PRE-APPROVED PLANS POLICY**

**Policy R-26: DEVELOPMENT STREET LIGHTING STANDARDS**

The street lighting standards below apply to new development and redevelopment projects:

1. All new development subject to Chapter 110 of the Kirkland Zoning Code shall install new street lights in conjunction with the installation of the required street improvements. The street light design shall be initiated by the developer with Puget Sound Energy and will be reviewed and approved by the Public Works Department.
2. If new street lights are required, they shall be LED fixtures.
