

RFP 14-26-CMO

Permanent Holiday Event Lighting System Downtown

Addendum #2

Questions and Answers

Q: Is there power in the park?

A: Yes there's power 24/7, some locations may need to be turned on.

Q: Does special mounting need to be used for the trees?

A: Yes, the trees cannot be damaged during this project.

Q: Do the light poles have power?

A: Yes there's plug-in power options on the light poles.

Q: Can I move equipment into the park to install lights?

A: Yes, though you will need to coordinate with our Parks Department.

Q: Are permit fees waived by the city?

A: No, permit fees are the responsibility of the company installing the lights.
