## PROJECT UPDATE

CARING FOR YOUR INFRASTRUCTURE TO KEEP KIRKLAND HEALTHY, SAFE AND VIBRANT

The City of Kirkland is constructing a right-turn-only lane for eastbound travel on Northeast 85th Street between 120th Avenue Northeast and 122nd Avenue Northeast. The project also updates the watermain on 122nd Avenue Northeast and adds necessary surface water improvements.

## Work to begin on NE 85th St turn-lane

Turn-lane will connect to the third lane WSDOT is building between I-405 and 120th Ave NE

**WHAT:** The City of Kirkland is preparing to request construction bids for a project that adds an eastbound right-turn only lane on Northeast 85th Street between 120th Avenue Northeast and 122nd Avenue Northeast.

This project will connect to the third-eastbound lane that WSDOT is adding during construction between I-405 and 120th Avenue Northeast.

The work will occur on the north side of Northeast 85th Street within the right-of-way, and the travel lanes will be shifted once the additional roadway is constructed. Additional infrastructure improvements to the watermain on 122nd Avenue Northeast

and surface water facilities throughout the project area will be constructed during this project to minimize future disruptions.

**WHEN:** Construction is expected to occur between 9 p.m. and 5 a.m., starting as early as Spring 2025. Additional notification will be sent closer to the start of construction. Construction is expected to be complete within 100 working days.

**COMMENTS:** If you would like to comment on the proposed noise variance, which allows this project to operate at night, please submit your written comments to Project Coordinator Pauley Maneevong ([pmaneevong@kirklandwa.gov](mailto:pmaneevong@kirklandwa.gov)) before January 24, 2025.

**People with disabilities may request materials in alternate formats.** Kirkland's policy is to fully comply with Title VI of the Civil Rights Act by prohibiting discrimination against any person on the basis of race, color,

national origin or sex in the provision of benefits and services resulting from its programs and activities. Any person who believes his/her Title VI protection has been violated, may file a complaint with the City. To request an alternate format, file a complaint or for questions about Kirkland's Title VI Program, contact the Title VI Coordinator at 425.587.3831 (TTY Relay: 711) or [titleviordinator@kirklandwa.gov](mailto:titleviordinator@kirklandwa.gov).

**City of Kirkland**  
Public Works Department  
123 Fifth Avenue  
Kirkland, WA 98033-6189

**WHAT TO EXPECT:** The contractor is required to maintain access for emergency responders, mail delivery, local residents and businesses.

- Drivers should expect nightly lane-closures and other traffic control measures. Uniformed Police Officers will control the signalized intersections when the contractor is working within the intersection.
- Some sections of sidewalk will be unavailable while crews rebuild them.
- In advance of the City's project, franchise utilities including PSE will be conducting work in this area to clear the way for this project.
- Contractor will strive to mitigate noise by using loudest equipment early in the shift and reducing idle time of equipment.
- Northeast 85th Street is one of Kirkland's busiest arterials, and daytime lane closures at this location would be detrimental to traffic flow in the area.

## 为夜间施工做好准备
