occur in order to maximize their usefulness without sacrificing resale value. Consideration of the vehicle's established accounting life (replacement cycle) is a key factor in that evaluation.

The replacement cycle of a given vehicle or piece of equipment is its years of anticipated useful life for the City. The replacement cycle enables staff to calculate a schedule and a fee to charge the home department so that the Equipment Rental Fund has sufficient resources to purchase a similar replacement if and when a replacement is needed. The replacement cycle is a guideline; the actual longevity of specific vehicles and equipment often varies somewhat from the established cycle based on the criteria listed above.

An outcome of the 2020 Fleet Rate Study was that most of our replacement cycles have been increased slightly to better reflect the actual life experienced by Kirkland's fleet. The City's updated replacement cycles are as follows:

Prior replacement cycle	Current replacement cycle	
	6 years	
4 years	5 years	
6 years	8 years	
8 years	10 years	
10 years	12 years	
12 years	14 years	
15 years	17 years	
18 years	18 years	
	4 years 4 years 6 years 8 years 10 years 12 years 15 years	

Based on the considerations and criteria reviewed in this staff report, the following vehicle and equipment are recommended for surplus:

Fleet #	Dept.	<u>Year</u>	Make & Model	<u>License</u>	<u>Hours/</u> <u>Miles</u>
F216	Fire	2008	Chevrolet Suburban 2500 4WD	48070D	83,679
F218	Fire	2009	Ford F250 EX Cab 4WD	50222D	24,140
F220	Fire	2011	Ford F250 Crew Cab 4WD	53457D	57,555
L-02	PW	2007	Case 621D Loader	45182D	6,595
PU-77	PW	2009	Ford F350 4WD Utility	49245D	61,034
PU-78	PW	2009	Ford F350 4WD Utility	49780D	99,928
PU-99	PW	2011	Ford F150 SC 2WD	67506D	58,353
PU-117	PW	2003	Ford F450 2WD Crew Utility	56514D	43,672

Unit F216 has exceeded the replacement cycle of 10 years by three years.

Unit F218 has exceeded the replacement cycle of 10 years by two years.

Unit F220 has reached the replacement cycle of 10 years.

Unit L-02 has exceeded the replacement cycle of 12 years by four years.

Unit PU-77 has exceeded the replacement cycle of 10 years by two years.

Unit PU-78 has exceeded the replacement cycle of 10 years by two years.

Unit PU-99 has reached the replacement cycle of 10 years.

Unit PU-117 has exceeded the replacement cycle of 10 years by eight years.

CITY OF KIRKLAND

Department of Finance & Administration 123 Fifth Ave, Kirkland, WA 98033 · 425.587.3100 www.kirklandwa.gov

MEMORANDUM

To: Kurt Triplett, City Manager

From: Michael Olson, Director of Finance and Administration

George Dugdale, Financial Planning Manager

Andrea Peterman, Budget Analyst

Date: June 10, 2021

Subject: Monthly Financial Dashboard Report through April 30, 2021

RECOMMENDATION:

It is recommended that the City Council receive the monthly Financial Dashboard for April 2021.

BACKGROUND DISCUSSION

The Financial Dashboard is a high-level summary of some of the City's key revenue and expenditure indicators. It provides a budget to actual comparison for year-to-date revenues and expenditures for the general fund, as well as some other key revenues and expenditures. The report also compares this year's actual revenue and expenditure performance to the prior year. It is even more important during the current COVID-19 pandemic and associated economic impacts to closely track the City's revenues and expenditures.

This report reflects the continued effects of COVID-19 and the Governor's 'Safe Start' restrictions, although the impact is not as significant as at various points in 2020. Total General Fund Revenues are 36.6 percent of budget, which is above the 33.3 percent budget threshold. Relative to 2020, General Fund Revenues are up 12.8 percent, due to Fire Prop 1 property tax revenue, as well as GEMT revenue receipted earlier in 2021 than in 2020. Total Expenditures are 31.1 percent of budget, slightly under the 33.3 percent budget threshold and down 3.6 percent relative to 2020.

The April results include Sales Tax revenues through February. Relative to 2020, Sales Tax revenue is up 7.2 percent. However, this includes a March 2020 taxpayer remittance error, which was later adjusted by the Washington Department of Revenue (DOR). Excluding the remittance error, sales tax revenue is up 10.3 percent compared to 2020. The increase is due to the following business sectors, which comprise 56 percent of total revenues: Contracting (up \$280,646 or 13.4 percent), Other Retail (up \$162,728 or 14.5 percent), General Merchandise/Miscellaneous Retail (up \$141,369 or 14.8 percent), and Wholesale (up \$59,968 or 17.0 percent). These gains are offset somewhat by losses in the following business sectors: Retail Eating/Drinking (down \$94,364 or 17.5 percent), and Communications (down \$17,147 or 9.7 percent). There is a two-month lag between when Sales Tax is generated and when it is distributed to the City, so the period in 2020 that this is compared to was not impacted by COVID-19.

Property Taxes are 38.1 percent of budget, which is above the 33.3 percent budget threshold, but in line with expectations due to the timing of property tax payments. Relative to 2020, Property Tax revenues are up 39.1 percent due to additional property tax revenues from Fire Prop 1. Development Fees are 46.1 percent of budget, above the 33.3 percent budget threshold and up 41.6 percent relative to 2020. A portion can be attributed to the issuance of backlogged

projects and two large mixed-use permits in February, as well the following projects: building permit fees of \$526,618 for Kirkland Urban's south tower, building permit fees of \$171,492 for a large mixed-use project on 85th, and plan review fees of \$75,951 for Evergreen Hospital's Family Maternity Center.

Utility Taxes are 36.3 percent of budget, which is above the budget threshold. Relative to the same period in 2020, Utility Taxes are down 1.6 percent. Telephone utility taxes are down 24.5 percent and TV Cable taxes are down 6.2 percent, reflecting an ongoing, downward trend. Public utility taxes show an overall decrease of 1.8 percent compared to 2020. The City has experienced a growth in missed payments and arrears during the past year, which has caused a decline in regular payments, as well as billing delays resulting from a ransomware attack to the City's utility printing vendor in early 2021. Financial Planning will continue to monitor Utility Tax revenues as we enter the recovery phase of the pandemic and as the City develops policies for future collection of payments in arrears due to COVID-19.

Fire Suppression Overtime is 49.7 percent of budget, above the budget threshold of 33.3 percent. A portion of this is due to two firefighters on long-term leave and three vacancies. Additionally, Kirkland firefighters continue to administer vaccinations on the Eastside and the department has established pop-up vaccination sites around the City. A budget adjustment of \$190,000 will be made in June 2021 to account for overtime expenditures related to vaccine administration as these expenditures qualify for FEMA reimbursement. Accounting for this adjustment, overtime expenditures would be 30.5 percent of budget. Relative to 2020, Fire Suppression Overtime is up 15.7 percent.

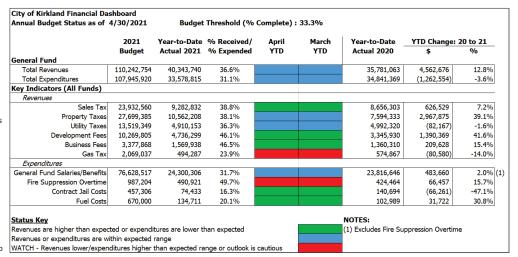

Financial Planning will continue to monitor and project these and all City revenues being affected by COVID-19 throughout 2021, providing that information where needed to inform policy decisions.

E-Page 148 Attachment 1

April 2021 Financial Dashboard June 9, 2021

Revenues (through 4/30/21):

- General Fund Revenues are 36.6 percent of budget, which is above the 33.3 percent budget threshold. Relative to 2020, General Fund Revenues are up 12.8 percent, due to Fire Prop 1 property tax revenue, as well as GEMT revenue receipted earlier in 2021 than 2020.
- Sales Tax is 38.8 percent of budget, which is above the 33.3 percent budget threshold. Relative to 2020, Sales Tax revenue is up 7.2 percent, or \$626,529. However, this includes a March 2020 \$238,456 taxpayer remittance error, which was later adjusted by the Washington Department of Revenue (DOR). Excluding the remittance error, YTD sales tax revenue is up 10.3 percent (\$864,985) compared to 2020. The increase is due to the following business sectors, which comprise 56 percent of total revenues: Contracting (up \$280,646 or 13.4 percent), Other Retail (up \$162,728 or 14.5 percent), Sen Merch/Misc Retail (up \$141,369 or 14.8 percent), and Wholesale (up \$59,968 or 17.0 percent). These gains are offset somewhat by losses in the following business sectors: Retail Eating/Drinking (down \$94,364 or 17.5 percent), and Communications (down \$17,147 or 9.7 percent). There is a two-month lag between when Sales Tax is generated and when it is distributed to the City (i.e., April receipts are for February retail activity), so the period in 2020 that this is compared to was not impacted by COVID-19.
- Property Taxes are 38.1 percent of budget, which is above the 33.3
 percent budget threshold, but in line with expectations due to the timing
 of property tax payments. Relative to 2020, Property Tax revenues are up
 39.1 percent due to additional property tax revenues from Fire Prop 1.

- **Utility Taxes** are 36.3 percent of budget, which is above the budget threshold. Relative to the same period in 2020, Utility Taxes are down 1.6 percent. Telephone utility taxes are down 24.5 percent and TV Cable taxes are down 6.2 percent, reflecting an ongoing, downward trend. Public utility taxes show an overall decrease of 1.8 percent compared to 2020, including a 6.4 percent decrease in Sewer Utility Taxes and a 4.6 percent decrease in Solid Waste Utility Taxes. These decreases are offset somewhat by a 5.9 percent increase in Surface Water Utility Taxes and a 3.4 percent increase in Water Utility taxes. The City has experienced a growth in missed payments and arrears during the past year, which has caused a decline in regular payments, as well as billing delays resulting from a ransomware attack to the City's utility printing vendor in early 2021. Financial Planning will continue to monitor Utility Tax revenues as we enter the recovery phase of the pandemic and as the City develops policies for future collection of payments in arrears due to COVID-19.
- Development Fees are 46.1 percent of budget, above the 33.3 percent budget threshold and up 41.6 percent relative to 2020. A portion can be attributed to the issuance of backlogged projects and two large mixed-use permits in February, as well the following projects: building permit fees of \$526,618 for Kirkland Urban's south tower, building permit fees of \$171,492 for a large mixed-use project on 85th, and plan review fees of \$75,951 for Evergreen Hospital's Family Materiaty Center.
- Business Fees are 46.5 percent of budget, well above the 33.3 percent budget threshold. Given local businesses are dealing with substantial burdens from COVID-19 and frequently changing restrictions, revenue from Businesse Fees is expected to continue to fluctuate over time as some businesses close and others open, and existing businesses may or may not renew on schedule. The increases may also be related to timing of payments as businesses recover and pay fees for both 2020 and 2021 in the current year.

Expenditures (through 4/30/21):

- General Fund Expenditures are 31.1 percent of budget, slightly under the 33.3 percent budget threshold and down 3.6 percent relative to 2020.
- General Fund Salaries/Benefits are 31.7 percent of budget through April, again slightly under the budget threshold.
- Fire Suppression Overtime is 49.7 percent of budget, above the budget threshold of 33.3 percent. A portion of this is due to two firefighters on long-term leave and three vacancies. Additionally, Kirkland firefighters continue to administer vaccinations on the Eastside and the department has established pop-up vaccination sites around the City. A budget adjustment of \$190,000 will be made in June 2021 to account for overtime expenditures related to vaccine administration as these expenditures qualify for FEMA reimbursement. Accounting for this adjustment, overtime expenditures would be 30.5 percent of budget. Relative to 2020, Fire Suppression Overtime is up 15.7 percent. Financial Planning will continue to monitor this throughout the year.
- Contract Jail Costs are 16.3 percent of budget through April, reflecting lower than usual use of other jails due to COVID-19 and a lag in receipts for the first four months of the year. Including expenses for the first four months receipted in our accounting system after April, costs are 28.2 percent of budget.
- Fuel Costs are 20.1 percent of budget through April, below the budget threshold and 30.8 percent higher relative to 2020. Fuel costs are trending more closely to 2018 and 2019 averages, as there was a significant drop in costs in 2020.

MEMORANDUM

To: Kurt Triplett, City Manager

From: Jay Gewin, Purchasing Agent

Date: June 3, 2021

Subject: REPORT ON PROCUREMENT ACTIVITIES FOR COUNCIL MEETING OF

June 15, 2021.

This report is provided to apprise the Council of recent and upcoming procurement activities where the cost is estimated or known to be in excess of \$50,000. The "Process" column on the table indicates the process being used to determine the award of the contract.

The City's major procurement activities initiated since the last report dated May 18, 2021 are as follows:

	Project/Purchase	Process	Estimate/Price	Status
1.	National Association of State Procurement Officials (NASPO) Microsoft operating system and database software license renewal for IT	Cooperative Purchase	\$57,553.53	Purchase order awarded to SHI International Corp of Somerset, NJ.
2.	132 nd Square Park Development Project	Invitation for Bids	\$8,354,615.82	Contract awarded to Allied Construction Associates of Everett, WA

MEMORANDUM

To: Kurt Triplett, City Manager

From: Michael Olson, Director of Finance and Administration

George Dugdale, Financial Planning Manager Robby Perkins-High, Financial Planning Supervisor

Andrea Peterman, Budget Analyst

Date: June 10, 2021

Subject: 2021-2022 Budget Adjustment: Mid-Year Adjustment and CIP

Project Closures

RECOMMENDATION:

Council approves the attached ordinance adjusting the budget for the 2021-2022 biennium.

BACKGROUND DISCUSSION:

This memo addresses recommendations concerning mid-year budget adjustments for unanticipated needs and recognizing additional resources.

State law prohibits expenditures from exceeding the budgeted appropriation for any fund and requires the City to adjust appropriations when:

- 1. Unanticipated revenue exists and will potentially be expended;
- 2. New funds are established during the budget year which were not included in the original budget; or
- 3. The City Council authorizes positions, projects, or programs not incorporated into the current year's budget.

It is the City's practice to amend the adopted budget at mid-year and year-end. Unless there is an immediate need, budget adjustments that represent ongoing increases to current service levels are generally not included in regular adjustments. Rather, they are submitted as service package requests during the biennial budget development and mid-biennial budget review processes. This mid-year budget adjustment allows for appropriation increases to reflect both unanticipated revenue and to recognize new positions and programs, notably the City's first distribution of American Rescue Plan Act (ARPA) funds and related expenses. In addition to changes in the operating budget, these adjustments provide an opportunity to close completed capital projects and to recognize the actual 2020 ending balances across the City's funds.

The total appropriation adjustments amount to \$10,222,929, largely due to recognizing American Rescue Plan Act (ARPA) 2021 funding, Federal and State reimbursements related to

COVID-19 actions and wildland fire deployments, and internal transfers related to capital project close-outs.

The budget adjustment summary (Attachment A) lists adjustments and appropriation changes by fund. Appropriation adjustments change the total budget and require adoption of an ordinance. The summary shows both line item and appropriation changes. Line item adjustments move budget authority within funds and are provided for reference and in many cases reflect uses of reserves. The adjustments are organized into the following categories:

- 1. Additional General Fund Appropriations Related to 2020 Year End Results and the American Rescue Plan Act (ARPA)
- 2. Council Directed & Previously Approved Adjustments Requiring an Appropriation
- 3. Other Adjustments Requiring an Appropriation
- 4. Line Item Adjustments Not Requiring an Appropriation
- 5. Capital Project Close-Outs
- 6. 2021 Resources Forward

1. Additional General Fund Appropriations Related to 2020 Year End Results and the American Rescue Plan Act (ARPA)

As discussed in the May retreat memo, adjustments in this category reflect both actual year-end General Fund performance in 2020, leading to additional revenue above expenses (\$5,951,716), as well as the City's first distribution of ARPA funds (\$5,077,997). In addition, this category recognizes revenue received in 2021 for activity completed in 2020, largely related to fire overtime. These appropriations total \$11,749,217 and are being considered as a single appropriation adjustment as there are potentially expenses within this category that will not qualify for ARPA funds and will be funded with the unreserved General Fund balance.

Table 1 below shows these adjustments broken to 1) delivering on the ARPA strategy, including the Summer Action Plan expenditures brought to Council in May (\$1,718,452), and 2) other uses of the additional General Fund balance (\$2,165,891) including consultant costs related to the fiscal analysis of the Station Area Plan. The 2020 Affordable Housing Sales tax adjustment recognizes revenue which was received in 2020 but budgeted in 2021 and adjusts the 2021 budget accordingly. The remaining balance of the revenue sources after these expenditures are added is \$7,864,874, and while the exact eligibility for ARPA funds is not yet known, it is the City's intention to seek reimbursement for as much of the \$1,718,452 and other eligible expenses as possible. Note that the ARPA reimbursements for eligible expenses in other funds will be receipted into the General Fund and then transferred into other funds, but they are shown below in the fund from which the expense will ultimately be made.

Adjustments related to the ARPA Strategy include recovery interns, a part-time accountant, a management analyst, and a Human Resources analyst, as well as seasonal salary increases, enhanced staffing, and programming expenditures for the City's Summer Action Plan. Details regarding the proposed purchase of a portable LED screen (\$250,000) as part of the Summer Action Plan can be found in Attachment B. The Lake Washington Boulevard Promenade pilot program (\$150,000) is outlined in Attachment C.

2. Council Directed & Previously Approved Adjustments Requiring an Appropriation

This category includes 1) adjustments directed by the Council through an informal action, and 2) adjustments previously approved by the Council through a formal action since the adoption of the 2021-2022 Budget in December 2020. Fiscal Notes, which are previously approved adjustments by Council, are included in this category and include any previously approved capital project close-out adjustments. These adjustments include the Public Works staffing modification plan brought to Council on May 18, 2021, which adds 6.5 full-time equivalent (FTE) positions by converting temporary positions and has no fiscal impact on the biennial budget. Similarly, a Special Projects Coordinator position in the City Manager's Office will become a full 1.0 FTE by converting the 0.4 temporary funding to ongoing, with no fiscal impact. There is also an adjustment to add an ongoing Transportation Engineer position funded by the Development Services Public Works Reserve to help the City improve permit timelines.

The additional request for Human Services Reserve funding (\$199,775) focuses on three areas of need related to the pandemic: mental health support, Spanish-speaking community outreach, and food insecurity. A detailed description of this request is included as Attachment D.

The adjustments in this category are organized by fund in Table 2 below, with the total adjustment amounting to \$5,069,650, of which \$2,528,443 is an appropriation. The majority of this total is previously approved capital fiscal notes.

3. Other Adjustments Requiring an Appropriation

This category of adjustments primarily recognizes new revenue from grants and other sources as well as housekeeping adjustments. The General Fund adjustments shown below reflect 2021 activity and are therefore not considered part of the unreserved balance shown in Table 1. Highlights of these adjustments include revenue for 2021 Fire overtime related to the COVID-19 vaccine rollout, and new development revenue to fund one-time positions. Additionally, a one-time Information Technology Business Analyst will be funded with vacancy savings and remaining budget in the Munis implementation project to assist with process improvements to Munis and assist Human Resources with implementation of NeoGov, which will help streamline the City's hiring process. The total appropriation adjustment for this category is \$1,892,501.

4. Line Item Adjustments Not Requiring an Appropriation

This category of adjustments recognizes line item adjustments between accounts within a fund or transfers between capital projects. This includes adjustments that move budget from a reserve account to one or more expenditure accounts. Because there is no impact to a fund's total appropriation, these adjustments are not included in the budget amendment ordinance. In most cases, these adjustments have already been presented to and approved by the Council, and they are included for information purposes only.

The following adjustments are related to Resolution R-5434 and the Community Safety Initiative: 1) a temporary Special Projects Coordinator for R-5434 related outreach, 2) increased staffing for the Kirkland Indigenous History Project, 3) Use of Force study and dashboard development, and 4) a temporary Human Resources Analyst specializing in diversity recruitment.

Table 4. Line Item Adjustments Not Requiring an Appropriation	
General Fund	
Community Safety Initiative funding for HR Analyst (Diversity Recruitment)	134,919

TOTAL ALL FUNDS	516,294

5. CIP Project Close-Outs & Corrections

In preparation for the 2021-2026 CIP Update, an audit was completed of all capital projects to identify available funding in projects ready to be closed, verify external funding, and make any needed project corrections. Available balances will be used initially to correct current projects. Additional remaining balances will be transferred to reserves. Project close-out candidates are evaluated on an ongoing basis and brought forward in batches during the twice annual budget adjustment process. A summarized table of changes is included in Attachment E. The "Available Project Funding" tables indicate projects that either are ready to be closed, or that have available funding to be transferred out. The "Project Cleanup Corrections" tables indicate uses of this closeout funding, as well as corrections to external budgets. These are projects that require adjustments for prior administrative corrections, or unsecured external funding that needs to be backfilled, as well some projects with additional funding needs due to increased project costs. There are also external funding changes that do not require additional funding. These are due to grant award amounts changing between CIP updates. A summary of the funding being returned to reserves is below:

Table 5. CIP Project Close-Outs & Corrections

Funding Type	General Capital (310)	Transportation (320)	Water/Sewer (413)	Surface Water (423)	TOTALS
General Fund	918,233	176,736			1,094,968
IT Sinking Fund	41,824				41,824
Facilities Sinking Fund	73,839				73,839
TR Impact Fees		9,054			9,054
REET 1		101,703			101,703
Water/Sewer Rates			1,228,161		1,228,161
Surface Water Rates				2,784,112	2,784,112
Total Amount	1,033,896	287,493	1,228,161	2,784,112	5,333,661

Impact Fee funding will be returned to source, while all other funding types will be kept in the capital funds in reserves. The IT Sinking Fund, Facilities Sinking Fund, Water/Sewer, and Surface Water Funds all currently have established reserves within their respective capital funds. General Fund and REET 1 reserves will be held to assist with emerging CIP needs and opportunities. This could include, but is not limited to, increased project costs due to commodity price changes, seeding a fiber opportunity fund, accelerating the pay back of the capital contingency reserve, and additions to City sinking fund balances. These options will be addressed at the August 4th CIP update study session.

The available General Fund money is primarily from the Fire Station Acquisition projects, which are returning \$644,103 due to conservative budgeting and successful negotiation of land purchases. The second largest contributor is the Kirkland Justice Center project, which is closing \$218,618 under budget.

6. 2021 Resources Forward

The 2021 Resources Forward, or beginning fund balance (cash), was estimated as part of the 2021-2022 budget process during the fall of 2020. Now that 2020 is complete, staff has reconciled the estimated resources forward with actual balances. As described for the General Fund at the May Council retreat, variation between these two numbers occurs when revenues and expenditures change from the projection made in the budget process. Therefore, large funds with multiple expenditure and revenue streams, or those with volatile revenue streams, can see significant adjustments. In 2020, COVID-19 response and the accompanying economic uncertainty added additional reasons for variation. Given the above, both the Street Fund (117) and the Water/Sewer Operating Fund (411) have significantly less resources forward than was originally projected. As described at the May retreat both funds have enough cash to continue normal operations, but staff will continue to closely monitor these funds and bring any necessary adjustments as part of the Mid-Biennial process.

An adjustment (increase or decrease) to the budgeted beginning balance with a corresponding offset to the expenditure side will be made for all operating, capital, and other non-operating funds. This offset is usually to a reserve account but may be to other line items depending on the nature of the change in the beginning balance. For example, the Lodging Tax fund was budgeted with an estimated beginning balance of \$322,815; the budget will be increased by \$36,654 to reflect the actual balance. The current proposed budget adjustments discussed above recognize the estimated balances in the General Fund and Other Funds required to fund carryovers.

In the General Fund, the reduction in resources forward reflects two items that were initially included in the appropriation for 2021-2022 but were expended in 2020. The first of these is an internal transfer to the Transportation Capital Fund (320) which reflected the General Fund contribution to The Village at Totem Lake development agreement. This transfer was completed in December 2020 and the payment to the developer will be made from the capital fund in 2021. The other reduction reflects cash balance that was originally considered part of the City's total appropriation but was transferred to A Regional Coalition for Housing (ARCH) in 2020 as it originated from developer fees for affordable housing. The net impact of this change (a \$3,782,882 reduction) and the increase to unreserved General Fund balance shown in section 1 (a \$5,951,716 increase) is an increase to General Fund resources forward of \$2,168,834.

These adjustments to resources forward do not include the City's four Capital Funds (310, 320, 413, 423). This is because there are a number of other capital adjustments as described in section 5, and as those funds are organized by capital project and budget authority is granted on a project basis, staff will rebalance these funds following approval of the described project closures. These fund balances will be brought back to Council as part of the August 4th CIP update study session.

SUMMARY

The budget is adopted at the fund level which sets the total expenditure authority for the biennium for each fund. A summary of the adjustments and 2021-2022 revised budget by fund type is included in the table below. Additional details on the line item and appropriation changes are included in Attachment A.

Table 6. Adjustment Summary

Fund Type	2021-2022 Amended Budget March 16, 2021	Appropriation Adjustments	2021-2022 Amended Budget June 15, 2021

PUBLICATION SUMMARY OF ORDINANCE NO. 4760

AN ORDINANCE OF THE CITY OF KIRKLAND AMENDING THE BIENNIAL BUDGET FOR 2021-2022.

- <u>SECTION 1</u>. Adjusts the 2021-2022 Biennial Budget of the City of Kirkland.
- <u>SECTION 2</u>. Sets forth, in summary form, the totals of estimated revenues and appropriations for each separate fund and the aggregate totals for all such funds combined.
- <u>SECTION 3</u>. Authorizes publication of the ordinance by summary, which summary is approved by the City Council pursuant to Section 1.08.017 Kirkland Municipal Code and establishes the effective date as five days after publication of summary.

The full text of this Ordinance will be mailed without charge to any person upon request made to the City Clerk for the City of Kirkland. The Ordinance was passed by the Kirkland City Council at its meeting on the day of, 2021.
I certify that the foregoing is a summary of Ordinance 4760 approved by the Kirkland City Council for summary publication.
Kathi Anderson, City Clerk

CITY OF KIRKLAND

Department of Parks and Community Services 123 Fifth Avenue, Kirkland, WA 98033 425.587.3000 www.kirklandwa.gov

MEMORANDUM

To: Tracey Dunlap, Deputy City Manager

From: Lynn Zwaagstra, Director of Parks and Community Services

John Lloyd, Deputy Director of Parks and Community Services

Sara Shellenbarger, Recreation Manager Heather Lantz-Brazil, Management Analyst

Date: 5/26/2021

Subject: Proposed Portable LED Screen Investment

RECOMMENDATION

Staff recommend purchasing a trailer-mounted LED screen to be used for various recreation and community programs and services as proposed in the Summer Action Plan, Phase 1.

BACKGROUND DISCUSSION

Summer Action Plan, Phase 1

City Council received a presentation on the proposed "Summer Action Plan, Phase 1" on May 4, 2021, during the Regular Meeting, business item 9.b. Phase 1 proposed new one-time recreation funding to support additional programs and services to contribute to the community's recovery from COVID-19 with an emphasis on inclusivity and economic recovery. It was identified that additional resources would be needed to add the larger-scale programs and events. One proposed investment was a portable LED Screen.

Vision for Portable LED Screen

A trailer-mounted portable LED screen would align with the City's cross-departmental Summer Action Team's proposed targeted Parks investments focusing on safety, inclusion, and economic development. This investment would help the community experience a safe, healthy and enjoyable summer as the community emerges from COVID-19. Using a trailer-mounted LED screen allows for flexibility in programming, easy transportation/setup, and usage during all hours of the day. The components to operate the LED screen such as AV equipment, generator, etc. are built into the trailer, allowing for a safe and easy setup that could be done by 1-2 staff members. Additionally, the entire system is rated for outdoor use – including in the rain. In contrast, a projector and large inflatable screen would be limited in use as ambient light would not allow for visibility during daytime programs, the significant amount of space required for use, and it would require large weights to safely anchor the screen in place. Setup and use of an inflatable screen would require several staff members to ensure safe operation. Finally, an

inflatable screen and projector cannot be used in rainy conditions, and even the smallest amount of wind makes use of an inflatable screen unsafe.

Staff brainstormed the various uses for a trailer-mounted portable LED screen during recreation programs, special events, community events, community engagement and outreach events, City staff events, etc. These potential uses include but are not limited to:

Programs and Services	Potential Use
4th of July Parade	Highlight parade floats, sponsors, etc.
Day Camps	Movie days, talent shows, etc.
Employee Appreciation Lunch	Presentations, expand the visibility of presenters.
Food Truck Rally	Digital signage, alternate entertainment for guests.
,	Approximately 8-12 uses per year.
Friday Market	Recognize vendors and sponsors, market rules, photos. Approximately 12-16 uses per year.
Karaoke in the Park/Sing-Along	Display lyrics, images, sponsorship opportunity.
Movies in Parks	Both drive-in and walk-up movies are proposed, sponsorship opportunities, promote other programs and services. Approximately 10-20 uses per year.
Community Engagement	Real-time polling, call-to-action, policies display.
Recreation Events	Multiple languages, closed captioning, sponsor recognition.
Remote Viewing Events	Stream fireworks, tree lighting, fireside chat, etc.
Rental to Special Event Organizers	Rent to permitted special events to generate revenue.
Sports Tournaments	Display tournament bracket, schedule, recognize sponsors, promote other programs.
Video Game Tournaments	Display game, players, tournament bracket.
Watch Parties/Gatherings	Professional or college sports games.

Benefits Comparison

Staff compared the benefits of a projector/inflatable screen system to a LED screen option. Comparing the benefits of both types of equipment made it easy to see which system would offer more value for the proposed use. The benefit factors that were considered most significant were cost, daytime use, flexibility, and lamp life. Other factors were considered as shown:

	Projector/ inflatable Screen	LED Screen	Notes
Brightness		X	LED brightness measured in nits has enough power to be seen even in bright light; projection brightness measured in America National Standards Institute (ANSI) lumens; 1 Nit = 3.426 ANSI Lumens
Color Contrast, Saturation, Vividness		X	Projectors are not as capable of displaying high contrast, deeply saturated colors when compared to LED.
Cost	X		LED screens cost more upfront but require less power and have reduced maintenance costs; projectors require bulb/filter replacements and expensive maintenance costs.
Daytime use		X	Ambient light is a hindrance to projector-based displays and would severely limit use. LED screens can be used in full daylight.
Nighttime viewing	X	Х	Both projector and LED screens can be displayed at nighttime.

Durability – Rain/Dirt		Х	LED screens are designed to operate in rain. Inflatable screens are not suited for rain. Special protection is needed for a projector in inclement weather.
Durability - Wind		X	Inflatable projection screens require significant weights/anchors and are not recommended for use in windy conditions.
Flexibility		X	LED screens do not have to deal with projection throw distance. LED screens have a wider viewing angle than projectors allowing more useable space for events.
Lamp/Screen Life		X	High-end laser projectors can last up to 20,000 hours; LED screens last about 100,000 hours.
Resolution	Х	X	Projectors can deliver high-resolution at any screen size but this varies based on the screen and projector; LED screens have a fixed distance between pixels but are available at near-HD resolution.
Setup and Arrangement		X	Projector/inflatable screens need unimpeded space between screen/projector, several staff required to set up, large anchors required to secure screen; LED screen can be used in much smaller space, can be transported/setup/operated by a single staff member.
Visibility at Distance		Х	LED screens are their own source of light, so images are more visible at a distance when compared to projectors.

Cost Comparison

The upfront cost for the LED screen is significant, however, it offers a wide range of potential uses and is much more flexible and easier to arrange than an inflatable screen/projector. Inflatable screens/projectors are cheaper than LED screens, but have a much more limited range of use and require more staff to set up with additional setup for AV equipment.

