

PROFESSIONAL SERVICES AGREEMENT
Kirkland Community Center – CMTKRKNCTR
WSDOT Support Services

City Attorney
Kevin Hansen
Rev: 07/07/26

The City of Kirkland, Washington, a municipal corporation ("City") and Jacobs Engineering Group, Inc., whose address is 1100 112th Ave NE Suite 500, Bellevue, WA 98004 ("Consultant"), in consideration of the mutual benefits and conditions set forth below, agree and contract as follows.

I. SERVICES BY CONSULTANT

- A. The Consultant agrees to perform the services described in Attachment A to this Agreement ("Services"), which attachment is incorporated herein by reference.
- B. The Services shall be performed in accordance with the ordinary and reasonable care, skill, and diligence that a competent professional in the same field would exercise under similar circumstances.

II. COMPENSATION

- A. The total compensation to be paid to the Consultant for these Services shall not exceed \$63,055.00, including all applicable taxes, as detailed in Attachment B.
- B. Payment to the Consultant by the City in accordance with the payment ceiling specified above shall be the total compensation for all Services performed under this Agreement and supporting documents hereto as well as all subconsultants' fees and expenses, supervision, labor, supplies, materials, equipment or the use thereof, reimbursable expenses, and other necessary incidentals.
- C. The Consultant shall be paid based on invoices submitted. Invoicing will be on the basis of percentage completed or on the basis of time, whichever is applicable in accordance with the terms of this Agreement.
- D. If the City objects to any portion of an invoice, it will notify the Consultant. In the event of an invoice dispute, the City will timely pay any undisputed portion of the invoice, and the parties will promptly make reasonable efforts to resolve the disputed portion. The City shall have the right to withhold payment to the Consultant for any services not completed in a satisfactory manner until such time as the Consultant modifies such services to the satisfaction of the City.
- E. Unless otherwise specified in this Agreement, any payment shall be considered timely if a warrant is mailed or is available within 30 days of the date of actual receipt by the City of an invoice conforming in all respects to the terms of this Agreement.

III. GENERAL ADMINISTRATION AND MANAGEMENT

The Senior Project Engineer for the City of Kirkland shall review and approve the Consultant's invoices to the City under this Agreement, shall have primary responsibility for overseeing and approving the services, and shall coordinate all communications with the Consultant from the City.

IV. DURATION

The estimated completion date for the Consultant's performance of the Services is June 30, 2027. For the purposes of submitting and paying final invoices, this Agreement expires on September 30, 2027.

The Consultant will diligently proceed with the Services, but the Consultant shall not be held responsible for delays occasioned by factors beyond its control which could not reasonably have been foreseen at the time of the execution of this Agreement. If such a delay arises, the Consultant shall forthwith notify the City.

V. TERMINATION OF AGREEMENT

The City or the Consultant may terminate or suspend this Agreement at any time, with or without cause, by giving ten (10) days' notice to the other in writing. In the event of termination, all finished or unfinished reports, or other material prepared by the Consultant pursuant to this Agreement, shall be provided to the City. In the event the City terminates prior to completion without cause, the Consultant may complete such analyses and records as may be necessary to place its files in order. The Consultant shall be entitled to receive just and equitable compensation for any satisfactory services completed on the project prior to the date of termination, not to exceed the payment ceiling set forth above.

VI. OWNERSHIP OF WORK PRODUCT

- A. Ownership of the originals of any reports, data, studies, surveys, charts, maps, drawings, specifications, figures, photographs, memoranda, and any other documents which are developed, compiled or produced as a result of this Agreement, whether or not completed, shall be vested in the City. Any reuse of these materials by the City for projects or purposes other than those which fall within the scope of this Agreement or the project to which it relates, without written concurrence by the Consultant will be at the sole risk of the City.
- B. The City acknowledges the Consultant's plans and specifications as instruments of professional service. Nevertheless, the plans and specifications prepared under this Agreement shall become the property of the City upon completion of the services. The City agrees to hold harmless and indemnify the Consultant against all claims made against the Consultant for damage or injury, including defense costs, arising out of any reuse of such plans and specifications by any third party without the written authorization of the Consultant.
- C. Methodology, materials, software, logic, and systems developed under this Agreement are the property of the Consultant and the City, and may be used as either the Consultant or the City sees fit, including the right to revise or publish the same without limitation.
- D. The Consultant, at such times and in such forms as the City may require, shall furnish to the City such statements, records, reports, data, and information as the City may request pertaining to matters covered by this Agreement. All of the reports, information, data, and other related materials, prepared or assembled by the Consultant under this Agreement and any information relating to personal, medical, and/or financial data will be treated as confidential only

as allowed by Washington State laws regarding disclosure of public information, including Chapter 42.56 RCW.

