

CONTRACT AMENDMENT NUMBER 1 TO THE PROFESSIONAL SERVICES AGREEMENT

Geotechnical Report Peer Review

This Contract Amendment Number 1 dated this <u>1st</u> day of <u>January</u>, 20<u>24</u>, is entered into by and between the City of Kirkland, a municipal corporation, herein called the "City," and Haley & Aldrich, Inc. (formerly Hart Crowser, Inc.) hereinafter the "Consultant":

WHEREAS, the City entered into a Professional Services Agreement ("Agreement") with the Consultant on <u>January 13, 2022</u> for professional Geotechnical Report Peer Review services on the Geotechnical Report Peer Review Project; and

WHEREAS, the City now desires to retain the services of the Consultant and extend the time for performance; and

WHEREAS, the Consultant is qualified, willing, and able to provide and perform the services, if any, as described in this Contract Amendment Number 1; and

WHEREAS, the Third-Party Geotechnical Peer Review services to be performed by the Consultant are temporary in duration.

NOW, THEREFORE, in consideration of the mutual promises and covenants herein contained and of the Professional Services Agreement, and the Request for Additional Funds to be kept, performed, and fulfilled by the respective parties hereto, it is mutually agreed as follows:

I. SERVICES BY CONSULTANT

All services and all duties incidental or necessary thereto, shall be conducted and performed diligently and completely in accordance with professional standards of conduct and performance. The timeframe to perform all services is extended to January 13, 2026.

II. COMPENSATION

- A. The total compensation to be paid to the Consultant for these services shall not exceed \$100,000 for completion of all services described in Attachment A.
- B. The above fees include all labor, materials, and expenses for the completion of the work.

III. EXTENT OF AGREEMENT/MODIFICATION

The Professional Services Agreement, together with Contract Amendment Number 1, represent the entire and completely integrated Agreement between the parties and supersedes all prior negotiations, representations, or agreements either written or oral. Except as modified herein, all provisions within the Agreement shall remain in full force and effect for the services provided under this Amendment. Additional

amendments, modifications, or additions to the Agreement may only be made by written instrument properly signed by both parties.

IN WITNESS WHEREOF, the parties hereto have executed this Contract Amendment Number 1 on the dates written below:

FEES FOR SERVICES

Fees for services will be based on the time worked on the project by staff personnel plus reimbursable expenses. The fee will be computed as follows.

1. Labor related fees will be computed based on personnel billing rates in effect at the time the services are performed. Personnel billing rates are subject to revision on, or about, 1 January and 1 July of each year. The hourly rates are fully inclusive of fringe benefits, burden, and fee. Current rates are provided in the table below.

Classification	Hourly Rate
Project Support	\$118
Technician	\$118
Project Technician	\$130
Senior Technician	\$142
Project Controls	\$143
Staff Professional 1	\$155
Staff Professional 2	\$172
Project Professional	\$191
Technical Specialist	\$200
Project Manager / Senior Technical Specialist	\$219
Senior Project Manager / Technical Expert	\$262
Program Manager / Senior Technical Expert	\$335
Principal	\$418
Senior Principal	\$425

- 2. Pre-trial conferences, depositions, and expert testimony will be billed at one and one-half (1.5) times the rates quoted above.
- 3. Second and Third Shift, Weekend, and Holiday hours will be billed at \$40/hour premium. Second and Third Shifts are those starting between 4 PM and 4 AM.
- 4. Field visits will be billed at 4-hour minimum; night shifts will be billed at 8-hour minimum. Cancellation of scheduled night shift within 24 hours will be charged the full 8 hours.
- 5. Direct non-salary expenses will be billed at our cost plus fifteen (15) percent, except for employee vehicle use which will be billed at IRS allowed mileage rates.
- 6. General project-related expenses such as mobile phone expenses (including mobile app fees); in-house reproduction; printing costs for reports, drawings, and other project records; mail and overnight document delivery; and long-term electronic and paper document storage will be billed as a general communication fee at a rate of four (4) percent of the labor charges.
- 7. Subcontractors will be billed at our cost plus fifteen (15) percent.
- 8. Equipment and laboratory testing will be billed at rates listed in the attached Equipment and Laboratory Rate Schedules, as applicable.