Based on the potential list of programs identified above, it is assumed the LED screen could be used 40-60 times per year, depending on the actual schedule of events and programs offered. Over the entire five-year warranty period of the LED screen, the cost per event ranges from \$725 - \$1,250 per event, depending on which size screen is purchased. Alternately, due to the limitations of the projector/inflatable screen, it is assumed there would only be 10-20 opportunities for use per year. At the current rental rates for this service, it is cheaper on a perevent basis to purchase the LED screen than it is to rent a screen/projector.

After the initial upfront costs, other expense includes the power to operate the display, content licensing (movies), insurance, and staff time. Due to its high value, the LED trailer would be added to the Inland Marine insurance policy. The annual premium for this coverage ranges from \$344-\$593, depending on screen size and deductible selected (\$1,000-\$5,000).

Rental options exist for both types of systems which are included for comparison.

	Initial Cost	Estimated Events per year	Notes
LED Purchase	\$145,000 - \$250,000	40-60	17'x10' screen - \$145,000 20'x12' screen - \$230,000 23'x13' screen - \$250,000

LED Rental	\$5,000 - \$6,500	40-60	Rental would be subject to availability. Annual rental fees \$200,000+ per year
Screen/ Projector Purchase	\$40,000	10-20	Staff do not recommend purchasing an inflatable screen
Screen/Projector Rental	\$1,500	10-20	Minimal programming could be offered due to lighting and space requirements for screen/projector.

Life Span/Durability Comparison

A trailer-mounted portable LED Screen is rated for 100,000 hours, or about 10 to 11 years of continuous use. The primary vendor researched offers a 5-year warranty on the LED screen. The entire system is IP65 rated which protects it from dust and water intrusion. They can withstand the elements as well as traveling up and down the highway. Additionally, the screens are built to withstand an 80mph fastball. The trailer is equipped with outriggers to stabilize the screen when in use and is rated for use in winds up to 45mph. In the event something is damaged, the vendor includes spare parts for all the likely damaged or malfunctioning parts of the LED screen. Training is provided upon delivery and the vendor provides toll-free technical support to troubleshoot any problems that may arise.

A laser phosphor projector or a LED projector has a typical lamp life of 20,000 hours or about 2 to 3 years of continuous use. Projectors include a 3 to 5-year warranty and customer support. Some maintenance on projection systems can only be done by a qualified technician, especially to maintain a warranty.

An inflatable projection screen can last around 6 years but could lose surface quality in as little as 3 years due to dirt, insects, or other creatures that are attracted to the surface during nighttime use.

NEXT STEPS

Staff are seeking council direction on preferred equipment usage while recommending a trailermounted LED screen.

Staff are evaluating various size LED screens that meet investment and usage expectations.

Lake Street South/Lake Washington Boulevard Promenade Analysis and Concept Development

Council directed staff to consider a promenade pilot on Lake Street South/Lake Washington Boulevard during summer 2021. Staff presented a <u>Legislative Request Memo on March 16, 2021</u> and followed up with <u>additional information on May 4, 2021</u>.

Based on the Council's direction, a two-step approach is proposed at this time to evaluate creating a promenade pilot along the Lake Washington waterfront between downtown Kirkland and Carillon Point. The goal of the proposed pilot is to enhance the high-quality experience for people walking, biking, and rolling along the corridor. The current Lake Street South/Lake Washington Boulevard street cross section was put in place over twenty years ago when a "road diet" was favored. The current cross section replaced four vehicle travel lanes (two in each direction) along the corridor to one vehicle travel in each direction, parallel parking, and bike lanes. This resulted in the corridor providing facilities for all travel modes, but the current cross section is not without issues related to how it functions for the people using the corridor. As the City has continued to grow and change, there is renewed interest in how the corridor can be updated to be safer and more comfortable for people walking, biking, and rolling.

The first step will be to perform data collection and analysis during the summer and fall of 2021 to better understand how people are using the corridor now. This process will include collecting and analyzing the following data types:

- Pedestrian, bicycle, and vehicle volumes;
- Vehicle speeds;
- Analysis of traveler behavior to understand how people walking, biking, and driving use and interact in the corridor;
- Public parking supply and utilization;
- Private parking supply; and
- Trip origin and destination data.

Staff proposes to use a variety of data collection sources, from potentially using volunteers to perform field observations to purchasing data from companies that collect and analyze anonymized location information from cell phones and navigation devices. In order to gather and analyze the base data that Council has requested, staff is requesting a minimum of \$50,000 (Task 1). For an additional \$25,000, staff would be able to procure more detailed multimodal data, either through more advanced data collection techniques or by purchasing additional data from a data aggregation company, to understand in more detail how various modes move along the corridor and interact with each other (Task 2).

The second step in the proposal would be to take the results of the analysis performed in the first step and develop concepts for a new promenade along the Lake Washington waterfront that addresses the issues and needs in the corridor. These concepts would be represented by a series of street cross sections and would include pre-planning level preliminary cost estimates. If developing such concepts is desired by the Council, the estimated cost is \$75,000 (Task 3).

To summarize each deliverable:

Task 1 – Data Collection & Analysis	\$50,000
Task 2 – Detailed Multimodal Data	\$25,000
Task 3 – Pre-Planning Concepts	\$75,000
Total	\$150,000

All of the above deliverables would be complete by December 2021.

CITY OF KIRKLAND

Department of Parks & Community Services 123 5th Avenue, Kirkland, WA 98033 425.587.3300

www.kirklandwa.gov

MEMORANDUM

To: Kurt Triplett, City Manager

From: Lynn Zwaagstra, Director

Leslie R. Miller, Human Services Supervisor

Date: June 2, 2021

Subject: ALLOCATION OF HUMAN SERVICES RESERVES IN THE MID-YEAR BUDGET

ADJUSTMENTS

BACKGROUND DISCUSSION

The additional requests for human services funding focus on three areas of need related to the pandemic, mental health support, Latinx community outreach and food insecurity.

The bulk of the funding (\$148,234) will contribute to more fully funding several mental health programs. The Human Services Commission recommends prioritizing programs that focus on children and youth as well as address the increased stress of anti-AAPI hate and violence to the Indian American community.

Agency/Program	Original Award for 2021 and 2022	Additional Recommend funding for 2021 and 2022	New Total of funding for 2021 and 2022
Asian Counseling and Referral Service— Children, Youth and Family Program	\$26,013	\$4,117	\$30,130
India Association of Western Washington—Mental Health Support Program	\$5,000	\$20,000	\$25,000
Youth Eastside Services—Behavioral Healthcare for Children and Youth	\$60,000	\$50,000	\$110,000
		\$74,117 x 2	

An allocation of \$5,000 is requested to enable a local organization to offer regular fresh produce grocery giveaway events in Kirkland.

Within the context of the COVID-19 pandemic hitting the Latinx community disproportionately and the City's ongoing effort to create a more safe, welcoming and inclusive Kirkland, the City contracted for both a survey and resource distribution services in Spanish and English. The first phase of the project (July through October 2020) was funded with COVID-19 funds. The second phase (November 2020 through January 2021) was funded with 2020 cultural

navigation human services grant funding.

The project was designed and implemented using the Promotores model. This model is driven by community members connecting with their local networks to share and gather information. The Kirkland Promotores were familiar with Kirkland and East King County. They were trained in 2019 to support the 2020 Census and they expanded that work to conduct a COVID-19 response project in the spring and summer of 2020.

Human Services staff has had a rewarding experience working with the King County Promotores Network's co-chair Mercedes Hakim-Cordova, Debbie Lacy with Eastside for All and the Promotores. Due to the uncertainty, fear, losses, and needs associated with COVID-19, the project connected Latinx community members with appropriate resources and in language materials to get social services, financial assistance, legal help (including "Know Your Rights") and public health information. While COVID-19 was the impetus for this project, it also put great limitations to the outreach effort as well. That said, the Promotores collected over 200 surveys. The template of a flyer advertising the survey, the executive summary of the survey results and all of the responses in both Spanish and English follow this memo.

Promotores conducted these surveys with the expectation that they would (a) inform the City's programs, funding, outreach and engagement efforts; (b) provide the Latinx community with information to build community-driven initiatives and solutions; and (3) develop and strengthen the tools, resources, and strategies that can be used for future civic participation and community-building efforts.

The scope of the proposed third phase of this project includes:

- Preparing the 2020 survey and report materials for presentation to the community
- Reviewing, finalizing and translating community resource packets and an updated City of Kirkland resource booklet
- Hiring and training Promotores to share survey information, invite community members to events and distribute resources
- Leading community events to share/vet 2020 survey results and identify community priorities
- Preparing a summary of 2021 project outcomes
- Participating in ongoing meetings with human services staff to cocreate and discuss the community outreach process and other elements of the project

This next phase of the project is crucial to return to the community members who took the time to complete the survey to share what the City learned and let them know that their voices matter. In addition, we want them to be able to respond to the results and discuss which findings are most important to present back for City consideration. In addition, providing an updated resource booklet and other resources are greatly needed because of the long-term economic and social crises created by the pandemic.

Mercedes Hakim-Cordova and Debbie Lacy are proposing a seven-month timeline. The project components and costs are provided below.

Project Components	Cost
4 Promotores	\$16,000
Participant Incentive Gift Cards (\$40 each)	\$3,200
Packet supplies and printing	\$2,500
Translation	\$1,750
2020 Report Translation	
2020 Report Summary Translation	
 City of Kirkland Resource booklet: Review, Update, and Translate 	
2021 Project Report (Complete and Summary)	
Project Management (Mercedes Cordova-Hakim)	\$14,500
Community Event Planning/Consultation, and Final Report (Eastside for All)	\$1,300
Mobile Phone, Internet and Gas	\$1,060
Communications Web/Social media (4 months)	\$2,000
Subtotal	\$42,310
Fiscal Agent Fee to Latino Community Fund of Washington State (10%)	\$4,231
TOTAL	\$46,541

The Latino community in Kirkland wants to participate in the life of the city and have much to contribute. As one survey respondent said, "I believe that the Latino families and workers of Kirkland are ready to participate and be taken more into consideration. We have a lot of talent in our community. We could start programs in Spanish that are examples for other cities." This phase of the project will help the City make this community member's desire a reality.

Below is the status of the Human Services Reserve if the Council approved the above funding recommendations.

HUMAN SERVICES RESERVE SUMMARY TABLE

Human Services Reserve Available Balance	\$537,765
June 2021 Recommended Allocation	\$199,775
Human Services Reserve Remaining	\$337,990

SURVEY SUMMARY

Latinos in Kirkland

"Overall people

are respectful

and friendly."

WHAT RESPONDENTS LIKE ABOUT KIRKLAND

- safe/secure: 80% feel safe in Kirkland
- quiet
- clean
- good jobs
- education
- parks
- libraries

most common themes expressed in the survey data. Readers are encouraged to explore the full report to acknowledge individual perspectives as well as the overarching contributions.

50% do not have health insurance

- housing is very expensive
- no Latino stores, events, or cultural center ("no Latino community")
- no services in Spanish, lack of support for Latino community
- racism/discrimination
- traffic

WHAT SERVICES AND INFORMATION ARE NEEDED?

This summary outlines the

"Programs and services in Spanish!"

- a Latino community center
- quality art, recreation, and sports activities that are affordable
- Latino social/health services
- English classes for adults
- Latinos in city staff positions
- Opportunities to participate in civic efforts & decision-making processes

74% would feel comfortable calling the police if needed for an emergency situation.

Thank you for taking us into account- we feel forgotten.

PROJECT OVERVIEW

February, 2021

Project planning, including development of the survey and information packets, took place from August to September, 2020. The majority of the survey collection and community conversations took place October, 2020 to early January, 2021.

As part of its "Safe, Welcoming, and Inclusive" initiatives, the City of Kirkland launched an effort to learn more about populations in the community for whom there are nonexistent, inadequate, and/or inequitable resources to support their physical, economic, cultural, and social wellbeing. This community engagement project focuses on the Latino(x)/Hispanic populations in Kirkland.

The information gathered will:

- Inform the City's programs, funding, outreach and engagement efforts;
- Provide the Latino(x) community with information to build community-driven initiatives and solutions; and
- Develop and strengthen the tools, resources, and strategies that can be used for future civic participation and community-building efforts.

The project was designed and implemented using the Promotores model where community members connect with their local networks to share and gather information. The Kirkland Promotores are familiar with Kirkland and East King County. They were trained in 2019 to support the 2020 Census and they expanded that work to conduct a COVID-19 response project in the spring and summer of 2020.

Respondents who did not reside in Kirkland either worked in Kirkland or had some other connection to Kirkland via family or friends.

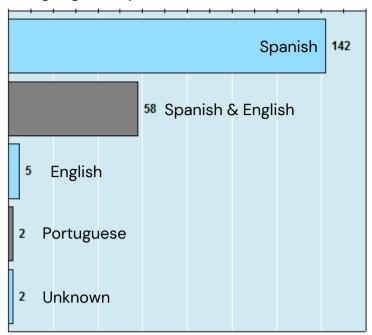

Respondents' Ages

The 209 households surveyed included 477 adults and 257 youth under the age of 18.

"We are not sure how the city of Kirkland works or how it makes program funding available and how this process is decided. What we do know is that no funds are being provided for Latino programs or services in Kirkland... because there are none, and most Hispanic families must go looking for services in Spanish in other cities."

Language(s) Spoken At Home

About Our Latino Community

We are ...

hardworking friendly willing to help others

When asked "What are the characteristics you most like about the Latino community in Kirkland, the top answer was some variation of "there isn't a Latino community in Kirkland."

- "What Latino community exists in Kirkland? I feel lonely here."
- "I don't know any Latinos."
- "There are no Latino people meeting so I don't know."

What kind of social services or supports in Kirkland or the Eastside have you used before?

The top response was that there are no services or that they don't know about them.

The second top response was the food bank.

Less common responses included the hospital, parks, church, the library, and clinics/medical care. Two people mentioned Kirkland's community centers.

"Not in Kirkland but yes in other cities like Redmond."

"None, there isn't any unless we go to the hospital."

CIVIC PARTICIPATION and INCLUSION

23% of survey respondents are currently volunteering or have volunteered in the past at places including the food bank, schools/PTSA, the library, church, and the YMCA.

37% are interested in volunteering.

"There is no communication between the Kirkland Mayor's office and the Latino community in Kirkland. ... we have no representatives that I have seen or know of."

"We are not taken into consideration in the decision-making process for the community."

In addition to the survey outreach, the Promotores distributed 538 packets to the community, which included COVID-19 public health information and the City of Kirkland Resource Guide.

THE LATINO COMMUNITY IN KIRKLAND

Acknowledgements & Conclusion

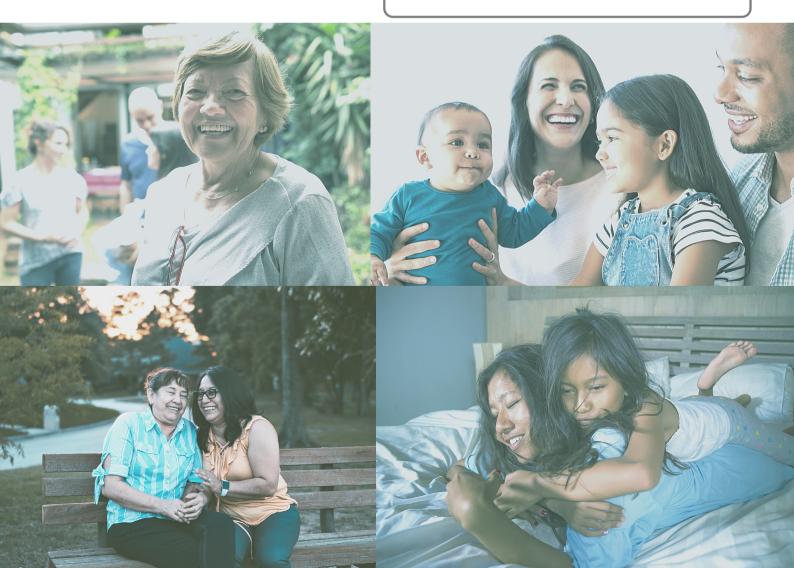

Thank you to the Project Manager, Mercedes Cordova–Hakim and to the Kirkland Promotores Team:

Angelica Flores
Angelica Salgado Córdova
Catalina Porterfield
Delfina Gonzalez Medina
Gabriela
Lopez Vazquez
Maria de
Lourdes Hernández
Nahyeli M. Mendivil

Thank you to the City of Kirkland for sponsoring and funding the outreach project. City staff collaborated closely with project leaders to ensure the design and implementation were centered within the Latino community.

Appreciation also goes to Eastside For All and the Eastside Refugee and Immigrant Coalition, as well as the Latino Community Fund for providing fiscal sponsorship.

85% of the survey participants signed up to receive the project report. Many expressed hope for more communication so they can know what Kirkland is doing with the information and how they can be involved. Project leaders are committed to following up and supporting ways for community members and the City of Kirkland to have an ongoing relationship, co-creating opportunities for more services, programs, resources, and civic engagement. The City can begin by hosting community forums in Spanish to share this information and expand the conversation. Investments in Latino-centric services and community engagement activities are essential.

Project Overview and Activities

OBJECTIVES

Community-Focused Assessment

As part of its "Safe, Welcoming, and Inclusive" initiatives, the City of Kirkland seeks to learn more about populations in the community for whom there are nonexistent, inadequate, and/or inequitable resources to support their physical, economic, cultural, and social well-being. This community engagement project will focus on the Latino(x)/Hispanic populations in Kirkland. Information gathered will (a) inform the City's programs, funding, outreach and engagement efforts; (b) provide the Latino(x) community with information to build community-driven initiatives and solutions; and (3) develop and strengthen the tools, resources, and strategies that can be used for future civic participation and community-building efforts.

Targeted Outreach: Disseminate Information and Connect to Resources

Due to the uncertainty, fear, losses, and needs associated with COVID-19, the project will connect Latino(x) community members with appropriate resources and in language materials to get social services, financial assistance, legal help (including "Know Your Rights") and public health information.

Project planning, including development of the survey and information packets, took place from August to September, 2020. The majority of the survey collection and community conversations took place October, 2020 to early January, 2021.

no hay tanta delincuencia.	there's not that much crime
Positivo: el sistema educativo es bueno	Positive: the education system is good
Tiene unos parques muy bonitos	It has some very nice parks
Excelente servicios médicos	Excellent medical services
Menos homeless	Less homeless
Lo que no me gusta que siempre hay mucho tráfico	Which I don't like that there's always a lot of traffic
Otro aspecto positivo de Kirkland que tiene todo lo necesario e importante como lo es el hospital uno de los mejores con muy buen trato a los pacientes- lo digo por experiencia mis 3 hijas son nacidas en ese maravilloso hospital.	Another positive aspect of Kirkland is that it has everything necessary and important such as the hospital one of the best customer service- I say it from experience my 3 daughters are born in that wonderful hospital.
Vamos a las tiendas en Kirkland	We go to the shops in Kirkland
Abrir programas educación.	Open educational programs.
Deportes para los jóvenes	Sports for young people
El nivel escolar es bueno, mi hija ha asistido a 2 escuelas en Kirkland de nivel Elementary y ambas con personal preparado y con buena atención a los alumnos y padres de familia. En una de ellas no teníamos acceso a información en español (Mark Twain), en la otra si (AG Bell).	The school level is good, my daughter has attended 2 schools in Kirkland Elementary level and both with staff prepared and with good attention to students and parents. In one of them we did not have access to information in Spanish (Mark Twain), in the other we did (AG Bell).
Negativo q al Latino nos tienen tan olvidados	Negative- That the Latinos have been so forgotten
Tengo lo que necesito cerca	I've got near what I need.
	<u> </u>

Idioma	Language
Hay poca violencia, es seguro	There's little violence, it's safe
Es una Ciudad segura	a safe city
Me gusta porque el Hospital está cerca y siempre al tanto con la comunidad	I like it because the Hospital is close and always keeping up with the community
Negativa: Mucho Tráfico	Negative: A lot of traffic
Trabajo buenos	Good jobs
A nuestra comunidad le falta apoyo , como alguien que ayude en las escuelas. también para conseguir consulta en los hospitales para nuestros hijos	Negative: Our community lacks support, such as someone who could help in schools. Also, it's hard to get an appointment for our children at the hospital
Personas agradables.	Pleasant people.
Negativo: muy cara la administración y no sabemos cómo hacer para frenar que siga subiendo.	Negative: very expensive management and do not know how to slow it down to keep it from going up.
La gente es amable!	The people are friendly!
yo limpio casas en Kirkland	I clean houses in Kirkland
No hay eventos para gente hispana	No events for Hispanic people
Difícil poder comprar una casa aquí porque son muy caras las hipotecas	Hard to buy a house here because mortgages are so expensive
La renta es muy cara	Rent is very expensive
No hay muchas actividades en español	There aren't many activities in Spanish
Ayuda con adolescentes, tengo un hijo adolescente, como madre sola algunas veces no sé cómo guiarlo.	Help with teenagers- I have a teenage son, as a single mother sometimes I don't know how to guide him.
Nutricion	Nutrition
Nutrición	Nutrition
Tremendo vecindario	Tremendous neighborhood
Acceso rápido a otras ciudades.	Quick access to other cities.
Servicio de transporte es bueno	Transportation is good
La gente es muy amigable	People are very friendly
Las escuelas son muy buenas	Schools are very good
Con muchos lugares para caminar muy pacíficos	With many places to walk peacefully

No ay mucha ayuda para los Latinos	Not much help for Latinos
Ay mucha vigilancia	Oh, a lot of surveillance
Es una ciudad muy limpia también	It's a very clean city too
Buenos Hospitales	Good Hospitals
Buenas escuelas	Good schools
todo se siente organizado en la ciudad	Everything feels organized in the city
Es una ciudad muy limpia y si homeless	It's a very clean city and if homeless
Es tranquilo seguro para vivir	It's quite safe to live
Me gusta que Kirkland tiene buen servicio de transporte publico pero no me gusta que Metro cambio las rutas a Seattle. Se hace muy difícil ahora llegar a downtown Seattle en bus.	I like that Kirkland has good public transportation, but I don't like Metro changing routes to Seattle. It becomes very difficult now to get to downtown Seattle by bus.

1.d (Spanish)	1.d (English)
Positivo: Muy buenos vecinos	Positive: Very good neighbors
Me gustaría que hubiera más proyectos para hispanos al aire libre o públicos.	I wish there were more projects for Hispanics outdoors or public.
Estoy cerca de Bellevue, Woodville y Bothell.	close to Bellevue, Woodville, and Bothell.
Áreas para hacer ejercicio	Exercise areas
Me encanta la naturaleza que rodea Kirkland	I love the nature surrounding Kirkland
Señalización muy buena	(Street) Signage is good
Necesitamos más trabajo en esta zona	We need more Jobs in this zone
Muy buenas escuelas publicas	Very good public schools
Vibrante	Vibrant (community)
ayuda a la madre naturaleza	helps Mother Nature
Mas trabajo para los Latinos y veneficios médico	More work for Latinos and medical benefits
amistad	friendship
amistad	Friendships

amistad	Friendships
Familia	Friendships
	•
Familia	Friendships
Muy caro	Too expensive
Me gustan los Distritos Escolares.	I like the School district.
localización, la ciudad está cerca de Seattle, Bellevue y Redmond	location, the city is close to Seattle, Bellevue, and Redmond
High cost of living (negative)	cost of living (negative)
Las calles siempre se observan limpias y en buen estado.	The streets are always clean and in good condition.
El centro comercial de Totem Lake le dará un buen impulso a la	The Totem Lake Mall will give a good boost to Kirkland's city
economía de la ciudad de Kirkland y así trabajo a la comunidad.	economy and thus work for the community.
Seguridad	Safety
- Se debería ofrecer compost en los complejos de apartamentos	Compost should be offered in apartment complexes
Hospital cercquitas.	Closed hospital
saber cómo mantenernos informados de lo que pasa en la ciudad	know how to keep us informed of what's going on in the city.
Me gustaría ver más eventos diversos para la comunidad.	would like to see more diverse events for the community.
En general creo que falta que la Ciudad pueda comunicar los servicios	In general, I believe that the City is lacking communication about the
que hay disponibles porque no sabemos qué cosas se ofrecen.	services they offer because we do not know what services they
	offered.
Pero también se hace notar el racismo y bullyng en escuelas no solo	But racism and bullyng are also noted in schools not only among
entre alumnos sino también de algunos maestros.	students but also of some teachers.
Lugar calmado	Quiet place
Las personas son muy amables.	The people are very friendly.
Diversidad de comercios y de población. Me gusta porque mía hijas	Diversity of shops and population. I like it because my daughters had
han tenido acceso a otras culturas y eso hacer tener otra mentalidad.	access to other cultures and that make you have another mindset.
Tener espacios donde la gente pueda dar a conocer las tradici9nes de	Having spaces where people could share about the traditions of
sus países y que hubiera promoción ayudará mucho.	their countries and there was promotion it would help a lot.
Es segura	It's safe
No hay centros de ayuda para Latinos	There are No Latino Help Centers
Mejor asistencia médica	Better medical care
las escuelas si tienen personal que hablen español.	schools have staff who speak Spanish.

Ninguno	None
Nada	Nothing
Ninguna	None
Que no hay mucha protección	There isn't much protection
Nada	Nothing
Nada	Nothing
No está muy extendida o no muy bien organizada, no nos ha sido tan sencillo encontrar grupos o proveedores de servicio que hablen español.	It is not very widespread or not very well organized, it has not been so easy for us to find groups or service providers that speak Spanish.
Siento qué hay poca comunidad	I feel like there is very little community
Costo de la vida, específicamente el costo de la vivienda.	Cost of living, specifically housing
que nos cerramos las puertas nosotros mismos	We shut doors on ourselves
No hay muchos eventos o anuncios de parte de la comunidad Latina. La falta de propaganda sería el aspecto que menos me gusta.	There are not many events or announcements from the Latino community. The lack of propaganda would be the aspect that I like least.
hay muy pocos!	There are very few

Que no sé mucho sobre el apoyo de la comunidad	That I don't know much about community support
No se q decirte por lo mismo q respondí arriba.	I don't know what to say for the same reason I answered above.
no se	I don't know
no se	I don't know
No suficientes comercios de productos mexicanos	Not enough stores of Mexican products
Que algunas personas no tienen empatía hacia los demás.	That some people don't have empathy for others.
No se	I don't know
Por ahorita no conozco muchos programas sobre la comunidad Latina en Kirkland.	Right now, I don't know of many programs about the Latino community in Kirkland.
Ver respuesta anterior.	See previous answer
N/A	N/A
No se encuentran y menos me gusta el colorismo y racismo q existe entre nosotros.	They are not found, and I like less the colorism and racism that exists between/among us.
No es clara la pregunta.	Question is not clear
No tengo suficientes experiencias con comunidades Latinas en Kirkland que me permitan rendir una opinión.	I do not have enough experiences with Latino communities in Kirkland to allow me to render an opinion.
no tengo comentarios negativos	I don't have any negative comments
En realidad ninguna	(In reality) None
Necesitamos formar un grupo de apoyo más grande donde nos ayudemos unos a otros	We need to form a larger support group where we help each other out
Todo está bien.	All is good
N/A	N/A
Todo bien	All good
De la gente que conozco es solidaria, le gusta compartir, que podemos hablar en español. Pero no conozco muchas personas Latinas.	The people I know are supportive, they like to share, we can speak in Spanish. But I don't know many Latino people.
Que no estamos unidos,	We're not united
comunidad callada	Quiet community
No hay realmente congregación de la comunidad Latina en Kirkland.	There is really no congregation of the Latino community in Kirkland.
Todo está bien.	Everything is good

Desorden	Disorder
Que a veces algunas familias son más discriminatorias que las mismas familias locales	That sometimes some families are more discriminatory than the same local families
que no convivimos	That we do not coexist
No son muy buenos para el reciclaje, no se envuelven mucho en ayudar a la comunidad y no mantienen sus áreas de vivienda en buen aspecto	They are not very good at recycling; they are not very involved in helping the community and they do not keep their living areas looking good/ well kept
No tengo nada negativo que decir.	I don't have anything negative to say
Trabajamos mucho y descansamos poco.	We work hard and rest little.
que casi no se les ve en la comunidad	That they are hardly seen in the community
Que no participamos a juntas y eventos que se hacen	That we don't participate in meetings and events that are held
que a veces hay gente gritando en la madrugada	Sometimes there are people in the wee hours of the morning (dawn)
No hay comunicación entre la oficina del alcalde de Kirkland y la comunidad Latina en Kirkland no tenemos representantes- que yo he visto o conozca.	There is no communication between the Kirkland mayor's office and the Latino community in Kirkland we have no representatives - that I have seen or know of.
No conozco	I don't know (any)
Que no se conocen mucho porque van de su trabajo a su casa.	They don't know each other much because they go from work to home.
buenas escuelas	Good schools
que no nos toman en cuenta en esta ciudad.	That they don't take us into account in this city.
no hay comunidad Latina que se reúna en Kirkland	There isn't a Latino community that meets in Kirkland
No hay	There isn't any
Hasta el día de hoy no miramos cosas desagradable	To this day we don't see unpleasant things
No tener comunicación	Not having communication
Es un lugar muy bonito	It's a pretty place
Ninguna	None
Ninguna ,todo bien	None, all Good.
que no hay recursos o programas en español	There are no resources or programs in Spanish
Ninguna	None
El trabajo ahorita escaseó	Work is scarce now
	I .