- E. The Consultant will, at any time during normal business hours and as often as the City may deem necessary, make available for examination all of its records and data with respect to all matters covered, directly or indirectly, by this Agreement and shall permit the City or its designated authorized representative to audit and inspect other data relating to all matters covered by this Agreement. The City shall receive a copy of all audit reports made by the agency or firm as to the Consultant's activities. The City may, at its discretion, conduct an audit, at its expense, using its own or outside auditors, of the Consultant's activities which relate, directly or indirectly, to the Agreement.
- F. The Consultant will provide all original operation and maintenance manuals, along with all warranties, from the manufacturer for any equipment or items installed or supplied to the City as part of this contracted project.
- G. The Consultant shall maintain accounts and records, including personnel, property, financial, and programmatic records, which sufficiently and properly reflect all direct and indirect costs of any nature expended and services performed pursuant to this Agreement. The Consultant shall also maintain such other records as may be deemed necessary by the City to verify proper accounting of all funds contributed by the City to the performance of this Agreement.
- H. The foregoing records shall be maintained for a period of six years after termination of this Agreement unless permission to destroy them is granted by the Office of the Archivist in accordance with Chapter 40.14 RCW and by the City.

VII. SUCCESSORS AND ASSIGNS

The Consultant shall not assign, subcontract, transfer, convey, pledge, or otherwise dispose of this Agreement or any part of this Agreement without prior written consent of the City.

VIII. NONDISCRIMINATION

The Consultant shall, in employment made possible or resulting from this Agreement, conduct its employment practices without unlawful discrimination against any employee or applicant for employment in violation of RCW 49.60.180, as currently written or hereafter amended, or other applicable law prohibiting discrimination, unless based upon a bona fide occupational qualification as provided in RCW 49.60.180 or as otherwise permitted by other applicable law. Further, no person shall be denied or subjected to discrimination in receipt of the benefit of any services or activities made possible by or resulting from this Agreement in violation of RCW 49.60.215 or other applicable law prohibiting discrimination.

IX. HOLD HARMLESS/INDEMNIFICATION

- A. To the greatest extent allowed by law, the Consultant shall defend, indemnify, and hold harmless the City, and its officers, officials, and employees ("Indemnified Parties") from third party claims, injuries, damages, losses or

suits (including reasonable attorney fees and costs) for bodily injury to persons or damages to property caused by with the negligent performance of this Agreement, except for injuries and damages caused by the negligence of the Indemnified Parties.

- B. To the greatest extent allowed by law, Consultant's liability for damages arising out of the negligent performance of Services or bodily injury to persons or damages to property caused by or resulting from the concurrent negligence of the Consultant and the Indemnified Parties, the Consultant's liability hereunder shall be only to the extent of the Consultant's negligence.
- C. It is further specifically and expressly understood that the indemnification provided herein constitutes the Consultant's waiver of immunity under Title 51 RCW, Washington's industrial insurance law, solely for the purpose of this indemnification. This waiver has been mutually negotiated by the parties.
- D. The provisions of this section shall survive the expiration or termination of this Agreement.
- E. Neither party will be liable for consequential damages arising from or related to this Agreement, including loss of revenue or anticipated profits.

X. LIABILITY INSURANCE COVERAGE

The Consultant shall procure and maintain for the duration of the Agreement, insurance against claims for injuries to persons or damage to property that may arise from or in connection with the negligent performance of the Services by the Consultant and/or its agents, representatives, or employees. A failure to obtain and maintain such insurance or to file required certificates and endorsements shall be a material breach of this Agreement.

The Consultant's maintenance of insurance as required by this Agreement shall not be construed to limit the liability of the Consultant to the coverage provided by such insurance, or to otherwise limit the City's recourse to any remedy available at law or in equity.

