

# 2026 Neighborhood Safety Program

Moss Bay Neighborhood  
Association

Neighborhood Panel team  
meeting

March 12, 2026

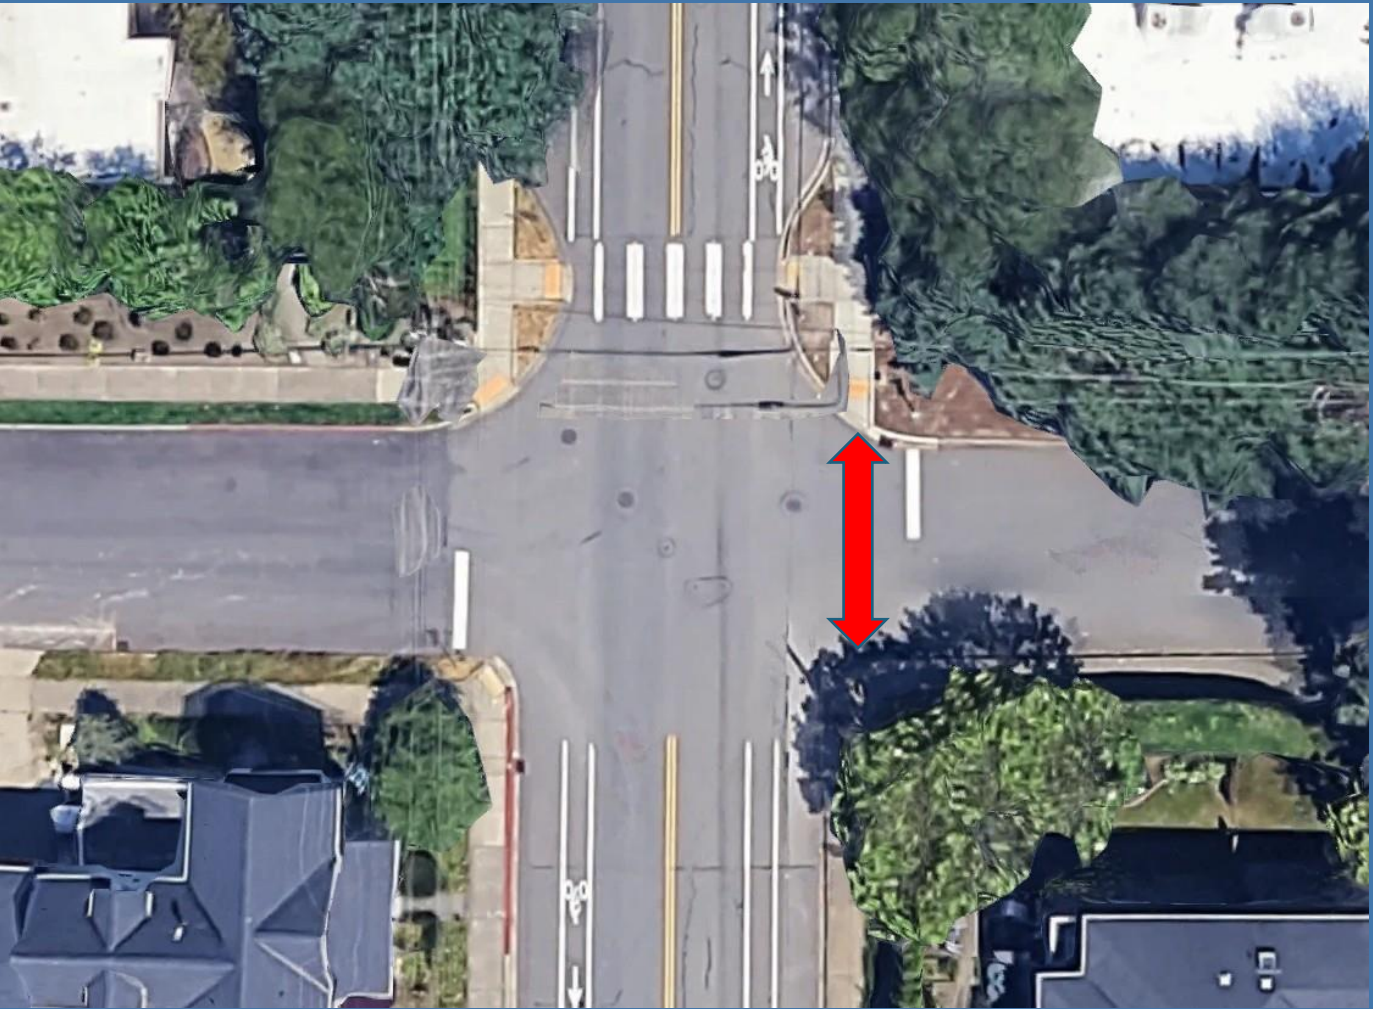

## Idea #1: State St and 7<sup>th</sup> Ave S Crosswalk

- We have received an idea via the Our Kirkland portal concerning the intersection of State St and 7<sup>th</sup> Ave S. Currently there is a crosswalk across State St on the north side of the intersection. The submitter mentioned that the crosswalk does not align with the sidewalks and that additional crosswalks are necessary. One possibility is a new crosswalk on the east side of the intersection crossing 7<sup>th</sup> Ave S.

Map snippet showing 7<sup>th</sup> Ave S from Brink Park eastward to the Cross Kirkland Corridor trail and Google campus

**Ground view of the intersection  
looking north on State Street with 7<sup>th</sup>  
Ave S going off to the right**

# Feedback from Feb 12 Project Conference

Project Idea	Notes
A marked crosswalk on 7th Ave S and State Street S (east leg of intersection)	<p><u>Cost:</u> Medium (~70K)</p> <p><u>Response:</u></p> <ul style="list-style-type: none"><li>• This is a good project.</li><li>• Striping only, ADA ramps already exist</li><li>• Rapid Flashing Beacons would be at this intersection across State St. on the northside.</li><li>• The lighting on the south pole would make it expensive</li></ul>
Discussed, not part of NSP, but part of the Transportation Benefit District: <b>State St &amp; 2nd Ave</b>	In design currently for curb extension, Rapid Flashing Beacon, New light pole

**Construction to start this summer on the RFBs**

# Submit Ideas for Safety Program

We can always use ideas for the Neighborhood Safety Program.

One easy way to submit an idea is via the Our Kirkland portal on the City's web site **[www.kirklandwa.gov](http://www.kirklandwa.gov)**

Type Our Kirkland into the search box and it will pop right up.
