

Addendum # 1

City of Kirkland

Trailer-mounted Mobile LED Video Screen

Job # 23-21-PCS

Under the “General Specifications – Trailer-mounted Mobile LED Video Screen” section in the ITB, in the “Delivery” section please amend the following sentence:

“Ideally the City would like to obtain delivery within 3 months of contract execution, with an absolute deadline for delivery of 5 months from contract execution.”

Answers are being provided now to the questions that have been already sent to the City regarding this invitation for bid. The City will answer any subsequent questions by the previously mentioned deadline of August 16, 2021. All questions/alternate products must be submitted to the City by August 12, 2021 at 5:00 PM. Questions and answers are listed below:

Q: Due to the global supply chain and shipping crisis, we cannot guarantee delivery earlier than 90 days from contract acceptance.

A: *Per Addendum #1, the shipping time has been updated to allow for more flexibility for bidders. Please include shipping times with your bid. Shipping/lead time will be taken into consideration when reviewing bids.*

Q: At this time, we do not have a used 17'x10' or 20'x12 units for sale.

A: *Bidders do not need to submit a bid for all size screens listed, or for the used models. We have requested bids for multiple size screens, with used options, to give us greater flexibility in determining which screen best meets our needs and fits within our budget.*
