

## 2019 Neighborhood Safety Program Application

**Application Deadline:** To Be Determined

**(Note:** One project location per application)

### Contact Information

**Neighborhood Association:** Totem Lake

Phone: (206) 227-7420

**Project Coordinator:** Andrea Fuentes

**Neighborhood Chair:** N/A

E-mail: [afuentes@microsoft.com](mailto:afuentes@microsoft.com)

E-mail:

### General Project Information

Location:

Nearest Cross Street(s): Cross street is NE 120<sup>th</sup> St

☒ Project Priority 1 (or only project) ☐ Priority 2

#### Project Type:

☐ Bicycle Improvement

☐ Rapid Flashing Beacon

☐ Trail Improvement

☐ Crosswalk Improvement

☐ Sidewalk Improvement

☐ Walkway Improvement

☒ Intersection Improvement

☐ Street Lighting

☐ Radar Speed Sign

☐ Traffic Calming

#### Describe the Project Scope:

Please include all aspects of the project (e.g., ADA ramps, street lights, thermoplastic, hand rails, asphalt vs. gravel).

During rush hours, northbound cars are backed up south of NE 119<sup>th</sup> Street, making it difficult to see cars in the center turn lane going through the intersection. Several near misses have occurred. An island or extruded curb will help stop northbound cars from entering the center turn lane early would help reduce conflicts and risk of crashes. This project could be in two steps, depending on the cost.

**City Cost Estimate:** \$ \_\_\_\_\_ \$26,400

### 1. Neighborhood Benefit/Support (0–60 points)

Please explain how the project will address a recognized safety need (especially with school kids or other vulnerable populations) and result in a positive and lasting neighborhood benefit (e.g., creates an important neighborhood pedestrian or bicycle connection):

This project would reduce traffic conflicts between cars entering the center turn lane to reach the northbound left turn lane at NE 120<sup>th</sup> Street and cars attempting to turn left into NE 119<sup>th</sup> St, because there is a blindspot that the traffic median would fix.

Were adjacent neighbors who will be impacted by the project contacted (e.g., street lights)? Yes\_\_\_ No X\_\_\_

Is there support for the project within the neighborhood (e.g., businesses, schools, and PTAs)? Yes X\_\_\_ No \_\_\_

**Note:** Please attach letters, emails, or a petition of support for your project.

### 2. Community Benefit/Support (0–30 points)

Please explain how the project benefits people outside of the neighborhood (e.g., creates a community-wide connection): Currently, the middle lane is a hazard to turn left into NE 119<sup>th</sup> St, because there is a blind spot when you are driving South on the middle lane. Vehicles come down the middle lane starting at Taco Bell and are driving 35 mph, and they do not see you in the middle lane until it is too late and they are almost hitting you head-on.

Is there broad community support for the project outside the neighborhood (e.g., businesses, schools, and PTAs, and community groups)? Yes X\_\_\_ No \_\_\_

**Note:** Please attach letters, emails, or a petition of support for your project.

### 3. Neighborhood/Community Project Partnership (0–10 points)

Will there be financial contributions and/or volunteer hours for this project (e.g., trail construction or maintenance)? If so, please provide details of the contributions. (**Note:** Volunteer value is \$23.56.)

Description	Financial Contribution (\$)	Volunteer Contribution (# of Hours * \$23.56)	Total
N/A			
<b>Total Neighborhood/Community Project Partnership</b>			

#### Please submit application to:

City of Kirkland

Kari Page, Senior Neighborhood Services Outreach Coordinator

123 5<sup>th</sup> Avenue, Kirkland, WA 98033

For any questions or further information, please contact Kari Page at [kpage@kirklandwa.gov](mailto:kpage@kirklandwa.gov) or (425) 587-3875.

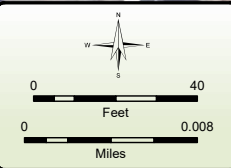

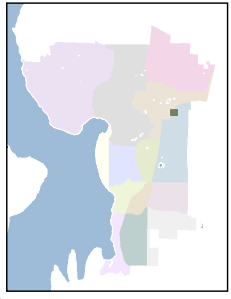

Traffic median island  
Mid Range: \$15-34K  
Rough estimate \$26,400

NE 119th Street

LEGEND

- Stream (Open)
