Install, repair, replace permanent signage Refresh/repair gravel parking lots with assistance from PW Soft trail maintenance (primarily adding gravel and fixing drainage) Brush cutting Nursery management (receive/distribute plants) Plant container stock and install browse protection Plant bareroot stock and install browse protection Live staking Seeding Storm clean up including downed trees/limbs and milfoil Snow and ice removal Evergreen invasive tree control (manual and herbicide) Poison hemlock control (manual) Nursery clean up, repair and improvements (ex: install deer fence) Pot up bareroot stock Turf renovation Thistle control (manual and herbicide) Yellow archangel control (herbicide) Deciduous invasive tree control (manual and herbicide) Install and/or move water cisterns and dripline irrigation Q2 inspections, encroachment monitoring, maintenance sweeps Mowing CPTED pruning along soft trails and around facilities Watering Weed flower beds and planting areas (and native plant nursery) Prepare and maintain beach at Juanita Beach Knapweed control (manual and herbicide) Selective thinning of dense trees and shrubs							
Refresh/repair gravel parking lots with assistance from PW Soft trail maintenance (primarily adding gravel and fixing drainage) Brush cutting Nursery management (receive/distribute plants) Plant container stock and install browse protection Plant bareroot stock and install browse protection Live staking Seeding Storm clean up including downed trees/limbs and milfoil Snow and ice removal Evergreen invasive tree control (manual and herbicide) Poison hemlock control (manual) Nursery clean up, repair and improvements (ex: install deer fence) Pot up bareroot stock Turf renovation Thistle control (manual and herbicide) Yellow archangel control (herbicide) Deciduous invasive tree control (manual and herbicide) Install and/or move water cisterns and dripline irrigation Q2 inspections, encroachment monitoring, maintenance sweeps Mowing CPTED pruning along soft trails and around facilities Watering Weed flower beds and planting areas (and native plant nursery) Prepare and maintain beach at Juanita Beach Knapweed control (manual and herbicide) Tansy ragwort control (manual and herbicide) Fruit tree protection (netting/bags) at McAuliffe and WV Loosestrife control (manual and herbicide) Selective thinning of dense trees and shrubs							
Soft trail maintenance (primarily adding gravel and fixing drainage) Brush cutting Nursery management (receive/distribute plants) Plant container stock and install browse protection Plant bareroot stock and install browse protection Live staking Seeding Storm clean up including downed trees/limbs and milfoil Snow and ice removal Evergreen invasive tree control (manual and herbicide) Poison hemlock control (manual) Nursery clean up, repair and improvements (ex: install deer fence) Pot up bareroot stock Turf renovation Thistle control (manual and herbicide) Yellow archangel control (herbicide) Deciduous invasive tree control (manual and herbicide) Install and/or move water cisterns and dripline irrigation Q2 inspections, encroachment monitoring, maintenance sweeps Mowing CPTED pruning along soft trails and around facilities Watering Weed flower beds and planting areas (and native plant nursery) Prepare and maintain beach at Juanita Beach Knapweed control (manual and herbicide) Tansy ragwort control (manual and herbicide) Fruit tree protection (netting/bags) at McAuliffe and WV Loosestrife control (manual and herbicide) Selective thinning of dense trees and shrubs							
Brush cutting Nursery management (receive/distribute plants) Plant container stock and install browse protection Plant bareroot stock and install browse protection Live staking Seeding Storm clean up including downed trees/limbs and milfoil Snow and ice removal Evergreen invasive tree control (manual and herbicide) Poison hemlock control (manual) Nursery clean up, repair and improvements (ex: install deer fence) Pot up bareroot stock Turf renovation Thistle control (manual and herbicide) Peciduous invasive tree control (manual and herbicide) Deciduous invasive tree control (manual and herbicide) Install and/or move water cisterns and dripline irrigation Q2 inspections, encroachment monitoring, maintenance sweeps Mowing CPTED pruning along soft trails and around facilities Watering Weed flower beds and planting areas (and native plant nursery) Prepare and maintain beach at Juanita Beach Knapweed control (manual and herbicide) Tansy ragwort control (manual) Fruit tree protection (netting/bags) at McAuliffe and WV Loosestrife control (manual and herbicide) Selective thinning of dense trees and shrubs							
