* The City of Kirkland has compiled a list of vendors that have expressed interest in providing services to Highlands neighborhood residents who are considering the installation of a booster pump. These vendors have previously worked with residents within the City or surrounding areas and are generally familiar with the nature of this type of work. Inclusion on this list does not constitute a recommendation, endorsement, or guarantee of availability, pricing, or performance by the City. All services are subject to vendor availability and must be independently arranged by the resident. The City assumes no responsibility or liability for the selection, performance, quality of work, or outcomes of any services provided by these vendors.
