CITY OF KIRKLAND

6TH ST W / KIRKLAND WAY SIDEWALK IMPROVEMENTS

JOB NO. 22-26-PW CIP No. NMC3000150

ADDENDUM NO. 2

TO THE PLANS, SPECIFICATIONS, PROPOSAL AND CONTRACT

Issued This Date:	Friday, November 13, 2026
Bid Opening:	**Unchanged – November 17, 2026, 2:00 P.M.**
Place of Opening:	Office of the Purchasing Agent, City Hall

Notice to All Plan holders:
This Addendum No. 2, containing the following revisions, additions, deletions, and/or clarifications is hereby made part of the Plan and Contract Documents for the above-named project. Bidders shall take this Addendum into consideration when preparing and submitting their bids and it shall be attached to the Contract Documents.

This Addendum is 6 pages including this page.

Contractors shall acknowledge receipt of this Addendum in the place provided on Bid Proposal page 7. Failure to do so may disqualify the Bidder from consideration of its bid.

All other requirements of the contract documents remain in effect.

CONTRACT DOCUMENTS:

Item 1:
Location: Contract Documents
Description: Add the attached Prevailing Wage Rates section (Yellow Tab), as listed in the General Table of Contents, to the Contract Documents. The Prevailing Wage Rates section follows the Special Provisions (Blue Tab) and precedes the Appendices.

Item 2:
Location: Bid Proposal
Description: Remove the entire Bid Schedule and replace with the attached revised Bid Schedule.

Item 3:
Location: Special Provisions, Sections 1-02.6(1) and 1-02.12
Description: Delete Section 1-02.6(1), Recycled Materials Proposal, in its entirety. A recycled materials proposal form is not required with the Bid. In the tie-breaker paragraph of Section 1-02.12, delete all references to the recycled materials form and percentages, so that a tie between Bidders with exactly equal lowest responsive Bid totals is determined by the drawing described in that paragraph.

Item 4:
Location: Special Provisions, Section 7-05.5 (Plans Note 9)
Description: Add the following paragraph to Section 7-05.5: “All costs for furnishing and installing new frames and grates called out in the Plans shall be included in the unit Contract price for the catch basin installed or for “Adjust Catch Basin”, as applicable. No separate payment will be made.”

Sincerely,

Nick Sondergaard
Senior Capital Projects Coordinator
Public Works Department, City of Kirkland

George Minassian, P.E.
Interim Capital Division Manager
