**Project:** NE 120<sup>th</sup> St Water Quality Treatment Project

**Agency:** City of Kirkland

**Subject:** Bidder Questions and Response(s) #1

1. When are you planning on awarding this project?

*The project is anticipated to be awarded at the Council Meeting on March 16, 2021.*

2. Are there any hard deadlines (besides the 35 working days) that you are trying to meet due to other conflicts (for grind/overlay?, etc)

*While there are no hard deadlines due to other project conflicts (for example, future grind/overlay), this project is partially funded by a Department of Ecology grant and must meet funding obligation requirements. The 35 working days to substantial completion was established to meet those requirements.*

3. This is all day time work correct? No night time?

*Yes, the hours of work shall be any consecutive 8-hour period between 7:00 a.m. and 6:00 p.m. of a working day. Please refer to Section 1-08.0(2) Hours of Work of the Special Provisions for more information.*