- A. **Minimum Scope and Amounts of Insurance.** The Consultant shall obtain and maintain insurance of the types and limits described below:

- 1. Commercial General Liability insurance shall be as least as broad as Insurance Services Office (ISO) form CG 00 01 and shall cover liability arising from premises, operations, stop-gap independent contractors and personal injury and advertising injury. The City shall be named as an additional insured under the Consultant's Commercial General Liability insurance policy with respect to the work performed for the City using an additional insured endorsement at least as broad as ISO CG 20 26.
 - a. Commercial General Liability insurance shall be written with limits of \$1,000,000 each occurrence, \$2,000,000 general aggregate.
- 2. Automobile Liability insurance covering all owned, non-owned, hired and leased vehicles. Coverage shall be as least as broad as ISO form CA 00 01

or a substitute form providing equivalent liability coverage. If necessary, the policy shall be endorsed to provide contractual liability coverage.

- a. Automobile Liability insurance with a combined single limit for bodily injury and property damage of \$1,000,000 per accident.
3. Workers' Compensation coverage as required by the Industrial Insurance laws of the State of Washington.
4. Professional Liability insurance appropriate to the Consultant's profession.
 - a. Professional Liability insurance shall be written with limits of \$1,000,000 per claim and \$1,000,000 policy aggregate limit.

B. Other Insurance Provisions

The insurance policies are to contain, or be endorsed to contain, the following provisions for Automobile Liability and Commercial General Liability insurance:

1. The Consultant's insurance coverage shall be primary insurance as respects the City. Any insurance, self-insurance, or self-insured pool coverage maintained by the City shall be excess of the Consultant's insurance and shall not contribute with it.
2. The Consultant shall provide the City and all Additional Insureds for the Services with written notice of any policy cancellation within thirty (30) business days of the Consultant's receipt of such notice.

C. Acceptability of Insurers

Insurance is to be placed with insurers with a current A.M. Best rating of not less than A:VII.

D. Verification of Coverage

The Consultant shall furnish the City with original certificates and a copy of the amendatory endorsements, including but not necessarily limited to the additional insured endorsement, evidencing the insurance requirements of the Consultant before commencement of the Services.

E. Failure to Maintain Insurance

Failure on the part of the Consultant to maintain the insurance as required shall constitute a material breach of this Agreement, upon which the City may, after giving five business days' notice to the Consultant to correct the breach, immediately terminate the Agreement or, at its discretion, procure or renew such insurance and pay any and all premiums in connection therewith, with any sums so expended to be repaid to the City on demand, or at the sole discretion of the City, offset against funds due the Consultant from the City.

F. Reserved.

XI. COMPLIANCE WITH LAWS/BUSINESS LICENSE

Subject to the generally accepted professional standard of care, the Consultant shall comply with all applicable state, federal, and local laws, ordinances, regulations, and codes. The Consultant must obtain a City of Kirkland business license or otherwise comply with Chapter 7.02 of the Kirkland Municipal Code.

XII. FUTURE SUPPORT

The City makes no commitment and assumes no obligations for the support of the Consultant's activities except as set forth in this Agreement.

XIII. INDEPENDENT CONTRACTOR

The Consultant is and shall be at all times during the term of this Agreement an independent contractor and not an employee of the City. The Consultant agrees that they are solely responsible for the payment of taxes applicable to the Services and agrees to comply with all federal, state, and local laws regarding the reporting of taxes, maintenance of insurance and records, and all other requirements and obligations imposed on them as a result of their status as an independent contractor. The Consultant is responsible for providing the office space and clerical support necessary for performing the Services. The City shall not be responsible for withholding or otherwise deducting federal income tax or social security or for contributing to the state industrial insurance or unemployment compensation programs or otherwise assuming the duties of an employer with respect to the Consultant or any employee of Consultant.

XIV. EXTENT OF AGREEMENT/MODIFICATION

This Agreement, together with all attachments and addenda, represents the final and completely integrated Agreement between the parties regarding its subject matter and supersedes all prior negotiations, representations, or agreements, either written or oral. This Agreement may be amended only by written instrument properly signed by both parties. The terms of this Agreement supersede any conflicting provisions contained in any attachments and/or addenda.

