

Pavement Condition Survey Consultant
RFP 33-24-PW
Addendum # 1 – Answers to Questions
May 10, 2024

We are answering a couple of questions early to assist those who may be considering preparing a proposal. There will be a second addendum published to the City's website on May 21, 2024 of all questions submitted prior to the May 16th deadline at 5:00 PM.

The deadline for submitting proposals remains May 24, 2024 at 4:00 PM.

1. Is the City of Kirkland willing to consider an automated data collection vehicle in lieu of visual surveys?

For the purposes of consistency in reporting, the City is only considering visual surveys as indicated currently in the RFP.

2. The minimum qualifications presented in the RFP (and shown below) don't match the scope of work. Can these be updated appropriately?

Under the Minimum Qualifications section, the following sentences are hereby deleted...

~~*"Demonstrated expertise in developing and implementing compost outreach programs to the commercial sector"*~~

~~*"Background in compost and recycling with the ability to provide insights on program recommendations."*~~

~~*"Experience working creatively, beyond basic recycling education assistance."*~~
