Tips for Participating in the ZOOM Virtual Courtroom:

- When you join the virtual courtroom, you may be in a "waiting room" until the court clerk opens the meeting. Do not announce yourself, the clerk will obtain names of those in attendance. There may be several cases set on the docket at the same time.
- If calling in, call from a phone with a good connection.
- If you are represented by an attorney, talk to your attorney <u>before</u> the hearing date to discuss your case.
- You should remain in a muted status until your case is called to reduce background noise. When your case is called, unmute your device. The Judge will ask you to identify yourself, speak loudly and clearly.
- Follow directions from the Judge when it is your turn to speak.
- Hearings will be recorded using the court recording system.
- You may leave the ZOOM virtual hearing after your case has been resolved.

Additional instructions may be given to you by the Court or your Attorney during the hearing.