La poca tolerancia de otros para nuestra comunidad Latina !!!!	The little tolerance (or intolerance) of others towards our community Latino !!!!
Me gustaría conocer sobre la comunidad Latina en Kirkland	I would like to know about the Latino community in Kirkland
Que no hay suficiente policías de bilingües	There aren't enough bilingual police officers
Que son desordenados	They are disorderly
Que no nos juntamos como comunidad	That we don't get together as a community
No se	I don't know
No conozco mucha gente Latina en Kirkland	There aren't many Latinos in Kirkland
De que casi no participan	They hardly participate
Algunos se les olvida q son Latinos	Sometimes they forget that they are Latinos
Que no hay ayuda a los Latinos	That there isn't help for Latinos
no poder comunicarme en mi idioma	To not be able to communicate in my language
no hay suficiente comunidad	There isn't enough community
Los parqueos	Parking
Tengo 9 años viviendo en Kirkland. Y no he visto ninguna comunidad	I have been living in Kirkland for 9 years. And I have not seen any
Latina. Solo en Facebook	Latino community. Only on Facebook
no se nos toma en cuenta en la toma o proceso de hacer decisiones	We are not taken into consideration in the decision-making process
para la comunidad	for the community
Que manejan muy rápido	They drive too fast
Pues que algunas personas son problema ticas pero no todas también	Well, some people are problematic but not all they are also good
hay personas buenas	people
Lo que menos me gusta es que casi no se hace comunidad ya sea por	What I like the least is that there is hardly any community, either
el trabajo o la rutinas de vida que se lleva de sólo trabajar llegar a	because of work or the life routines that consists of just working to
dormí a casa y ya	getting home to sleep and that's it.
no hay muchas actividades dedicadas a los Latinos en Kirkland	Not many activities dedicated to Latinos in Kirkland
no hay comunidad	There isn't community
Falta de compromiso	Lack of commitment
No tengo ninguna	I don't have any
La falta de conciencia ciudadana en algunas personas.	The lack of citizen (civic) awareness in some people.

no sabemos si existe no se dan para saber si hay	We do not know if they exist, they are not a given to know if there are
Los Latinos que hay trabajan y no se dan tiempo para recrear	The Latinos out there, work and don't take time for recreation
Las personas que hablan bien inglés cuando yo les quiero hablar español me ven feo	People who speak English well when I want to speak Spanish with them, they give me an ugly look
No he visto muchos negocios hispanos.	I haven't seen many Hispanic businesses
No tengo ninguno.	I don't have any
Las calles que están sin arreglar	The streets that are not fixed
debe haber más liderazgo en la comunidad Latina para al mismo tiempo integrar a otros	there must be more leadership in the Latino community so that at same time others can be integrated
No estamos unidos, no los conozco	We are not united; I do not know them
De que si no hay cosas gratis no nos animamos a ir, siempre andamos buscando el gratifica todos los Latinos	That if there are no free things we are not motivated to go/attend, we Latinos are always looking for the free
Que algunas beses no respetan las reglas	That sometimes they don't respect the law
Hay muy pocos negocios Latinos	There are very few Latino businesses
Cada vez más estamos viendo más crimen por las noches, gente drogada en las esquinas.	We are seeing more crime at night, drugged people on street corners.
Que casi no hay	That there are almost none
La falta de actividades	Lack of activities
La falta de empatía.	Lack of empathy
Muchas veces no acátanos bien las reglas. Como el uso del cubre bocas por ejemplo	Many times, we don't comply with the rules very well like the use of face masks.
No tengo nada que opinar saber esto	I have nothing to say about this
Calles peligrosas	Dangerous streets
Lo mismo de la pregunta interior porque si te tomas con puras personas buenas puedes decir que es una comunidad amable pero si te tomas con buenas y malas puedes decir que es una comunidad común	The same as the previous question because if you are only with good people you can say that it is a friendly community but if you are with good and bad you can say that it is a common community
A no hay mucha Comunidad por q es muy caro y no pueden pagar por rentas tan caras.	There is not much community because it is very expensive, and they cannot pay for such expensive rents.
Todas me gustan	I like them all

No somos unidos	We're not united
Que viven "escondidos" veo mucha gente oriental e indú por ejemplo,	They live 'hidden', I see a lot of Asian and Indian people for example
pero muy pocos Latinos.	but very few Latinos
Q nos tenemos q levantar y entre Latinos apoyarnos	We must lift each other up and among Latinos support each other
hasta ahora no veo nada malo	Up until now, I see nothing wrong
No hay o no conozco lugares o convivencia entre Latinos	There aren't any or I do not know places or coexistence among
	Latinos
La ignorancia a veces	Ignorance sometimes
No siento que tengan mucha publicidad	I don't feel like they have a lot of publicity
Que haya más negocios Latinos	That there be more Latino businesses
No veo nada negativo	I don't see anything negative
Me gusta esa Ciudad	I like this city
No sé por qué desconozco su existencia.	I do not know because I do not know of its existence.
No hay un sitio para comunicarse y preparar actividades	There is no place to communicate and prepare activities
que casi no hay muchos	That there aren't many
No participamos en eventos escolares académicos	We don't participate in academic school events
No hay mucho apoyo	There isn't much support
El trafico	Traffic
Que no nos informamos	That we do not inform our selves
Que no nos informamos por el idioma	That we do not inform ourselves due to the language
N/a	N/A
No mucha información en Español	Not much information in Spanish
NO veo nada negativo en mi comunidad	I don't see anything negative in my community
Algunas personas son desidiosas y no prestan atención a su salud ni a sus hijos	Some people are irresponsible and do not pay attention to their health or their children
pues que no ay actividades para la comunidad Latina	Well, there are no activities for the Latino community
No veo nada negativo	I don't see anything negative
no creo que tenga nada negativo que decir	I don't think I have anything negative to say
pues que no ay servicios en español	Well that there are no services in Spanish

no todo está bien	No, everything is fine
no comentario	No comment
Que no se nos toma mucho en cuenta	That we are not taken into consideration much
Que no hay comunidad Latina organizada en Kirkland	That there is no organized Latino community in Kirkland
somos muy pocos Latinos en Kirkland, no estoy familiarizado con ninguna comunidad Latina organizada en Kirkland	We are very few Latinos in Kirkland; I am not familiar with any organized Latino community in Kirkland
No convivo mucho puesto que no ay muchos lugares donde pueda convivir	I do not interact much since there are not many places where I can do that
No ay eventos para Latinos	There are no events for Latinos
Nada	Nothing

Otra clínica	Another clinic
Ya hay suficientes servicios en Kirkland en inglés, pero no en español!	There are enough services in English in Kirkland already, but not enough in Spanish.

7. Otros Cometarios/Sugerencias	7. Other Comment/Suggestion:
Debería de haber planeación en las vialidades antes de dar tantos permisos de construcción, y esta información debería de ser publicada claramente y anunciada por correo escrito a la comunidad ANTES de que empiece la construcción.	There should be planning in the roads before giving so many building permits, and this information should be clearly published and announced by written mail to the community BEFORE construction begins.
Gracias por tomarnos en cuenta nos sentimos olvidados	Thank you for taking us into account- we feel forgotten
Tenemos varios años pidiendo servicios en español y otros idiomas en Kirkland esperemos que esta vez sí escuche la ciudad lo que estamos diciendo en esta encuesta	We have several years asking for services in Spanish and other languages in Kirklandhopefully this time the city will hear what we're saying in this survey
En el pasado nos reuníamos durante el verano para un picnic o BBQ en el parque, organizado por el vecindario y así los vecinos se conocían. Ahora con COVID es un poco difícil pero son eventos más específicos para invitar a la comunidad a conocerse y así tener más empatía con el vecino.	In the past we met during the summer for a picnic or BBQ in the park, organized by the neighborhood and so the neighbors knew each other. Now with COVID it is a little difficult, but they are more specific events to invite the community to get to know each other and thus have more empathy with the neighbor.
Saber dónde te puedes ayudar para la comunidad hispana	Know where you can help the Hispanic community
más cuidado a la ciudadanía en general	more care for citizens in general

Necesitamos programa de Ingles para adultos en Kirkland	We need English Programs for Adults in Kirkland
Durante esta época de COVID es cunado necesitábamos tener más respuestas, apoyo, educación e información en español sobre las medidas que esta tomado la ciudad y la forma en que podemos interactuar y apoyar algunas de estas medidas	During this time COVID is lured we needed to have more answers, support, education, and information in Spanish about the measures that the city is taken and the way in which we can interact and support some of these measures
No estamos seguros como trabaja la ciudad de Kirkland o como pone a la disponibilidad fondos para los programas como se decide este proceso. Lo que sí sabemos es que no se están otorgando fondos para programas o servicios Latinos en Kirkland porque no los hay, y la mayoría de las familias Hispanas tenemos que ir a buscar servicios en español a otras ciudades	We are not sure how the city of Kirkland works or how it makes program funding available and how this process is decided. What we do know is that no funds are being provided for Latino programs or services in Kirkland because there are none, and most Hispanic families must go looking for services in Spanish in other cities
Crear un Network de Latinos para el Eastside?	Create a Latino Network on Eastside?
Esta encuesta es importante. Gracias por la oportunidad. Soy nuevo Residente de Kirkland por los últimos 16 meses.	This survey is important. Thanks for the chance. I am a new Resident of Kirkland for the past 16 months.
Una clínica de Salud Pública seria excelente!!! como el que está en Eastgate.	A public health clinic would be excellent!!! like the one in Eastgate.
No se dan muchos recursos en esta área de Kirkland	There are not many resources in this area of Kirkland
Sería bueno crear un comité de Latinos que trabaje con la ciudad y la comunidad	It would be nice to create a Latino committee that works with the city and community
Me gustaría saber cómo involucrarme más en la comunidad de Kirkland	I'd like to know how to get more involved in the Kirkland community
Se necesita más ayuda para la gente hispana de Kirkland	More assistance for the Hispanic people in Kirkland is needed
Mas información disponible en en español en las escuelas considero muy importante para poder entender cómo funcionan el sistema escolar y de esa forma podremos establecer comunicación con los maestros de nuestros hijos y apoyarlos.	Have more information available in Spanish in schools, I consider very important to be able to understand how the system works school and in this way, we will be able to establish communication with and support our children's teachers.
Quiero saber más sobre los programas de Navegadores y Promotores	I want to know more about Navigators and Promotores programs

Es una ciudad que ha subido mucho en bienes raíces y es difícil pagar renta o comprar casa. Cada vez es más caro y eso corre a la comunidad de la ciudad.	It's a city that's gone up a lot in real estate and it's hard to pay rent or buy a house. It's getting more expensive and that runs to the city community.
Sugiero más áreas verdes, y no urbanizar mas	I suggest more green areas, and no more urbanization
Servicios sociales- disponibles en español!	Social services- available in Spanish!
Centró de ayuda a la comunidad Latina como llenar papeles en inglés .	Focused on helping the Latino community how to fill out papers in English.
Cuando nos van a informa que van a hacer con esta información?	When are they going to inform us what they're going to do with this information?
la ciudad necesita tener más comunicación con la comunidad Latina	the city needs to have more communication with the Latino community
Asistencia de adicciones, para bajos recursos	Addiction assistance, for low resources
Los Latinos tenemos mucha riqueza y potencial, es una lástima que la ciudad no la haya podido apreciar hasta ahora esta encuesta es un buen paso	We Latinos have a lot of wealth and potential, it is a pity that the city has not been able to appreciate it until now this survey is a good step
Tener más personal Latino en la ciudad y en programas de servicio social pero por personas de confianza	more Latino staff in the city and in social service programs but by people we trust
Más ayuda económica para las escuelas y comunidades	More financial aid for schools and communities
Apoyar las clínicas públicas y guarderías de cuidado para niños y asilos para personas de la tercera edad	Support public clinics and childcare centers and nursing homes
Interpretes indígenas	Indigenous interpreters
Servicios relacionados con la depresión (Salud Mental)	Depression-related services (Mental Health)
educación cívica	Civic Education
Información como poder mantener la ciudad más limpia	Information on how to keep the city more clean
algún lugar donde anunciar nuestros servicios para la comunidad Latina	somewhere to advertise our services for the Latino community (Business)
más oportunidades/servicios en Kirkland para padres jóvenes	more opportunities/services in Kirkland for young parents

Que page uno menos de renta	That we/ one could pay less for rent
Cómo pagar menos de renta	How to pay less for rent
Como aquí en Kennmore El Mayor esta siempre promocionando la ayuda a la comunidad	Such as here in Kenmore the Mayor is always promoting help to the community (services like Kenmore)
El incrementar los servicios comunitarios para Latinos	Increasing community services for Latinos
Se podrían hacer reuniones de Latinos en el parque para compartir conocerse y proponer actividades o servicios y necesidades	Latino meetings could be held in the park to share, meet neighbors, and propose activities or services and needs
Más programas y oportunidades para los Latinos in Kirkland	More programs and opportunities for Latinos in Kirkland
Creo que se necesitan más negocios hispanos y lugares donde hablen español	I think more Hispanic businesses are needed and places where they speak Spanish
Es importante que todos los que tenemos que ver con Kirkland tengamos la oportunidad de aportar al igual que opinar sobre los programas, servicios y oportunidades que hay para "Todos los residentes de Kirkland" no solo los que se pueden comunicar en Ingles la Diversidad es importante y hermosa!	It is important that all of us who have to do with Kirkland have the opportunity to contribute as well as to have an opinion about the programs, services and opportunities that are available for "All Kirkland Residents" not only those who can communicated in EnglishDiversity is important and beautiful.
clases para padres, como ayudarlos a manejar el estrés .	parenting classes, such as how to help them (parents) manage stress.
Doctores particulares y dentistas para bajos recursos	doctors and low-income dentists
Q Kirkland es una ciudad hermosa pero con pocos recursos para el Latino	Kirkland is a beautiful city with few resources for Latinos
Que la policía trabaje con la comunidad Hispanice	Have the police work with the Hispanic community
Mas anuncios sobre programas.	More announcements/adds about programs.
Qué bueno que existiera una organización que fomente la ayuda y la participación de la comunidad hispana.	It is good that there was an organization that encourages the help and participation of the Hispanic community.
pero que hablen español	speak Spanish
Ayuda para bajar los costos de renta	Help lowering rental costs
Reducción de impuestos	Tax cuts

Tener un Centro Latino que sea planeado, organizado y que de los servicios por Latinos para Latinos	To have a Latino Community Center, planned, organized and serviced by Latinos for Latinos
tener servicios de bajo costo o gratis en Boys & Girls Club	have low-cost or free services at Boys & Girls Club
no tenemos servicios para los Latinos en español. Gracias por preguntar	we don't have services for Latinos in Spanish. Thank you for asking
generalmente busco en otras ciudades servicios en mi idioma, no tenemos en Kirkland	I usually look in other cities for services in my language, we don't have in Kirkland

Buscando apoyo recíproco de las familias	Seeking mutual support from families
dando más programas o más información de esos programas	Giving us more programs or more information about the programs
Invitar a las familias Latinas a participar más en los colegios	Invite Latino families to participate more in schools
Mas dialogo	More information
Creo que asignando un "mentor" o persona con más años en la escuela ayuda a navegar las cantidad de información que recibimos (o que no conocemos). En la secundaria se hacen muchos eventos (con interpretes) y los folletos se escriben en español, y eso ayuda pero muchas veces las madres trabajan y no pueden asistir a esos eventos o tienen muchos niños y se les complica. Tal vez realizando algún evento el sábado puede ayudar. Awareness de las necesidades, hacer consultas directas a estas	I believe that assigning a "mentor" or person with more experience can help us navigate the amount of information we receive (or that we don't know about) In middle school there are a lot of events (with interpreter) and the brochures are in Spanish. This helps but a lot of times mothers have to work, and they are not able to attend the events. Or they have too many kids and it's complicated to attend. Maybe scheduling these events on a Saturday would help Awareness of the needs, ask those families directly.
familias	Awareness of the fleeds, ask those families directly.

Sistemas y programas que funcionan con equidad y justicia racial en	Systems and programs that work with equity and racial justice in my
mi comunidad!	community!
Lugar donde valgo y soy tomado en cuenta	Place where I value and am taken into account

1.	¿Usted siente <u>que a la comunidad Latina se le toma en</u> <u>cuenta</u> en la Ciudad de Kirkland?	2.Do you feel that the Latino community is taken into account in the City of Kirkland?
3	Si, siempre	3 Yes, always
48	Si	48 Yes
3	Creo que si	3 I think so
7	Un poco	7 A little
4	Algunas veces	4 Sometimes
21	No se/ No creo/ No estoy seguro	29 I don't know/ I don't think/ I'm not sure
10	No mucho	10 Not much
91	No	91 No

Comments: Comments:

No creo que mucho, porque no estoy enterada	I don't think much because I'm not aware of it
Si, pero pudiera tomarse más en cuenta	Yes, but we could be taken more into account
No siento que haya comunidad Latina acá.	I don't feel like there's a Latino community here.
En cierta medida, hay muchos recursos en español, más allá de eso no estoy muy consciente de que otros eventos u oportunidades enfocados a la comunidad Latina existen en Kirkland.	To some extent, there are many resources in Spanish, beyond that I am not aware of other events or opportunities focused on the Latino community exist in Kirkland.
La verdad que ni sabía que había comunidad Latina en Kirkland	The truth is, I didn't even know there was a Latino community in Kirkland.
No se le toma en cuenta	Is not take into account

Todavía no he conocido mucho de la comunidad Latina, quizás debería haber más difusión.	I haven't known much about the Latino community yet, maybe there should be more outreach.
No es la primera vez y lo agradezco.	No, this is the first time and I appreciate it.
Creo que hace falta más empeño o más trabajo con respeto a la ciudad.	I think we need more effort or more work from the city.
No estoy enterada de ninguna comunidad Latina en Kirkland	I'm not aware of any Latino community in Kirkland.
Honestamente no conozco a muchos Latinos que vivan en Kirkland, al menos no en mi área, solo somos nosotros y otra familia más.	I honestly don't know many Latinos living in Kirkland, at least not in my area, it's just us and another family.
No tengo suficiente información para opinar	don't have enough information to comment
Mas o menos, hay mucha aceptación de restaurantes Latinos y tiendas pero al mismo tiempo no se ve mucho mas de eso	More or less, there's a lot of acceptance of Latino restaurants and shops but at the same time you don't see much more than that
Recientemente creo que empiezan a tomarla en cuenta más que en otros años	Recently I thought they start taking us into account more than in other years
Necesitamos líderes que ayuden a descubrir las necesidades y conectar con recursos, las familias inmigrantes si tienen una vida mejor que en su país ya eso es bueno sin saber que puede pude vivir mucho mejor.	We need leaders who help discover needs and connect with resources, immigrant families if they have a better life than in their countries of origin is good to know we can live much better.
Si por medio de ellos llene esta forma.	through them, I completed this form.
En una pequeña proporción	In a small proportion
sí, pero no en los hospitales.	Yes, but not in hospitals.
no, solo a los Latinos que hablan ingles	no, just Latinos who speak English
Creo que la ciudad tiene programas inclusivos pero muchas veces los Latinos somos apáticos y no participamos.	I think the city has inclusive programs, but many times Latinos are uninterested, and we don't participate.
A veces hacemos personas que no sabemos de los servicios	there are people who don't know about the services
Yo creo que sí con el solo hecho de hacer está encuesta oportunidad para poder expresar lo que un Latino piensa	I think so, just by having the opportunity to participate in this survey and express what a Latino thinks
no me daba esa impresión hasta ahora que estoy llenado esta encuesta que prueba que ya hay intentos de acercamiento de la ciudad a la comunidad	didn't get that impression until now that I'm filling out this survey that proves that there are already attempts to get the city closer to the community

NO sé, no estoy segura, creo que no sé cómo integrarme	I don't know, I'm not sure, I just don't think I know how to integrate
Yo pienso que sí, pero a veces nosotros o comunidad Latina no nos unimos o interesamos en hacernos oír, o pedir ayuda, o ayudar, o involucrarnos en cosas de la ciudad que pueda impactar, o no sabemos como	I think so, but sometimes we or Latino community don't get together or are interest in making ourselves heard, or asking for help, or helping, or getting involved in things that can impact the city, or we just ddon't know how
Un poco hace falta más ayuda y unión en comunidad	little bit needs more help and union in community
Si pero lamentablemente no asistimos a los eventos importantes	Yes, but unfortunately, we don't attend major events
No, porque no hay programas de educación en español, y hay muchas personas que no dominan el inglés y es una barrera para su desarrollo personal y económico.	No, because there are no Spanish education programs, and there are many people who do not master English and it is a barrier to their personal and economic development.
No se mucho pero, no lo creo, no lo siento	I don't know much but, I don't think so, I'm not sorry
Si depende de uno. Gracias Kirkland Promotores	If it depends on one. Thank you, Kirkland Promotoras
no creo mucho porque no saben lo que queremos si no hay muchos que entiendan o hablen mi idioma	I don't believe much, because they don't know what we want and there aren't that many who understand or speak my language (At the City)
No porque no ay servicios para Latinos ni centros comunitarios en Kirkland	because there aren't services for Latinos or, community centers in Kirkland
No tanto como en otras ciudades como Tukwila o Seattle.	Not as much as in other cities like Tukwila or Seattle.

Latinos	Latinos			
saber más de la comunidad	know more about the community			
Saber de mi comunidad de Kirkland lugar donde vivo	To know about my Kirkland community, the place where I live			
Para que se nota más la comunidad Latina en Kirkland	To make the Latino community in Kirkland more noticeable			
Saber de qué se trataba la información q podía obtener de mi comunidad	To know what information I could learn about my community			
Que la ciudad nos quiere tomar en cuenta.	That the city wants to take us into account.			
El apoyo para mi comunidad y la ayuda que necesitamos todos los Latinos, hispanos y obviamente la tarjeta de \$30 de ayuda que necesito para mi familia por qué necesitamos ayuda para comprarnos comida	To support my community and the support all Latinos, Hispanics need and obviously the \$30 gift card I need for my family because we need help buying food			
La ayuda que están brindando los \$30 y gracias por tomarnos en cuenta con esa ayuda que estaremos recibiendo y beneficiándonos y ayudándonos para podernos comprar comida en esta pandemia y en	The help that the \$30 gift card is providing and thank you for taking into account us with that help that we will be receiving and benefiting and helping us to buy food in this pandemic and it is actually worth			
realidad vale la pena hacerla por la ayuda que nos están brindando a toda nuestra raza Latina. Muchísimas gracias de todo corazón.	doing it for the help they are giving us to our entire Latino race. Thank you very much wholeheartedly.			
Dios los bendiga a todos los colaboradores y por tomarnos en cuenta en nuestra comunidad.	God bless all collaborators and for taking us, our community into account.			
Quiero que mi comunidad prospere y este más involucradas con lo que está pasando en la ciudad de Kirkland.	I want my community to thrive and be more involved with what's going on in the city of Kirkland.			

Participar en un proyecto que puede beneficiar a los Latinos en Kirkland.	Participate in a project that can benefit Latinos in Kirkland.			
Mi opinión para más servicios a la comunidad Latina.	My opinions about more services for the Latino community.			
La necesidad q está en estos momentos al principio pero después el poder dar una perspectiva diferente de mi forma de pensar	The current situation, the needs at the moment at first, but then being able to provide a different perspective on my way of thinking			
Mejoras para mi comunidad Latina	Improvements for my Latino community			
Para conocer los tipos de Program as a los que podemos acudir si necesitamos ayuda	To know the types of Program (from the City) that we could go to if we need the assistance			
Tengo interés en ser voluntario y aprender más cosas	I'm interested in volunteering and learn more			
Para que la comunidad hispana sea tomada en cuenta	For the Hispanic community to be taken into account			
Necesitamos elevar y que se tome en cuenta a la comunidad Latina en Kirkland	We need to elevate and take into account the Latino community in Kirkland			
quiero que se nos tome en cuenta	I want us to be taken into account			
Compartir mi punto de vista	Share my point of view			
Me motivo mi hermano a participar	My brother is my reason for participating			
Me gustaría estar más comunicada con la comunidad Latina de Kirkland y poder ofrecerles mis servicios (Negocios)	I would like to be more connected to Kirkland's Latino community and to be able to offer you my services (business)			
La ayuda q nos brindan	The help they give us			
Aportar	To contribute			
Para poder mejorar la ciudad de Kirkland y para nosotros los Latino	To be able to improve the city of Kirkland and for us Latinos			
quiero apoyar este proceso	I want to support this process			
El promotor comunitario	The community Promotor			
el titulo	The title (on the flyer)			
Mire los avisos sobre la encuesta en la comunidad	I saw notices about the survey in the community			
Me intereso cuando lo vi el anuncio	I was interested when I saw the flyer			
Conocer más de los proyectos o programas sociales en Kirkland	Learn more about social projects or programs in Kirkland			
Tarjeta de regalo de \$30 dólares	The \$30 gift card			
quiero que se nos tome en cuenta	I want us to be taken into account			
Me intereso pensar que podemos hacer cambios en las pólizas y acciones de equidad de la ciudad	It interested me to think that we can make changes to the city's policies and equity actions			

Mi esposa	My wife			
Pues por la ayuda de la tarjeta de 30 dólares en estos momentos es	the help of the \$30 gift card right now it's hard for me because I			
difícil para mí porque no trabajo mucho y para comida	don't work much, and this will help with food			
Lo que me animó a participar fue el interés por la opinión de la	What encouraged me to participate was the interest in the opinion			
comunidad hispana-Latina	the Hispanic-Latino community			
quiero que se nos tome en cuenta y apoyar a la comunidad Latina de Kirkland	I want to be taken into account and support the Latino community Kirkland			
me dio gusto saber que están haciendo esto en español para nuestra	I was glad to know that you're doing this in Spanish for our			
comunidad	community			
Temas para Latinos	Topics for Latinos			
Que veamos/tengamos cambios	That we see/have changes			
Formar parte de esta comunidad y poder conocer y participar de los	To be part of this community and know and participate in community			
programas comunitarios.	programs.			
por lo que se necesita en esta comunidad	so it's needed in this community			
el apoyo entre nosotros	To support each other			
Que la promotora me conto	That the Promotor told me, and I want them (the City) to know that			
y quiero que sepan que tenemos voz	we have a voice			
Porque quiero lo mejor para los amigos	Because I want what's best for friends

Recomendación y ayuda que necesitaba mi amiga, La encuesta es en	Recommendation and help my friend needed, The survey is in			
español, La tarjeta de regalo, y ayuda a la comunidad Latina	Spanish, The Gift Card, and helps the Latino community			
Para apoyar a la comunidad Latina	support the Latino community			
Me gustaría participar en encuestas y es un buen estímulo que den	I like to participate in surveys, and it is a good encouragement to			
tarjeta de regalo.	provide a gift card.			
TENER EN KIRKLAND MAS SERVICIOS, MI INTERES PARA NO VIAJAR	TO HAVE MORE SERVICES IN KIRKLAND, I AM INTERESTED NOT			
TAN LEJOS PARA CONSEGUIR LO QUE NECESITO.	TRAVELING SO FAR TO GET (the services) THAT I NEED.			
Honestamente la tarjeta porque la situación está difícil!	Honestly, the card, because the situation is difficult!			
El apoyo a la comunidad	Community support			
Apoyar a mi amiga	Supporting my friend			
A ver si hay mejoras en un futuro. Y Angelica (Promotora) me motivo!	See if there are any improvements in the future. And Angelica			
	(Promoter) motives me!			

Estar informada	Being informed			
Angelica (Promotora)	Angelica (Promoter)			
Angelica (Promotora)	Angelica (Promoter)			
Ver que la comunidad tenga voz y voto	To see that the community have a voice and vote			
Angelica	Angelica			
Solo porque me intereso	Just because it interested me			
Mi amiga Angelica Salgado y por q yo visito y trabajo en Kirkland	My friend Angelica Salgado and because I work and visit Kirkland			
Que en estos tiempos no tenemos mucho trabajo y necesitamos ayuda con lo que se pueda y nos puedan ayudar	That in these times we don't have much work and we need help with what we can and can help us			
Los nuevos proyectos de ayuda Latina y tomar en cuenta sus necesidades	The new Latino assistance projects and to take into account their (community) needs			
Para dar mi opinión	To give my opinion			
El poder decir y q quizás sea escuchada mi voz	Being able to say that maybe my voice will be heard			
Mi amiga me animo	My friend encouraged me			
Que se tome en cuenta a la comunidad Latina	Let the Latino community be taken into account			
Que la comunidad Latina crezca en Kirkland	Let the Latino community grow in Kirkland			
Que quieran saber las necesidades de nosotros los Latinos	That they (the City) want to know our needs			
Porque están tomando a la comunidad Latina encuentra	Because they're taking the Latino community into account			
Ver que pongan más programas e información Angelica salgado	See them (the city) add more programs and information Angelica Salgado			
Compartir	Share			
Saber que había alguien interesado en la comunidad hispana aquí en Kirkland.	Knowing that there was someone interested in the Hispanic community here in Kirkland.			
Hacer crecer nuestra comunidad	Growing our community			
sí quiero que hagan cosas para los más viejitos	I want them (the City) to do something for our elders			
Que me gustaría tener una comunidad Latina más grande y con más beneficios	That I would like to have a bigger Latino community and with more benefits			
Una amiga	A Friend			
Quisiera vivir sin más tranquila saber que mis hijos estarán bien.	I'd like to live without further a peace of mind knowing that my children will be fine.			

Necesidades	Needs		
necesidad	Need		
Hace poco tiempo llegue a Washington y es muy difícil vivir en un lugar sin hablar el idioma, sin manejar y conociendo muy poca gente.	I recently came to Washington and it is very difficult to live in a plac without speaking the language, without driving and meeting very fe people.		
Que nos tomen en cuenta y nos apoyen más, queremos un lugar a donde acudir cuando tengamos que pedir apoyo/ayuda	To be taken into account and supported more, we want a place to g when we have to ask for support/help		
Estamos en un cambio muy grande lo que era ya no es. La ciudad entiende que debemos hacer las cosas diferente y con más eficiencia a los que hacíamos antes. Esto incluye involucrar y consultar a la comunidad con todo lo que tenga que ver con esta!	We are going through a very big change What was is no longer. The city understands that we must do things differently and more efficiently than we did before. This includes engaging and consulting the community with everything that has to do with it!		
Porque me recuerda lo que yo he pedido antes y sé que si podemos crear programas que funcionen para los Latinos en Kirkland pues siempre me ha gustado cuando puedo compartir mi opinión	Because it reminds me of what I've asked for before and I know that we can create programs that work for Latinos in Kirkland because I've always liked it when I can share my opinion		
mejorar los programas	improve programs		
pues una amiga compartió mi número y me llamaron	because a friend shared my number and they called me		
Pues solo me llamaron y me explicaron de lo que se trataba y me anime a participar.	Well, they just called me and explained what it was about and encouraged me to participate.		
Compartieron mi número y me llamaron	They shared my number and they called me		
Se me hizo interesante	Is interesting to me.		
Apoyar a mi comunidad	Supporting my community		
la oportunidad de tener compartir mis ideas, sentires y sugerencias- Gracias!	the opportunity to have share my ideas, feelings and suggestions- Thank you!		
Ver que la ciudad se está interesando por nuestra comunidad Latina y que nos quiere involucrar gracias este es un buen paso	See that the city is taking an interest in our Latino community and that it wants to involve us thanks this is a good step		
Mi hija me dijo!	My daughter told me!		
Porque me gusta siempre participar	Because I like to always participate		
La tarjeta de regalo. =)	The gift card. =)		
Saber más sobre cómo funciona la ciudad y las oportunidades de dar apoyo en lo que se pueda	Learn more about how the city works and the opportunities to support what you can

MEMORANDUM

To: Kurt Triplett, City Manager

From: Joe Sanford, Fire Chief

Cherie Harris, Police Chief

Julie Underwood, Public Works Director

Kevin Raymond, City Attorney Heidi Brown, Legal Intern

Date: May 31, 2021

Subject: PUBLIC SAFETY UNMANNED AERIAL SYSTEMS TEST PROGRAM PROPOSAL

RECOMMENDATION:

It is recommended that the City Council receive a briefing on establishing a one-year Public Safety Unmanned Aerial System ("UAS") test program for the City of Kirkland ("City"). During the one-year testing period, this drone program would be utilized by three departments: Fire, Police, and Public Works. Staff is seeking Council feedback on the test drone program and a resolution formally approving the test program could be brought back to Council at its next regular meeting.

BACKGROUND DISCUSSION:

The Council approved development of a one-year test UAS program to improve public safety as part of the 2019-2020 budget. Due in part to the COVID-19 pandemic, development of the test program was delayed, but the Council's \$55,000 budget appropriation was carried over to 2021-2022. Since then, staff from the Fire, Police, and Public Works Departments, together with the City Attorney's Office, have been researching the feasibility of a test drone program and developing draft administrative policies to support its successful implementation.

The use of UAS drones in emergency response, public safety, and utilities monitoring contexts has become increasingly common. Emergency management organizations across the country are using UAS platforms to conduct damage assessments over large incident areas. Fire departments are implementing the use of UAS systems for hazard assessment and situational awareness during events, and the use of drones to locate missing persons during search and rescue operations has become a regularly used and helpful tool. Police departments are utilizing UAS systems to enhance community safety by providing safe, non-threatening, active incident observation capabilities in tactical situations that enhance safety, for example by creating greater physical distances between police officers and suspects during critical incidents.

UAS platforms are adaptable to meet multiple needs and can be shared by multiple departments. For example, they can utilize different optical systems, such as video and infrared, and be paired with existing information-gathering tools in some instances. As just one example, a drone can be paired with a police department's traffic investigation equipment, improving the

efficiency of the mapping and documentation of a serious collision and minimizing the amount of time a roadway might remain closed after the collision. The Washington State Patrol has deployed more than 75 UAS systems in the state, reportedly reducing the time needed to conduct on-site collision investigations by forty percent.

