

**Addendum # 2**  
**Investment Advisory Services**  
**RFP 15-24-FA**

There was a discrepancy in two sections of the RFP concerning the balance of the City's investment portfolio.

- The Scope of Work stated the portfolio is \$225 million or more.
- In Attachment F (Cost Proposal Matrix), a figure of \$175 million was used.

The correct balance of the City's investment portfolio is \$225 or more.
