

# Bike lanes at 132<sup>nd</sup> Ave / NE 70<sup>th</sup> Pl

# Problem Statement

- The bike lanes on 132<sup>nd</sup> Ave NE stop before the intersection
  - Have to merge with cars; no “conflict zone” markings
  - No space at stop bar to queue up

# Why do this?

- No bike lanes cross NE 70<sup>th</sup> continuously
  - Gaps in network are a dealbreaker for many
- Direct route between Bridle Trails Shopping Center and Rose Hill Middle School
- Simple change