Staff has completed extensive research into federal and state laws, best practices and operational standards, and the regular use of drones by nearby agencies. The resulting draft policies, attached hereto as Exhibit A, incorporate guidance from the Federal Aviation Administration, the Washington Civil Liberties Union, and the National Fire Protection Association.

A City-wide administrative policy has been drafted that would govern all City uses under the pilot program, including with respect to privacy and public records and retention issues. Separate administrative policies have been developed for Fire, Police, and Public Works, each of which are consistent with and governed by the City-wide policy. Among other things, the policies make is clear that: 1) City drones will not be used for surveillance purposes; 2) facial recognition software will not be used; 3) drones will not be weaponized; and 4) privacy rights will be respected.

What follows is a summary of the draft policies attached hereto.

City-wide policy (Attachment 1)

The purpose of this policy is to establish the base requirements and guidelines for any UAS operated by a City employee, with a focus on safety, community benefits, and privacy considerations. In drafting this policy, staff referenced federal and state laws, FAA regulations and guidelines, and recommendations from civil rights organizations and other key stakeholders.

Under this policy, authorized uses include, but are not limited to, pre-emergency mitigation, such as monitoring landslide areas; ice monitoring; structural inspections; and community outreach. Function-specific uses are described in the department sections below.

Prohibited uses include random surveillance activities; targeting individuals based on immutable characteristics such as race; harassment, intimidation, or discrimination; and conducting personal business. Certain technologies are prohibited by this policy as well; for example, City drones may not be equipped with facial recognition technology or weapons.

This policy also covers logistics such as equipment considerations; how staff can become authorized to use the UAS; how video footage captured by the UAS is handled; records retention and reporting; and how the policy would be updated in the future.

Fire (Attachment 2)

This policy details the program logistics and primary uses for the Fire Department.

Examples of authorized uses for this department include, but are not limited to, searching for missing individuals; providing situational awareness to support fire ground operations; and aiding in water rescues.

Logistically, this policy covers procedures specific to the Fire Department, such as the department-specific chain of command.

Police (Attachment 3)

This policy details the program logistics and primary uses for the Police Department.

Examples of authorized uses for this department include, but are not limited to, criminal emergencies, such as a hostage situation; high-risk search warrants; and traffic and crime scene mapping.

Logistically, this policy covers procedures specific to the Police Department, such as the department-specific chain of command and adherence to additional laws covering law enforcement agencies, particularly regarding search warrants.

Public Works (Attachment 4)

This policy details the program logistics and primary uses for the Public Works Department.

Examples of authorized uses for this department include, but are not limited to, water tower inspections; flooding inspections; traffic flow monitoring; beaver activity monitoring; and inspections after geological issues, such as a landslide.

Logistically, this policy covers procedures specific to Public Works, such as the departmentspecific chain of command.

Funding approved by the City Council in the 2019-2020 service package (\$55,000, including \$30,000 ongoing and \$25,000 one-time) would support the purchase of one small training drone and one medium sized operational drone, as well as the required training and certification for UAS pilots and spotters. City staff trainings would meet the requirements of applicable federal Laws, FAA requirements, and Washington Administrative Code and National Fire Protection Agency provisions, and staff would be required to complete the necessary FAA Part 107 Waiver and Certificate of Authorization steps. Typical pilot training involves about 8 hours of on-line sessions and about 20 hours of in-person sessions, and department representatives would be trained as UAS pilots and spotters, and where appropriate they would also be crosstrained on polices and mission parameters to help ensure pilot and spotter availability.

The following chart depicts the estimated budget to begin the one-year test program:

ITEM	ONE-TIME	ON-GOING	
Training Drone	\$ 1,100		
Operational Drone	\$ 22,000		
Operational supplies		\$ 3,000	
FFA Courses		\$ 6,000	
Drone Training Course		\$ 10,000	

If approved, and following the proposed one-year UAS testing period, City staff would report back to the Council with results from the City's use of drones over that period, together with any recommendations related to a possible continuation and/or changes to the program.

City of Kirkland

Unmanned Aircraft System Policy

Purpose and Scope

The purpose of this general policy is to establish guidelines for City of Kirkland (City) use of an Unmanned Aircraft System (UAS), including any data collected as a result of using the UAS. Department policies may be more detailed and specific in specific instances, but they shall in all events be consistent with this general policy.

Definitions¹

- 1. Small unmanned aircraft system (small UAS)
 - a. A small unmanned aircraft [under 55 pounds] and its associated elements (including communication links and the components that control the small unmanned aircraft) that are required for the safe and efficient operation of the small unmanned aircraft in the national airspace system.
- 2. Unmanned Aircraft (UA)
 - a. An aircraft operated without the possibility of direct human intervention from within or on the aircraft.
- 3. Pilot in Command (PIC)
 - a. Pilot in command means the person who:
 - (1) Has final authority and responsibility for the operation and safety of the flight;
 - (2) Has been designated as pilot in command before or during the flight; and
 - (3) Holds the appropriate category, class, and type rating, if appropriate, for the conduct of the flight.
- 4. Visual Observer (VO)
 - a. A person who is designated by the remote pilot in command to assist the remote pilot in command and the person manipulating the flight controls of the small UAS to see and avoid other air traffic or objects aloft or on the ground.
- 5. Certificate of Waiver or Authorization (COA)
 - a. An authorization issued by the Air Traffic Organization to a public operator for a specific UA activity.

¹ Definitions from 14 CFR § 1.1, 14 CFR § 107.3, and faa.gov.

6. Blanket COA

a. Allows an agency to operate in uncontrolled airspace (Class G), under 400 feet above ground, within line-of-sight between UAS and operator, and in daylight only.

Policy

The UAS will be used to increase safety and efficiency, both for the public and for City personnel. All UAS operations will be conducted in strict accordance with the U.S. Constitution, the Washington State Constitution, and FAA regulations. This policy will govern an initial pilot program that will last approximately one year, with the goal of determining whether the City would benefit from a long-term UAS program. The initial pilot program will be funded through a 2019-2020 Service Package provided to the Fire Department but available for initial use by Fire, Police, and Public Works. The UAS will be available for emergency deployment 24 hours a day by these departments while assigned for all general purposes to the Fire Department Battalion Chief.

Privacy and Safety Considerations for UAS Operation

Operators of the UAS will consider potential privacy and safety concerns during each step of the operation and will make adjustments accordingly.

Before flight

Prior to each flight, the remote Pilot in Command (PIC) will consider any potential privacy issues or safety concerns. While Remote Pilots need not write down each foreseeable potential privacy issue or safety hazard, he or she will keep them in mind when operating the UAS. Further, they will be able to articulate these potential concerns to the Program Coordinator if requested, either before or after the flight. Additionally, the Remote Pilot may decline to use the UAS in a given situation based on privacy or safety concerns.

During flight

During each flight, the PIC will take care to help prevent and avoid any privacy issues or safety risks. Such in-flight precautions may include, but are not limited to, angling cameras away from certain areas, turning off certain technology capabilities, or calling off the flight entirely. A Visual Observer will assist the Remote Pilot with these in-flight precautions.

The Remote Pilot will adhere to FAA safety regulations. Further, the PIC will not intentionally record or transmit images of any location where a person would have a reasonable expectation of privacy, except in circumstances where a) there is an active emergency; or b) a high-risk warrant is being served.

After flight

All flights will be recorded in a Flight Log, which will be made available to the public on a monthly basis by the Program Coordinator. Publishing the Flight Log on the City website

will help provide transparency to the public by allowing concerned citizens to check if a particular UA was operated by the City. If a citizen is concerned that there may have been a privacy or safety issue, then they may request UAS footage from the City per the Public Disclosure Act.

If a privacy issue or safety violation occurs, the Remote Pilot's actions will be reviewed by the Program Coordinator. If the Program Coordinator determines that the violation was either unlawfully intentional or due to negligence, then the Remote Pilot may be required to undergo further training and/or may be removed from flight duties.

Privacy and Safety Considerations for UAS Equipment

Privacy

The City is taking privacy concerns seriously in choosing UAS equipment. The City's goal is to use the UAS in a manner that does not violate the privacy rights of others. For example, the City's intent is not to use the UAS for surveillance purposes except when providing support for risk assessment investigation at incidents or events. The City will demonstrate its commitment to privacy protection in part by refraining from equipping any UAS with facial recognition technology. No facial recognition technology will be added to any City-owned or operated unmanned aircraft.

Safety

The City is also taking safety concerns seriously in choosing UAS equipment. Regarding safety, the City will limit the UAS technology when necessary to improve public safety or provide community outreach materials. As a specific example, the City will never purchase or use any unmanned aircraft that are equipped with weapons.

Further, the purpose of the UAS is to increase situational awareness, which will improve safety. A few examples of how the UAS equipment can be used by the City to improve safety include the following:

- If a person is missing, a UAS can be used to quickly scan over large areas that would otherwise take a search party a substantial amount of time to comb through. Having an overhead perspective is particularly useful in fields and bodies of water. For example, if a boat is overturned on Lake Washington, the UAS thermal imaging camera can be used to quickly determine whether there is a person in the surrounding waters. A person's body temperature is contrasted with the water's temperature, so a person's outline becomes clearly visible on the UAS.
- If the police are serving a high-risk warrant, the unmanned aircraft can be used to help quickly locate a suspect. This reduces the risk to the suspect because police can quickly determine the threat level and location, which means they can use appropriate methods to apprehend the suspect with greater confidence. Additionally, the use of UAS reduces the risk to the officers because they know precisely what they're dealing with and the location of the suspect. Further, the use of the UAS reduces the risk to public bystanders because the police can immediately see if the suspect attempts to flee into a public space and adjust their response accordingly.

Authorized Uses

The primary goal when using the UAS is to increase both safety and efficiency. During the test program period, the UAS will be used to support Fire, Police and Public Works operations. All uses aside from the authorized uses below (such as assisting outside jurisdictions/agencies) of the UAS must be authorized in advance by a Department Director or their designee and be otherwise consistent with this policy. A Remote Pilot has the option to decline using the UAS in any given situation.

Examples of authorized uses may include, but are not limited to, the following:

- Water tower inspections
- Inspection after landslide, earthquake, or other geological issue
- Traffic flow monitoring at specific intersections/locations
- Beaver activity monitoring; dam/den locations, water flow and inundation
- Traffic collision scene mapping
- Crime scene mapping
- Search and rescue
- Fire monitoring
- Ice monitoring
- Pre-emergency mitigation, such as monitoring landslide areas
- Structural inspections (e.g. after a seismic event)
- Criminal emergencies, such as a hostage situation, a fleeing felon, or an armed suspect
- High-risk search warrants
- HAZMAT situations
- Community outreach
- Training

Prohibited Uses

The UAS will not be used for the following:

- To conduct surveillance activities except when providing support for risk assessment investigation at incidents or events
- To target a person based solely on individual characteristics such as, but not limited to, race, ethnicity, national origin, religion, disability, gender, sexual orientation, or immigration status
- To harass, intimidate, or discriminate against any individual or group
- To conduct personal business of any type

The City will ensure that the UAS is not used in any prohibited way by 1) restricting authorized operators to only those who have undergone the appropriate training and have received certification; 2) only permitting flights that have been authorized by a Department Director or their designee; 3) holding itself accountable to the public by releasing monthly Flight Logs; and 4) limiting the technological capabilities of the UAS.

Authorized Operators

The UAS will be operated only by personnel who have been trained and certified in the operation of the system and who are FAA Certified Remote Pilots. Remote Pilots may be sourced from the Fire, Police, and Public Works Departments for allowable uses.

Program Coordinator

The UAS Program will be overseen by a Program Coordinator within the Fire Department, who will be selected through a joint effort between Fire, Police, and Public Works. The Program Coordinator's duties will include the following:

- Working with project leads in other Departments participating in this program
- Ensuring that policies and procedures conform to current laws, regulations, and best practices
- Establishing a training standard for operators that meets FAA requirements
- Overseeing the selection and training of operators
- Ensuring that all Remote Pilots possess a Remote Pilot Certificate
- Obtaining, maintaining, and updating the COA with the FAA
- Overseeing procurement and maintenance of UAS equipment
- Authorizing UAS flights
- Reviewing UAS deployments to ensure compliance with policies and operating procedures
- Reviewing Flight Logs monthly

Flight Logs

All flights conducted with the UAS will be logged in a Flight Log, which will include such information as the purpose of the flight, date and time, weather (METAR & TAF), duration, and flight area. The purpose of the Flight Log is to promote transparency to the public and to help evaluate the efficacy of the program.

Remote Pilots will update the Flight Log in the City server's "H: drive" within 72 hours of a flight. The Flight Log will be posted on a monthly basis on the City of Kirkland website. The UAS Program Coordinator will review the Flight Log prior to it being posted.

Data retention

Data collected by the UAS will be retained in accordance with Washington State Records Retention Schedules and made available to requestors as required by the Washington Public Records Act, chapter 42.56 RCW (PRA).

By way of example, UAS video recordings made by the Police Department that do not capture an incident will be retained in accordance with state retention schedules for 90 days from the date of recording, after which the recordings may be destroyed. For UAS Police Department video recordings that do capture an incident, the recordings will be retained until the matter is resolved and the appeals process has been exhausted, after which the recordings may be destroyed. The Police Department will comply with the PRA and Kirkland Police Department Policy 804 (Records Maintenance and Release) regarding public records disclosure requests in all instances.

By way of further example, UAS video recordings made by the Fire Department that is used in a fire investigation will be retained in accordance state retention schedules, the PRA and Kirkland Fire Department Policy 713.

In the absence of a PRA or other legally binding request or demand, the Remote Pilot may review and edit photographs and video recordings to trim down unnecessary images/footage captured.

Updates to this policy

The City will consult with community groups pursuant to Resolution 5434 prior to making any substantive changes to this policy. "Substantive change" here means a modification to a clause in this policy which would affect the City's use of the UAS. For example, altering the data retention schedule based on updated guidance from the State of Washington would not constitute a substantive change, but deleting a clause from the "Prohibited Uses" section would constitute a substantive change.

Kirkland Fire Department

Kirkland Fire Department Policy Manual

Unmanned Aircraft Systems

713.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the use of an unmanned aerial system (UAS), subject to the provisions of the City of Kirkland (City) Unmanned Aircraft System Policy.

Define guidelines and requirements for safe operations of the UAS in support of Kirkland Fire Department (KFD) operations under FAA Part 107 and KFD obtained Part 107 waivers.

Establish that KFD and the City have a responsibility to not infringe on the rights or property of the citizens of Washington State.

Provide for the storage, retrieval and dissemination of images and data captured by the UAS.

Public Safety UAS shall be shared use equipment with Kirkland Police Department (KPD) or Public Works Department (PW).

713.2 DEFINITIONS¹

- 1. Small unmanned aircraft system (small UAS)
 - a. A small unmanned aircraft [under 55 pounds] and its associated elements (including communication links and the components that control the small unmanned aircraft) that are required for the safe and efficient operation of the small unmanned aircraft in the national airspace system.
- 2. Unmanned Aircraft (UA)
 - a. An aircraft operated without the possibility of direct human intervention from within or on the aircraft.
- 3. Pilot in Command (PIC)
 - a. Pilot in command means the person who:
 - (1) Has final authority and responsibility for the operation and safety of the flight;
 - (2) Has been designated as pilot in command before or during the flight; and
 - (3) Holds the appropriate category, class, and type rating, if appropriate, for the conduct of the flight.
- 4. Visual Observer
 - a. A person who is designated by the remote pilot in command to assist the remote pilot in command and the person manipulating the flight controls of the small UAS to see and avoid other air traffic or objects aloft or on the ground.
- 5. Certificate of Waiver or Authorization (COA)
 - a. An authorization issued by the Air Traffic Organization to a public operator for a specific UA activity.

DRAFT

6. Blanket COA

¹ Definitions from 14 CFR § 1.1, 14 CFR § 107.3, and faa.gov.

Kirkland Fire Department

Kirkland Fire Department Policy Manual

a. Allows an agency to operate in uncontrolled airspace (Class G), under 400 feet above ground, within line-of-sight between UAS and operator, and in daylight only.

713.3 POLICY

It shall be the mission of qualified and trained KFD personnel to use this resource to protect lives and property of the citizens within the jurisdiction of KFD.

Operations shall always be conducted in a constitutionally and legally sound manner and in compliance with Federal Aviation Administration (FAA) regulations. The UAS shall be utilized to protect/save life and property and detect possible dangers.

UAS shall support first responders in the following operations:

- Trail, still/swift water and technical rescue operations
- As an airborne platform for monitoring fire/wildland operations
- Search for lost/missing individuals
- Provide operational and situational awareness to support fire ground operations
- Aid with disaster assessment and recovery operations
- Support of HAZMAT and other specialty operations
- When requested by an Incident Commander
- Fire Investigations
- Training events
- Target hazards/pre-plans
- Crowd management

713.4 PROGRAM MANAGEMENT

The UAS program will be managed and administered by a Program Coordinator within KFD chosen jointly by KDF, KPD and PW. The Program Coordinator will report to the Deputy Chief of Administration and interact with program leads within Police and PW. The Program Coordinator shall:

- Evaluate policies and procedures for conformance with current laws, regulations and best practices and will have the following additional responsibilities:
- Coordinate the FAA Certificate of Waiver or Authorization (COA) application process
- Maintain current COA for department utilizing the UAS program
- Verify all authorized operators and required observers have completed all required FAA and department-approved training in the operation, applicable laws, policies and procedures regarding use of the UAS.
- Implement a system for public notification of UAS deployment.
- Recommend program enhancements, particularly regarding safety and information security.

Kirkland Fire Department

Kirkland Fire Department Policy Manual

713.5 PROCEDURES

UAS and operating equipment will be stored within and transported on Battalion 121.

Only authorized operators who have completed the required training shall be permitted to operate the UAS.

Daily and weekly operational checks shall be completed per the manufacturer's

recommendations. Primary flight operations will normally occur in KFD's jurisdiction/service area.

At no time will deployment of a UAS compromise operational capabilities or firefighter safety.

All flights to operate in uncontrolled airspace (Class G), under 400 feet above ground, within line-of-sight between UAS and operator, and in daylight only.

All flights shall be conducted within FAA Part 107 guidelines as well as under the terms of the Agency's Blanket COA.

Deployment of UAS assets and personnel for incident response shall be requested by an On-Duty Battalion Chief or Incident Commander.

The IC shall be responsible for providing the mission parameters to UAS operators.

If the Mission PIC determines that the use of the UAS would violate department policy or directives, the PIC shall inform the on-scene BC, Incident Commander or Senior Officer of the potential conflict along with recommendations for modifying the requested mission to conform to the department policies and procedures.

PIC are responsible for verifying mission parameters meet UAS operational criteria.

Operational considerations are:

- Proposed use of the UAS is within the capabilities of the UAS equipment and personnel
- Use of the UAS falls within the FAA regulations and City and Department policies
- UAS can be deployed safely given current situational and weather conditions
- Night operations flight conditions shall align with "Flying at Night" FAA UAS Guidelines
- Are sufficient trained and qualified personnel available to safely operate the UAS

Deployment of a UAS shall consist of, at a minimum, one PIC and one VO.

KFD operated UAV are not normally available for automatic or mutual aid deployments. Exceptions shall be approved by the Fire Chief or their designee.

All flights, operational checks and maintenance shall be logged by the PIC in the flight log.

713.5.1 PROHIBITED USE OF UAS

Personally-owned UAS shall not be used for City or Department deployments.

In addition to the Prohibited Uses set forth in the City's general policy (City of

Kirkland Fire Department

Kirkland Fire Department Policy Manual

Kirkland: Unmanned Aircraft System Policy), KFD UAS shall not be

weaponized and facial recognition software shall not be used.

Kirkland Fire Department UAS shall not be utilized to:

- At any time that would violate FAR Part 107, issued COA, this policy, or any other FAA regulation.
- Conduct random surveillance activities.
- Target a person based solely on individual characteristics, such as, but not limited to race, ethnicity, national origin, religion, disability, gender, sexual orientation, or immigration status.
- Harass, intimidate or discriminate against any individual or group.
- Conduct personal business of any type.

713.5.2 TRAINING

UAS Operators shall complete a KFD- approved course. Training programs shall include, as a minimum, the following components:

- FAA Ground School/Flight course
- Manufacturer recommendations for use, care and maintenance of UAS
- City and Department Policy on use of unmanned aircraft systems
- Operations test for UAS/piloting skills

713.6 DATA STORAGE

Any data, information, photographs, video or recordings of individuals, both in public and private, should be minimized and retained in a manner consistent with current privacy standards. All such data shall be maintained in accordance with State of Washington Retention Schedules and the requirements of the Washington Public Records Act, chapter 42.56 RCW.

Data shall be stored and catalogued by KFD incident number.

The Incident Commander of an emergency scene where drone(s) are deployed, shall be responsible for confirming digital media and imagery including video, pictures and thermal imaging collected during missions, are downloaded to the Agency server for reference and records retention.

Digital/imagery data will be downloaded within twenty-four (24) hours of the end of the mission(s).

713.7 DOCUMENTATION

The care, maintenance and use of UAS shall be documented in flight logs.

All flights, training or deployments shall be documented in UAS flight logs.

713.7.1 INCIDENT DOCUMENTATION

Use of UAS shall be documented as part of the incident report narrative.

Kirkland Fire Department

Kirkland Fire Department Policy Manual

The requesting IC shall document their request and considerations for the use of UAS.

The PIC shall document use, flight profile and findings as part of the narrative.

713.7.2 FLIGHT DOCUMENTATION

PIC shall be responsible for all flight documentation.

Flight documenting shall include:

- Mission/purpose
- Identify PIC and VO
- Specify Incident or training
- Duration of flight

E-Page 409 ATTACHMENT 3

Kirkland Police Department

Kirkland PD Policy Manual

Unmanned Aerial System (UAS) Operations

613.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the use of an unmanned aerial system (UAS) and for the storage, retrieval and dissemination of images and data captured by the UAS, subject to the provisions of the City of Kirkland (City) Unmanned Aircraft System Policy.

613.1.1 DEFINITIONS1

- 1. Small unmanned aircraft system (small UAS)
 - a. A small unmanned aircraft [under 55 pounds] and its associated elements (including communication links and the components that control the small unmanned aircraft) that are required for the safe and efficient operation of the small unmanned aircraft in the national airspace system.

2. Unmanned Aircraft (UA)

a. An aircraft operated without the possibility of direct human intervention from within or on the aircraft.

3. Pilot in Command (PIC)

- a. Pilot in command means the person who:
 - (1) Has final authority and responsibility for the operation and safety of the flight;
 - (2) Has been designated as pilot in command before or during the flight; and
 - (3) Holds the appropriate category, class, and type rating, if appropriate, for the conduct of the flight.

4. Visual Observer

a. A person who is designated by the remote pilot in command to assist the remote pilot in command and the person manipulating the flight controls of the small UAS to see and avoid other air traffic or objects aloft or on the ground.

5. Certificate of Waiver or Authorization (COA)

a. An authorization issued by the Air Traffic Organization to a public operator for a specific UA activity.

6. Blanket COA

a. Allows an agency to operate in uncontrolled airspace (Class G), under 400 feet above ground, within line-of-sight between UAS and operator, and in daylight only.

¹ Definitions from 14 CFR § 1.1, 14 CFR § 107.3, and faa.gov.

613.2 POLICY

Unmanned aerial systems may be utilized to enhance the department's mission of protecting lives and property when other means and resources are not available or are less effective. Any use of a UAS will be in strict accordance with constitutional and privacy rights and Federal Aviation Administration (FAA) regulations.

613.3 PRIVACY

The use of the UAS potentially involves privacy considerations. Absent a warrant or exigent circumstances, operators and observers shall adhere to FAA altitude regulations and shall not intentionally record or transmit images of any location where a person would have a reasonable expectation of privacy (e.g., residence, yard, enclosure). Operators and observers shall take reasonable precautions to avoid inadvertently recording or transmitting images of areas where there is a reasonable expectation of privacy. Reasonable precautions can include, for example, deactivating or turning imaging devices away from such areas or persons during UAS operations. Facial recognition software shall not be used.

613.4 PROGRAM COORDINATOR

A Program Coordinator within the Fire Department will be appointed jointly by the Fire, Police and Public Works Departments, and shall be responsible for the management and administration of the UAS program. The Program Coordinator will coordinate with a project lead within Police to help ensure that policies and procedures conform to current laws, regulations and best practices and will have the following additional responsibilities:

- Coordinating the FAA Certificate of Waiver or Authorization (COA) application process and ensuring that the COA is current.
- Ensuring that all authorized operators and required observers have completed all required FAA and department-approved training in the operation, applicable laws, policies and procedures regarding use of the UAS.
- Developing uniform protocol for submission and evaluation of requests to deploy a UAS, including urgent requests made during ongoing or emerging incidents. Deployment of a UAS shall require written authorization of the Chief of Police or the authorized designee, depending on the type of mission.
- Developing protocol for conducting criminal investigations involving a UAS, including documentation of time spent monitoring a subject.
- Implementing a system for public notification of UAS deployment.
- Developing an operational protocol governing the deployment and operation of a UAS including, but not limited to, safety oversight, use of visual observers, establishment of lost link procedures and secure communication with air traffic control facilities.
- Developing a protocol for fully documenting all missions.
- Developing a UAS inspection, maintenance and record-keeping protocol to ensure continuing airworthiness of a UAS, up to and including its overhaul or life limits.
- Developing protocols to ensure that all data intended to be used as evidence are accessed, maintained, stored and retrieved in a manner that ensures its integrity as evidence, including strict adherence to chain of custody requirements. Electronic trails,

including encryption, authenticity certificates and date and time stamping, shall be used as appropriate to preserve individual rights and to ensure the authenticity and maintenance of a secure evidentiary chain of custody.

- Developing protocols that ensure retention and purge periods are maintained in accordance with established records retention schedules.
- Facilitating law enforcement access to images and data captured by the UAS.
- Recommending program enhancements, particularly regarding safety and information security.
- Ensuring that established protocols are followed by monitoring and providing periodic reports on the program to the Chief of Police.

613.5 USE OF UAS

Only authorized operators who have completed the required training shall be permitted to operate the UAS.

Use of vision enhancement technology (e.g., thermal and other imaging equipment not generally available to the public) is permissible when in compliance with a search warrant or court order or in qualifying exigent circumstances. In all other instances, legal counsel should be consulted.

UAS operations should only be conducted in compliance with City and Department policies, FAA regulations, and the terms of the COA.

613.6 PROHIBITED USES

In addition to the Prohibited Uses set forth in the City's general policy (City of Kirkland: Unmanned Aircraft System Policy), the UAS video surveillance equipment shall not be used:

- To conduct random surveillance activities.
- To target a person based solely on individual characteristics, such as, but not limited to race, ethnicity, national origin, religion, disability, gender, sexual orientation, or immigration status.
- To harass, intimidate or discriminate against any individual or group.
- To conduct personal business of any type.

The UAS shall not be weaponized.

613.7 RETENTION OF UAS DATA

Data collected by the UAS shall be retained as provided in the established records retention schedule. All such data shall be maintained in accordance with State of Washington Retention Schedules and the requirements of the Washington Public Records Act, chapter 42.56 RCW (PRA).

Specifically, UAS video recordings made by the Police Department that do not capture an incident will be retained for 90 days from the date of recording, after which the recordings may be destroyed. For UAS Police Department video recordings that do capture an incident, the recordings will be retained until the matter is resolved and the appeals process has been exhausted, after which the recordings may be destroyed.

The Police Department will comply with the PRA and Kirkland Police Department Policy 804 (Records Maintenance and Release) regarding public records disclosure requests.

E-Page 413 Attachment 4

Unmanned Aircraft Systems – Department Policy – Public Works Department

PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the use of an unmanned aircraft system (UAS) for research, marketing, inspections, or other Public Works (PW) Department requested projects, subject to the provisions of the City of Kirkland (City) Unmanned Aircraft System Policy. UAS can be utilized in circumstances which would save time and enhance data collection, increase project awareness, save life and property, and detect possible dangers and/or liabilities that could not otherwise be seen.

Define guidelines and requirements for safe operations of the UAS in support of Kirkland Public Works (PW) under FAA Part 107 and PW obtained Part 107 waivers.

Establish that PW and the City of Kirkland have a responsibility to not infringe on the rights or property of the citizens of Washington State. It shall be the intent of every PW UAS pilot to make a reasonable effort to not invade a person's reasonable expectation of privacy when operating the UAS.

Provide for the storage, retrieval and dissemination of images and data captured by the UAS.

DEFINITIONS

Small unmanned aircraft system (small UAS)

A small unmanned aircraft [under 55 pounds] and its associated elements (including communication links and the components that control the small unmanned aircraft) that are required for the safe and efficient operation of the small unmanned aircraft in the national airspace system.

Unmanned Aircraft (UA)

An aircraft operated without the possibility of direct human intervention from within or on the aircraft.

Pilot in Command (PIC)

Pilot in command means the person who:

(1) Has final authority and responsibility for the operation and safety of the flight; (2) Has been designated as pilot in command before or during the flight; and (3) Holds the appropriate category, class, and type rating, if appropriate, for the conduct of the flight.

Visual Observer (VO)

A person who is designated by the remote pilot in command to assist the remote pilot in command and the person manipulating the flight controls of the small UAS to see and avoid other air traffic or objects aloft or on the ground.

Certificate of Waiver or Authorization (COA)

An authorization issued by the Air Traffic Organization to a public operator (City of Kirkland or City) for a specific UA activity.

Blanket COA

Allows an agency to operate in uncontrolled airspace (Class G), under 400 feet above ground, within line-of-sight between UAS and PIC, and in daylight only.

POLICY

It shall be the mission of qualified and trained PW personnel to use the UAS resource to document major projects and provide aerial images/videos for the purpose of educating the community on capital improvement projects and to complete varied department inspections.

Operations shall always be conducted in a constitutionally and legally sound manner and in compliance with Federal Aviation Administration (FAA) regulations.

UAS shall support Public Works in the following operations:

- Water, wastewater, and surface water infrastructure inspection in easements which are inaccessible or have limited access
- Inspection after landslide, earthquake, or other geological issue
- Water tower inspections
- Flooding inspections
- Traffic flow monitoring at specific intersections/locations
- Beaver activity monitoring; dam/den locations, water flow and inundation
- Mitigation sites; plant percent coverage, survivorship verification on a more regular basis
- Capital Improvement Program community outreach
- Internal meetings for rapid project updates
- Record of existing conditions for capital improvement program projects

Interdepartmental requests require the authorization of Public Works Director and requesting department Director.

PROGRAM MANAGEMENT

A Program Coordinator within the Fire Department shall be chosen jointly by Fire, Police and Public Works, who will be responsible for the management and administration of the UAS program. A program lead within PW will report to the Deputy Public Works Director. The program lead shall:

Coordinate with the Program Coordinator within Fire.

Evaluate policies and procedures for conformance with current laws, regulations and best practices and will have the following additional responsibilities:

- Coordinate with citywide efforts for COA compliance
- Maintain current COA for Department UAS program
- Verify all authorized PIC and required VO's have completed all required FAA and departmentapproved training in the operation, applicable laws, policies and procedures regarding use of the UAS.
- Implement a system for public notification of UAS deployment.
- Recommend program enhancements, particularly regarding safety and information security.

PROCEDURES

Only authorized pilots who have completed the required training shall be permitted to operate the UAS.

Daily and weekly operational checks shall be completed per the manufacturer's recommendations.

At no time will deployment of a UAS compromise operational capabilities or PIC safety.

All flights to operate in uncontrolled airspace (Class G), under 400 feet above ground, within line-of-sight between UAS and operator, and in daylight only.

All flights shall be conducted within FAA Part 107 guidelines as well as under the terms of the Agency's Blanket COA, if applicable.

The UAS PIC shall be responsible for providing the mission parameters to Public Works Director, or their designee.