Nursery management (receive/distribute plants) Plant container stock and install browse protection Plant bareroot stock and install browse protection Live staking Seeding Storm clean up including downed trees/limbs and milfoil Snow and ice removal Evergreen invasive tree control (manual and herbicide) Poison hemlock control (manual) Nursery clean up, repair and improvements (ex: install deer fence) Pot up bareroot stock Turf renovation Thistle control (manual and herbicide) Peciduous invasive tree control (manual and herbicide) Deciduous invasive tree control (manual and herbicide) Install and/or move water cisterns and dripline irrigation Q2 inspections, encroachment monitoring, maintenance sweeps Mowing CPTED pruning along soft trails and around facilities Watering Weed flower beds and planting areas (and native plant nursery) Prepare and maintain beach at Juanita Beach Knapweed control (manual and herbicide) Tansy ragwort control (manual) Fruit tree protection (netting/bags) at McAuliffe and WV Loosestrife control (manual and herbicide) Selective thinning of dense trees and shrubs							
Plant container stock and install browse protection Plant bareroot stock and install browse protection Live staking Seeding Storm clean up including downed trees/limbs and milfoil Snow and ice removal Evergreen invasive tree control (manual and herbicide) Poison hemlock control (manual) Nursery clean up, repair and improvements (ex: install deer fence) Pot up bareroot stock Turf renovation Thistle control (manual and herbicide) Yellow archangel control (herbicide) Deciduous invasive tree control (manual and herbicide) Install and/or move water cisterns and dripline irrigation Q2 inspections, encroachment monitoring, maintenance sweeps Mowing CPTED pruning along soft trails and around facilities Watering Weed flower beds and planting areas (and native plant nursery) Prepare and maintain beach at Juanita Beach Knapweed control (manual and herbicide) Tansy ragwort control (manual and herbicide) Selective thinning of dense trees and shrubs							
Plant container stock and install browse protection Plant bareroot stock and install browse protection Live staking Seeding Storm clean up including downed trees/limbs and milfoil Snow and ice removal Evergreen invasive tree control (manual and herbicide) Poison hemlock control (manual) Nursery clean up, repair and improvements (ex: install deer fence) Pot up bareroot stock Turf renovation Thistle control (manual and herbicide) Yellow archangel control (herbicide) Deciduous invasive tree control (manual and herbicide) Install and/or move water cisterns and dripline irrigation Q2 inspections, encroachment monitoring, maintenance sweeps Mowing CPTED pruning along soft trails and around facilities Watering Weed flower beds and planting areas (and native plant nursery) Prepare and maintain beach at Juanita Beach Knapweed control (manual and herbicide) Tansy ragwort control (manual and herbicide) Fruit tree protection (netting/bags) at McAuliffe and WV Loosestrife control (manual and herbicide) Selective thinning of dense trees and shrubs							
Live staking Seeding Storm clean up including downed trees/limbs and milfoil Snow and ice removal Evergreen invasive tree control (manual and herbicide) Poison hemlock control (manual) Nursery clean up, repair and improvements (ex: install deer fence) Pot up bareroot stock Turf renovation Thistle control (manual and herbicide) Yellow archangel control (herbicide) Deciduous invasive tree control (manual and herbicide) Install and/or move water cisterns and dripline irrigation Q2 inspections, encroachment monitoring, maintenance sweeps Mowing CPTED pruning along soft trails and around facilities Watering Weed flower beds and planting areas (and native plant nursery) Prepare and maintain beach at Juanita Beach Knapweed control (manual and herbicide) Tansy ragwort control (manual) Fruit tree protection (netting/bags) at McAuliffe and WV Losestrife control (manual and herbicide) Selective thinning of dense trees and shrubs							
