## **ARTICLE 9 – RETENTION OF BENEFITS**

All uniformly administered rights, benefits, and privileges relating to wages, hours, and working conditions as defined by the Public Employment Relations Commission shall remain in full force during the term of the Agreement.

The Union agrees that a continuing duty to bargain exists regarding changes in wages, hours, and working conditions as defined within RCW 41.56.

## **ARTICLE 10 – GRIEVANCE HANDLING AND DISPUTE RESOLUTION PROCEDURE**

In order to address differences in interpretation, application, or violation of any specific terms of the provisions of this contract or an established practice involving wages, hours, and working conditions or to reach a mutual understanding of the intent of such or other dispute, the parties are encouraged to promptly meet and confer to create a resolve, prior to the filing of a grievance if necessary. The timelines for filing a grievance shall become effective at the completion of the meeting(s) between the parties.

### **Section 10.1 Definitions**

A “Grievance” shall be defined as a claim or dispute raised relating to the interpretation, application, or violation of any specific terms or application of the provisions of this contract. All such claims or disputes shall be processed according to the provisions as set forth herein.

A “business day” as defined in Article 10 is defined as Monday through Friday, excluding recognized holidays.

**Section 10.2** The Union shall have full access to the grievance procedure on behalf of itself and/or the employees it represents and may introduce a grievance at any step at or above the Deputy Chief. Employees filing a grievance agree to submit in writing a copy of all relevant facts involving the alleged grievance to the Union Executive Board prior to Step I. Upon receiving the written petition, a Union representative shall meet with the Employee and recommend a course of action. If the Union wishes to pursue the grievance, the Union will proceed within the applicable timelines to the next appropriate step.

**Section 10.3** A grievance filed by the Union that could be handled either through the contract or through a complaint filed with the Kirkland Civil Service Commission must select the method on how to pursue the complaint. Once this “election of remedies” has been chosen the Union acting on the Employee’s behalf, has instituted the first step in the chosen process, the outcome of that process shall be binding and the Employee or the Union shall not be allowed to pursue the other course. This section shall not apply if jurisdiction over the issue is denied by the Civil Service Commission and the definition of a grievance as specified in Section 10.1 is applicable.

**Section 10.4** Step I. The Union may present a grievance to the Deputy Chief within 40 business days of when the Union became aware or reasonably should have been aware of its alleged occurrence. The written grievance must state the issue, contractual Article, city/department policy or established practice and cite facts giving rise to the grievance, and remedy sought. The Deputy Chief will attempt to resolve the matter and provide a written response to the Union within 15 business days. If the Union is not satisfied with the solution, then the Union has 15 business days

to advance the grievance to Step II by re-submitting the grievance to the Chief or his/her designee in writing.

Section 10.5 Step II. Upon receipt of the written grievance, the Fire Chief will attempt to resolve the matter and provide a written response to the Union within 15 business days. If the Union is not satisfied with the solution, then the Union has 15 business days to advance the grievance to Step III by re-submitting the grievance to the City Manager or his/her designee in writing.

Section 10.6 Step III. Upon receipt of the written grievance The City Manager or his/her designee will attempt to resolve the matter and provide a written response to the Union within 15 business days.

Section 10.7 If the grievance is not resolved by the City Manager or his/her designee to the satisfaction of the Union, the grievance may, within 15 business days of the receipt of the response from the City Manager or his/her designee, be referred for arbitration, to an arbitrator from a list of seven (7) currently active arbitrators from the Federal Mediation and Conciliation Service (FMCS) plus: Gary Axon, Alan Krebs, Eric Lindauer, Howell L. Lankford or additional arbitrators may be added if mutually agreed upon by the City and the Union. If any of the named arbitrators become unavailable, the parties agree to name mutually agreeable replacements ensuring an odd number not to exceed 11. The arbitrator will be selected by allowing the City and the Union to alternately delete one name at a time from the list until only one name remains. The party to start the deletion process will be decided by coin flip. It shall be the function of the Arbitrator to hold a hearing at which the parties may submit their cases concerning the grievance. The Arbitrator shall render his decision based on the interpretation and application of the provisions of this Agreement. The decision shall be final and binding upon the parties to the grievance provided the decision does not involve action by the Employer, which is beyond its jurisdiction. Each party shall be completely responsible for all costs of preparing and presenting its own case, including compensating its own representatives and witnesses; provided however, the Union does not thereby waive any rights provided under RCW 49.48.030. If either party desires a record of the proceedings, it shall solely bear the costs of producing such a record.