PIC is responsible for verifying mission parameters meet UAS operational criteria. Operational considerations are:

- Proposed use of the UAS is within the capabilities of the UAS equipment and personnel
- Use of the UAS falls within the FAA regulations and City and Department policies
- UAS can be deployed safely given current situational and weather conditions
- Night operations flight conditions shall align with "Flying at Night" FAA UAS Guidelines
- Qualified personnel available to safely operate the UAS
- Deployment of a UAS shall consist of, at a minimum, one PIC. If deemed necessary within the flight parameters, visual observer/s will be utilized in accordance with FAA guidelines.

All flights, operational checks and maintenance shall be logged by the PIC in the flight log.

PROHIBITED USE OF UAS

Personally-owned UAS shall not be used for City or Department deployments. Public Works UAS shall not be weaponized, nor shall it utilize facial recognition software.

In addition to the Prohibited Uses set forth in the City's general policy (City of Kirkland: Unmanned Aircraft System Policy), Public Works Department UAS flights shall not:

- Violate Temporary Flight Restrictions, FAA Part 107, issued COA, this policy, or any other FAA regulation.
- Conduct random surveillance activities.
- Target a person based solely on individual characteristics, such as, but not limited to race, ethnicity, national origin, religion, disability, gender, sexual orientation, or immigration status.
- Harass, intimidate or discriminate against any individual or group.
- Conduct personal business of any type.

TRAINING

UAS pilots shall complete department approved training course to obtain a drone pilots license. Training programs shall include, as a minimum, the following components:

- FAA Ground School/Flight other method of obtaining a drone pilot license
- Manufacturer recommendations for use, care and maintenance of UAS
- City and Department Policy on use of unmanned aircraft systems
- Operations test for UAS/piloting skills

DATA STORAGE

Any data, information, photographs, video or recordings of individuals, both in public and private, should be minimized and retained in a manner consistent with current privacy standards. All such data shall be maintained in accordance with State of Washington Retention Schedules and the requirements of the Washington Public Records Act, chapter 42.56 RCW.

Data shall be stored and catalogued by division standards within Public Works.

Digital/imagery data will be downloaded within seventy-two (72) hours of the end of the flight(s).

DOCUMENTATION

The care, maintenance and use of UAS shall be documented in flight logs. All flights, training or deployments shall be documented in UAS flight logs.

PIC shall be responsible for all flight documentation. Flight documenting shall include:

- Flight objective/purpose
- Identify PIC and VO, if applicable
- Time and duration of flight
- Approximate location of flight
- Weather recorded prior to flight, or METAR from Paine Field Airport

MEMORANDUM

To: Kurt Triplett, City Manager

From: Kevin Raymond, City Attorney

Leslie R. Miller, Human Services Supervisor

Date: June 7, 2021

Subject: AN ORDINANCE RELATING TO A TEMPORARY MORATORIUM ON

RESIDENTIAL TENANT EVICTIONS AND THE COVID-19 PANDEMIC

RECOMMENDATION:

That City Council, in response to its request of City staff, consider adopting the attached ordinance providing for a temporary moratorium on residential tenant evictions in Kirkland due to the COVID-19 pandemic. Governor Inslee's statewide moratorium on residential tenant evictions related to COVID-19 is scheduled to expire on June 30, 2021, and it is not known whether that state-wide moratorium will be extended. The attached ordinance would provide for a similar residential tenant eviction moratorium in Kirkland. It would be based on the City Manager's February 29, 2020 proclamation of emergency, ratified by the Council on March 3, 2020 through Resolution R-5411, and would extend through September 30, 2021.

BACKGROUND DISCUSSION:

The Governor's State of Emergency and the City Manager's Proclamation of Emergency related to the COVID-19 pandemic remain in effect. In the exercise of his emergency powers, Governor Inslee has imposed a general moratorium on the eviction of residential tenants due to the impacts of COVID-19. That moratorium, which applies in most circumstances other than those presenting an immediate risk to the health, safety or property of others due to the actions of a tenant, is set to expire on June 30, 2021, and Governor Inslee has not indicated whether the moratorium will be extended.

The COVID-19 pandemic has caused serious damage to the local and national economies, resulting in layoffs or significantly reduced working hours for thousands of individuals in Washington, including in Kirkland. These layoffs and reduced working hours have made it much more difficult for individuals in the state, including in Kirkland, to pay rent, increasing the possibility of homelessness in the event of eviction, and just as we appear to be emerging from the worst effects of the pandemic. In addition, may renters who have been harmed economically by COVID-19 are at further risk of eviction due to the lapse or expiration of their lease during the pandemic.

It has been estimated by the U.S. Census Bureau that as of May 2021 more than 84,000 households in the Seattle area alone are now behind in rent payments. The leases of many other renters have expired during the pandemic, leaving such renters dependent on a "month to month" legal relationship with their landlords, also heightening their risk of eviction.

According to the Board of Governors of the Federal Reserve System, close to half of all renters could not afford an unexpected expense of even \$400 at this time. These impacts are felt disproportionately by Black people and other people of color, with some groups currently experiencing reported unemployment rates of up to 39 percent in King County. Community members in Kirkland who have experienced a substantial reduction in income or a substantial increase in expenses due to COVID-19, especially including Black people and people of color, would benefit from continued protections against evictions based on nonpayment of rent through at least September 30, 2021, particularly if the Governor's eviction moratorium is not extended through at least that same period.

The moratorium is only proposed through September 30, 2021 at this time because there is significant federal and state help for both landlords and tenants becoming available. The American Rescue Plan Act (ARPA) contains billions of dollars for rental assistance for landlords and tenants. Washington State and King County have also recently appropriated hundreds of millions of dollars for rental assistance for landlords and tenants. Unfortunately, programs making the money available are still in development. Kirkland will have dedicated staff in the CMO and Parks and Community Services to help connect landlords and tenants to these funding programs as soon as possible. In addition, the state legislature also passed new tenant protections and access to legal services, but it may be several months before these new laws and programs are operational. This City moratorium is proposed to be in place while these funding and programmatic gaps remain. The additional months will also allow tenants more opportunity to recover economically from the impacts of the pandemic. The key goals of this short-term moratorium are to avoid an increase in homelessness and traumatic disruption to low-income families through eviction, while also providing financial relief to landlords. The City moratorium may be extended in the future if necessary.

This ordinance is based on the Governor's eviction moratorium and a model ordinance for cities prepared by the Housing Justice Project (HJP). This ordinance is strongly supported by the Eastside Legal Assistance Program (ELAP), with whom the City contracts to provide legal assistance to low-income members of the Kirkland community, and by Eastside for All.

Under the ordinance, a renter in Kirkland would have an affirmative defense in the event of eviction for lapse or expiration of lease or nonpayment of rent during the City's proclamation of emergency and through at least September 30, 2021, if the renter can demonstrate adverse COVID-19 financial impacts. Notice of this eviction moratorium would be required to be provided to renters by landlords as part of any notices related to lapse or expiration of lease or nonpayment of rent or eviction. Similarly, the ordinance would limit the imposition of late fees or other charges under these circumstances.

As noted, this ordinance is brought forward for Council consideration based on Council's request for draft legislation related to residential tenant evictions in Kirkland due to COVID-19. It should be noted that the model ordinance prepared by the HJP includes additional provisions that are not specifically related to COVID-19, and which are not included here. Those provisions, or others, could be brought forward in the future if requested by the Council.

For example, the model HJP ordinance recommends providing residential tenants with additional eviction protections even in circumstances unrelated to COVID-19 if the renter has applied for rental assistance and is awaiting approval and the renter's landlord has first attempted, unsuccessfully, to secure rental assistance, e.g. through the state's landlord mitigation fund.

A second model ordinance that significantly broadens protections unrelated to the COVID-19 pandemic was provided by the HJP in conjunction with ELAP and Eastside for All. This ordinance is not presented as part of this action but might also be considered by the Council in the future. Those provisions include those related to "just cause" evictions; rent increases;

advance notice of rent increases; caps on move-in fees; changes to rental "due dates" based on a tenant's fixed income schedule; bars against discrimination due to immigration status including the requirement that a social security number be provided with a rental application; and a ban against "abusive, deceptive, and unfair practices" in rental housing.

Lastly, the American Rescue Plan Act (ARPA) contains a variety of programs to help households, businesses, and landlords, some of which are specifically focused on eviction prevention. Staff is researching these programs to help determine the most effective way for the City to help connect those in need with these resources.

Attachment: Ordinance

Publication Summary

ORDINANCE 0-4759

AN ORDINANCE OF THE CITY OF KIRKLAND RELATING TO A TEMPORARY MORATORIUM ON RESIDENTIAL TENANT EVICTIONS AND THE COVID-19 PANDEMIC.

WHEREAS, on February 29, 2020, Governor Inslee issued Proclamation 20-05, proclaiming a State of Emergency for all counties throughout the state of Washington as a result of the coronavirus disease 2019 (COVID-19) outbreak in the United States and confirmed person-to-person spread of COVID-19 in the state; and

WHEREAS, as a result of the worldwide spread of COVID-19, its significant progression in the state of Washington, and the high risk posed to our most vulnerable populations, Governor Inslee issued amendatory Proclamations 20-06 through 20-50 exercising his emergency powers under RCW 43.06.220 by prohibiting certain activities and waiving and suspending specified laws and regulations; and

WHEREAS, on February 29, 2020, the City Manager did execute a Proclamation of Emergency related to COVID-19, which proclamation was thereafter ratified by the City Council through Resolution R-5411 on March 3, 2020; and

WHEREAS the Governor's State of Emergency and the City Manager's Proclamation of Emergency remain in effect; and

WHEREAS, the COVID-19 pandemic caused a sustained global economic slowdown, including an economic downturn throughout the state of Washington, with significant numbers of layoffs and reduced work hours for a significant percentage of our workforce due to substantial reductions in business activity which have impacted commercial sectors that support our state's economic vitality, including such impacts to the small businesses that help the state's economy thrive; and

WHEREAS, many workers impacted by these layoffs and substantially reduced work hours have suffered economic hardship, resulting in the inability to pay for basic household expenses, including rent; and

t

WHEREAS, the inability to pay rent by these members of our workforce increases the likelihood of eviction from their homes, potentially leading to homelessness and threatening a new public health crisis just as communities are beginning to recover from COVID-19; and

WHEREAS, many renters with an inability to pay rent due to COVID-19 may also face an increased likelihood of eviction due to the lapse or expiration of their leases; and

WHEREAS, in King County, including in Kirkland, people of color have been disproportionately impacted by the economic shutdown, with some groups experiencing reported unemployment rates of up to 39 percent in King County; and

WHEREAS, only 57 percent of renters could afford even a \$400 unexpected expense according to the Board of Governors of the Federal Reserve System's "Report on the Economic Well-Being of U.S. Households in 2019, Featuring Supplemental Data from April 2020"; and

WHEREAS, the Seattle Times on June 4, 2021 reported that a May 2021 survey by the U.S. Census bureau estimated that 126,106 households, or 8 percent of renters across Washington and 84,808 households, or 9 percent, in the Seattle area are now behind on rent; and

WHEREAS, Governor Inslee's State of Emergency Proclamation 20-19 related to Evictions and Related Housing Practices, as amended, is set to expire on June 30, 2021; and

WHEREAS, in order to avoid a large increase in evictions and homelessness related to nonpayment of rent or lapse of lease during the pandemic, it is necessary to provide interim eviction protections to residential tenants in Kirkland who have faced loss of income due to COVID-19 in the event State of Emergency Proclamation 20-19, as amended, is not extended beyond the end of June 2021.

NOW, THEREFORE, the City Council of the City of Kirkland do ordain as follows:

<u>Section 1</u>. In any action for unlawful detainer due to nonpayment of rent, it shall be a defense that the unpaid rent

became due during the Emergency Proclamation and through September 30, 2021 and was unpaid because of a substantial reduction in household income or a substantial increase in expenses resulting from the COVID-19 pandemic. In any action for unlawful detainer due to lapse or expiration of lease, it also shall be a defense that such lease lapsed or expired during the Emergency Proclamation and through September 30, 2021 when the tenant has experienced a substantial reduction in household income or a substantial increase in expenses resulting from the COVID-19 pandemic. In both instances, this includes, but is not limited to, where, as a result of the pandemic, the tenant suffered a loss of employment or a reduction in hours, was unable to work because their children were out of school, was unable to work because they were sick with COVID-19 or caring for a household or family member who was sick with COVID-19, they were complying with a recommendation from a public health official or agency to self-guarantine, including to avoid the risk of medical complications to themselves or others, or they incurred substantial out of pocket medical expenses due to COVID-19. Any notice served on a residential tenant demanding rent that became due during the Emergency Proclamation and through September 30, 2021 shall include the following statement in bold underlined 12point type: "You may not be evicted for rent that became due during the City of Kirkland's Proclamation of Emergency if your lease lapsed or expired or the rent was unpaid because of a substantial reduction in household income or a substantial increase in expenses related to the COVID-19 pandemic. This does not relieve you of the obligation to pay back rent in the future." Nothing in this section shall relieve the tenant of liability for unpaid rent.

Section 2. Notwithstanding any lease provision to the contrary, for residential tenancies, no late fees or other charges arising out of such lapse or expiration of lease or nonpayment of rent, including those incurred for the collection of such rent, may be imposed against any tenant for lapse or expiration of lease or for rent that became due during the Emergency Proclamation and through September 30, 2021.

118

119

120

121

122

123

<u>Section 3</u>. Until no earlier than September 30, 2021, a landlord shall not seek to remove a tenant from a residential property unless the landlord attaches an affidavit with an eviction or termination of tenancy notice attesting that the action is necessary to respond to a significant and immediate risk to the

health, safety, or property of others created by the resident or showing that at least 60 days' written notice were provided of the property owner's intent to (i) personally occupy the premises as the owner's primary residence or (ii) sell the property. Any such 60-day notice of intent to sell or personally occupy shall be in the form of an affidavit signed under penalty of perjury. For purposes of this ordinance, a "significant and immediate risk to the health, safety, or property of others created by the resident" (a) is one that is described with particularity; (b) as it relates to "significant and immediate" risk to the health and safety of others, including any behavior by a resident which is imminently hazardous to the physical safety of other persons on the premises (RCW 59.18.130) (8)(a)); (c) cannot be established on the basis of the resident's own health condition or disability; (d) excludes the situation in which a resident who may have been exposed to, or contracted, the COVID-19, or is following Department of Health or other relevant health official or agency guidelines regarding isolation or guarantine; and (e) excludes circumstances that are not urgent in nature, such as conditions that were known or knowable to the landlord, property owner, or property manager pre-COVID-19 but regarding which that entity took no action.

<u>Section 4</u>. For purposes of this ordinance, the following definitions shall apply:

- (a) "Landlord" shall have the same definition as that found in RCW 59.18.030(15) and RCW 59.20.030(6).
- (b) "Rent" shall have the same definition as RCW 59.18.030(28).
- (c) "Tenant" shall refer to any individual renting a dwelling unit or lot primarily for living purposes, including anyone with a tenancy subject to RCW 59.18 or RCW 59.20.

<u>Section 5</u>. If any provision of this ordinance or its application to any person or circumstance is held invalid, the remainder of the ordinance or the application of the provision to other persons or circumstances shall not be affected.

Section 6. This ordinance shall be in force and effect five days from and after its passage by the Kirkland City Council and publication pursuant to Kirkland Municipal Code Section 1.08.017 in the summary form attached to the original of this ordinance and by this reference approved by the City Council.

MEMORANDUM

To: Kurt Triplett, City Manager

From: James Lopez, Deputy City Manager, External Affairs

Christine Hendrickson, Web and Multimedia Specialist

Date: June 4, 2021

Subject: Proposed language of the Kirkland Cultural Arts Commission (KCAC) governing

documents, including the Bylaws, amended in accordance with Resolution R-5470 and Resolution R-5478, and the City's Public Art Policy Guidelines, revised to align with Resolution R-5434 § 3e while increasing efficiency of

operations.

RECOMMENDATION:

That the City Council approves by motion:

- 1) The proposed version of the Kirkland Cultural Arts Commission Bylaws as amended to reflect the Council's recent adoption of Resolution R-5478 setting the number of Commissioners and the appointment process; and
- 2) The proposed version of the Public Art Policy Guidelines revised to align with Resolution R-5434 section § 3e.

By approving the motions, these documents will be approved.

BACKGROUND DISCUSSION:

On March 5, 2021, the Council updated its policies and procedures through the adoption of Resolution R-5470. Chapter 8 of the Council's amended policies and procedures limits the City advisory boards and commissions to a maximum of seven (7) or eight (8) members and requires that all members are appointed by the City Council. Next, on May 18, the Council approved Resolution R-5478, which governs the Kirkland Cultural Arts Commission (KCAC) and was crafted in harmony with the Council's updated policies and procedures (R-5470). R-5478 reduced the membership from 13 to eight and vested appointment authority exclusively with the Council.

At the May 18 Council meeting, staff also indicated the need to return to Council in June to present the final proposed language for two additional documents governing the Cultural Arts Commission: the KCAC Bylaws, and the City's Public Art Policy Guidelines. These documents have been amended and enhanced to embrace both the Council's vision for boards and commissions as well as the Council's desire to expand diversity of public art, symbols, special events and City programming pursuant to Resolution R-5434 section § 3e.

Beyond the alignment with R-5434, the revised Public Art Policy Guidelines improve efficiencies and mark a more direct cohesion with actual operating procedures. In order to most effectively communicate the changes, staff has included a clean draft of the existing KCAC Bylaws (attachment A), a clean draft of the proposed changes to the Bylaws (attachment B) and a document showing the tracked changes between the documents (attachment C). Similarly, staff has included a clean draft of the existing Public Art Guidelines (attachment D), a clean draft of the proposed changes to the Guidelines (attachment E) and a document showing the tracked changes between the documents (attachment F).

Summarization of Key Changes

KCAC Bylaws:

The existing Bylaws have been distilled to separate KCAC governing policy elements from provisions more related to public art acquisition and implementation. As a result, the Bylaws reflect KCAC governing policy as guided by R-5478, while items more appropriate for the Public Art Policy Guidelines have been redirected as such. The updated Bylaws are more concise than the existing Bylaws, bringing cohesion and clarity to KCAC operations.

The most substantive changes to the current KCAC Bylaws relate to the number of seats on the KCAC and required criteria for certain seats. Prior to the passage of R-5478, the KCAC could have up to 13 and no fewer than seven members, with a portion of those members appointed by the City Council and a portion of those appointed by the KCAC.

The updated Bylaws mirror R-5478 by reducing the size of the KCAC to seven members plus one youth member, with all the seats appointed by the Council. Further, the existing appointment criteria has been removed. Previously, the KCAC desired certain seats to be filled by individuals who met specific criteria, such as "artist," or those with expertise in "cultural heritage" and/or "public art." These criteria have been removed to both reduce complexity and to improve opportunity for inclusivity, diversity and equity on the KCAC.

Public Art Policy Guidelines:

The Public Art Policy Guidelines have been modernized, streamlined, and enhanced to embrace Resolutions R-5240 and R-5434 and improve efficiencies across the realm of public art in the City of Kirkland. Key changes include:

A. Inclusion of a racial equity statement:

Background

The Kirkland City Council acted in August of 2020 in response to community calls for the City to demonstrate that Black lives matter and help end structural racism. The City committed to several actions intended to improve the safety and respect of Black people and to examine and dismantle structural racism in Kirkland. Among other actions, the City was to develop accountability strategies for evaluating whether public art, public symbols, special events and City programming in Kirkland are welcoming to all community members, as well as expanding the diversity of public art, symbols, events and programming to be more inclusive.

Racial Equity Statement

The KCAC, in alignment with the City Council, seeks to dismantle structural racism in Kirkland. The KCAC affirms that all people, their cultures, and their art contribute to the meaning and understanding of our shared humanity and should be honored and celebrated. The KCAC strives to proactively solicit and curate art that reflects the diversity of the Kirkland community, encourages a sense of belonging for all people, and supports the expression of historically marginalized communities. The art created by Black, Indigenous, and People of Color performs a unique role in our community and helps provide inspiration to resolve societal inequity and injustice. This important work of bringing equity to art is pivotal to the KCAC's efforts to confront injustices of the past and reveal inequities of the present in order to build a more diverse, inclusive collection of public art, now and in the future.

B. A shift in emphasis from maintaining cohesion with the City's existing public art collection to instead an emphasis on cultivating a vibrant collection that reflects the diversity of the Kirkland community, encourages a sense of belonging for all people, and supports the expression of historically marginalized communities. A substantive excerpt from the proposed policy guidelines is provided below:

Proposed public art acquisitions and commissions shall be reviewed by the KCAC with recommendations to the City Council as appropriate. A recommendation will be requested from affected boards, commissions, organizations, and associations when appropriate.

Proposed public art acquisitions and commissions will be evaluated on the following:

- 1. The quality and aesthetic merit of the artwork.
- 2. Context within the City collection should be considered with the following criteria:
 - a. Does the artwork add diversity, convey artistic expression rooted and reflective of historically marginalized communities by artists from those communities, or enhance existing collections?
 - b. How does the piece engage the public?
 - c. Are the materials appropriate?
 - d. Is the piece susceptible to vandalism or graffiti?
- 3. Coordination with the Park Board or other affected commissions and departments concerning siting, costs of installation, and maintenance of artwork.
 - a. Availability of an appropriate site.
 - b. Appropriateness in size, scale, material, form and style for the area in which it is to be placed.
 - c. Condition, durability, installation, and maintenance requirements of the artwork.
- 4. Donor conditions, if applicable.
- 5. If applicable, loaned artwork can be purchased if there is sufficient public support to acquire it via public fundraising or City Council action.

Other Considerations:

• Whenever appropriate, siting decisions may be determined by a public art jury made up of surrounding neighbors, businesses, or associations (e.g., business or neighborhood) impacted by an artwork location.

- Priority will be given to artists based within the greater Puget Sound region.
- For a work proposed for loan to the City, the owner or owner's representative
 will be required to enter into an Art Display Agreement setting forth the length of
 the loan and other terms such as location, maintenance requirements, insurance,
 value of art work, installation and removal responsibility, and other conditions
 pertinent to the agreement.
- Donated or loaned artwork will include identifying plaques if accepted by the City.
- Donated or loaned art may be declined at the discretion of the City consistent with the criteria in the public art policy guidelines.
- All accepted donated works become part of the City art collection and, as such, may be relocated.
- Unrestricted monetary donations to help fund public art acquisitions will be
 accepted at any time. Donations with conditions or restrictions such as use for
 acquisition of a specific artwork or theme will be reviewed and accepted in
 accordance with this policy and declined if the conditions or restrictions are not
 approved.
- The KCAC may form a diversity, equity, and inclusion subcommittee to help guide its process to examine and seek to expand the diversity of the City's public art.
- C. A streamlined process for art acquisition and commission, bringing clarity to the process based on the type of art and its monetary value.

Recommendation to Council

The KCAC will be asked to recommend to Council any acquisitions or commissions that are:

- 1) permanent art (≥2 years), regardless of the purchase price;
- 2) temporary art (<2 years) the City will be spending \$7,500 or more to purchase;
- 3) ephemeral art (<60 days) the City will be spending \$7,500 or more to purchase;
- 4) acquired through the 1% for Art program; OR
- 5) a gift or loan of artwork valued at \$7,500 or more.

Nothing in these guidelines limits the City Manager's authority to bring art proposals to the Council even if the KCAC opposes or does not provide a recommendation on the acquisition.

Recommendation to the City Manager

The KCAC may be asked to recommend to the City Manager any acquisitions or commissions that are:

- 1) ephemeral art (<60 days) the City will be spending under \$7,500 to purchase;
- 2) temporary art (<2 years) the City will be spending under \$7,500 to purchase; OR
- 3) a gift or loan of artwork valued under \$7,500.

Separately from acquisitions, subject to the approval of the City Manager, the KCAC will have the authority to direct expenditures for cultural or arts-related programs or events using 4Culture art grants funding.

The City Manager may, from time to time, rely on the KCAC for advice regarding other cultural or arts-related programs or events.

NEXT STEPS:

Staff recommend that the City Council approves by motion:

- 1) The proposed version of the Kirkland Cultural Arts Commission Bylaws as amended to reflect the Council's recent adoption of Resolution R-5478 setting the number of Commissioners and the appointment process; and
- 2) The proposed version of the Public Art Policy Guidelines revised to align with Resolution R-5434 section § 3e.

Attachment A: Kirkland Cultural Arts Commission Bylaws (Current)
Attachment B: Kirkland Cultural Arts Commission Bylaws (Proposed)
Attachment C: Kirkland Cultural Arts Commission Bylaws (Track Changes)
Attachment D: City of Kirkland Public Art Policy Guidelines (Current)
Attachment E: City of Kirkland Public Art Policy Guidelines (Proposed)
Attachment F: City of Kirkland Public Art Policy Guidelines (Track Changes)

Kirkland Cultural Arts Commission BYLAWS

Article I: Name. The name of the Commission shall be the Kirkland Cultural Arts Commission.

Article II: Purpose: The primary purpose of the Kirkland Cultural Arts Commission (KCAC) shall be to advise the City Council on public art acquisitions and loans, and review and recommend projects under the City's "one percent for the arts" program. After consultation with the City Manager, and based on the availability of resources, the KCAC may also promote strategic planning and development for arts, culture, and heritage in the community, including implementation of projects.

Article III: KCAC Body

Section 1. Membership and Selection

- a. The KCAC shall be appointed by the Kirkland City Council and the KCAC: There will be no fewer than 7 members and no more than 13 members of the KCAC. The City Council shall appoint members 1-5 and 13, while the KCAC shall, in its discretion, appoint members 6-12. All of the members shall reside or own a business within the City of Kirkland. All members must have an interest in the arts and in the role of public art in the community. A member may serve in an individual capacity, even if he or she works for an organization that may make a proposal to the KCAC. The membership of the KCAC is intended to reflect balance, taking into account such elements as the diversity of the community, connection to various geographic areas of the City, and art, culture, and heritage expertise.
- b. Position 1 shall be filled by a "Youth", meaning a person who meets the requirements of Kirkland Municipal Code 3.08.110(b). Position 6 shall be filled by an "Artist," meaning a person who has demonstrated commitment as an artist. Positions 2 and 7 shall designated as "Public Art" positions, meaning filled by a person with demonstrated expertise in the area of public art, including the curation and management of a public art collection. Position 8 shall be designated "Cultural Heritage" meaning it is filled by a person who has demonstrated a commitment to cultural and/or heritage matters. If a person who meets the special qualifications listed above happens to be serving in another position, then this position may be filled without regard to the special qualification.

Section 2. Terms

- a. Except for the Youth Position, a member's term on the KCAC shall be for four years. Except as otherwise provided, the terms for all positions shall begin on April 1 and expire on March 31 of the applicable calendar year. The City Council shall appoint members 1-5 and 13, Positions 8-12 may be filled or left unfilled, at the discretion of the KCAC.
- b. A member may be reappointed to the KCAC; provided, that no person shall serve as a member for more than two full terms.
- c. Vacancies shall be filled for the remainder of the unexpired term. The KCAC may choose to wait to fill positions 6-12 until the term expires.

Section 3. Parliamentary Authority (Voting)

- a. KCAC members must be present at the meeting or by phone to vote. Proxies and votes cast outside of the meeting are prohibited.
- b. Each member present at a meeting shall cast one vote on each motion. Voting may be by voice vote or by roll call.
- c. Although it is the duty of every member who has an opinion on a question to express it by his vote, he can abstain, since he cannot be compelled to vote.
- d. A member should abstain if they have a conflict of interest.
 - The KCAC agrees to follow the City of Kirkland's Conflict of Interest Policy as it appears now or as amended in the future. (Reference EXHIBIT A, Chapter 3.14 CODE OF ETHICS, Section 3.14.030 PROHIBITED CONDUCT a. Conflict of Interest, and b. Appearance of Conflict.)
- e. A quorum of the KCAC shall be a majority of persons currently serving as voting members.
- f. All matters that must be voted on by KCAC members shall be determined by a simple majority vote.

Section 4. Attendance

- a. A member will be expected to attend no less than 80% of all meetings for which there is no prearranged absence. In addition, when a member misses three or more consecutive meetings, not excused by a majority vote of the KCAC, the KCAC shall consider removal of that member. In the case of a member who was appointed by the City Council, the KCAC shall report a member's pattern of absence to the City Council, together with a recommendation concerning removal by the City Council. A member who is unable to attend regular meetings is expected to tender his or her resignation. A resignation shall be effective on such date as designated by the resigning member.
- b. When a member who was appointed by the KCAC misses three or more consecutive meetings, not excused by a prearranged absence, the KCAC shall consider removal of that member.
- c. In the case of a member who was appointed by the City Council, the KCAC shall report a member's pattern of absence to the City Council, together with a recommendation concerning removal by the City Council.
- d. In the case of a member who was appointed by the City Council, the KCAC shall report a member's pattern of absence to the City Council, together with a recommendation concerning removal by the City Council.

Section 5. Duties

- a. Participation: KCAC members shall be expected to participate in at least one standing committee and/or task force per year.
- b. Ambassadorship: KCAC members shall be expected to attend at least one program or event that the KCAC supports and/or endorses per year.

Article IV: Officers

Section 1. Appointment, Designation and Number:

a. The KCAC has the following officers: the Chair and the Vice Chair.

Section 2. Duties:

a. The Chair:

- 1. To preside at all meetings of the KCAC.
- 2. To open the meetings of the KCAC.
- 3. To sign documents as authorized by the KCAC.
- 4. To act as a liaison between the KCAC and other city entities.
- 5. To facilitate the orderly discussion of the KCAC and guide the KCAC in providing direction to staff and making recommendations to the City Council.

b. Duties of the Vice Chair:

1. During the absence, disability, or disqualification of the Chair, or upon the request of the Chair, the Vice Chair shall exercise all the above duties and be subject to all the responsibilities of the Chair.

Section 3. Terms of Officers

- a. The Chair and the Vice Chair shall be elected by a majority vote of the KCAC at the first regular meeting each April.
 - 1. Chair: One-year term with the possibility of a one-year renewal.
 - 2. Vice Chair: One-year term with the possibility of a one-year renewal.

Section 4. Election of Officers

- a. All voting for officers must be done in an open public meetings. Secret ballot voting is not allowed. Paper ballots may be used for convenience as long as the results are tallied and votes are reported out in the meeting minutes.
- b. The names of all Commission members interested in the office are presented for a vote of the Commission members, and the member receiving the majority of the vote is elected to the office.
- c. A vote for Chair will be conducted followed by a vote for Vice Chair.

Section 5. Resignation or Termination of Officers

- a. An officer may resign at any time by submitting written notice of such resignation to the KCAC. An officer may be removed from office by a two-thirds vote of the remaining KCAC Members at a regular meeting, or a special meeting called for that purpose.
- b. An officer may be appointed by a simple majority of the KCAC to fill a vacancy on an interim basis. Re-election would take place April.

Article V. Committees:

Section 1. Purpose of Committees/Task Force Teams

a. KCAC can establish committees and these committees are advisory to the KCAC.

b. The purpose of committee structure is to facilitate and support the work of the KCAC via smaller working groups. Collectively, these committees are responsible for becoming the domain experts on the project or program and reporting back to the full KCAC at monthly meetings.

Section 2: Types of Committees/Task Force Teams

- a. Standing Committees work on longer-term projects or ongoing programs as determined by the KCAC.
- b. Task Force Teams work on shorter-term projects with a definitive goal and end date.

