

**Green Kirkland Partnership Plant List for Fall Delivery**

**Use this printable list to draft your plant request - Submit your final plant request online:**

<https://www.kirklandwa.gov/Government/Departments/Parks-and-Community-Services/Green-Kirkland-Partnership/Resource-Page>

Plants in **BOLD** are commonly used & often available (start with these). Contact GKP staff for special sites (e.g. wetlands) and an expanded list.

In general: please request 3-5+ of each species you need and keep requests under 20 species.

See *Steward Field Guide and Green Kirkland Resource Webpage* for resources or ask for a consult from GKP staff.