Section 10.8 Third Party Dispute Mediation

10.8.a Any grievance or work related dispute between two or more parties may be referred to voluntary third party mediation. With the mutual agreement of all the parties to the dispute, the City will provide access to mediation services through the King County Workplace Mediation or similar program.

10.8.b Voluntary mediation may be sought at any step in the grievance process provided that all parties to the grievance agree. When all parties have mutually agreed in writing to mediation, all grievance timeframes will be held in abeyance until the completion of the mediation process. Mediation shall be deemed "completed" when the mediator notifies the parties that no further mediation will take place. At the completion of the mediation process, all timeframes previously in effect will resume.

**ARTICLE 11 – HOURS OF DUTY**

Section 11.2 The work schedule for bargaining unit line personnel shall be two consecutive 24-hour shifts (48 hour “set”). Employees normally shall work two 24-hour shifts followed by 96 hours off. The shift starting time will be 0700. The shift configuration and shift starting time may be modified by mutual agreement between the Employer and the Union.

The work shift will include one hour for lunch and one hour for dinner. Each on-duty Employee will remain available for an emergency call during these meals breaks.

Training and inspections may be scheduled on a reasonably limited basis between 1800 and 0800 hours to maintain operational skills in night fire suppression, prevention, and inter-departmental cooperation.

Section 11.3 The work schedule for bargaining unit personnel assigned to a 40-hour workweek shall be:

- 11.3.a 0800-1700 Monday through Friday, or

Section 11.5 The Employer and Union acknowledge that Fire Station 24 is not currently staffed with career personnel. The Employer is not compelled to staff Fire Station 24. Should the City decide to staff Fire Station 24, the City agrees to staff it in accordance with the Memorandum of Understanding with the Union dated October 2013. The parties may agree to resolve staffing of Fire Station 24 on a long-term basis. The long-term solution for Fire Station 24 may include one of the following:

- 11.5.a 24-hour 3 platoon method
- 11.5.b 24-hour 4 platoon method
- 11.5.c 12-hour call back staffing
- 11.5.d 12-hour shift, 3 on 4 off

For the purpose of calculating hourly overtime rate of pay the formula shall include monthly salary, premium pay (i.e. Hazardous Materials or other premium pays negotiated) and longevity. The hourly rate of pay will be determined by multiplying the Employee's monthly salary by 12 (months) and then dividing that figure by the work week figure from Section 11.1 multiplied by 52.18 (weeks). The final overtime rate of pay will be rounded to the nearest cent.

### Section 12.2

- 12.2.a Overtime for 40-hour personnel shall be paid at the rate of one and one-half times their hourly rate of pay. For the purposes of calculating hourly overtime rate of pay the formula shall include monthly salary, premium pay (i.e. Hazardous Materials or other premium pays negotiated) and longevity. The hourly rate of pay will be determined by multiplying the Employee's monthly salary by 12 (months) and then dividing that figure by the work week figure from Section 11.3 multiplied by 52.18 (weeks) The final overtime rate of pay will be rounded to the nearest cent.
- 12.2.b 40-hour personnel working overtime during their normal duties are eligible for compensatory time in lieu of overtime. Compensatory time may not be earned if the employee is working overtime as defined in 12.2.e. Compensatory time shall accrue at one and one-half times the hours worked and shall be measured in fifteen minute increments or major fraction thereof.

- 12.2.c 40-hour personnel may bank up to 40 hours of compensatory time at any given point. If the 40-hour limit is exceeded, the additional hours above 40 will automatically be converted to overtime and paid out as soon as possible thereafter. Unless specifically waived in writing by the Fire Chief, no Employee may carry over more than 20 hours of compensatory time from October 31<sup>st</sup> to November 1<sup>st</sup>. 40 hour personnel may convert up to 40 hours of banked compensatory time into cash for their November 8<sup>th</sup> pay check. The request for such a payout must be received no later than October 15<sup>th</sup> of each year. In the event no request is received, all banked compensatory time in excess of 20 hours will be converted into a cash payout in the November 8<sup>th</sup> check. All compensatory time off shall be used or converted into cash prior to rotation back onto the line. If rotation does not happen before November 8<sup>th</sup>, cash out should happen at the first reasonable pay check.
- 12.2.d 40-hour personnel are required to track their approved overtime and compensatory time on a tracking form provided by the City. The tracking form shall be turned into their supervisor with their payroll attendance record each pay period. The employee shall designate whether they wish to be compensated in overtime or compensatory time on the tracking form. If no designation is made, overtime will be paid out in the next appropriate pay period. These hours will be entered in the payroll system and will be separately recorded on their paychecks. When an employee chooses to use Compensatory Time, the time off will be approved by the supervisor in the same manner as vacation or other similar types of leave as per Directive 3.001.
- 12.2.e Bargaining unit employees assigned to a 40-hour workweek may elect to participate in filling overtime vacancies created by line personnel. A 40-hour employee electing to participate shall be compensated at a rate consistent to line personnel Section 12.1 for the overtime shift(s) worked.

