

2. Community Benefit/Support (0–30 points)

Please explain how the project benefits people outside of the neighborhood (e.g., creates a community-wide connection):

Marina Park is a popular destination that draws crowds from across the City and beyond. It is especially crowded with pedestrians in the summer months and during events. As of February 15th, 18 events spanning 43 days have already been scheduled for 2018.

Adding a crosswalk that guides pedestrians across Lakeshore Plaza to the foot of the stairs that leads to Central Way will help reduce the risk of car/pedestrian accidents. A crosswalk will encourage people to safely cross Lakeshore Plaza at a designated location instead of walking in and across the street all along the North side of Marina Park.

Is there broad community support for the project outside the neighborhood (e.g., businesses, schools, and PTSAs, and community groups)? Yes No

Note: Please attach letters, emails, or a petition of support for your project.

3. Neighborhood/Community Project Partnership (0–10 points)

Will there be financial contributions and/or volunteer hours for this project (e.g., trail construction or maintenance)? If so, please provide details of the contributions. (**Note:** Volunteer value is \$23.56.)

Since the crosswalk needs to be installed by the City, there is not a volunteer component to this project.
