Come Together This Season in Our Parks & Programs

Dear Kirkland Community Members,

Get ready for an action-packed season with the Fall/Winter edition of the Kirkland Recreation Guide! Inside, you'll discover a treasure trove of exciting ways to stay active, spark new interests, and build connections with others. From fun teen programs and dynamic fitness classes to after-school care, senior programs, preschool activities, and a variety of general interest classes – there's something for everyone!

This summer, we made some amazing improvements to our parks that we can't wait to share with you. We've added a second picnic shelter to O.O. Denny Park, creating more room for you to gather, celebrate and enjoy quality time with friends and family. At Everest Park, we've unveiled a new larger playground packed with more slides, swings, and accessible play features to ensure fun for all ages and abilities. And that's just the beginning. This fall, we'll break ground on a brand-new restroom building at Everest Park to make your park visits even more enjoyable.

Together, we're crafting high-quality programs and public spaces that are accessible and inclusive for all. Whether you're dancing, creating art, enjoying a delicious senior meal, or celebrating at one of our special events, we're all about helping you connect and make memories that last.

Thank you for being an essential part of our vibrant community. We look forward to seeing you at Harvest Festival on October 4, or at Día de Los Muertos on October 25. Let's create memorable experiences together!

Inclement Weather

The safety of program participants and staff is the primary consideration when determining whether programs should be canceled, rescheduled, or modified due to inclement weather, excessively high or low temperatures, poor or icy road conditions, poor air quality, or other events which may jeopardize safety. The City of Kirkland typically follows the lead of the Lake Washington School District when determining cancellations during the school year. When school is not in session, City staff will evaluate conditions and make the appropriate decision to cancel or delay programs. When air quality levels in Kirkland are deemed unhealthy according to the Environmental Protection Agency's (EPA) website www.airnow.gov, all outdoor programs will be canceled or rescheduled. Additionally, the Peter Kirk Pool will be closed, and beaches will not be staffed by lifeguards. Refunds will be considered on an individual program basis but are not guaranteed.

Weather-related program impacts will be communicated on Facebook and our inclement weather hotline (425-587-3335).

PLAY IS BACK AT EVEREST PARK

Families have a new favorite play destination in Kirkland: Everest Park's brand-new playground. Nearly double the size of the old structure, the new playground opened in July with multiple climbing structures and a variety of swings, ideas inspired by input from local kids. A whimsical oversized baseball glove slide adds a nod to Everest Park's sports legacy, and accessible paths ensure everyone can join the fun. The project was made possible in part thanks to the voter-approved 2020–2025 King County Parks Levy.

NEW RESTROOM COMING TO EVEREST PARK

The restroom building at Everest Park is being replaced to better serve the community. The new facility will feature improved accessibility, family-style restrooms, and a more modern design to support a wide range of park users. Construction will begin soon, and once complete, the new restroom will offer a more comfortable and inclusive experience for all visitors. Thank you for your patience as we continue to invest in Kirkland's parks!

MORE PICNIC SPACE COMING TO O.O. DENNY PARK

Construction is underway on a second picnic shelter at O.O. Denny Park, with completion expected this fall. The new shelter will offer more shaded space for gatherings, celebrations, and community connection along the lakefront. This project is funded by remaining resources from the former Finn Hill Park District and reflects the community's long-standing vision for expanded amenities at this beloved park. Once complete, the new shelter will be available for public use and reservations, just in time for cozy fall picnics and weekend get-togethers under the trees. Stay tuned for updates on when the new shelter will be open for use!

Youth BASKETBALL LEAGUE

Grades
3rd-6th

The City of Kirkland's Youth Basketball League is all about fun, supportive environment where kids learn teamwork, sportsmanship, and basketball fundamentals. Players build skills, understand game rules, and enjoy a season guided by certified officials, creating a positive experience for all.

BOYS LEAGUE		GIRLS LEAGUE	
21905	3rd Grade Boys	21902	3rd Grade Girls
21906	4th Grade Boys	21903	4th Grade Girls
21907	5th Grade Boys	21904	5th & 6th Grade Girls
21908	6th Grade Boys		

Our league is inclusive and welcomes all gender identities and expressions. Please register according to your child's grade level, preferred gender league, and nearest Lake Washington School District (LWSD) Elementary School.

Teams are formed based on grade, gender, and school location, with a target of 10 players per team. If more than 10 players register from one school, teams are created in registration order (e.g., the first 8–10 form the first team, the next group forms another). We aim to keep teams balanced using additional factors such as registration numbers, school locations, and additional considerations. If there aren't enough players at one school, teams may be combined with nearby schools. 5th and 6th Grade Boys Leagues may be combined if enrollment numbers are low.

Buddy and Coach requests will be taken into consideration. Team formation prioritizes player's school location. We will make every effort to honor buddy and coach requests but cannot guarantee them due to team balancing factors. Teams are finalized once registration closes.

Teams get up to 2 hours of practice each week, usually split into 1 or 2 practices on weekday evenings between 5–9 PM. Practice schedules are determined based on grade level, coach availability, and school facility availability. No practices happen during LWSD breaks or when schools are closed.

Our coaches meeting will be held on the evening of Wednesday, November 19th, marking the start of the season. Afterward, coaches will receive rosters and contact players with team details, practice times, and locations. **Practices will begin the week of December 1st.**

Games will begin on Saturday, January 10, 2026. Each team will play an average of 7-8 games during the season. Games are held on Saturdays between 8 AM and 5 PM. *Please note, there will be no games on Saturday, February 14th, due to the LWSD Mid-Winter Break. In case of inclement weather or unexpected cancellations, we have one make-up date available.

Registration Closes: November 4th

FEE: \$160 R / \$192 NR