Section 12.3 Employees shall be subject to call back from off duty in an emergency. An Employee called back to duty shall be paid at the overtime rate of pay for two hours or for the actual number of hours worked, whichever is greater.

Section 12.4 Employees held over for an alarm past the termination of their regular shift will be paid overtime for those periods exceeding 15 minutes and thereafter for each 15-minute period or major fraction thereof.

Section 12.5 The City will use bargaining unit Employees for fill-in shifts when needed. Employees called to work such shifts shall be paid at the overtime rate of pay for two hours or for the actual number of hours worked, whichever is greater.

## **ARTICLE 13 – SHIFT CHANGES AND ASSIGNMENTS**

**Section 13.1** All employees covered by this Agreement and the Union shall receive written notice 30 calendar days in advance of inter-shift assignment and/or work schedule changes. This time limit may be waived at the discretion of the Fire Chief in the case of appointments to a promotional position within the bargaining unit and necessary shift adjustments caused by such appointment. This time limit may also be waived at other times if agreed to by the Employer and the Union.

13.2.f Inter-shift swaps are not intended to be used to routinely modify an employee’s regularly assigned shift. It is the employee’s responsibility to make up any mandatory training missed as a result of a shift swap.

The evaluation process shall also include a review of the current job description.

Evaluation shall not, by itself, constitute disciplinary action – disciplinary action must be specifically identified as such, in writing, consistent with Section 33.3.

Employees will be given a copy of the evaluation. Employees will be required to sign the evaluation, acknowledging its receipt. Employees may elect to provide a written response to the evaluation, which will be retained with the evaluation in the employee's personnel file.

### Section 35.3 Discipline / Corrective Action

The Employer agrees to act in good faith in the discipline, dismissal or demotion of any regular employee and any such discipline, dismissal or demotion shall be made only for just cause.

No employee shall be discharged except for just cause. The parties recognize that just cause requires progressive discipline. Progressive discipline may include:

- oral warnings, which will be documented;
- written warnings – which may also include work performance improvement or corrective action plan for poor work performance or misconduct;
- suspension or administrative leave with or without pay;
- demotion; or
- discharge.

The intent of progressive discipline is to assist the employee with performance improvement or to correct misconduct. Both the sequencing and the steps of progressive discipline are determined on a case-by-case basis, given the nature of the problem and may result in more progressive discipline for cause.

All disciplinary actions shall be clearly identified as such in writing. The employee will be requested to sign the disciplinary action. The employee's signature thereon shall not be construed as admission of guilt or concurrence with the discipline, but rather shall be requested as an indication that they have seen and comprehend the gravity of the disciplinary action. Employees shall have the right to review and comment on disciplinary actions in their personnel file.

A copy of all disciplinary notices shall be provided to the employee before such material is placed in their personnel file. Employees disciplined or discharged shall be entitled to utilize the grievance procedure. If, as a result of the grievance procedure utilization, just cause is not shown, personnel records shall be cleared of reference to the incident, which gave rise to the grievance.

The Employer will notify the Union in writing within three (3) working days after any notice of written warning, suspension, demotion, or discharge. The failure to provide such notice shall not affect such discharge but will extend the period within which the affected employee may file a grievance. All communication surrounding this action is to be treated as confidential and sensitive.

