Neighborhood Block Party Guidelines

Neighborhood block parties provide opportunities to connect with neighbors, celebrate, work on common projects, and strengthen community relationships. These events are held and attended by people living along the street, they are not intended to be publicized or open to the general public.

A Neighborhood Block Party Permit is required for neighborhood events that temporarily close a street, cul-de-sac, or other right of way. To apply for a permit, follow these guidelines.

APPLICATION

A complete application must be received no less than 2 weeks prior to the event, or it will not be processed.

1. Applicant must live within the section of roadway to be closed and serve as the event contact.
2. Block party may be held between 8:00 a.m. and 10:00 p.m.
3. A complete application includes the application, map of street closure, and application fee.

Block parties are not permitted in Kirkland parks. Please contact us to inquire about permitting opportunities in parks.

FEES

A non-refundable \$35.00 application fee is due at the time of application.

1. Checks should be made payable to the City of Kirkland.
2. Credit card and cash payments are accepted in person at the cashier's desk with advance notice.

NOTIFICATION

Applicant is responsible for contacting neighbors to share details of the block party and temporary street closure. Vehicle access must be provided for neighbors not attending.

STREET CLOSURE

An adult monitor should be posted at each street closure to ensure resident and emergency access.

Applicant may not close:

1. Arterial streets.
2. Intersections.
3. Streets with a bus stop.

Kirkland Fire Department requires:

1. A 20-foot emergency access lane be maintained at all times.
2. Hydrants and fire protection connections remain clear at all times.
3. Access and egress be maintained at all times.

Street closure barricades:

1. Applicant is responsible for obtaining and placing barricades/street closure signs. At the conclusion of the event, Applicant should remove the barricades and return the street to its original condition. Please note, the City does not lend or rent equipment.
2. Large portable items such as yard waste bins can be used with large street closure signs attached, or
3. 'Street Closed' barricades can be rented from a local traffic control company.

COMPLAINTS

The best way to handle complaints is to avoid them in the first place. Be a good neighbor and provide advance notice to adjacent property owners – a minimum of two weeks is recommended. Most complaints are reported when activities are unreasonably loud, have been going on for a long period of time, or take place during “quiet” hours. If a complaint is received, a police officer will be sent to the location to address the situation.

NATIONAL NIGHT OUT

"National Night Out" is a nationwide campaign aimed at involving communities in crime and drug prevention awareness. Kirkland residents are encouraged to gather with neighbors to work on common projects and strengthen community relationships. Kirkland City Councilmembers and representatives from the police and fire departments will visit events held the first Tuesday in August between 6 p.m. and 9 p.m. For more information go to: <https://natw.org/>.