Live staking Seeding Storm clean up including downed trees/limbs and milfoil Snow and ice removal Evergreen invasive tree control (manual and herbicide) Poison hemlock control (manual) Nursery clean up, repair and improvements (ex: install deer fence) Pot up bareroot stock Turf renovation Thistle control (manual and herbicide) Yellow archangel control (herbicide) Deciduous invasive tree control (manual and herbicide) Install and/or move water cisterns and dripline irrigation Q2 inspections, encroachment monitoring, maintenance sweeps Mowing CPTED pruning along soft trails and around facilities Watering Weed flower beds and planting areas (and native plant nursery) Prepare and maintain beach at Juanita Beach Knapweed control (manual and herbicide) Tansy ragwort control (manual) Fruit tree protection (netting/bags) at McAuliffe and WV Losestrife control (manual and herbicide) Selective thinning of dense trees and shrubs							
Storm clean up including downed trees/limbs and milfoil Snow and ice removal Evergreen invasive tree control (manual and herbicide) Poison hemlock control (manual) Nursery clean up, repair and improvements (ex: install deer fence) Pot up bareroot stock Turf renovation Thistle control (manual and herbicide) Yellow archangel control (herbicide) Deciduous invasive tree control (manual and herbicide) Install and/or move water cisterns and dripline irrigation Q2 inspections, encroachment monitoring, maintenance sweeps Mowing CPTED pruning along soft trails and around facilities Watering Weed flower beds and planting areas (and native plant nursery) Prepare and maintain beach at Juanita Beach Knapweed control (manual and herbicide) Tansy ragwort control (manual) Fruit tree protection (netting/bags) at McAuliffe and WV Loosestrife control (manual and herbicide) Selective thinning of dense trees and shrubs							
Storm clean up including downed trees/limbs and milfoil Snow and ice removal Evergreen invasive tree control (manual and herbicide) Poison hemlock control (manual) Nursery clean up, repair and improvements (ex: install deer fence) Pot up bareroot stock Turf renovation Thistle control (manual and herbicide) Yellow archangel control (herbicide) Deciduous invasive tree control (manual and herbicide) Install and/or move water cisterns and dripline irrigation Q2 inspections, encroachment monitoring, maintenance sweeps Mowing CPTED pruning along soft trails and around facilities Watering Weed flower beds and planting areas (and native plant nursery) Prepare and maintain beach at Juanita Beach Knapweed control (manual and herbicide) Tansy ragwort control (manual) Fruit tree protection (netting/bags) at McAuliffe and WV Loosestrife control (manual and herbicide) Selective thinning of dense trees and shrubs							
Snow and ice removal Evergreen invasive tree control (manual and herbicide) Poison hemlock control (manual) Nursery clean up, repair and improvements (ex: install deer fence) Pot up bareroot stock Turf renovation Thistle control (manual and herbicide) Yellow archangel control (herbicide) Deciduous invasive tree control (manual and herbicide) Install and/or move water cisterns and dripline irrigation Q2 inspections, encroachment monitoring, maintenance sweeps Mowing CPTED pruning along soft trails and around facilities Watering Weed flower beds and planting areas (and native plant nursery) Prepare and maintain beach at Juanita Beach Knapweed control (manual and herbicide) Tansy ragwort control (manual) Fruit tree protection (netting/bags) at McAuliffe and WV Loosestrife control (manual and herbicide) Selective thinning of dense trees and shrubs							
Poison hemlock control (manual) Nursery clean up, repair and improvements (ex: install deer fence) Pot up bareroot stock Turf renovation Thistle control (manual and herbicide) Yellow archangel control (herbicide) Deciduous invasive tree control (manual and herbicide) Install and/or move water cisterns and dripline irrigation Q2 inspections, encroachment monitoring, maintenance sweeps Mowing CPTED pruning along soft trails and around facilities Watering Weed flower beds and planting areas (and native plant nursery) Prepare and maintain beach at Juanita Beach Knapweed control (manual and herbicide) Tansy ragwort control (manual) Fruit tree protection (netting/bags) at McAuliffe and WV Loosestrife control (manual and herbicide) Selective thinning of dense trees and shrubs							