Section 3: Membership

- a. All KCAC members are expected to actively participate in at least one Standing Committee and/or Task Force Team per year.
- b. Members are assigned on a volunteer basis or by appointment or recommendation of the Chair based on other committee involvement, specific interest, and/or skill sets.
- c. Each Standing Committee shall have at least three (3) and no more than five (5) members. The committee may include other community stakeholders.
- d. Each Task Force Team should have at least two (2) and no more than four (4) members and may include other community stakeholders.
- e. A KCAC member must chair the committee or task force and be present at all meetings
- f. Less than a quorum of KCAC members may sit on a committee or attend committee meetings in order to adhere to Open Public Meetings Act, Chapter 42.30 RCW policy requirements.

Section 4. Terms of Committees/Task Force Teams

- a. Standing Committee terms will be completed upon the end of the assigned long term project or for a minimum of one year for ongoing programs.
- b. Task Force terms will be completed at the conclusion of the short term project.

Section 5: Authority & Reporting of Committees/Task Force Teams

- a. Committee members are expected to conduct research, make contacts, and become domain experts on their assigned program.
- b. Every Committee or Task Force shall appoint a chair or point person responsible for being the staff liaison and for reporting to the KCAC and putting to a vote any items that need to be voted on by the full KCAC.
- c. A majority of KCAC members assigned to a Committee must be present at that Committee meeting for a vote to be called regardless of other stakeholders present.
- d. As part of KCAC's operating procedures, any Committee or Task Force that seeks a vote by the KCAC is expected to provide a report for the Agenda one week before the regular meeting to enable an informed vote. If possible, The Chair or Staff will share the reports electronically with the full KCAC prior to the monthly meeting.

Article VI. Reporting Budget, Funding, and Annual Project Review:

Section 1. KCAC Annual Report

a. The KCAC will provide an Annual Report on the work of the KCAC for the Kirkland City Council and Public review.

Article VII. Granting of Discretionary Funds (4Culture or other funds, not 1% CIP funding)

- Section 1. Proposal Review and Selection Process
 - a. Staff will share information on new sources of funds and seek KCAC direction.
 - b. City staff shall create a public call for proposals.
 - c. Complete proposals from all eligible organizations will be considered for review by the full KCAC.
 - d. A majority vote by the full KCAC is necessary to determine grant recipients.

Article VIII. Meetings of the KCAC

Section 1. Regular Meetings:

- a. The KCAC shall meet at least every other month, and no more than ten times per year.
- b. A quorum, majority of the appointed members of the Cultural Arts Commission, must be in attendance or participate via a conference call or other electronic media before business can be transacted. Every motion by the Cultural Arts Commission requires approval of a majority of the KCAC members present to pass.
- c. The Open Public Meetings Act Chapter 42.30 RCW shall apply to the KCAC.
- d. The KCAC meets monthly for up to a two-hour duration for no more than ten times per year.
- e. Any party that would like to be added to the KCAC Agenda must make a request one week prior to the regularly scheduled meeting.
- f. The Chair shall permit any person to make a brief oral presentation at the KCAC meeting. Comments are limited to 3 minutes per speaker unless otherwise authorized by the Chair. No more than three speakers may address the KCAC on any one subject. However, if both proponents and opponents wish to speak, then up to three proponents and up to three opponents of the matter may address the KCAC.

Section 2. Special Meetings:

- a. The KCAC shall meet for special meetings at the discretion of the Chair or a majority of the KCAC.
- b. All special meetings shall be recognized by delivering notice including time and place by email at least 24 hours in advance to KCAC members.

Section 4. Agenda: The Agenda shall be distributed to KCAC

- a. The Chair, Vice Chair and staff shall determine the Agenda one week prior to the regularly scheduled meeting.
- b. The Agenda shall be distributed to the KCAC Members prior to the regularly scheduled meeting.

Section 6. Conduct of the meeting:

a. Any questions concerning parliamentary procedure at meetings shall be determined by a reference to <u>Robert's Rules of Order Revised</u> except where such rules conflict with these Bylaws. <u>The Rules may</u> be suspended by a two-thirds vote.

Section 7. Records:

- a. All minutes from monthly KCAC meetings shall be filed and be available for public review.
- b. Approval of the monthly KCAC meeting minutes shall occur at the following monthly meeting.

Article IX: Nondiscrimination:

a. The KCAC agrees to adopt the Nondiscrimination Policy of the City of Kirkland as it appears now or as amended in the future.

Article X: Amendment of the Bylaws:

a. These Bylaws may be amended, added to, or repealed by a two-thirds vote of the persons currently serving as voting members of the KCAC.

Kirkland Cultural Arts Commission BYLAWS

The Kirkland Cultural Arts Commission (KCAC) is an advisory body to the Kirkland City Council. Provisions establishing the purpose of the KCAC and establishing requirements for member terms, vacancies, and attendance are contained in the governing legislation, Resolution R-5478, and in the City Council Policies and Procedures, as adopted in Resolution R-5470 or hereinafter amended. These bylaws provide additional procedures for the operation of the KCAC.

Article I. Member Responsibilities

Section 1. Code of Ethics and Nondiscrimination

- A. KCAC members must follow the City of Kirkland's Conflict of Interest Policy as it appears now or as amended in the future, as detailed in the City Council Policies and Procedures and in the City's Code of Ethics, Chapter 3.14 of the Kirkland Municipal Code.
- B. The KCAC and its members must follow the Nondiscrimination Policy of the City of Kirkland as it appears now or as amended in the future.

Section 2. Attendance

- A. When a member misses three or more consecutive meetings, not excused by a majority vote of the KCAC, the KCAC will consider reporting a member's pattern of absence to the City Council, together with a recommendation concerning removal by the City Council.
- B. A member who is unable to attend regular meetings is expected to tender their resignation, which resignation will be effective on such date designated by the resigning member.

Section 3. <u>Additional Duties</u>

- A. Participation: KCAC members are expected to participate in at least one standing committee and/or task force team per year.
- B. Ambassadorship: KCAC members are expected to attend at least one program or event that the KCAC supports and/or endorses per year.

Article II. Parliamentary Authority

Section 1. Conduct of Meetings

A. Any questions concerning parliamentary procedure at meetings will be determined by reference to <u>Robert's Rules of Order Revised</u>, except where such rules conflict with the City Council Policies and Procedures or these Bylaws. The Parliamentary Rules may be suspended by a two-thirds vote of the KCAC.

Section 2. Voting

- A. To vote, a KCAC member must be present at the meeting, either in-person or virtually as authorized by the City Council, or must attend by phone. Proxies and votes cast outside of the meeting are prohibited.
- B. Each member present at a meeting may cast one vote on each motion. Voting may be by voice vote or by roll call.
- C. Although it is the duty of every member who has an opinion on a question to express it by their vote, they can abstain, since they cannot be compelled to vote.
- D. A member must abstain from voting if they have a conflict of interest.
- E. Every motion requires approval of a majority of the KCAC members present to pass.

Article III. Officers

Section 1. Duties of the Officers

A. The Chair

- i. To preside at all meetings of the KCAC.
- ii. To open the meetings of the KCAC.
- iii. To sign documents on behalf of the KCAC, as authorized by the City Council.
- iv. To act as a liaison between the KCAC and other City entities.
- v. To facilitate the orderly discussion of the KCAC and guide the KCAC in providing direction to staff and making recommendations to the City Council.

B. Vice Chair

i. During the absence, disability, or disqualification of the Chair, or upon the request of the Chair, the Vice Chair will exercise the above duties and be subject to the responsibilities of the Chair.

Section 2. Process for Election of Officers

A. All voting for officers must be done in an open public meeting. Secret ballot voting is not allowed. Paper ballots may be used for convenience as long as the results are tallied and votes are reported out in the meeting minutes.

- B. The names of all KCAC members interested in an office are to be presented for a vote of the KCAC members, and the member receiving the majority of the vote is elected to the office.
- C. A vote for Chair will be conducted first, followed by a vote for Vice Chair.

Section 3. Resignation or Termination of Officers

- A. An officer may resign from office at any time by submitting written notice of such resignation to the KCAC.
- B. An officer may be removed from office by a two-thirds vote of the remaining KCAC Members at a regular meeting or at a special meeting called for that purpose.
- C. A member should be elected by the KCAC to fill a vacancy on an interim basis until the next regular election of officers.

Article IV. Meetings

Section 1. The Open Public Meetings Act, chapter 42.30 RCW, applies to the KCAC.

Section 2. Regular Meetings

- A. The KCAC will meet at least every other month, but no more than ten times per year. Meetings may be for up to a two-hour duration.
- B. A majority of the appointed members of the KCAC constitutes a quorum. A quorum must be in attendance or participate via a conference call or other electronic media before business can be transacted.

C. Public Comments:

- i. The Chair will permit any person to make a brief oral presentation at the KCAC meeting.
- ii. Public comments are limited to 3 minutes per speaker.
- iii. No more than three speakers at one meeting may address the KCAC on any one subject. However, if both proponents and opponents wish to speak, then up to three proponents and up to three opponents of the matter may address the KCAC.

Section 3. Special Meetings

- A. The KCAC will meet for special meetings at the discretion of the Chair or a majority of the KCAC.
- B. All special meetings must be recognized by proper public notice. In addition, KCAC members should be provided notice, including time and place, by email at least 24 hours in advance of the special meeting.

Section 4. Meeting Agenda

- A. A meeting agenda will be distributed to KCAC members in advance of the meeting.
- B. The Chair, Vice Chair, and City staff will determine the Agenda one week prior to the regularly scheduled meeting.
- C. Any member who would like to add an item to the KCAC Agenda must make a request to the Chair and City staff one week prior to the regularly scheduled meeting.

Section 5. Minutes

- A. Approval of the KCAC meeting minutes must occur at the following monthly meeting.
- B. All approved meeting minutes from KCAC meetings must be filed and be available for public review.

Article V. Committees

Section 1. Purpose

- A. The KCAC can establish committees or task force teams to be advisory to the KCAC.
- B. The purpose of committee or task force team structure is to facilitate and support the work of the KCAC via smaller working groups. Collectively, these committees or teams are responsible for becoming the domain experts on the assigned project or program and for reporting back to the full KCAC at regular meetings.

Section 2. Types and Terms

- A. Standing committees work on longer-term projects or ongoing programs as determined by the KCAC. Standing committee terms will be completed upon the end of the assigned long-term project or for a minimum of one year for ongoing programs.
- B. Task force teams work on shorter-term projects with a definitive goal and end date. Task force team terms will be completed at the conclusion of the short-term project.

Section 3. Membership

A. All KCAC members are expected to actively participate in at least one Standing Committee and/or Task Force Team per year provided opportunities are available.

- B. Members are assigned on a volunteer basis or by appointment or recommendation of the Chair based on other committee involvement, specific interest, and/or skill sets.
- C. Each standing committee will have three (3) KCAC members and may include other community stakeholders.
- D. Each task force team should have at least two (2) and no more than three (3) KCAC members and may include other community stakeholders.
- E. A KCAC member must chair the committee or task force and be present at all meetings.
- F. Less than a quorum of KCAC members may sit on a committee or attend committee meetings in order to adhere to requirements of the Open Public Meetings Act, chapter 42.30 RCW.

Section 4. <u>Authority & Reporting</u>

- A. Committee members are expected to conduct research, make contacts, and become domain experts on their assigned program.
- B. Every committee or task force must appoint a chair or point person responsible for being the staff liaison and for reporting to the KCAC and putting to a vote any items that need to be voted on by the full KCAC.
- C. A majority of KCAC members assigned to a committee must be present at that committee meeting for a vote to be called, regardless of any other stakeholders present.
- D. Any committee or task force that seeks a vote by the KCAC is expected to provide a report for the KCAC Agenda one week before the regular meeting, to enable an informed vote. If possible, the Chair or City staff will share reports electronically with the full KCAC prior to the monthly meeting.

Article VI. Annual Report

Section 1. The KCAC will provide an annual report on the work of the KCAC for the Kirkland City Council and the public to review, including reporting on budget, funding, and annual project review.

Article VII. Discretionary Funds

- Section 1. From time to time, the City Manager may obtain or otherwise make available discretionary funding to support cultural or arts programming. Such discretionary funding includes 4Culture grants or other funds, but it does not include any 1% for Art funding.
- Section 2. <u>Proposal Review and Selection Process</u>

- A. Staff will share information on new sources of funds and seek KCAC direction on use of the funding.
- B. Upon direction by the KCAC, City staff will create a public call for proposals, if applicable.
- C. Complete proposals from all eligible organizations will be considered for review by the full KCAC.
- D. A majority vote by the full KCAC is necessary to determine grant recipients.

Article VIII. Bylaws Amendment

Section 1. These Bylaws may be amended by a two-thirds vote of the members of the KCAC, provided such amendments are not in conflict with Resolution R-5478, with the City Council Policies and Procedures, as applicable to advisory bodies, or with applicable municipal code.

Kirkland Cultural Arts Commission BYLAWS

The Kirkland Cultural Arts Commission (KCAC) is an advisory body to the Kirkland City Council. Provisions establishing the purpose of the KCAC and establishing requirements for member terms, vacancies, and attendance are contained in the governing legislation, Resolution R-5478, and in the City Council Policies and Procedures, as adopted in Resolution R-5470 or hereinafter amended. These bylaws provide additional procedures for the operation of the KCAC.

Article I. Member Responsibilities

Section 1. Code of Ethics and Nondiscrimination

- A. KCAC members must follow the City of Kirkland's Conflict of Interest Policy as it appears now or as amended in the future, as detailed in the City Council Policies and Procedures and in the City's Code of Ethics, Chapter 3.14 of the Kirkland Municipal Code.
- B. The KCAC and its members must follow the Nondiscrimination Policy of the City of Kirkland as it appears now or as amended in the future.

Section 2. Attendance

Article I: Name. The name of the Commission shall be the Kirkland Cultural Arts Commission.

- A. Article II: When a member misses three or more consecutive meetings, not excused by a majority vote of the KCAC, the KCAC will consider reporting a member's pattern of absence to the City Council, together with a recommendation concerning removal by the City Council.
- B. A member who is unable to attend regular meetings is expected to tender their resignation, which resignation will be effective on such date designated by the resigning member.

Section 3. Additional Duties

- A. Participation: KCAC members are expected to participate in at least one standing committee and/or task force team per year.
- B. Ambassadorship: KCAC members are expected to attend at least one program or event that the KCAC supports and/or endorses per year.

<u>Purpose</u>: The primary purpose of the Kirkland Cultural Arts Commission (KCAC) shall be to advise the City Council on public art acquisitions and loans, and review and recommend projects under the City's "one percent for the arts" program. After consultation with the City Manager, and based on the availability of resources, the KCAC may also promote strategic planning and development for arts, culture, and heritage in the community, including implementation of projects.

Article III: KCAC Body

Section 1. Membership and Selection

- a. The KCAC shall be appointed by the Kirkland City Council and the KCAC: There will be no fewer than 7 members and no more than 13 members of the KCAC. The City Council shall appoint members 1-5 and 13, while the KCAC shall, in its discretion, appoint members 6-12. All of the members shall reside or own a business within the City of Kirkland. All members must have an interest in the arts and in the role of public art in the community. A member may serve in an individual capacity, even if he or she works for an organization that may make a proposal to the KCAC. The membership of the KCAC is intended to reflect balance, taking into account such elements as the diversity of the community, connection to various geographic areas of the City, and art, culture, and heritage expertise.
- b. Position 1 shall be filled by a "Youth", meaning a person who meets the requirements of Kirkland Municipal Code 3.08.110(b). Position 6 shall be filled by an "Artist," meaning a person who has demonstrated commitment as an artist. Positions 2 and 7 shall designated as "Public Art" positions, meaning filled by a person with demonstrated expertise in the area of public art, including the curation and management of a public art collection. Position 8 shall be designated "Cultural Heritage" meaning it is filled by a person who has demonstrated a commitment to cultural and/or heritage matters. If a person who meets the special qualifications listed above happens to be serving in another position, then this position may be filled without regard to the special qualification.

Section 2. Terms

- a. Except for the Youth Position, a member's term on the KCAC shall be for four years. Except as otherwise provided, the terms for all positions shall begin on April 1 and expire on March 31 of the applicable calendar year. The City Council shall appoint members 1-5 and 13, Positions 8-12 may be filled or left unfilled, at the discretion of the KCAC.
- b. A member may be reappointed to the KCAC; provided, that no person shall serve as a member for more than two full terms.
- c. Vacancies shall be filled for the remainder of the unexpired term. The KCAC may choose to wait to fill positions 6-12 until the term expires.

Article II. Section 3. Parliamentary Authority (

Section 1. Conduct of Meetings

A. Any questions concerning parliamentary procedure at meetings will be determined by reference to Robert's Rules of Order Revised, except where such rules conflict with the City Council Policies and Procedures or these Bylaws. D. As part of KCAC's operating procedures, any Committee or Task Forcetask force that seeks a vote by the KCAC is expected to provide a report for the KCAC Agenda one week before the regular meeting, to enable an informed vote. If possible, Thethe Chair or StaffCity staff will share the reports electronically with the full KCAC prior to the monthly meeting.

Article VI. Reporting Budget, Funding, and Annual Project Review:

Article VI. Section 1. KCAC Annual Report

Section 1. The KCAC will provide an Annual Reportannual report on the work of the KCAC for the Kirkland City Council and Publicthe public to review., including reporting on budget, funding, and annual project review.

Article VII. Article VII. Granting of Discretionary Funds

Section 1. From time to time, the City Manager may obtain or otherwise make available discretionary funding to support cultural or arts programming.

Such discretionary funding includes 4Culture grants or other funds, but it does not include any 1% CIPFor Art funding).

Section 3. Section 2. Section 1. Proposal Review and Selection Process

- A. Staff will share information on new sources of funds and seek KCAC direction on use of the funding.
- B. <u>Upon direction by the KCAC</u>, City staff <u>shallwill</u> create a public call for proposals, <u>if applicable</u>.
- C. Complete proposals from all eligible organizations will be considered for review by the full KCAC.
- D. A majority vote by the full KCAC is necessary to determine grant recipients.

Article VIII. Article VIII. Meetings Bylaws Amendment

These Bylaws may be amended by a two-thirds vote of the KCAC

Section 1. Regular Meetings:

- a. The KCAC shall meet at least every other month, and no more than ten times per year.
- b. A quorum, majority of the appointed members of the Cultural Arts Commission, must be in attendance or participate via a conference call or other electronic media before business can be transacted. Every motion by the Cultural Arts Commission requires approval of a majority of the KCAC members present to pass.
- c.—The Open Public Meetings Act Chapter 42.30 RCW shall apply to the KCAC.
- d. The KCAC meets monthly for up to a two-hour duration for no more than ten times per year.

- e. Any party that would like to be added to the KCAC Agenda must make a request one week prior to the regularly scheduled meeting.
- f.—The Chair shall permit any person to make a brief oral presentation at the KCAC meeting.

 Comments are limited to 3 minutes per speaker unless otherwise authorized by the Chair.

 No more than three speakers may address the KCAC on any one subject. However, if both proponents and opponents wish to speak, then up to three proponents and up to three opponents of the matter may address the KCAC.

Section 2. KCAC, providedSpecial Meetings:

- a. The KCAC shall meet for special meetings at the discretion of the Chair or a majority of the KCAC.
- b. All special meetings shall be recognized by delivering notice including time and place by email at least 24 hours in advance to KCAC members.

Section 4. Agenda: The Agenda shall be distributed to KCAC

- a. The Chair, Vice Chair and staff shall determine the Agenda one week prior to the regularly scheduled meeting.
- b. The Agenda shall be distributed to the KCAC Members prior to the regularly scheduled meeting.

Section 6. Conduct of the meeting:

a. Any questions concerning parliamentary procedure at meetings shall be determined by a reference to Robert's Rules of Order Revised except where such rules amendments are not in conflict with these Bylaws. The Rules may be suspended by a two thirds vote.

Section 7. Records:

- a. All minutes from monthly KCAC meetings shall be filed and be available for public review.
- b. Approval of the monthly KCAC meeting minutes shall occur at the following monthly meeting.

Article IX: Nondiscrimination:

a. The KCAC agrees to adopt the Nondiscrimination Policy of Resolution R-5478, with the City of Kirkland Council Policies and Procedures, as it appears now or as amended in the future.

Article X: Amendment of the Bylaws:

a. These Bylaws may be amended, added to, or repealed by a two-thirds vote of the persons currently serving as voting members of the KCAC.

Section 1. ____applicable to advisory bodies, or with applicable municipal code.

CITY OF KIRKLAND PUBLIC ART POLICY GUIDELINES

Public Art Vision

Kirkland maintains a diverse public art collection that invites interaction, fosters civic identity and community pride, inspires a sense of discovery, stimulates cultural awareness, and encourages economic development.

The Kirkland Cultural Arts Commission (KCAC)

The Kirkland Cultural Arts Commission is responsible for helping the City Council implement the Public Art Vision in Kirkland. The Cultural Arts Commission a volunteer advisory board that works to help arts, culture and heritage grow and thrive in the City of Kirkland. Along with supporting art and cultural initiatives, the Cultural Arts Commission promotes strategic arts planning and advises the City Council on art acquisition in Kirkland.

KCAC Mission

The Cultural Arts Commission curates and advises the City Council on public art acquisitions and loans, and reviews and recommends projects under the City's "one percent for the arts" program.

KCAC Goals:

- Curate the growth of a diverse public art collection
- Facilitate exposure to public art
- Encourage community dialogue through public art
- Use public art to reflect the characteristics of the greater Kirkland community
- Determine that the art is appropriate for its location

PUBLIC ART ACQUISITION GUIDELINES

Proposed public art acquisitions shall be reviewed by the Cultural Arts Commission with recommendations to the City Council. For a proposed public art acquisition to be sited in a park, a recommendation from the Kirkland Park Board will also be requested. A recommendation will be requested from affected boards, commissions, organizations, and associations when appropriate.

Proposed public art acquisitions will be evaluated on the following:

- A. The quality and aesthetic merit of the art work.
- B. Context within the city collection should be considered with the following criteria:
 - a. Does art work enhance the existing collection or add diversity?
 - b. How does the piece engage the public?
 - c. Are the materials appropriate?
 - d. Is the piece susceptible to vandalism or graffiti?
- C. Coordination with the Park Board or other affected commissions and departments concerning siting, costs of installation, and maintenance of art work.
 - a. Availability of an appropriate site.

- b. Appropriateness in size, scale, material, form and style for the area in which it is to be placed.
- c. Condition, durability, installation, and maintenance requirements of the art work.
- D. Donor conditions, if applicable.
- E. If applicable, loaned artwork can be purchased if there is sufficient public support to acquire it via public fundraising or City Council action.

Other Considerations:

- Whenever appropriate, siting decisions will be determined by a public art jury made up of surrounding neighbors, businesses, or associations (e.g., business or neighborhood) impacted by an art work location.
- For a work proposed for loan to the City, the owner or owner's representative will be required to enter into an Art Display Agreement setting forth the length of the loan and other terms such as location, maintenance requirements, insurance, value of art work, installation and removal responsibility, and other conditions pertinent to the agreement.
- Donated or loaned art work will include identifying plaques if accepted by the City.
- Donated or loaned art may be declined at the discretion of the City consistent with the criteria
 in the public art policy guidelines.
- All accepted donated works become part of the City art collection and, as such, may be relocated.
- Unrestricted monetary donations to help fund public art acquisitions will be accepted at any
 time. Donations with conditions or restrictions such as use for acquisition of a specific artwork
 or theme will be reviewed and accepted in accordance with this policy, and declined if the
 conditions or restrictions are not approved.

TEMPORARY ART EXHIBITS

Objectives

To provide procedures and opportunities for the temporary exhibit of art work in cooperation with art galleries and other organizations and to showcase artists, promote awareness and foster education regarding public art in the community. The City currently has several locations and pedestals located in the downtown that provide for the display of temporary public art. Other venues throughout the community, in public facilities and neighborhoods will be encouraged.

Guidelines

- Proposed use of the existing pedestal locations for art work in public parks or rights-of-way shall be reviewed by the Cultural Arts Commission in coordination with Parks and Community Services for installation assistance (if required) and Public Works for any permit requirements.
- Art Display Agreements will be required.

- Hosting temporary indoor and outdoor public art exhibits shall be reviewed by the Cultural Arts
 Commission with recommendation to City Council. If appropriate, partnerships with other arts
 organizations, agencies, and the business community will be encouraged.
- Length of term on loans will be established in artwork loan agreements and reviewed by the commission on an individual basis.

PARK LANE OUTDOOR ART GALLERY

- An outdoor art gallery located on Park Lane is intended to display temporary art for sale to the public.
- No more than six pieces of art will be displayed at one time on city-owned plinths that have been installed in the public right-of-way.
- The Cultural Arts Commission will accept sculpture display applications on a rolling basis and curate the selection of art.
- Art will be displayed for 12-18 months unless it is sold at which time the display term may be shortened, and the art replaced with another selected piece.
- Unlike other pieces of temporary art where the process calls for City Council consideration of recommendations made the Cultural Arts Commission, outdoor art gallery work will only require Cultural Arts Commission approval.

CROSS KIRKLAND CORRIDOR EPHEMERAL ART

The Cross Kirkland Corridor (CKC) is a civic open space and active transportation connection. Art on the CKC has been envisioned as one more civic expression of the city and its residents, and as a catalyst for the corridor becoming a sought after destination for visitors to the city. Reference the CKC Masterplan and CKC Art Integration Plan for further detail.

One type of art that is encouraged on the CKC is Ephemeral Art, art which is built to last only a short period of time. These artworks are often left to degrade in natural environmental conditions. Examples of such art include: art made out of natural material, water soluble painting. Ephemeral Art can also be art performances or art installations that are created and then dismantled after their exhibit.

- Ephemeral art, visual or performance art or some other art expression, shall be allowed on the corridor for no more than 60 days, and in this way distinguished from permanent art and other temporary art
- Stakeholders, representatives from the KCAC, representatives from the CKC Steering Committee, Office of the Special Events Coordinator and others as deemed appropriate shall be included in conceptual review of the art
- Approval of the art will require recommendations from these stakeholders and any other affected City departments with final approval vested in the KCAC
- In reviewing the art concept, the KCAC and other parties to the decision shall take into account:
 - The compatibility of the concept in the proposed character zone of the Cross Kirkland Corridor and the Cross Kirkland Corridor Art Integration Plan.

- The compatibility and sensitivity of the art to its natural surroundings and particularly critical areas
- The compatibility and sensitivity of the art to abutting neighborhoods, business districts and schools
- That the art not impede transportation flow bike and pedestrian- on the CKC, or connections from the CKC
- That artists or event producers be charged with making sure the art remains in good condition while on display, (is not a safety hazard or the target for graffiti) and that it is removed if the latter conditions ensue
- That artists and event producers abide by the city events policies and also business licensing and insurance requirements
- The artists and or event producers will be required to leave the location or locations of the art as they found them unless exceptions are made

ADDITIONAL MEMORIAL PUBLIC ART CONSIDERATIONS

- Donation of memorial artwork can honor the memory of an event (contemporary or historical), an occasion, an outstanding member of the community, or serve a similar purpose.
- Proposed memorial public art shall be reviewed by the Cultural Arts Commission with recommendation to the City Council. The Cultural Arts Commission will work with the donor and relevant City Departments to recommend an appropriate site for the work. For proposed memorial public art to be sited in a park, a recommendation from the Kirkland Park Board will also be requested.
- Proposed commissioned memorial art shall not ordinarily honor a living person, unless that
 person has made a significant and outstanding contribution to the arts or civic service. A waiting
 period of at least one year should elapse from the time of (1) the initial nomination of the living
 individual, (2) the passing away of the deceased individual(s) or, (3) the occurrence of the event
 in order to be eligible for consideration as a commissioned memorial public art work.
- The proponent(s) of commissioned memorial art will approach the Cultural Arts Commission with several ideas for the intended public art. The Cultural Arts Commission will establish a dialogue with the proponents and other affected city departments. As a result of this dialogue, the Cultural Arts Commission will make a recommendation to the City Council. The recommendation may endorse one of the proponent's proposed ideas or may recommend a different design approach or public art location.
- Celebratory gifts may be commemorative in nature, or may mark a life event such as: the birth
 of a loved one, an anniversary, a graduation, a business, or a celebration of an event or a group.
- Memorials accepted by the City become a part of the City art collection and, as such, may be relocated.

Proposed memorial public art will be evaluated on the following criteria:

- A. The fit of the art work with the overall character of public art already on display throughout the city.
- B. The timeless qualities of the art work, including its significance and appeal to future generations. Memorial proposals honoring individuals or a personal event should be represented in a form that has a broader community interest and moves the viewer to a

special experience. Examples include community parks, landscaped gardens and plazas, sculpture and art works, plaques about history or the environment, poetry, fountains, park benches, and site furnishings.

- C. The art work's success in expressing the spirit of the person(s) or event to be commemorated.
- D. Memorial artwork should not set a precedent that goes against the criteria outlined above. Artwork should be congruent with the existing collection, its immediate environment and site specific existing artwork.
- E. The artistic merit of the art work.
- F. The proposed location of the art work. The location should be an appropriate setting for the memorial and should not interfere with existing and proposed circulation and use patterns. It is recognized that a particular location may reach a saturation point and it would then be appropriate to consider limitations or a moratorium on future memorial installations at that location or area.
- G. The fit in terms of the size, scale, material, form and style for the area in which it is to be placed.
- H. Condition, durability, installation, and maintenance requirements of the art work.

DEACCESSION OF ART WORK

Objectives

To provide procedures for the withdrawal of City owned art work from public display.

Guidelines

Deaccessioning should be cautiously applied only after careful and impartial evaluation including input from the Cultural Arts Commission, art professionals, the public, the artist, and final review and decision by the City Council

- Deaccessioning of art work may be considered for one or more of the following reasons:
 - A. The condition or security of the art work cannot be reasonably guaranteed in its present location.
 - B. The art work presents a public safety risk.
 - C. The art work is damaged and repair is not feasible.
 - D. Significant changes in the use, character or actual design of the site require a re-evaluation of the art work's relationship to the site.
 - E. The art work requires excessive maintenance or has failures of design or workmanship.
 - F. The art work no longer meets the mission and goals of the Public Art Policy.

RELOCATION OF ARTWORK

Objectives

To provide procedures for the relocation of City owned art work.

- A. The condition or security of the art work cannot be reasonably guaranteed in its present location.
- B. The art work presents a public safety risk.
- C. Significant changes in the use, character or actual design of the site require a re-evaluation of the art work's relationship to the site.
- D. A more suitable location for the artwork has been proposed.

Procedures for possible deaccessioning or relocation of art work shall be initiated by a majority vote of the Cultural Arts Commission or direction from the City Council. The following describes specific procedures for deaccessioning or relocation of artwork.

- A. Review of any restriction which may apply to the specific work.
- B. Assessment of options for storage or disposition of art work, which may include sale, trade, return to the artist, or gift.
- C. Analysis of reasons for deaccessioning and recommendation to City Council for the final decision. The Cultural Arts Commission may seek additional information regarding the art work from the public, the artist, art galleries, curators, appraisers, or other professionals prior to making a recommendation.

PUBLIC ART JURIES FOR COMMISSIONED WORKS OF ART

- The Cultural Arts Commission may convene a jury to review individual public art memorials or
 acquisitions. The Commission will convene a jury when the public art work to be considered is a
 commissioned piece and is not an already completed work of art.
- Candidate jurors can include but will not be limited to: artists, architects, landscape architects, engineers, urban designers, representatives from the community, art professionals and other stakeholders.
- An appointed jury shall not include City Council members, or their partners or families.
- A jury shall not ordinarily be comprised of more than 50% membership from the Cultural Arts Commission.
- Proposals for commissioned works shall include:
 - A. A three-dimensional model (when appropriate) or complete drawing of a two-dimensional work
 - B. Drawings or photographs that demonstrate the relationship of the artwork to the site
 - C. Material samples for the artwork and any relevant construction materials
 - D. Installation details
 - E. Description of routine maintenance and estimate of maintenance costs

- F. Approval for the installation and use of site by the appropriate city department(s)
- G. Artist's resume
- H. Budget and schedule

PUBLIC INPUT FOR PUBLIC ART OPPORTUNITIES

Objective

To encourage community involvement in art, cultural and heritage activities, the City Council may seek community input on public art decisions.

