

Development Services Drop Box

There is a Development Services drop box now installed at the north entrance to City Hall, in the location shown below. The box is intended as a secure drop off location for documents to be recorded with King County, Official City Documents requiring original signatures, and Security packets.

Please notify your staff contact via email or phone when you leave something so the box can be checked promptly.

The box is located to the left of the main entrance and has this sign attached to the side:
