

# Green Kirkland Partnership

## Steps to become a GKP Steward

1

### Go to a GKP Stewardship Event

Get a hands on feel for what Stewards do and how they lead volunteers to accomplish HUGE Stewardship projects in natural areas.

2

### Attend Steward Orientation

You'll learn the basics including:  
Why natural areas are so important  
What is the Green Cities Partnership  
Techniques for restoring natural areas and your home habitat  
Meet a fun community of volunteers!

3

### Complete a Paperwork Party

Get to understand expectations, benefits and share why you want to volunteer!

4

### Training in Restoration and Volunteer Management

Grow your skills to create healthy habitats and learn plant id, restoration steps, & volunteer event leadership skills.

5

### Go forth and Steward!

You'll receive staff and steward help as you begin at your first site and help with outreach in your community!
