PROJECT UPDATE

CARING FOR YOUR INFRASTRUCTURE TO KEEP KIRKLAND HEALTHY, SAFE AND VIBRANT

The map above shows the project's specific improvements along 108th Ave NE, between Juanita Woodinville Way NE to NE 140th St.

Work begins summer 2027 on Juanita traffic calming

Speed cushions, signage will improve safety, comfort along corridor

WHAT: A Kirkland contractor plans to begin construction in summer 2027 on a traffic-calming project along 108th Avenue Northeast.

Specifically, the Neighborhood Traffic Control Program project will install three sets of speed cushions and a pair of speed advisory signs between Juanita Woodinville Way Northeast to Northeast 140th Street.

These improvements will slow vehicular speeds and create a safer, more comfortable environment for people walking, biking, and living along the street.

WHEN: Kirkland's contractor plans to begin and complete construction in summer 2027.

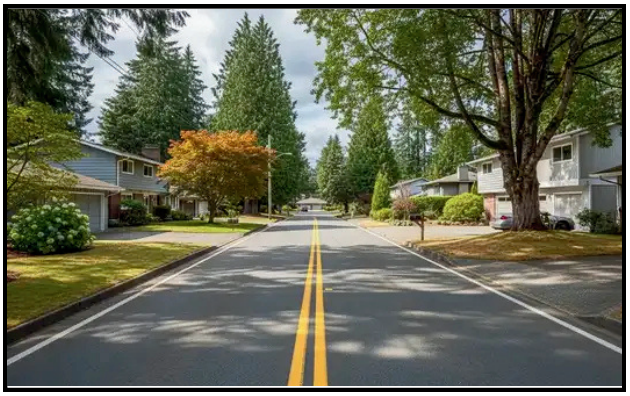

UPDATES: www. kirklandwa.gov/ntcp-projects

WHAT TO EXPECT: Community members should expect intermitten traffic delays along the route, as well as typical construction noise.

New email list offers updates on Juanita projects, programs

The City of Kirkland has created a series of email lists— also called listservs—to which community members can subscribe for neighborhood- specific updates about public works projects and intiatives.

Each neighborhood has its own listserv. The City plans to initially use the neighborhood listservs for first announcements of capital construction and public works programs.

Community members can subscribe to any and all list serves by visiting https://www.kirklandwa.gov/Government/Subscribe-to-Kirkland-Email-Lists
