About Kirkland's Recycling event

Kirkland's Recycling Collection Event allows residents to dispose of hard to recycle items. All items collected will be reused or recycled.

Questions

Questions taken until noon on Friday, Sept 22.

Contact the recycling hotline: recycle@kirklandwa.gov or call (425) 587-3812.

Secure your load

See how to secure your load at kingcounty.gov/secure-your-load.

Other language accommodations

You can request materials in other languages or formats from

TitleVICoordinator@kirklandwa.gov or (425) 587-3011. Those with hearing impairments can call (206) 477-4466 TTY Relay: 711.

Funding

Funding provided by WA Department of Ecology, the Hazardous Waste Management Program in King County, and PaintCare.

City Recycling Drop-Off Information

City facilities have recycling drop-off stations for batteries, CFL bulbs, and cell phones. We are no longer accepting smoke detectors for recycling, please remove batteries for recycling and place smoke detectors in the garbage.

Batteries and CFL bulbs are also accepted at Household Hazardous Waste facilities (see right). See more CFL bulb locations at www.lightrecycle.org.

Find more recycling options for hard to recycle items at www.kingcounty.gov/whatdoidowith.
