Inclement Weather

The safety of program participants and staff is the primary consideration when determining whether programs should be canceled, rescheduled, or modified due to inclement weather, excessively high or low temperatures, poor or icy road conditions, poor air quality, or other events which may jeopardize safety. The City of Kirkland typically follows the lead of the Lake Washington School District when determining cancellations during the school year. Outside of the school year, City staff will evaluate conditions and make the appropriate decision to cancel or delay programs. When air quality levels are deemed unhealthy according to the Environmental Protection Agency's (EPA) website www.airnow.gov, all outdoor programs will be canceled or rescheduled. Additionally, the Peter Kirk Pool will be closed, and beaches will not be staffed by lifeguards. Refunds will be considered on an individual program basis but are not guaranteed. Our inclement weather hotline is 425-587-3335.

Title VI

Kirkland's policy is to fully comply with Title VI of the Civil Rights Act by prohibiting discrimination against any person on the basis of race, color, national origin or sex in the provision of benefits and services resulting from its programs and activities. Any person who believes his/her Title VI protection has been violated may file a complaint with the City. To request an alternate format, file a complaint or for questions about Kirkland's Title VI Program, contact the Title VI Coordinator at 425-587-3011 or titlevicoordinator@kirklandwa.gov.