The Employer recognizes the right of an employee who reasonably believes that an investigatory interview with a supervisor may result in discipline to request the presence of a Union representative at such an interview. Upon request, they shall be afforded a Union representative. The Employer will delay the interview for a reasonable period of time in order to allow a Union representative an opportunity to attend. If a Union representative is not available or delay is not reasonable, the employee may request the presence of a bargaining unit witness. (Weingarten rights)

Employees shall also have a right to a notice and a determination meeting prior to any disciplinary action (except oral warning). The Employer must provide a notice and statement in writing to the employee identifying the performance violations or misconduct alleged, a finding of fact and the

reasons for the proposed action. The employee shall be given an opportunity to respond to the charges in a meeting with the Employer, and shall have the right to Union representation during that meeting, upon request. (Loudermill rights)

The Employer shall endeavor to correct employee errors or misjudgments in private, with appropriate Union representation if requested by the employee.

Discipline shall be subject to the grievance procedure in this Agreement as to whether or not such action as to any post-probationary employee was for just cause. Just cause shall be established if the following has been shown by the Employer:

- 35.3.a That the Employer did forewarn employee of possible consequences of conduct;
- 35.3.b That the Employer policy, rule, or order involved reasonably related to the orderly, efficient, or safe operation of the Employer;
- 35.3.c That before administering discipline, the Employer did make an effort to discover whether employee did, in fact, violate or disobey an Employer policy or rule;
- 35.3.d That the Employer conducted its investigation objectively;
- 35.3.e That, in the investigation, the Employer did obtain evidence or proof that the employee violated such Employer policy or rule;
- 35.3.f That the Employer applied its rules, orders, and penalties without discrimination under the circumstances; and
- 35.3.g That the degree of discipline was reasonably related to the seriousness of the offense and/or the employee's record.

In order to promote a climate of labor relations that will aid in achieving and maintaining a high level of performance within the department, the Union and the Employees it represents agree that there shall be no strikes or refusals to perform official duties. Any impasse resulting from the terms set forth in this contract will be resolved in mediation or binding arbitration in accordance with Washington State Collective Bargaining Act Laws.

#### Section 35.4 Vehicle Electronic Mobile Data Device

Subject to the City's requirements under law, the City agrees that it will not review and use electronic mobile data (e.g. Black Box, MDC, AVL) with the intent of generating any complaints against a Kirkland Fire employee. Electronic mobile data may be used as evidence to prove or disprove allegations of misconduct that is reasonably likely to result in discipline made against a Kirkland Fire employee. Absent evidence of misconduct that is reasonably likely to result in discipline, electronic mobile data shall not be used to monitor or evaluate a Kirkland Fire member's performance. Electronic mobile data shall remain confidential between the Employer and the Employee; and shall not be disseminated subject to the City's requirements under law.

### **ARTICLE 36 – MEETINGS AND COMMITTEES**

Section 36.1 There shall be regular Labor and Management meetings between the Executive Board of the Union and the Administration of the Fire/Building Department. The purpose of these

meetings is to discuss all matters referring to the labor agreement. Department Labor and Management meetings shall occur at least on a quarterly basis. Both parties shall have the authority to make non-binding recommendations to the Union and the City. No additional compensation or overtime shall be paid for attendance at the Labor and Management Meeting.

Section 36.2 Biannual (April and October) Executive Labor Management meetings will be held or as needed upon request by either party, and include City Management and the Local. This will be for the purpose of discussing matters of concern and maintaining the relationship between management and the Local.

Section 36.3 Local 2545 will participate with the City on a joint committee that will collaboratively work with the other City Bargaining Units to develop Citywide policies that may potentially impact wages, hours, and working conditions.

### **ARTICLE 37 – LIABILITY COVERAGE**

The City shall provide legal representation to an employee who is sued, where such litigation results from any alleged error or omission of such employee performed or omitted by the employee on behalf of the City in his or her capacity as an employee within the scope of his or her employment with the City.

The City shall provide insurance coverage under its self-insurance program, or any policy or policies obtained by the City in place thereof, indemnifying the employee for loss if the employee becomes legally obligated to pay for damages which result from errors or omissions of the employee performed or omitted by the employee on behalf of the City in his or her capacity as an employee and within the scope of his/her employment with the City.

The obligations of the City under this Article shall not apply to any dishonest, fraudulent, criminal, or malicious act of any employee. As express conditions of the City's obligations under this Article, the employee shall cooperate fully with the City in the defense of any such claim or suit, and the City shall have the sole and exclusive right to compromise, settle, dispose of or litigate any such claim, and shall have no obligation under this Article to pay the amount of any settlement, compromise, or judgment entered into or allowed by the employee without the City's prior written consent.

