CARING FOR YOUR INFRASTRUCTURE TO KEEP KIRKLAND HEALTHY, SAFE AND VIBRANT

Landscaping and Construction begins sidewalk construction in July along the north side of Northeast 95th Street. The contractor is also building sidewalks along North Rose Hill's Northeast 104th Street and 126th Avenue Northeast.

## Sidewalk construction begins in July

New walkway will provide safer walking and bicycling route to Peter Kirk Elementary

**WHAT:** A-1 Landscaping and Construction, Inc., begins work in mid-July on more than 850 linear feet of sidewalk along the north side of Northeast 95th Street, between 112th and 116th avenues northeast. The new sidewalk will connect to sections of existing sidewalk.

**WHEN:** A-1 Landscaping and Construction's crews will be working from 7 a.m. to 3:30 p.m., Monday through Friday until November. At times, the contracted crews may work until 6 p.m.

**WHAT TO EXPECT:** The new sidewalk will replace some landscaping within the City's right-of-way, as well as many of the gravel areas that residents use for parking. However, street parking space will still be available when the sidewalk

is complete.

- The contractor will cover trenches and other unfinished work at the end of each day.
- Flaggers will help people navigate the roadway.
- The contractor will maintain access for mail delivery, garbage pick-up, local residents and emergency vehicles.
- Construction will, at times, eliminate some street parking and affect driveways.

# New map shows road alerts for construction, events, closures

The City of Kirkland is launching a new online map, called StreetSmart, that details traffic-affecting events, such as car shows, fun-runs and road construction.

Community members can access the map at <https://maps.kirklandwa.gov/kirklandstreetsmart/>

There, they can learn about the purposes and timelines of these events. Commuters can use this information to choose new routes and to avoid areas of traffic congestion.

CARING FOR YOUR INFRASTRUCTURE TO KEEP KIRKLAND HEALTHY, SAFE AND VIBRANT

Landscaping and Construction begins sidewalk construction in July along the south side of Northeast 104th Street. The contractor is also building sidewalks along Highlands' Northeast 95th Street and along North Rose Hill's 126th Avenue Northeast.

## Sidewalk construction begins in July

### New walkway provides safer walking and bicycling route to school

**WHAT:** Landscaping and Construction, Inc., begins work in July on more than 1,700 linear feet of sidewalk along the south side of Northeast 104th Street, between 128th and 132nd avenues northeast. The new sidewalk will connect to the existing sidewalk along the south side of the street.

**WHEN:** Landscaping and Construction's crews will be working from 7 a.m. to 3:30 p.m., Monday through Friday until November. At times, the contracted crews may work until 6 p.m.

**WHAT TO EXPECT:** The new sidewalk will replace some landscaping that is in the City of Kirkland's right-of-way, as well as many of the gravel areas—also in the right-of-way—that residents use for parking. However, street parking space will still be available on both sides of the street.

- The contractor will backfill and/or cover trenches and other unfinished work at the end of each day.
- Flaggers will be present, if necessary, to help residents walk across the street to avoid the construction zone.
- The contractor will maintain access for mail delivery, garbage pick-up, local residents and emergency vehicles.
- Construction will, at times, eliminate some street parking and affect driveways.
