For all other development types, except those listed below	Sq ft of impervious area being added/2600; then use rounded-down result x \$1,556.00
<i>Exempt from SWCFC</i>	
<ul style="list-style-type: none"> <li>• Street and pedestrian improvements in the public ROW</li> <li>• Private access roads serving residential subdivisions</li> <li>• Alteration/expansion of single dwelling unit on single lot</li> <li>• Existing impervious areas that are removed and replaced</li> </ul>	

Right-of-Way Permits	
Basic	\$ 177.00
Standard	691.00
Security Deposit	See separate schedule

Street Cut Size <sup>(1)</sup>	Street Cut Fee <sup>(2)</sup>
1-50 sq. ft.	\$544.00
51-100 sq. ft.	\$1,088.00
100 sq. ft. or greater	\$1,088.00 plus \$1,088.00 each additional 100 sq. ft. of path area
Admin Fee for each Street Cut Fee	\$80.00

The fee for review and inspection of public improvements (such as curb, gutter and sidewalk, utility main extensions, etc) and on-site storm drainage systems is 10% of the value of those improvements and systems. The value is determined by using the Public Works Improvement Evaluation Form.

- (1) Multiple patches that are within the vicinity of each other will be measured collectively to determine the fee.
- (2) When a patch is associated with street widening to new curb, the patch will be calculated to a max width of 2 ft.
- (3) Any permit applicant that is required to overlay the street as a condition of their project will not pay the Street Cut Fee for any street cuts in the overlay area.

Intake Review Fees, to be paid before review, will be deducted from final Review/Inspection fee determination to be paid before issuance:

Intake New Single Family In-fill (not in subdivisions)  
 \$1,500 Public Improvement Review  
 \$500 Private Improvement Review  
 \$1,810 Storm Water Review (simplified)