XV. ADDITIONAL WORK

The City may desire to have the Consultant perform work or render services in connection with the project other than provided for by the express intent of this Agreement. Any such work or services shall be considered as additional work, supplemental to this Agreement.

XVI. NON-ENDORSEMENT

As a result of the selection of a consultant to supply services to the City, the Consultant agrees to make no reference to the City in any literature, promotional material, brochures, sales presentation, or the like without the express written consent of the City. However, notwithstanding the foregoing, the City consents to the Consultant including information describing the Consultant's participation in this project in bids, statements of qualifications, or other similar proposals submitted to other municipal, governmental, or similar project sponsor, so long as the information included is factually accurate.

XVII. NON-COLLUSION

By signature below, the Consultant acknowledges that the person, firm, association, co-partnership or corporation herein named, has not either directly or indirectly entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in the preparation or submission of a proposal to the City for consideration in the award of a contract on the specifications contained in this Agreement.

XVIII. WAIVER

Waiver by the City of any breach of any term or condition of this Agreement shall not be construed as a waiver of any other breach.

XIX. DEBARMENT

The Consultant certifies that it is not suspended, debarred, proposed for debarment, declared ineligible or otherwise excluded from contracting with the federal government, or from receiving contracts paid for with federal funds.

XX. GOVERNING LAW AND VENUE

This Agreement shall be interpreted in accordance with the laws of the State of Washington. The Superior Court of King County, Washington, shall have exclusive jurisdiction and venue over any legal action arising under this Agreement.

XXI. DISPUTE RESOLUTION

All claims, counterclaims, disputes, and other matters in question between the City and the Consultant arising out of or relating to this Agreement shall be referred to the City Manager or a designee for determination, together with all pertinent facts, documents, data, contentions, and other information. The City Manager or designee shall consult with the Consultant's representative and make a determination within thirty (30) calendar days of such referral. No civil action on any claim, counterclaim, or dispute may be commenced until thirty (30) days following such determination. Nothing herein waives any requirements of Chapter 4.96 RCW, if applicable.

XXII. SEVERABILITY

Any provision or part of the Agreement held to be void or unenforceable under any law or regulation shall be deemed stricken. Unless such stricken provision goes to the essence of the consideration bargained for by a party, all remaining provisions shall continue to be valid and binding upon the parties, and the parties agree that the Agreement shall be reformed to replace such stricken provision or part thereof with a valid and enforceable provision that comes as close as possible to expressing the intention of the stricken provision.

XXIII. EFFECTIVE DATE

This Agreement shall be deemed effective on the last date signed below.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement on the dates written below:

SCOPE OF WORK

WSDOT Intersection Control Evaluation (ICE) and Access Revision Request Support Services

City of Kirkland

Project Understanding

The City of Kirkland is evaluating potential improvements at the intersection of the I-405 northbound ramps and 116th Ave NE at the NE 70th Street interchange, including a new access point on the east side of the intersection within WSDOT Limited Access. To support project development, the City requires preparation of an Intersection Control Evaluation (ICE) and an Access Revision Request (ARR) package to obtain approval for modifications to existing access conditions within WSDOT right of way.

Jacobs will provide transportation engineering, traffic operational analysis, conceptual geometrics, documentation, agency coordination, and project management services to support completion of the ICE and ARR processes.

TASK 1.0 – WSDOT INTERSECTION CONTROL EVALUATION (ICE)

Jacobs will prepare an Intersection Control Evaluation per current WSDOT Design Manual guidance. The ICE will evaluate signalized and roundabout control, documenting the basis for selection of the recommended alternative.

Task 1.1 – Traffic Operations Analysis

Traffic operational analysis will be completed for the signalized and roundabout alternatives to support ICE documentation.

Task 1.1.1 – Signalized Alternative (TENW)

Operational analysis for the signalized intersection alternative will be performed by TENW. Jacobs will coordinate with TENW and incorporate findings into the ICE.

Task 1.1.2 – Roundabout Alternative

Jacobs will perform operational analysis for one roundabout alternative using SIDRA Intersection, in accordance with the WSDOT SIDRA Policy Settings.