Poison hemlock control (manual) Nursery clean up, repair and improvements (ex: install deer fence) Pot up bareroot stock Turf renovation Thistle control (manual and herbicide) Yellow archangel control (herbicide) Deciduous invasive tree control (manual and herbicide) Install and/or move water cisterns and dripline irrigation Q2 inspections, encroachment monitoring, maintenance sweeps Mowing CPTED pruning along soft trails and around facilities Watering Weed flower beds and planting areas (and native plant nursery) Prepare and maintain beach at Juanita Beach Knapweed control (manual and herbicide) Tansy ragwort control (manual) Fruit tree protection (netting/bags) at McAuliffe and WV Loosestrife control (manual and herbicide) Selective thinning of dense trees and shrubs							
Nursery clean up, repair and improvements (ex: install deer fence) Pot up bareroot stock Turf renovation Thistle control (manual and herbicide) Yellow archangel control (herbicide) Deciduous invasive tree control (manual and herbicide) Install and/or move water cisterns and dripline irrigation Q2 inspections, encroachment monitoring, maintenance sweeps Mowing CPTED pruning along soft trails and around facilities Watering Weed flower beds and planting areas (and native plant nursery) Prepare and maintain beach at Juanita Beach Knapweed control (manual and herbicide) Tansy ragwort control (manual) Fruit tree protection (netting/bags) at McAuliffe and WV Loosestrife control (manual and herbicide) Selective thinning of dense trees and shrubs							
Pot up bareroot stock Turf renovation Thistle control (manual and herbicide) Yellow archangel control (herbicide) Deciduous invasive tree control (manual and herbicide) Install and/or move water cisterns and dripline irrigation Q2 inspections, encroachment monitoring, maintenance sweeps Mowing CPTED pruning along soft trails and around facilities Watering Weed flower beds and planting areas (and native plant nursery) Prepare and maintain beach at Juanita Beach Knapweed control (manual and herbicide) Tansy ragwort control (manual) Fruit tree protection (netting/bags) at McAuliffe and WV Loosestrife control (manual and herbicide) Selective thinning of dense trees and shrubs							
Turf renovation Thistle control (manual and herbicide) Yellow archangel control (herbicide) Deciduous invasive tree control (manual and herbicide) Install and/or move water cisterns and dripline irrigation Q2 inspections, encroachment monitoring, maintenance sweeps Mowing CPTED pruning along soft trails and around facilities Watering Weed flower beds and planting areas (and native plant nursery) Prepare and maintain beach at Juanita Beach Knapweed control (manual and herbicide) Tansy ragwort control (manual) Fruit tree protection (netting/bags) at McAuliffe and WV Loosestrife control (manual and herbicide) Selective thinning of dense trees and shrubs							
Yellow archangel control (herbicide) Deciduous invasive tree control (manual and herbicide) Install and/or move water cisterns and dripline irrigation Q2 inspections, encroachment monitoring, maintenance sweeps Mowing CPTED pruning along soft trails and around facilities Watering Weed flower beds and planting areas (and native plant nursery) Prepare and maintain beach at Juanita Beach Knapweed control (manual and herbicide) Tansy ragwort control (manual) Fruit tree protection (netting/bags) at McAuliffe and WV Loosestrife control (manual and herbicide) Selective thinning of dense trees and shrubs							
Yellow archangel control (herbicide) Deciduous invasive tree control (manual and herbicide) Install and/or move water cisterns and dripline irrigation Q2 inspections, encroachment monitoring, maintenance sweeps Mowing CPTED pruning along soft trails and around facilities Watering Weed flower beds and planting areas (and native plant nursery) Prepare and maintain beach at Juanita Beach Knapweed control (manual and herbicide) Tansy ragwort control (manual) Fruit tree protection (netting/bags) at McAuliffe and WV Loosestrife control (manual and herbicide) Selective thinning of dense trees and shrubs							
