

What concerns or questions do you have?	Theme area 1	Theme area 2	Theme area 3
Prefer _____ near or closer to homes - quiet use.	Noise		
Remove Poplars.	Vegetation and ecosystem		
Concern about hazard / trees/ tree health (cottonwoods).	Vegetation and ecosystem		
Parking area - room for more cars with out taking away from park.	Parking & traffic		
Don't want off-leash dog park because it will attract more people to the park.	Dogs		
Winter sledding for kids in the community is important. Can we leave space for that?	Winter activities		
Downstream impacts or infiltration on hillside.	Vegetation and ecosystem		
Parking capacity.	Parking & traffic		
Need unscheduled field time.	Programming of use		
Concern about parking - street and neighborhood.	Parking & traffic		
Concern about fields always being booked.	Programming of use		
Parking big issue.	Parking & traffic		
Environmental review?	Vegetation and ecosystem		
Concern about P-patches bringing in too many people.	P-patches		
Maintain character of a neighborhood park - especially with traffic.	Neighborhood park	Parking & traffic	
Maintaining multi-use in upper level.	Accessibility		
Intersection lighting for pedestrians at night.	Lighting		
Displacing existing neighborhood uses.	Neighborhood park		
Preserve lines of sight for passive area.	Visibility		
Lighting: keep to field only - not lighting whole park.	Lighting		
Longevity/cost of turf vs. grass.	Turf		
Do not overdevelop this park, more is not better.	Passive space		
Ability for pick-up games/ don't overprogram.	Programming of use		
Keeping dogs off of artificial turf/people who don't pick up after their dogs (although most do).	Dogs	Turf	
Plan for tree replacement.	Vegetation and ecosystem		
Parking on development streets near access.	Parking & traffic		
Soil stability discharging from the vault.	Vegetation and ecosystem		
Illegal parking when park is in use.	Parking & traffic		
Tree management.	Vegetation and ecosystem		
I'm concerned that high quality field will result in considerable increased demand by higher tier sports programs & organizations, potentially raising prices and pushing out kids leagues that aim to be affordable.	Accessibility		
Need a tree management plan.	Vegetation and ecosystem		
Lighted hours/park hours - closing time?	Lighting	Hours of use	
Concerns about making park too exclusive - don't formalize it too much.	Accessibility		
Parking on side streets.	Parking & traffic		
How are we meeting neighborhood park level of service w/ this being a community park.	Neighborhood park		
Concern about fencing height - rogue balls into housing areas/cars - but don't want to restrict users of the park.	Fencing		
Traffic w/ later hours.	Hours of use	Parking & traffic	
Concern: movement of people through park (groups/sporting events/etc.)	Programming of use		
Light pollution.	Lighting		
Noise pollution.	Noise		
Concern about dog off-leash park.	Dogs