Activities include:

- Analysis of opening and design year AM and PM peak-hour conditions
- Documentation of analysis results for inclusion in the ICE

Deliverables

- Operational analysis summaries and supporting exhibits for inclusion in the ICE

Task 1.2 – Safety Analysis

Jacobs will complete a Safety Performance Analysis per the WSDOT Safety Analysis Guide.

Activities include:

- Obtain and review five calendar years of intersection crash history
- Evaluation of crash patterns and contributing factors
- Comparative assessment of anticipated safety performance of signalized and roundabout alternatives
- Documentation of findings and conclusions

Deliverables

- Safety analysis documentation for inclusion in the ICE.

Task 1.3 – Conceptual Layout Development

Jacobs will prepare conceptual geometric layouts sufficient to support operational analyses and agency review.

Task 1.3.1 – Signalized Alternative (TENW)

Conceptual layout of the signalized alternative will be developed by TENW and provided to Jacobs for inclusion in the ICE.

Task 1.3.2 – Roundabout Alternative

Jacobs will prepare a conceptual roundabout layout based on results of the operational analysis for inclusion in the ICE.

Activities include:

- Development of preliminary roundabout geometry
- Preliminary assessment of right-of-way impacts
- Identification of potential utility and site constraints

Deliverables

- Conceptual roundabout layout exhibit for inclusion in the ICE

Task 1.4 – ICE Memorandum and Recommendation

Jacobs will prepare an ICE memorandum documenting the evaluation process, technical analyses, findings, and recommended intersection control alternative.

Activities include:

- Preparation of draft and final ICE memorandum
- Integration of operational, safety, and geometric analyses
- Development of recommendation and supporting rationale
- Coordination with City staff regarding review comments
- Response to WSDOT comments

Deliverables

- Draft ICE Memorandum
- Final ICE Memorandum

TASK 2.0 – ACCESS REVISION REQUEST (ARR)

Jacobs will support preparation of documentation necessary for WSDOT review and approval of an Access Revision Request.

Task 2.1 – Right-of-Way Plan Update

Jacobs will prepare draft and final right-of-way exhibits required to support the ARR process.

Activities include:

- Review of existing right-of-way information and mapping
- Preparation of draft and final right-of-way exhibits
- Incorporation of City and agency review comments

Deliverables

- Draft Right-of-Way Exhibit
- Final Right-of-Way Exhibit

Task 2.2 – ARR Checklist and Justification Documentation

Jacobs will prepare supporting documentation required by WSDOT for the Access Revision Request process.

Activities include:

- Completion of WSDOT ARR forms and checklists.
- Preparation of technical narratives and supporting exhibits.
- Documentation demonstrating consistency with WSDOT access management principles.
- Development of engineering justification supporting the proposed access modification.
- Preparation of draft and final submittal materials.

Deliverables

- Draft ARR Documentation Package
- Final ARR Documentation Package

Task 2.2.1 – Agency Coordination

Jacobs will coordinate with WSDOT and, if required, the Federal Highway Administration (FHWA) throughout the ARR review process.

Activities include:

- Preparation for agency meetings
- Participation in virtual or in-person coordination meetings
- Documentation of meeting outcomes
- Follow-up responses to agency comments and requests

Deliverables

- Meeting summaries and coordination documentation

TASK 3.0 – PROJECT MANAGEMENT AND COORDINATION

Jacobs will provide project management services necessary to complete the scope of work.

Task 3.1 – Project Administration

Activities include:

- Project initiation and setup
- Internal team coordination and quality management
- Schedule monitoring and progress tracking
- Coordination with City staff
- Monthly invoicing and budget tracking
- Quality assurance and quality control review of technical work products

Deliverables

- Monthly progress updates
 - Monthly invoices
 - Project correspondence and meeting coordination
-

ASSUMPTIONS

- 1) Safety Analysis - This task may be completed by TENW or may be omitted if WSDOT determines a safety analysis is not required.
- 2) Existing traffic counts, mapping, and background information will be provided by the City.
- 3) TENW will perform traffic operations analysis and conceptual layout development for the signalized alternative.
- 4) WSDOT review durations are outside Jacobs' control.
- 5) The scope assumes evaluation of a single intersection.
- 6) Significant revisions resulting from changes in project scope, additional alternatives, or expanded agency review requirements may require a contract amendment.
- 7) Additional public outreach, environmental documentation, surveying, utility coordination, or final design services are not included.
