

## Addendum #1

### **City of Kirkland Recreation and Aquatics Centers Feasibility Study (37-22-PW) Cancellation of RFP – New RFQ for Same Scope of Work**

We will be reissuing this procurement shortly as a Request for Qualifications (RFQ). Please review the new RFQ document for the Recreation and Aquatics Centers Feasibility Study on the City of Kirkland website. The job number will remain 37-22-PW.

The new RFQ will remove the request for vendors to provide pricing for their services. The Scope of Work and non-cost related items mentioned in the Submission Criteria will remain the same. The City's evaluation criteria will no longer include vendor cost.

The due date will remain June 27<sup>th</sup>, 2022 at 12:00 PM Pacific Time.
