PROJECT UPDATE

CARING FOR YOUR INFRASTRUCTURE TO KEEP KIRKLAND HEALTHY, SAFE AND VIBRANT

The City of Kirkland is returning a center median with pedestrian signals for the crossing of Slater/132nd Avenues Northeast at the Cross Kirkland Corridor trail. A new right-turn signal will also be added at NE 124th Street for pedestrian safety.

Work begins on pedestrian safety project

Project creates a signalized crossing for walking and biking at the northern terminus of the Cross Kirkland Corridor trail

WHAT: A City of Kirkland contractor will begin pedestrian and bicycle safety improvements at Slater /132nd Avenues Northeast for the Cross Kirkland Corridor. Returning the center island median, this project creates a signalized crossing of the Cross Kirkland Corridor to King County's Eastrail. Additionally, a right-turn signal will be added to the westbound to northbound movement at NE 124th Street. Slater/132nd Avenues Northeast will also receive enhanced bicycle safety features including lane buffers and access to the trail.

WHEN: Construction is expected to begin on Monday, May 12. OMA Construction of Maple Valley expects to work between 9 a.m. and 4 p.m. Monday thru Friday. Construction is expected to be complete within 70 working days, with final completion expected in November. Due to long-lead procurement

processes, this project could have periods of inactivity, but we strive to complete this project as quickly as possible.

WHAT TO EXPECT: The contractor is required to maintain access for emergency responders, mail delivery, local residents and businesses. Drivers should plan for traffic delays during construction. A detour for trail users will bypass the construction zone and will be posted on the trails and website.

New email lists offer project news for each neighborhood

The City of Kirkland has created a series of email lists—also called list serves—to which community members can subscribe for neighborhood-specific updates about public works projects and initiatives.

Each neighborhood has its own list serve.

The City plans to initially use the neighborhood list serves for first announcements of capital construction and public works programs.

Community members can subscribe to any and all list serves by visiting www.kirklandwa.gov/Government/Subscribe-to-Kirkland-Email-Lists.
