2.	Priority Ranking for this Project:
	Priority 1 (10 points): 10
	_ Priority 2 (5 points):

Please explain the process your neighborhood used to select and prioritize this project:

We had six projects identified. At a neighborhood association meeting an audio visual presentation was made on each project. The members then discussed and gave reasons why they wanted a particular project. Then the members were given a sheet listing the projects and each member gave each project a priority ranking. The neighborhood board then reviewed and affirmed the ranking.

- 3. Did the Project Coordinator attend a Neighborhood Safety Program conference? Yes X No _____
- 4. Did City staff evaluate scope, maintenance, and provide a cost estimate of the project? Yes X_No _____

Note: Please attach Project Scope/Cost Estimate Worksheet and supporting documents prepared by City staff.

Community Support (0-10 points)

5. Please list who you reached out to and gained support for your project (e.g., adjacent neighbors, businesses, schools, PTSAs, and/or community groups like Kirkland Greenways).

We used an extensive call for possible safety projects. First the neighborhood board was sent information and asked for ideas. Following this an e-mail was sent to all the homes on the SRHBT e-mail list calling for idea inputs. Then the call for input was placed on Nextdoor Neighborhood blog. We were able to reach in excess of 700 households in the neighborhood plus the schools.

Note: Please attach letter(s) of support for your project.

Project Partnership Contributions (0–10 bonus points)

6. Will there be financial contributions or volunteer hours for this project (e.g., trail construction or maintenance)? If so, please list below (use additional sheet if necessary).