### **ARTICLE 38 – ENTIRE AGREEMENT**

Section 38.1 The agreement expressed here, in writing, constitutes the entire Agreement between the parties and no oral statement shall add to or supersede any of its provisions.

Section 38.2 The parties acknowledge that each has had the unlimited right and opportunity to make demands and proposals with respect to any matter deemed a proper subject for collective bargaining. The results of the exercise of that right are set forth in this Agreement.

**ARTICLE 39 – TERMS OF AGREEMENT**

The terms of this Agreement shall be in full force and effect upon signature by both parties, and except as otherwise provided herein, this Agreement shall remain in full force and effect through December 31, 2024.

All current employees at time of signing shall receive retroactive compensation of all back wages increases effective January 1, 2022, to present. Any such retroactive payments will be paid no later than the next paycheck following ninety (90) days from the effective date of this Agreement.

by and between  
the City of Kirkland  
and  
International Association of Firefighters Local No. 2545

August 2023

---

This Memorandum of Understanding (MOU) is entered into to document the mutual agreement between the City of Kirkland, Washington ("City" or "Employer") and the International Association of Firefighters Local No. 2545 ("Union"). This MOU is supplemental to the parties' 2022-2024 Collective Bargaining Agreement by and between the City and the Union.

- 1) The parties will form a task group to jointly identify strategies for addressing sick leave usage. No outside consultants, except for legal counsel, will be used by either party in connection with this task group without the mutual agreement of the other party. Should the parties mutually agree that it would be beneficial to use the services of an outside consultant for the task group, both parties would also need to agree on the identity of the consultant and both parties would split equally the fees and costs of any consultant who was mutually agreed upon. Neither party would be obligated to abide by any conclusions that were reached by any outside consultant. The parties will work in good faith to implement any or all strategies for addressing sick leave usage that are mutually agreed upon. Implementation of any such strategies will be within a reasonable time. Implementation may be in the form of a trial period(s) or full adoption. To timely inform contract negotiations for the 2025-2027 contract, the task group will work in good faith with a goal of completing its evaluation by June 1, 2024.
- 2) The parties will form a task group to jointly assess the benefits and challenges of converting to a 24-hour shift (in other words, of converting from the current 3-platoon system to a 4-platoon system). No outside consultants, except for legal counsel, will be used by either party in connection with this task group without the mutual agreement of the other party. Should the parties mutually agree that it would be beneficial to use the services of an outside consultant for the task group, both parties would also need to agree on the identity of the consultant and both parties would split equally the fees and costs of any consultant who was mutually agreed upon. Neither party would be obligated to abide by any conclusions that were reached by any outside consultant. In order to inform contract negotiations for the 2025-2027 contract, the parties will work in good faith to attempt to complete the assessment by June 1, 2024. Both parties agree that participation in this task group is not in any way an expression of an opinion one way the other about whether a change to a 24-hour shift should occur.
- 3) The parties will form a task group to jointly develop a mutually agreed upon system for calculating the value of the wages and benefits of the IAFF contract, including a system for comprehensive evaluation and monetization of wages and benefits provided by comparable employers. Neither party is required to use the system if agreement cannot be reached. To timely inform contract negotiations for the 2025-2027 contract, the system will be completed by June 1, 2024.
- 4) The parties will commence the first task group meetings within twenty-one (21) days of the effective date of this MOU. Each task group will have at least two representatives and a maximum of five, with equal representation from each.
- 5) This agreement is non-precedent setting.

- 6) Nothing in the MOU shall limit the ability of either party from utilizing outside consultants for any purpose other than the task groups identified in Section 1 and 2 above. The parties are free to utilize outside consultants for purposes of advising each party separately on the issues that are the subject of the MOU.
- 7) This MOU may be executed in counterparts and, when signed by all parties, shall be binding upon the parties. Transmission of this MOU by email showing the original signature of a party shall be considered an original signature and shall be binding upon the signatory party.

At the conclusion of the incumbent's rotation, the rotation shall be filled by the eligible personnel who volunteers, that has the most time in grade and has not previously filled the position. If all volunteers have previously completed a rotation, that does not occur, the volunteer with the most time in grade shall fill the position.
3. Clarification of Section 33.3 – Emergency Medical Services Officer: It is the intent that appointments to the EMS Division will come first from those who volunteer for the position, including those on probation.
