Dear Property Owner:

If you would like someone other than the property owner to receive the utility bill, you will need to complete and submit the appropriate alternate billing form. If the property is owned by a company or you are signing on behalf of an HOA or other entity, please include your title.

Alternate Billing Options:

1. City of Kirkland Tenant Billing Form – This is the form to complete when you wish to have the bill mailed to the tenant at the service address. The bill will be addressed to “tenant” at service address. The authorization will remain active until revoked by the Owner. There is a \$10.00 fee posted to your account for processing this form.
2. City of Kirkland Property Management Billing Form – This is the form to complete when you wish to have the bill mailed to someone other than the property owner or tenant—such as a property manager or bill payer. You will also need to provide a copy of your signed management agreement. A new alternate billing form will need to be completed for each billing change. There is a \$10.00 fee posted to your account for processing this form.
3. City of Kirkland Commercial Tenant Billing Form - This is the form to complete when you wish to have the bill mailed to commercial tenant at the service address or another specified address. The authorization will remain active until the owner, or the commercial tenant revokes the commercial tenant billing form. There is a \$10.00 fee posted to your account for processing this form.

The alternate billing will begin immediately upon receipt of your approved form. We bill every other month for a full two-month period. It will be your responsibility to prorate bills between tenants, as the City of Kirkland does not generate a final bill when tenants move out. Final bills are only generated upon the sale of a property.

Please feel free to contact Utility Billing at (425) 587-3150 or utilitybilling@kirklandwa.gov

Sincerely,