Deciduous invasive tree control (manual and herbicide) Install and/or move water cisterns and dripline irrigation Q2 inspections, encroachment monitoring, maintenance sweeps Mowing CPTED pruning along soft trails and around facilities Watering Weed flower beds and planting areas (and native plant nursery) Prepare and maintain beach at Juanita Beach Knapweed control (manual and herbicide) Tansy ragwort control (manual) Fruit tree protection (netting/bags) at McAuliffe and WV Loosestrife control (manual and herbicide) Selective thinning of dense trees and shrubs							
Install and/or move water cisterns and dripline irrigation Q2 inspections, encroachment monitoring, maintenance sweeps Mowing CPTED pruning along soft trails and around facilities Watering Weed flower beds and planting areas (and native plant nursery) Prepare and maintain beach at Juanita Beach Knapweed control (manual and herbicide) Tansy ragwort control (manual) Fruit tree protection (netting/bags) at McAuliffe and WV Loosestrife control (manual and herbicide) Selective thinning of dense trees and shrubs							
Q2 inspections, encroachment monitoring, maintenance sweeps Mowing CPTED pruning along soft trails and around facilities Watering Weed flower beds and planting areas (and native plant nursery) Prepare and maintain beach at Juanita Beach Knapweed control (manual and herbicide) Tansy ragwort control (manual) Fruit tree protection (netting/bags) at McAuliffe and WV Loosestrife control (manual and herbicide) Selective thinning of dense trees and shrubs							
Mowing CPTED pruning along soft trails and around facilities Watering Weed flower beds and planting areas (and native plant nursery) Prepare and maintain beach at Juanita Beach Knapweed control (manual and herbicide) Tansy ragwort control (manual) Fruit tree protection (netting/bags) at McAuliffe and WV Loosestrife control (manual and herbicide) Selective thinning of dense trees and shrubs							
CPTED pruning along soft trails and around facilities Watering Weed flower beds and planting areas (and native plant nursery) Prepare and maintain beach at Juanita Beach Knapweed control (manual and herbicide) Tansy ragwort control (manual) Fruit tree protection (netting/bags) at McAuliffe and WV Loosestrife control (manual and herbicide) Selective thinning of dense trees and shrubs							
Watering Weed flower beds and planting areas (and native plant nursery) Prepare and maintain beach at Juanita Beach Knapweed control (manual and herbicide) Tansy ragwort control (manual) Fruit tree protection (netting/bags) at McAuliffe and WV Loosestrife control (manual and herbicide) Selective thinning of dense trees and shrubs							
Prepare and maintain beach at Juanita Beach Knapweed control (manual and herbicide) Tansy ragwort control (manual) Fruit tree protection (netting/bags) at McAuliffe and WV Loosestrife control (manual and herbicide) Selective thinning of dense trees and shrubs							
Prepare and maintain beach at Juanita Beach Knapweed control (manual and herbicide) Tansy ragwort control (manual) Fruit tree protection (netting/bags) at McAuliffe and WV Loosestrife control (manual and herbicide) Selective thinning of dense trees and shrubs							
Knapweed control (manual and herbicide) Tansy ragwort control (manual) Fruit tree protection (netting/bags) at McAuliffe and WV Loosestrife control (manual and herbicide) Selective thinning of dense trees and shrubs							
Tansy ragwort control (manual) Fruit tree protection (netting/bags) at McAuliffe and WV Loosestrife control (manual and herbicide) Selective thinning of dense trees and shrubs							
Fruit tree protection (netting/bags) at McAuliffe and WV Loosestrife control (manual and herbicide) Selective thinning of dense trees and shrubs							
Loosestrife control (manual and herbicide) Selective thinning of dense trees and shrubs							
Selective thinning of dense trees and shrubs							
pamboo control (manual and herbicide)							
Policeman's helmet control (manual)							
Q3 inspections, encroachment monitoring, maintenance sweeps							
Tree pruning (esp. fruit tree at McAuliffe and WV)							
Knotweed control (herbicide)							
Q4 inspections, encroachment monitoring, maintenance sweeps							
Leaf removal (playgrounds, buildings, turf, pathways, soft trails)