After City Council receives the recommendation from the Cultural Arts Commission and/or
Public Art Jury, the Council, at its discretion, may seek broader community input on the
recommendation before making a decision to acquire and site public art, to approve temporary
and memorial art, or to deaccession art.

CITY OF KIRKLAND PUBLIC ART POLICY GUIDELINES

Public Art Vision

Kirkland maintains a diverse public art collection that invites interaction, fosters civic identity and community pride, inspires a sense of discovery, stimulates cultural awareness, and encourages economic development.

The Kirkland Cultural Arts Commission

The Kirkland Cultural Arts Commission (KCAC) is responsible for helping the City Council implement the Public Art Vision in Kirkland. The KCAC is a volunteer advisory board that works to help arts, culture and heritage grow and thrive in the City of Kirkland. Along with supporting art and cultural initiatives, the KCAC promotes strategic arts planning and advises the City Council on art acquisition in Kirkland.

KCAC Mission

The KCAC curates and advises the City Council on public art acquisitions and loans, and it reviews and recommends projects under the City's "1% for Art" program, subject to the separate City of Kirkland's 1% for Public Art Guidelines.

KCAC Goals:

- Curate a diverse public art collection representing various cultural and ethnic communities and perspectives
- Facilitate exposure to public art
- Encourage community dialogue through public art
- Use public art to reflect the characteristics of the greater Kirkland community
- Determine that the art is appropriate for its location
- Regularly re-evaluate the Commission's policies, practices, and programs to ensure there are no structural barriers to artists from historically marginalized communities.

RACIAL EQUITY STATEMENT

Background

The Kirkland City Council acted in August of 2020 in response to community calls for the City to demonstrate that Black lives matter and help end structural racism. The City committed to several actions intended to improve the safety and respect of Black people and to examine and dismantle structural racism in Kirkland. Among other actions, the City was to develop accountability strategies for evaluating whether public art, public symbols, special events and City programming in Kirkland are welcoming to all community members, as well as expanding the diversity of public art, symbols, events and programming to be more inclusive.

Racial Equity Statement

The KCAC, in alignment with the City Council, seeks to dismantle structural racism in Kirkland. The KCAC affirms that all people, their cultures, and their art contribute to the meaning and understanding of our shared humanity and should be honored and celebrated. The KCAC strives to proactively solicit and curate art that reflects the diversity of the Kirkland community, encourages a sense of belonging for all people, and supports the expression of historically marginalized communities. The art created by Black, Indigenous, and People of Color performs a unique role in our community and helps provide inspiration to resolve societal inequity and injustice. This important work of bringing equity to art is pivotal to the KCAC's efforts to confront injustices of the past and reveal inequities of the present in order to build a more diverse, inclusive collection of public art, now and in the future.

A. PUBLIC ART ACQUISITION AND COMMISSIONS GUIDELINES

Proposed public art acquisitions and commissions shall be reviewed by the KCAC with recommendations to the City Council as appropriate. A recommendation will be requested from affected boards, commissions, organizations, and associations when appropriate.

Proposed public art acquisitions and commissions will be evaluated on the following:

- 1. The quality and aesthetic merit of the artwork.
- 2. Context within the City collection should be considered with the following criteria:
 - a. Does the artwork add diversity, convey artistic expression rooted and reflective of historically marginalized communities by artists from those communities, or enhance existing collections?
 - b. How does the piece engage the public?
 - c. Are the materials appropriate?
 - d. Is the piece susceptible to vandalism or graffiti?
- 3. Coordination with the Park Board or other affected commissions and departments concerning siting, costs of installation, and maintenance of artwork.
 - a. Availability of an appropriate site.
 - b. Appropriateness in size, scale, material, form and style for the area in which it is to be placed.
 - c. Condition, durability, installation, and maintenance requirements of the artwork.
- 4. Donor conditions, if applicable.
- 5. If applicable, loaned artwork can be purchased if there is sufficient public support to acquire it via public fundraising or City Council action.

Other Considerations:

- Whenever appropriate, siting decisions may be determined by a public art jury made up of surrounding neighbors, businesses, or associations (e.g., business or neighborhood) impacted by an artwork location.
- Priority will be given to artists based within the greater Puget Sound region.

- For a work proposed for loan to the City, the owner or owner's representative will be required to enter into an Art Display Agreement setting forth the length of the loan and other terms such as location, maintenance requirements, insurance, value of art work, installation and removal responsibility, and other conditions pertinent to the agreement.
- Donated or loaned artwork will include identifying plaques if accepted by the City.
- Donated or loaned art may be declined at the discretion of the City consistent with the criteria in the public art policy guidelines.
- All accepted donated works become part of the City art collection and, as such, may be relocated.
- Unrestricted monetary donations to help fund public art acquisitions will be accepted at any
 time. Donations with conditions or restrictions such as use for acquisition of a specific artwork
 or theme will be reviewed and accepted in accordance with this policy and declined if the
 conditions or restrictions are not approved.
- The KCAC may form a diversity, equity, and inclusion subcommittee to help guide its process to examine and seek to expand the diversity of the City's public art.

B. APPROVAL PROCESS FOR ART ACQUISITION AND COMMISSION

Recommendation to Council

The KCAC will be asked to recommend to Council any acquisitions or commissions that are:

- 1) permanent art (≥2 years), regardless of the purchase price;
- 2) temporary art (<2 years) the City will be spending \$7,500 or more to purchase;
- 3) ephemeral art (<60 days) the City will be spending \$7,500 or more to purchase;
- 4) acquired through the 1% for Art program; OR
- 5) a gift or loan of artwork valued at \$7,500 or more.

Nothing in these guidelines limits the City Manager's authority to bring art proposals to the Council even if the KCAC opposes or does not provide a recommendation on the acquisition.

Recommendation to the City Manager

The KCAC may be asked to recommend to the City Manager any acquisitions or commissions that are:

- 1) ephemeral art (<60 days) the City will be spending under \$7,500 to purchase;
- 2) temporary art (<2 years) the City will be spending under \$7,500 to purchase; OR
- 3) a gift or loan of artwork valued under \$7,500.

Separately from acquisitions, subject to the approval of the City Manager, the KCAC will have the authority to direct expenditures for cultural or arts-related programs or events using 4Culture art grants funding.

The City Manager may, from time to time, rely on the KCAC for advice regarding other cultural or arts-related programs or events.

C. PREFERRED LOCATIONS

Objectives

The intent of this section is to provide clear guidelines concerning KCAC involvement for locations on public property - such as in parks, in the right-of-way, or along the Cross Kirkland Corridor - that are preferred for site selection of public art. The City currently has several locations/pedestals located in the downtown business district provided for the purpose of displaying temporary and ephemeral public art. Other venues throughout the community, in public facilities and neighborhoods, are encouraged.

Guidelines

- The KCAC will work with relevant City staff in the Parks and Community Services, Public Works, and other departments to develop a list of preferred locations
- Proposed use of the existing locations for artwork in public parks or rights-of-way shall be reviewed by the KCAC in coordination with impacted departments for installation assistance (if required) and any permit requirements.

Proposed use of the existing pedestals on Park Lane or artwork in public parks or rights-of-way shall be reviewed by the KCAC in coordination with Parks and Community Services, Planning, Public Works, and Transportation for installation assistance (if required), any permit requirements, and possible right-of-way clearance review.

<u>PARK LANE OUTDOOR ART GALLERY</u> - An outdoor art gallery located on Park Lane intended to display art to the public.

Park Lane Outdoor Art Gallery Guidelines:

- In reviewing the art concept, in addition to the requirements in section A of these guidelines, the KCAC and other parties involved in the decision shall consider:
- Generally, no more than six pieces of art will be displayed at one time on city-owned plinths that
 have been installed in the public right-of-way. The City may establish an agreement with the
 artist for the sale of selected art to the public.
- The KCAC may accept sculpture display applications on a rolling basis and curate the selection of art based on recommendations by the Kirkland Cultural Arts Commission's Park Lane Outdoor Gallery Committee.
- Generally, art is displayed as temporary art for up to two years unless it is sold, at which time the display term may be shortened, and the art replaced with another selected piece.

<u>CROSS KIRKLAND CORRIDOR</u> - a civic open space and active transportation connection. Art on the CKC has been envisioned as civic expression of the City and its residents, and as a catalyst for the corridor becoming a sought-after destination for visitors to the City. Reference the CKC Masterplan and CKC Art Integration Plan for further detail.

Cross Kirkland Corridor Guidelines:

- Stakeholders, representatives from the KCAC, representatives from the CKC Steering
 Committee, the Special Events Coordinator and others as deemed appropriate may be included
 in conceptual review of the art. Approval of the art may require recommendations from these
 stakeholders and any other affected City departments.
 - In reviewing the art concept, in addition to the requirements in section A of these guidelines, the KCAC and other parties involved in the decision shall consider:
 - The compatibility of the concept to the proposed character zone of the Cross Kirkland Corridor as specified in the Cross Kirkland Corridor Art Integration Plan.
 - The compatibility and sensitivity of the art to its natural surroundings and particularly critical areas.
 - The compatibility and sensitivity of the art to abutting neighborhoods, business districts and schools.
 - The art must not impede transportation flow bike and pedestrian on the CKC, or connections from the CKC.
 - That artists or event producers be charged with making sure the art remains in good condition while on display, (is not a safety hazard or the target for graffiti, and that it is removed if the latter conditions ensue).
 - That artists and event producers abide by the city events policies and business licensing and insurance requirements.
 - The artists and/or event producers will be required to leave the location or locations of the art as they found them unless exceptions are made.

PUBLIC PARKS

Public Park Guidelines:

- Stakeholders, representatives from the KCAC, representatives from the Park Board, the Special Events Coordinator, the Parks Operation Manager and others as deemed appropriate may be included in the conceptual review of the art.
- The art must be evaluated by the Parks Operation Manager for ongoing maintenance requirements and susceptibility to vandalism and graffiti.

- Whenever possible, at least one onsite meeting shall be convened, including the Parks
 Operation Manager, representative(s) from the Park Board, representative(s) from the KCAC,
 and other stakeholders as deemed appropriate, to evaluate and discuss potential locations for
 the art.
- In reviewing the art concept, in addition to the requirements in section A of these guidelines, the KCAC and other parties involved in the decision shall consider:
 - Interactivity of the art, allowing people to touch it, climb on it, look through it, and even use it.
 - The compatibility of the concept and its ability to integrate into the proposed park location.
 - The compatibility and sensitivity of the art to its natural surroundings and particularly critical areas
 - The compatibility and sensitivity of the art to different facets of the proposed park, including beaches, docks, off-leash dog areas, playgrounds, athletic fields, picnic areas, public spaces, and walking/jogging/hiking trails.
 - The art must not impede the ability of parkgoers to fully utilize the park.

D. ART EXHIBIT DURATION

Objectives

To provide clear definitions and guidelines for ephemeral, temporary, and permanent art installations.

Ephemeral Art

Ephemeral Art is built to last and/or be displayed only a short period of time, up to 60 days. These artworks are often left to degrade in natural environmental conditions. Examples of such art include art made out of natural material and water-soluble paintings. Ephemeral Art can also be art performances or art installations that are created and then dismantled after their exhibit.

Ephemeral Art Guidelines

- Ephemeral art, visual or performance art or some other art expression will last for no more than 60 days, and in this way is distinguished from permanent art and other temporary art.
- Art Display Agreements are required.
- Ephemeral art installments require a plan for demobilization and a commitment by the artist to leave the site as it was prior to the art installment or better.
- Ephemeral art exhibits that are performances shall be conducted with respect to site surroundings with deliberate consideration given to noise levels and proximity to neighbors.

Temporary Art

Temporary Art allows for the exhibition of artwork in cooperation with art galleries and other organizations and to showcase artists, promote awareness and foster education regarding public art in the community.

Temporary Art Guidelines

- Art Display Agreements are required.
- If appropriate, partnerships with other arts organizations, agencies, and the business community are encouraged.
- Length of term on loans is clearly established in artwork loan agreements between 60 days and two years. Loan term shall be reviewed and considered by the KCAC on an individual basis.

Permanent Art

Permanent Art is planned, positioned and constructed for longevity lasting beyond 2 years. Art curated as the result of the 1% for Art program typically manifests as fixed, permanent art installations at designated project sites.

Permanent Art Guidelines

- All permanent, public art curated through the 1% for Art process must adhere to the 1% for Public Art Guidelines and follow the established process for 1% for Art projects.
- If appropriate, partnerships with other arts organizations, agencies, and the business community are encouraged.
- Art Display Agreements may be required.

E. MEMORIAL PUBLIC ART CONSIDERATIONS

Objectives

The intent of this section is to provide clear guidelines concerning KCAC involvement for memorial public art considerations.

Guidelines

- Donation of memorial artwork can honor the memory of an event (contemporary or historical), an occasion, an outstanding member of the community, or serve a similar purpose.
- The KCAC will work with the donor and relevant City departments to recommend an appropriate site for the work.
- Proposed commissioned memorial art shall not ordinarily honor a living person, unless that person has made a significant and outstanding contribution to the arts or civic service. A waiting

period of at least one year should elapse from the time of (1) the initial nomination of the living individual, (2) the passing away of the deceased individual(s) or, (3) the occurrence of the event in order to be eligible for consideration as a commissioned memorial public art work.

- Celebratory gifts may be commemorative in nature or may mark a life event such as: the birth of a loved one, an anniversary, a graduation, a business, or a celebration of an event or a group.
- Memorials accepted by the City become a part of the City art collection and, as such, may be relocated.

In addition to the requirements in section A of these guidelines, proposed memorial public art will be evaluated on the following criteria:

- A. Cohesiveness of the artwork with the overall character of public art already on display throughout the city.
- B. The timeless qualities of the artwork, including its significance and appeal to future generations. Memorial proposals honoring individuals, or a personal event should be represented in a form that has a broader community interest and moves the viewer to a special experience.
- C. The artwork's success in expressing the spirit of the person(s) or event to be commemorated.
- D. Memorial artwork should not set a precedent that goes against the criteria outlined above. Artwork should be congruent with the existing collection, its immediate environment and site-specific existing artwork.
- E. The artistic merit of the artwork.
- F. The proposed location of the artwork. The location should be an appropriate setting for the memorial and should not interfere with existing and proposed circulation and use patterns. It is recognized that a particular location may reach a saturation point and it would then be appropriate to consider limitations or a moratorium on future memorial installations at that location or area.
- G. The fit in terms of the size, scale, material, form and style for the area in which it is to be placed.
- H. Condition, durability, installation, and maintenance requirements of the artwork.

F. DEACCESSION OF ARTWORK

Objectives

The intent of this section is to provide clear guidelines concerning KCAC involvement in the deaccession of artwork.

Guidelines

Deaccessioning should be cautiously applied only after careful and impartial evaluation including input from the KCAC, art professionals, the public, the artist, and final review and decision by the City Council.

• Deaccessioning of artwork may be considered for one or more of the following reasons:

- A. The condition or security of the artwork cannot be reasonably guaranteed in its present location.
- B. The artwork presents a public safety risk.
- C. The artwork is damaged and repair is not feasible.
- D. Significant changes in the use, character or actual design of the site require a re-evaluation of the artwork's relationship to the site.
- E. The artwork requires excessive maintenance or has failures of design or workmanship.
- F. The artwork no longer meets the mission and goals of the Public Art Policy.

G. RELOCATION OF ARTWORK

Objectives

The intent of this section is to provide clear guidelines concerning KCAC involvement in the relocation of City owned artwork.

Guidelines

The condition or security of the artwork cannot be reasonably guaranteed in its present location.

- A. The artwork presents a public safety risk.
- B. Significant changes in the use, character or actual design of the site require a re-evaluation of the artwork's relationship to the site.
- C. A more suitable location for the artwork has been proposed.

Procedures for possible deaccessioning or relocation of artwork shall be initiated by a majority vote of the KCAC or direction from the City Council. The following describes specific procedures for deaccessioning or relocation of artwork:

- A. Review of any restriction which may apply to the specific work.
- B. Assessment of options for storage or disposition of artwork, which may include sale, trade, return to the artist, or gift.
- C. Analysis of reasons for deaccessioning and a deferral to City Council for the final decision. The KCAC may seek additional information regarding the artwork from the public, the artist, art galleries, curators, appraisers, or other professionals prior to making a recommendation.

H. PUBLIC ART JURIES FOR ACQUIRED OR COMMISSIONED WORKS OF ART

Objectives

The intent of this section is to provide clear guidelines concerning KCAC involvement in the selectin of art juries for acquired or commissioned works of art.

Guidelines

- The KCAC may convene a jury to review individual public acquisitions or commissions.
- Candidate jurors can include but will not be limited to: artists, architects, landscape architects, engineers, urban designers, representatives from the community, art professionals and other stakeholders.
- An appointed jury shall not include City Councilmembers, or their partners or families.
- A jury shall not ordinarily be comprised of more than 50 percent membership from the KCAC.
- Proposals for commissioned works shall include:
 - A. A three-dimensional model (when appropriate) or complete drawing of a two-dimensional work
 - B. Drawings or photographs that demonstrate the relationship of the artwork to the site
 - C. Material samples for the artwork and any relevant construction materials
 - D. Installation details
 - E. Description of routine maintenance and estimate of maintenance costs
 - F. Approval for the installation and use of site by the appropriate city department(s)
 - G. Artist's resume
 - H. Budget and schedule

I. PUBLIC INPUT FOR PUBLIC ART OPPORTUNITIES

Objective

To encourage community involvement in art, cultural and heritage activities, the City Council may seek community input on public art decisions.

Guidelines

 After City Council receives the recommendation from the KCAC and/or Public Art Jury, the Council, at its discretion, may seek broader community input on the recommendation before making a decision to acquire and site public art, to approve temporary and memorial art, or to approve the deaccession of public art.

CITY OF KIRKLAND PUBLIC ART POLICY GUIDELINES

Public Art Vision

Kirkland maintains a diverse public art collection that invites interaction, fosters civic identity and community pride, inspires a sense of discovery, stimulates cultural awareness, and encourages economic development.

The Kirkland Cultural Arts Commission (KCAC)

The Kirkland Cultural Arts Commission (KCAC) is responsible for helping the City Council implement the Public Art Vision in Kirkland. The Cultural Arts Commission (KCAC) is a volunteer advisory board that works to help arts, culture and heritage grow and thrive in the City of Kirkland. Along with supporting art and cultural initiatives, the Cultural Arts Commission (KCAC) promotes strategic arts planning and advises the City Council on art acquisition in Kirkland.

KCAC Mission

The <u>Cultural Arts Commission KCAC</u> curates and advises the City Council on public art acquisitions and loans, and <u>it</u> reviews and recommends projects under the City's "<u>one percent1% Percent</u> for <u>the artsArt</u>" program, subject to the separate City of Kirkland's 1% <u>percent for Public Art Guidelines.</u>

ż

KCAC Goals:

- Curate the growth of a diverse public art collection representing various cultural and ethnic communities and perspectives
- Facilitate exposure to public art
- Encourage community dialogue through public art
- Use public art to reflect the characteristics of the greater Kirkland community
- Determine that the art is appropriate for its location
- Regularly re-evaluate the Commission's policies, practices, and programs to ensure there are no structural barriers to artists from historically marginalized communities.

RACIAL EQUITY STATEMENT

Background

The Kirkland City Council acted in August of 2020 in response to community calls for the City to demonstrate that Black lives matter and help end structural racism. The City committed to several actions intended to improve the safety and respect of Black people and to examine and dismantle structural racism in Kirkland. Among other actions, the City was to develop accountability strategies for evaluating whether public art, public symbols, special events and City programming in Kirkland are

welcoming to all community members, as well as expanding the diversity of public art, symbols, events and programming to be more inclusive.

Racial Equity Statement

The KCAC, in alignment with the City Council, seeks to dismantle structural racism in Kirkland. The KCAC affirms that all people, their cultures, and their art contribute to the meaning and understanding of our shared humanity and should be honored and celebrated. The KCAC strives to proactively solicit and curate art that reflects the diversity of the Kirkland community, encourages a sense of belonging for all people, and supports the expression of historically marginalized communities. The art created by Black, Indigenous, and People of Color performs a unique role in our community and helps provide inspiration to resolve societal inequity and injustice. This important work of bringing equity to art is pivotal to the KCAC's efforts to confront injustices of the past and reveal inequities of the present in order to build a more diverse, inclusive collection of public art, now and in the future.

A. PUBLIC ART ACQUISITION AND COMMISSIONS GUIDELINES

Proposed public art acquisitions <u>and commissions</u> shall be reviewed by the <u>Cultural Arts</u> <u>CommissionKCAC</u> with recommendations to the City Council. <u>For a proposed public art acquisition to be sited in a park, a recommendation from the Kirkland Park Board will also be requested. <u>as appropriate.</u> A recommendation will be requested from affected boards, commissions, organizations, and associations when appropriate.</u>

Proposed public art acquisitions and commissions will be evaluated on the following:

- 1. The quality and aesthetic merit of the art workartwork.
- 2. Context within the cityCity collection should be considered with the following criteria:
 - a. Does art work enhance the existing collection or add diversity?
 - a. Does the artwork add diversity, convey artistic expression rooted and reflective of historically marginalized communities by artists from those communities, or enhance existing collections?
 - b. How does the piece engage the public?
 - c. Are the materials appropriate?
 - d. Is the piece susceptible to vandalism or graffiti?
- 3. Coordination with the Park Board or other affected commissions and departments concerning siting, costs of installation, and maintenance of art work.artwork.
 - a. Availability of an appropriate site.
 - b. Appropriateness in size, scale, material, form and style for the area in which it is to be placed.
 - c. Condition, durability, installation, and maintenance requirements of the art workartwork.
- 4. Donor conditions, if applicable.
- 5. If applicable, loaned artwork can be purchased if there is sufficient public support to acquire it via public fundraising or City Council action.

Other Considerations:

- Whenever appropriate, siting decisions willmay be determined by a public art jury made up of surrounding neighbors, businesses, or associations (e.g., business or neighborhood) impacted by an art workartwork location.
- Priority will be given to artists based within the greater Puget Sound region.
- For a work proposed for loan to the City, the owner or owner's representative will be required
 to enter into an Art Display Agreement setting forth the length of the loan and other terms such
 as location, maintenance requirements, insurance, value of art work, installation and removal
 responsibility, and other conditions pertinent to the agreement.
- Donated or loaned art workartwork will include identifying plaques if accepted by the City.
- Donated or loaned art may be declined at the discretion of the City consistent with the criteria in the public art policy guidelines.
- All accepted donated works become part of the City art collection and, as such, may be relocated.
- Unrestricted monetary donations to help fund public art acquisitions will be accepted at any
 time. Donations with conditions or restrictions such as use for acquisition of a specific artwork
 or theme will be reviewed and accepted in accordance with this policy, and declined if the
 conditions or restrictions are not approved.

TEMPORARY ART EXHIBITS

• The KCAC may form a diversity, equity, and inclusion subcommittee to help guide its process to examine and seek to expand the diversity of the City's public art.

B. APPROVAL PROCESS FOR ART ACQUISITION AND COMMISSION

Recommendation to Council

The KCAC will be asked to recommend to Council any acquisitions or commissions that are:

- 1) permanent art (≥2 years), regardless of the purchase price;
- 2) temporary art (<2 years) the City will be spending over \$7,500 or more to purchase;
- 3) ephemeral art (<60 days) the City will be spending over-\$7,500 or more to purchase;
- 4) acquired through the One Percent1% for the Arts program; OR
- 5) a gift or loan of artwork valued at \$7,500 or more.

Nothing in these guidelines limits the City Manager's authority to bring art proposals to the Council even if the KCAC opposes or does not provide a recommendation on the acquisition.

Recommendation to the City Manager

The KCAC may be asked to recommend to the City Manager any acquisitions or commissions that are:

1) ephemeral art (<60 days) the City will be spending under \$7,500 or less to purchase;

- 2) temporary art (<2 years) the City will be spending under \$7,500 or less to purchase; OR
- 3) a gift or loan of artwork valued under \$7,500.

Separately from acquisitions, subject to the approval of the City Manager, the KCAC will have the authority to direct expenditures for cultural or arts-related programs or events using 4Culture art grants funding.

The City Manager may, from time to time, rely on the KCAC for advice regarding other cultural or arts-related programs or events.

C. PREFERRED LOCATIONS

Objectives

To The intent of this section is to provide procedures and opportunities clear guidelines concerning KCAC involvement for the temporary exhibit of art work in cooperation with art galleries and other organizations and to showcase artists, promote awareness and foster education regarding locations on public art property - such as in parks, in the community. right-of-way, or along the Cross Kirkland Corridor - that are preferred for site selection of public art. The City currently has several locations and /pedestals located in the downtown that provide business district provided for the display purpose of displaying temporary and ephemeral public art. Other venues throughout the community, in public facilities and neighborhoods will be, are encouraged.

Guidelines

- The KCAC will work with relevant City staff in the Parks and Community Services, Public Works, and other departments to develop a list of preferred locations
- Proposed use of the existing pedestal-locations for art workartwork in public parks or rights-ofway shall be reviewed by the <u>Cultural Arts CommissionKCAC</u> in coordination with <u>Parks and Community Services impacted departments</u> for installation assistance (if required) and <u>Public Works for any permit requirements</u>.
- Art Display Agreements will be required.
- Hosting temporary indoor and outdoor public art exhibits shall be reviewed by the Cultural Arts
 Commission with recommendation to City Council. If appropriate, partnerships with other arts
 organizations, agencies, and the business community will be encouraged.
- Length of term on loans will be established in artwork loan agreements and reviewed by the commission on an individual basis.

Proposed use of the existing pedestals on Park Lane or artwork in public parks or rights-of-way shall be reviewed by the KCAC in coordination with Parks and Community Services, Planning, Public Works, and Transportation for installation assistance (if required), any permit requirements, and possible right-of-way clearance review.

PARK LANE OUTDOOR ART GALLERY

_An outdoor art gallery located on Park Lane is intended to display temporary art for sale to the public.

NoPark Lane Outdoor Art Gallery Guidelines:

- In reviewing the art concept, in addition to the requirements in section A of these guidelines, the KCAC and other parties involved in the decision shall consider:
- <u>Generally, no</u> more than six pieces of art will be displayed at one time on city-owned plinths that have been installed in the public right-of-way. <u>The City may establish an agreement with the artist for the sale of selected art to the public.</u>
- The <u>Cultural Arts Commission will KCAC may</u> accept sculpture display applications on a rolling basis and curate the selection of art—<u>based on recommendations by the Kirkland Cultural Arts</u> <u>Commission's Park Lane Outdoor Gallery Committee.</u>
- Art will be Generally, art is displayed as temporary art for 12-18 months up to two years unless it is sold, at which time the display term may be shortened, and the art replaced with another selected piece.
- Unlike other pieces of temporary art where the process calls for City Council consideration of recommendations made the Cultural Arts Commission, outdoor art gallery work will only require Cultural Arts Commission approval.

CROSS KIRKLAND CORRIDOR EPHEMERAL ART

The CROSS KIRKLAND CORRIDOR (CKC) is_ a civic open space and active transportation connection. Art on the CKC has been envisioned as one more civic expression of the cityCity and its residents, and as a catalyst for the corridor becoming a sought—after destination for visitors to the cityCity. Reference the CKC Masterplan and CKC Art Integration Plan for further detail.

One type of art that is encouraged on the CKC is <u>Ephemeral Art</u>, art which is built to last only a short period of time. These artworks are often left to degrade in natural environmental conditions. Examples of such art include: art made out of natural material, wwater soluble painting. <u>Ephemeral Art can also be art performances or art installations that are created and then dismantled after their exhibit.</u>

 Ephemeral art, visual or performance art or some other art expression, shall be allowed on the corridor for no more than 60 days, and in this way distinguished from permanent art and other temporary art

Cross Kirkland Corridor Guidelines:

- Stakeholders, representatives from the KCAC, representatives from the CKC Steering Committee, Office of the Special Events Coordinator and others as deemed appropriate shallmay be included in conceptual review of the art
- _Approval of the art will may require recommendations from these stakeholders and any other affected City departments with final approval vested in the KCAC.

- In reviewing the art concept, <u>in addition to the requirements in section A of these</u> guidelines, the KCAC and other parties to involved in the decision shall take into account: consider:
- The compatibility of the concept into the proposed character zone of the Cross Kirkland Corridor and specified in the Cross Kirkland Corridor Art Integration Plan.
- The compatibility and sensitivity of the art to its natural surroundings and particularly critical areas.
- The compatibility and sensitivity of the art to abutting neighborhoods, business districts and schools.
- That the The art must not impede transportation flow bike and pedestrian on the CKC, or connections from the CKC.
- That artists or event producers be charged with making sure the art remains in good condition while on display, (is not a safety hazard or the target for graffiti), and that it is removed if the latter conditions ensue).
- That artists and event producers abide by the city events policies and also-business licensing and insurance requirements-.
- The artists and-/or event producers will be required to leave the location or locations of the art as they found them unless exceptions are made.

PUBLIC PARKS

Public Park Guidelines:

- Stakeholders, representatives from the KCAC, representatives from the Park Board, the Special Events Coordinator, the Parks Operation Manager and others as deemed appropriate may be included in the conceptual review of the art.
- The art must be evaluated by the Parks Operation Manager for ongoing maintenance requirements and susceptibility to vandalism and graffiti.
- Whenever possible, at least one onsite meeting shall be convened, including the Parks
 Operation Manager, representative(s) from the Park Board, representative(s) from the KCAC,
 and other stakeholders as deemed appropriate, to evaluate and discuss potential locations for the art.
- In reviewing the art concept, in addition to the requirements in section A of these guidelines, the KCAC and other parties involved in the decision shall consider:

- Interactivity of the art, allowing people to touch it, climb on it, look through it, and even use it.
- The compatibility of the concept and its ability to integrate into the proposed park <u>location.</u>
- The compatibility and sensitivity of the art to its natural surroundings and particularly critical areas.
- The compatibility and sensitivity of the art to different facets of the proposed park, including beaches, docks, off-leash dog areas, playgrounds, athletic fields, picnic areas, public spaces, and walking/jogging/hiking trails.
- The art must not impede the ability of parkgoers to fully utilize the park.

D. ART EXHIBIT DURATION

Objectives

To provide clear definitions and guidelines for ephemeral, temporary, and permanent art installations.

Ephemeral Art

Ephemeral Art is built to last and/or be displayed only a short period of time, up to 60 days. These artworks are often left to degrade in natural environmental conditions. Examples of such art include art made out of natural material and water-soluble paintings. Ephemeral Art can also be art performances or art installations that are created and then dismantled after their exhibit.

ADDITIONAL Ephemeral Art Guidelines

- Ephemeral art, visual or performance art or some other art expression will last for no more than 60 days, and in this way is distinguished from permanent art and other temporary art.
- Art Display Agreements are required.
- Ephemeral art installments require a plan for demobilization and a commitment by the artist to leave the site as it was prior to the art installment or better.
- Ephemeral art exhibits that are performances shall be conducted with respect to site surroundings with deliberate consideration given to noise levels and proximity to neighbors.

Temporary Art

Temporary Art allows for the exhibition of artwork in cooperation with art galleries and other organizations and to showcase artists, promote awareness and foster education regarding public art in the community.

Temporary Art Guidelines

Art Display Agreements are required.

- If appropriate, partnerships with other arts organizations, agencies, and the business community are encouraged.
- Length of term on loans is clearly established in artwork loan agreements between 60 days and two years. Loan term shall be reviewed and considered by the KCAC on an individual basis.

Permanent Art

Permanent Art is planned, positioned and constructed for longevity lasting beyond 2 years. Art curated as the result of the 1% Percent-for Art program typically manifests as fixed, permanent art installations at designated project sites.

Permanent Art Guidelines

- All permanent, public art curated through the 1% Percent for Art process must adhere to the 1%
 Percent for Public Art Guidelines and follow the established process for 1% Percent for Art projects.
- If appropriate, partnerships with other arts organizations, agencies, and the business community are encouraged.
- Art Display Agreements may be required.

B-E. MEMORIAL PUBLIC ART CONSIDERATIONS

Objectives

The intent of this section is to provide clear guidelines concerning KCAC involvement for memorial public art considerations.

Guidelines

- Donation of memorial artwork can honor the memory of an event (contemporary or historical), an occasion, an outstanding member of the community, or serve a similar purpose.
- Proposed memorial public art shall be reviewed by the Cultural Arts Commission with recommendation to the City Council. The Cultural Arts CommissionKCAC will work with the donor and relevant City Departments departments to recommend an appropriate site for the work. For proposed memorial public art to be sited in a park, a recommendation from the Kirkland Park Board will also be requested.
- Proposed commissioned memorial art shall not ordinarily honor a living person, unless that person has made a significant and outstanding contribution to the arts or civic service. A waiting period of at least one year should elapse from the time of (1) the initial nomination of the living individual, (2) the passing away of the deceased individual(s) or, (3) the occurrence of the event in order to be eligible for consideration as a commissioned memorial public art work.
- The proponent(s) of commissioned memorial art will approach the Cultural Arts Commission with several ideas for the intended public art. The Cultural Arts Commission will establish a

dialogue with the proponents and other affected city departments. As a result of this dialogue, the Cultural Arts Commission will make a recommendation to the City Council. The recommendation may endorse one of the proponent's proposed ideas or may recommend a different design approach or public art location.

- Celebratory gifts may be commemorative in nature, or may mark a life event such as: the birth of a loved one, an anniversary, a graduation, a business, or a celebration of an event or a group.
- Memorials accepted by the City become a part of the City art collection and, as such, may be relocated.

<u>Proposed</u>In addition to the requirements in section A of these guidelines, proposed memorial public art will be evaluated on the following criteria:

- A. The fitCohesiveness of the art workartwork with the overall character of public art already on display throughout the city.
- B. The timeless qualities of the <u>art workartwork</u>, including its significance and appeal to future generations. Memorial proposals honoring individuals, or a personal event should be represented in a form that has a broader community interest and moves the viewer to a special experience. Examples include community parks, landscaped gardens and plazas, sculpture and art works, plaques about history or the environment, poetry, fountains, park benches, and site furnishings.
- C. The <u>art work'sartwork's</u> success in expressing the spirit of the person(s) or event to be commemorated.
- D. Memorial artwork should not set a precedent that goes against the criteria outlined above. Artwork should be congruent with the existing collection, its immediate environment and site—specific existing artwork.
- E. The artistic merit of the art workartwork.
- F. The proposed location of the <u>art work. artwork.</u> The location should be an appropriate setting for the memorial and should not interfere with existing and proposed circulation and use patterns. It is recognized that a particular location may reach a saturation point and it would then be appropriate to consider limitations or a moratorium on future memorial installations at that location or area.
- G. The fit in terms of the size, scale, material, form and style for the area in which it is to be placed.
- H. Condition, durability, installation, and maintenance requirements of the art workartwork.

C.F. DEACCESSION OF ART WORKARTWORK

Objectives

To provide procedures for the withdrawal of City owned art work from public display.

The intent of this section is to provide clear guidelines concerning KCAC involvement in the deaccession of artwork.

Guidelines

Deaccessioning should be cautiously applied only after careful and impartial evaluation including input from the <u>Cultural Arts Commission KCAC</u>, art professionals, the public, the artist, and final review and decision by the City Council.

- Deaccessioning of art workartwork may be considered for one or more of the following reasons:
 - A. The condition or security of the <u>art workartwork</u> cannot be reasonably guaranteed in its present location.
 - B. The <u>art work</u> presents a public safety risk.
 - C. The art workartwork is damaged and repair is not feasible.
 - D. Significant changes in the use, character or actual design of the site require a re-evaluation of the art work's relationship to the site.
 - E. The <u>art workartwork</u> requires excessive maintenance or has failures of design or workmanship.
 - F. The art workartwork no longer meets the mission and goals of the Public Art Policy.

G. RELOCATION OF ARTWORK

Objectives

To The intent of this section is to provide procedures for clear guidelines concerning KCAC involvement in the relocation of City owned art workartwork.

Guidelines

_The condition or security of the <u>art workartwork</u> cannot be reasonably guaranteed in its present location.

- A. The art workartwork presents a public safety risk.
- B. Significant changes in the use, character or actual design of the site require a re-evaluation of the art work's relationship to the site.
- C. A more suitable location for the artwork has been proposed.

Procedures for possible deaccessioning or relocation of <u>art workartwork</u> shall be initiated by a majority vote of the <u>Cultural Arts CommissionKCAC</u> or direction from the City Council. The following describes specific procedures for deaccessioning or relocation of artwork-:

- A. Review of any restriction which may apply to the specific work.
- B. Assessment of options for storage or disposition of <u>art workartwork</u>, which may include sale, trade, return to the artist, or gift.
- C. Analysis of reasons for deaccessioning and recommendationa deferral to City Council for the final decision. The Cultural Arts CommissionKCAC may seek additional information

regarding the <u>art workartwork</u> from the public, the artist, art galleries, curators, appraisers, or other professionals prior to making a recommendation.

H. PUBLIC ART JURIES FOR ACQUIRED OR COMMISSIONED WORKS OF ART

Objectives

The Cultural Arts Commissionintent of this section is to provide clear guidelines concerning KCAC involvement in the selectin of art juries for acquired or commissioned works of art.

Guidelines

- The KCAC may convene a jury to review individual public art memorials or acquisitions. The
 Commission will convene a jury when the public art work to be considered is a commissioned
 piece and is not an already completed work of art. or commissions.
- Candidate jurors can include but will not be limited to: artists, architects, landscape architects, engineers, urban designers, representatives from the community, art professionals and other stakeholders.
- An appointed jury shall not include City Council members Councilmembers, or their partners or families
- A jury shall not ordinarily be comprised of more than 50% <u>percent</u> membership from the <u>Cultural Arts CommissionKCAC</u>.
- Proposals for commissioned works shall include:
 - A. A three-dimensional model (when appropriate) or complete drawing of a two-dimensional work
 - B. Drawings or photographs that demonstrate the relationship of the artwork to the site
 - C. Material samples for the artwork and any relevant construction materials
 - D. Installation details
 - E. Description of routine maintenance and estimate of maintenance costs
 - F. Approval for the installation and use of site by the appropriate city department(s)
 - G. Artist's resume
 - H. Budget and schedule

I. PUBLIC INPUT FOR PUBLIC ART OPPORTUNITIES

Objective

To encourage community involvement in art, cultural and heritage activities, the City Council may seek community input on public art decisions.

Guidelines

After City Council receives the recommendation from the <u>Cultural Arts Commission KCAC</u> and/or Public Art Jury, the Council, at its discretion, may seek broader community input on the recommendation before making a decision to acquire and site public art, to approve temporary and memorial art, or to <u>approve the</u> deaccession <u>of public</u> art.

City Clerk

LEGISLATIVE REQUEST MEMORANDUM

Request new legislation, or request staff resources be allocated to issues not included in current budget, City Work Program, or department work plans.

Title: Busking in Parks, Rights-of-Way, and Commercial Areas **Date**: 6/1/2021

Requesting Councilmember: Toby Nixon Department(s) Assigned: PCS

REQUEST SUMMARY

A clear, concise description of the issue(s) to be addressed, and why the City should be involved.

Recently there have been several complaints about buskers in parks. Complaints have come from park users and buskers alike. Park users have complained about the noise disturbing them while visiting the park, while buskers have complained the lack of equity in current code as it relates to sound amplification. This has led to conflicts between buskers about who has the right to play music in a given space, resulting in calls to PD and Parks and Community Services.

Existing codes/laws would need to be evaluated/updated to address these concerns and subsequent processes/procedures would need to be developed to manage any potential changes. KMC 11.80.90, does not allow anyone to sell, solicit, or peddle in parks without a written permit from the Director and also restricts the use of any loudspeaker or sound amplification devices in any park without prior permission. KMC 11.84a.070 states sound from portable audio equipment operated at a volume so as to be audible greater than fifty feet from the source, and if not operated upon the property of the operator to be considered a public disturbance.

Additional complaints have been received about busking in commercial areas/rights-of-way (ROW) like Park Lane. These areas would fall under <u>KMC 11.84a.070</u>, but the language in the code needs to be evaluated to ensure it covers busking activities in public areas.

There is no formal process to obtain a permit to allow this activity in parks or in the ROW. The following proposal addresses what it would take to develop and implement a formal process to permit busking activities.

BENEFITS

Preliminary potential benefits of the proposal.

Developing and implementing a formal process to permit busking activities could have several benefits including, but not limited to the following:

- Defined structure to allow busking
 - Could include scheduling process to avoid conflict
 - Allowable times could be promoted to inform park users when buskers may be present
 - Could define locations that busking would be allowed
- Updated KMC could make enforcement easier
- Creates more opportunity for busking (if amplification is allowed)
- Reduce conflict by more clearly defining what is/is not allowed
- Having a fee for the permit would generate revenue

IMPACTS

Preliminary potential impacts of the proposal.

Development of a formal process could be seen as overbearing to buskers. If fees are charged, this could "price-out" some people from being able to legally busk in the city. Additionally, some

residents, businesses and visitors dislike when people play music in parks or other public areas and because 483 would prefer this not be an allowable activity anywhere. Updating codes to permit busking and allow amplification will likely result in much more busking activities. Amplification/no amplification is easier for Parks and Police staff to enforce. Permitting amplification introduces subjectivity of "audible from 50 feet away" by city staff and park/public space users. Ongoing permitting/scheduling/enforcement would take some additional staff time.

COUNCIL VISION AND GOALS

Check all that apply.

Χ	Inclusive and Equitable Community		Attainable Housing		
Χ	Vibrant Neighborhoods		Financial Stability		
Χ	Community Safety		Sustainable Environment		
	Supportive Human Services	Х	Thriving Economy		
	Balanced Transportation		Dependable Infrastructure		
Χ	Abundant Parks, Open Spaces, and Recreational Services				

EQUITY

Preliminary discussion on how the proposal may impact diversity, equity, and inclusion.

Current codes are enforced on a complaint basis which can impact equity depending on who complains and why. Current codes do not allow any amplification in parks. Some instruments used by buskers, such as keyboards, require amplification. This results in an inequity depending on which instrument a given busker plays. Depending on the final recommendation, there could be fees associated with a formalized policy. Charging buskers for a permit could limit this activity to those who can afford the permit fees. If permitted locations are limited, there could be perceived inequity if some locations are more "desirable" to busk at then others.

STAKEHOLDERS / OUTREACH

Preliminary potential stakeholders impacted and outreach to be considered.

- Public Outreach Campaign to determine level of support for busking
 - o Park Board
 - o Kirkland Alliance of Neighborhoods (KAN)
 - Neighborhood Associations
 - o Commercial Area business owners
 - Tourism Development Committee
 - Social Media, Online Survey
- Several city departments would be considered stakeholders
 - o Police
 - Enforcement
 - Parks and Community Services
 - Development and administration of permit process
 - Identify locations where busking would be allowed
 - Research neighboring cities
 - Current codes
 - Is permit or business license required of buskers?
 - Is amplification allowed?
 - Scheduling/location restrictions
 - Finance
 - Evaluate business license and/or permit requirements
 - Public Works (ROW)
 - Busking on city streets/ROW not in a park
 - City Manager's Office
 - Commercial areas such as Park Lane discuss impacts/concerns

RESOURCES AND BUDGET

Preliminary potential staff resources needed and whether current staff and budget authority could accommodate the request.

It will take PCS staff approximately 140-200 hours to conduct research of neighboring cities, draft proposed policy/procedures, and to gather feedback from other city departments. It will take 1-2 months' time to complete the public outreach recommended.

Based on other projects/current workload, this could not be started until July/August 2021.

OPTIONS

Potential options or alternatives that could be evaluated.

Status quo – no change, no impact on operations

- This would require the least staff time, but does not address current conflicts
- Technically, busking would remain a violation of the KMC since the current code disallows soliciting or peddling in parks

Update <u>KMC 11.80.90</u> to allow amplification as long as it remains under levels defined in <u>KMC 11.84a.070</u>

 Technically, busking would remain a violation of the KMC if the only change is to allow amplification since the current code disallows soliciting or peddling in parks

Disallow busking in parks

• Add the word "busk" to KMC.80.090 to read, "It is unlawful to sell, solicit, busk or peddle in any park without first obtaining a written permit from the director."

ADDITIONAL CONSIDERATIONS

Check all that apply.

Χ	Legal analysis required			
Χ	Fiscal analysis required			
Χ	Legislative change required			
	State or federal change required			
Х	Other (please explain):			

Various sections of the KMC would need to be modified/updated if changes in status quo are desired.

KMC 7.02 KMC 11.80.90 KMC 11.84a.070 KZC 115.95

Julie Underwood, Director of Public Works

Date: June 8, 2021

Subject: NORTHEAST RECYCLING AND TRANSFER STATION MITIGATION REQUEST LETTER

RECOMMENDATION:

Staff recommends that the City Council review and authorize Mayor Sweet to sign the attached letter to King County, in its current form or as amended by Council, concerning the City's request for host-city mitigation in the event the County selects one of the two potential sites in Kirkland for the Northeast Recycling and Transfer Station (NERTS).

BACKGROUND:

King County has selected three potential sites as finalists for the new NERTS in the northeast County service area to go through the Environmental Impact Statement (EIS)/State Environmental Policy Act (SEPA) process. The potential site in the City of Redmond was removed from consideration by the County because of an impending multi-use development on the property that made the property less desirable and prohibitively expensive as a site for a transfer station. The two finalist sites in Kirkland are the Houghton Park-and-Ride and the existing Houghton Transfer Station property. The third potential site is in the City of Woodinville.

In the two letters sent previously to the County concerning the NERTS siting process (attached), the City requested that the city in which the new transfer station is sited should receive significant mitigation from King County to offset any negative impacts the transfer station may have upon residents, businesses, and public infrastructure surrounding the transfer facility. The letters also stated the City's position that all four of the preliminary finalist sites, including a site in the City of Redmond, should continue through the EIS/SEPA process or a new Redmond site should be added. The County declined to keep the aforementioned Redmond site on the list of finalist sites nor was the County interested in adding a different site in the City of Redmond to the list of the three finalist sites.

At its May 18 meeting, the City Council directed staff to begin the process of identifying the level of mitigation the City would expect to receive in the event the Houghton Transfer Station site is selected by the County as the site for the new NERTS following the conclusion of the EIS/SEPA process. The initial mitigation measures listed in the letter were generated through outreach to subject matter experts in Parks and Public Works and in response to concerns and comments heard from neighborhood residents concerning traffic, safety, noise, odors, and pest control. The letter requests mitigation measures on the adjacent landfill portion of the property, measures to be incorporated into

the design of the station, and improvements to be made to public works infrastructure surrounding the station. In addition, similar expectations are included in the letter for the Houghton Park and Ride location.

It is important to note that this letter is not meant to imply that the City has officially endorsed placing the NERTS at either of the sites in Kirkland. City and resident representatives on the Siting Advisory Group intend to actively participate in the upcoming EIS/SEPA scoping and review process, a process that may or may not result in the NERTS being sited in Kirkland. The identification of initial mitigation measures is a proactive effort on the part of the City. The letter provides formal notification to the County that if the County does select a site for NERTS in Kirkland, the City expects the new transfer station to be designed and built to minimize or eliminate negative impacts on the surrounding neighborhood. The County must also ensure that if the City hosts an impactful facility that serves the entire region, the City and its residents receive a significant public benefit through the provision of public amenities and improvements to public infrastructure surrounding the station paid for by the County.

NEXT STEPS:

Staff intends to reach out to members of the South Rose Hill/Bridle Trails community and other interested stakeholders to receive their additional mitigation ideas. Any additional proposals may be presented in future correspondence with King County. The public EIS scoping process is expected to begin this summer, when the public will be invited to comment on the proposed siting alternatives, impacts, and potential mitigation measures to study as a part of the EIS. City staff and stakeholders in the service area, including representatives from the South Rose Hill/Bridle Trails neighborhood, will continue to participate on the NERTS Siting Advisory Group and provide input to the County. More detail on the project can be found on the County's Northeast Recycling and Transfer Station Project website.

June 15, 2021

The Honorable Dow Constantine King County Executive King County Chinook Building 401 5th Avenue, Suite 800 Seattle, WA, 98104

Mr. Pat McLaughlin Director, King County Solid Waste Division Department of Natural Resources and Parks 201 South Jackson Street, Suite 5701 Seattle, WA 98104

RE: NORTHEAST RECYCLING AND TRANSFER STATION MITIGATION

Dear Executive Constantine and Mr. McLaughlin:

In the City of Kirkland's previous correspondence (attached) with King County concerning the siting of the Northeast Recycling and Transfer Station (NERTS), the City requested that the host city of the new NERTS receive significant mitigation to reduce or eliminate the myriad negative impacts the station may have upon surrounding areas. In the past, the County has offered mitigation to host cities of new transfer stations in the cities of Shoreline, Tukwila, Bellevue, and Algona. Kirkland doesn't stand alone in this position as the City of Redmond, even now without a potential site in its City, has also expressed its support for NERTS host-city mitigation in a letter to the County on April 2, 2021.

In recent correspondence with the County on February 2nd, 2021, the City requested that the site in the City of Redmond at Willows Road and NE 124th St remain on the final list of four sites to be reviewed during the EIS process. In a subsequent follow-up letter on April 5, 2021, the City asked the County, in the interest of regional fairness, equity, and inclusivity, to substitute another site in the City of Redmond from the preliminary list of 15 sites. For example, the AeroJet/Rocketdyne and Physio-Control sites received high ratings by the County and Core Cities. Neither of these requests were granted by the County. Given that the EIS process has yet to begin in earnest and there are viable sites in the City of Redmond, the City would like to take this opportunity to once again strongly reiterate our request that the County add an additional site in the City of Redmond to the list of three sites currently slated to go under EIS review.

This letter should not be construed as an endorsement of the County siting NERTS at either the Houghton Park and Ride or the Houghton Transfer Station site. However, this letter does offer the City's advocacy for a fair and transparent public EIS/SEPA process to identify the preferred site for NERTS out of the three finalist sites and, if after the conclusion of the environmental review process either of the sites in Kirkland is chosen by the County as the NERTS site, serves

to proactively reiterate the City's request for host-city mitigation and specifically outlines the **minimum** mitigation measures the City would expect the County to provide if NERTS is sited in Kirkland.

Houghton Transfer Station and Landfill Site

The Houghton Transfer Station/Landfill property is surrounded by and located near residences, businesses, schools, day cares, and recreational facilities and is not, nor has it ever been, an ideal location for a transfer station. If upon the conclusion of the SEPA/EIS process the County selects the County-owned Houghton Transfer Station property as the site for NERTS, the City of Kirkland requests that the County reallocate its entire unspent property acquisition budget of approximately \$28 million to provide the following mitigation measures at the new facility itself, on the closed landfill, and on appurtenant City of Kirkland public works infrastructure near the station.

The mitigation measures listed below were generated from City subject matter experts in Public Works and Parks and are intended to address many of the concerns the City has received from residents before and during the siting process concerning safety, traffic, noise, odors, pest control, and other negative impacts hosting the Houghton Transfer Station has had upon the surrounding neighborhood. These are the baseline, minimum mitigation measures the City has identified at this time and City staff intends to reach out to residents in the surrounding neighborhood to receive any other mitigation ideas and feedback on this list which will be shared with the County in future correspondence.

Requested **minimum** mitigation measure for a NERTS sited on the Houghton Transfer Station property:

- Taylor Fields: The four little league ballfields should remain in place during and after construction and should be upgraded with the addition of/improvements to restrooms, field turf, scoreboards, dugouts, backstops, fencing, seating, parking, and lighting.
- Parks and Recreation: With the input of the community, explore
 opportunities to develop the remaining portion of the closed landfill into
 parks and recreation areas including such possible amenities as multi-use
 sports fields, playgrounds, off-leash dog areas, community garden space,
 sheltered picnic areas, walking and biking paths, sports courts,
 exercise/parkour equipment, all linked to the Bridle Trails State Park to the
 south of the station.
- NE 60th St and 116th Ave NE Intersection Improvements: The fourway stop intersection should be reconstructed and re-channelized to meet ADA standards and accommodate safe co-use by pedestrians, bicyclists, and light and heavy vehicles. The westbound NE 60th St. to northbound 116th Ave NE right turn lane should be reconstructed to ensure safe turning

movements for large waste trucks and trailers. Overhead utility lines in the vicinity of the intersection should be undergrounded and new street lighting installed.

- **NE 60th St Frontage Improvements:** Frontage improvements on NE 60th St should include the construction of a safe and ADA accessible pedestrian and bike connection on the north side of NE 60th St between 116th Ave NE and 122nd Ave NE. A safe and efficient station entrance/exit should be constructed with eastbound and westbound turn lanes designed to prevent queuing on NE 60th St. during peak station usage times. Needed upgrades to the water distribution, sewer, and surface water management systems should be identified and completed.
- **120**th **Ave NE Frontage Improvements:** Frontage improvements should be constructed on the west side of 120th Ave NE between NE 60th St and NE 64th St and should include improvements such as sidewalks, curb/gutter, storm water infrastructure, and parking for users of Taylor Fields, and other appropriate public works infrastructure required by City of Kirkland to meet development standards.
- Public Works Utility Improvements: All required improvements and upgrades to City surface water, sewer, and water distribution systems for a new transfer station development should be constructed to meet or exceed City development standards. A new sewer main should be constructed on NE 60th St. to accommodate wastewater generated from the station. At no cost to residents, the County should connect residences on septic to the new sewer main and abandon failing residential septic systems.
- Transfer Station Design Features: The design of the new station should incorporate state-of-the-art noise, dust, pest, odor, and litter controls; meet surface water management standards; meet and achieve the highest green building standards achievable for a transfer station facility; and take a minimalist approach to limiting the footprint of the station without sacrificing accessibility and services such as recycling.
- Community Amenities: The station should offer public amenities similar
 to those provided at the North Seattle Transfer Station such as meeting
 spaces, space for visitor educational opportunities, exercise areas/parkours
 stations, sports courts, playground areas, public seating, and landscaping.

Houghton Park and Ride Site

If the Houghton Park and Ride site is selected by the County as the NERTS site, the City requests that the balance of the \$28 million property acquisition budget remaining after the

purchase of the property from the Washington State Department of Transportation be directed toward host-city mitigation. At a minimum, the City requests mitigation to include the previously discussed improvements to Taylor Fields, the same state-of-the-art Transfer Station Features previously noted; improvements to transportation at and around the property; and public recreational amenities at the station similar to the public amenities provided at the North Seattle Transfer Station in Freemont (parkour stations, sports courts, public seating, playgrounds areas, landscaping, etc.).

The County can be assured that the City of Kirkland and its residents will continue to be actively involved on the NERTS Siting Advisory Group and will participate in the upcoming EIS scoping process this summer. If you have any questions concerning this letter, please don't hesitate to contact me via email at psweet@kirklandwa.gov or by phone at (425) 587-3534.

Sincerely,

Penny Sweet Mayor, City of Kirkland

RE: NORTHEAST RECYCLING AND TRANSFER STATION SITES

Dear Executive Constantine and Mr. McLaughlin,

Please accept this letter as the City of Kirkland's formal request that all four of the sites under consideration for the Northeast Recycling and Transfer Station (NERTS) proceed into the environmental review (EIS/SEPA) phase of the siting process.

As host city to King County's Houghton Transfer Station since 1967, the City of Kirkland has long advocated for the closure of the existing station due to its age, lack of services and amenities, operational deficiencies, and, most notably, its location in the heart of the South Rose Hill/Bridle Trails residential area. The City of Kirkland supports and will continue to support a fair, equitable, and inclusive siting process to identify a new location for a modern and long-waited NERTS in the northeast County service area. The City has actively and amicably participated in the collaborative and exhaustive siting process with the County and the cities of Redmond and Woodinville over the past year and a half.

Through its participation in the NERTS Siting Advisory Group (SAG) and the Core Cities Group, City of Kirkland staff assisted the County in identifying the final four sites currently under consideration to proceed into the EIS/SEPA phase of the process. The four sites include two potential sites in Kirkland (Houghton Park and Ride and the existing Houghton Transfer Station property), one site in Redmond (NE 124th St and Willows Road), and one in Woodinville (Winsome Trading at 16111 Woodinville-Redmond Road). Despite the fact that the Solid Waste Transfer and Waste Export System Plan (2006), as referenced in Action 1-t of the adopted Comprehensive Solid Waste Management Plan (2019), recommends that a new Northeast Lake Washington transfer station should be "... built on a new site; location to be determined", the City of Kirkland has not objected to including either of the Kirkland sites on the list.

No matter where the new NERTS is ultimately sited, the City of Kirkland would like to reiterate its position that the new facility is an asset rather than a detriment to the city and

E-Page 492 February 22, 2021 Page 2

neighborhood in which in it located. Host city mitigation should include, but not be not limited to, state of the art odor control, facility improvements to surrounding transportation infrastructure, public park and playground areas, public meeting spaces, and other such attractive public amenities. The host city to the new NERTS must be provided with significant mitigation to help the facility coexist well with adjacent and disparate land uses.

While the City of Kirkland recognizes that the four sites on the short list possess a variety of positive and negative characteristics making each site relatively more or less suitable to host a transfer station, we believe all four sites are nonetheless feasible. In the interest of continuing what has been an abundantly fair, equitable, and inclusive process, all four of the sites under consideration by the County should move forward into the EIS/SEPA review phase of the siting process. Furthermore, we request that if the County opts not to move either of the sites in Redmond and Woodinville forward into the environmental review process, that the County substitute another alternative site in Redmond or Woodinville taken from the list of fifteen sites that were previously under consideration. The preliminary list of 15 sites includes six other potential sites in Redmond and two in Woodinville. This reasonable request would ensure each city in the service area has at least one site under EIS/SEPA review.

If you have any questions concerning this letter, please don't hesitate to contact me via email at psweet@kirklandwa.gov or by phone at (425) 587-3534

Sincerely,

Penny Sweet

Mayor, City of Kirkland

Dow Constantine
King County Executive
King County Chinook Building
401 5th Avenue, Suite 800
Seattle, WA, 98104

Pat McLaughlin Director, King County Solid Waste Division Department of Natural Resources and Parks 201 South Jackson Street, Suite 5701 Seattle, WA 98104

RE: NORTHEAST RECYCLING AND TRANSFER STATION EIS/SEPA SITE SELECTION

Dear Executive Constantine and Mr. McLaughlin,

In response to King County's recent announcement that the Houghton Park and Ride, the Houghton Transfer Station, and the Winsome Trading site in Woodinville have been selected for environmental review, please accept this letter as a reiteration of the City of Kirkland's request that at least one site from the cities of Kirkland, Redmond, and Woodinville should proceed into the environmental review (EIS/SEPA) phase of the Northeast Recycling and Transfer Station siting process.

In our letter dated February 22, 2021 (attached), the City of Kirkland made the reasonable request that all four sites under consideration by the County should move forward into the EIS/SEPA review phase of the transfer station siting process. It was further stated in the letter that in the event either or both sites in Redmond and Woodinville were removed from the final list of sites selected to proceed into the EIS/SEPA review process, the County should substitute another alternative site or sites from the list of fifteen sites previously under consideration. Since the Willows Road and NE 124th St site in Redmond is no longer under consideration, the City is strongly encouraging that the County, in the interest of fairness, equity, and inclusivity, to identify and substitute an alternative site in the City of Redmond for evaluation during the EIS/SEPA process.

In December 2020, a team of staff representatives from the core cities of Kirkland, Redmond, and Woodinville collaboratively and objectively applied the County's own functional criteria to the list of fifteen preliminary sites. This collaborative exercise resulted in the identification of other viable sites in Redmond which were not selected by the County for inclusion on the short list of four sites. For example, the Aerojet/Rocketdyne site in Redmond was ranked fourth out the 15 sites by the team and ranked third by the County. Similarly, the Physio-Control site in Redmond was ranked seventh out of the 15 sites by the team and the County. Both alternative sites possess the size, shape, affordability, and other characteristics that make them equally as

E-Page 494 April 5, 2021 Page 2

viable as the sites in Kirkland and Woodinville. Furthermore, both of these sites are located outside of Redmond's Critical Aquifer Recharge Area (CARA).

It is also appropriate to restate the City of Kirkland's position that no matter where the Northeast Recycling and Transfer Station is ultimately sited, that the station be state of the art and the host city receive significant mitigation to offset the impacts the transfer station would have on homes and/or businesses and City transportation infrastructure. Such mitigation should include, but not be limited to, enhanced odor controls, facility improvements to surrounding transportation infrastructure, public park and playground areas, public meeting spaces, and other such attractive public amenities.

If you have any questions concerning this letter, please don't hesitate to contact me via email at psweet@kirklandwa.gov or by phone at (425) 587-3534.

Sincerely,

CITY OF KIRKLAND

Genny Sweet

Mayor

Connected Community Enhanced Livability Environmental Sustainability

April 2, 2021

Dow Constantine King County Executive King County Chinook Building 401 Fifth Ave., Suite 800 Seattle, WA 98104

Pat McLaughlin Division Director, King County Solid Waste Division Department of Natural Resources and Parks 201 S. Jackson St., Suite 5701 Seattle, WA 98104

RE: Northeast Recycling and Transfer Station Host City Mitigation

Dear Executive Constantine and Mr. McLaughlin,

As the siting process continues for the new Northeast Recycling and Transfer Station (NERTS), and the project moves toward the design phase, the City of Redmond requests that King County prioritize innovative design and provide full mitigation for the host City and community for the new NERTS. The facility design must consider, enhance, and embrace the character and amenities surrounding the new NERTS site.

The City of Redmond recognizes that there is no perfect site for the new NERTS. Each potential site has its own unique design challenges and opportunities, but we believe a thoughtful, innovative design can minimize and mitigate community impacts for the host city and surrounding community. A new facility must be an asset to the host city and the community in which it is sited with noise, traffic, odor, and pollution from lighting fully mitigated.

Seattle's North Transfer Station in the Wallingford neighborhood and King County's Shoreline Transfer Station are excellent examples of minimizing and mitigating impacts through innovative design that considers a smaller footprint and community assets including parks, playground areas, public meeting spaces, and modern architecture. King County set a new standard with their Shoreline facility mitigating impacts to the residential area where it was sited; this innovative design also allowed the use of a smaller site than has traditionally been considered for a modern transfer station. These design concepts must be embraced and enhanced for the new NERTS.

City Hall

15670 NE 85th Street PO Box 97010 Redmond, WA 98073-9710

E-Page 496

Executive Constantine and Pat McLaughlin April 2, 2021 Page 2 of 2

Traffic mitigation and pedestrian safety improvements must be a priority along with an emphasis on creating community connections to neighboring parks, playgrounds, and schools. An emphasis on providing educational experiences for NERTS users at the new facility must also be a priority to help the region meet and maintain zero waste of resources objectives.

Thank you for including the Core Cities as partners in the siting and design process for the new Northeast Recycling and Transfer Station.

Sincerely,

Angela Birney

Mayor, City of Redmond
